2 Assault, attack, or attempt to cause physical injury to another student by two or more students
3 Extortion or blackmail of another student under threat of physical harm
4 Behavior that incites to riot so as to cause or be likely to cause other students to join in the disruption of school
5 Possession or use of a weapon or any instrument which may cause bodily harm while on school property or buses or at any school function, wherever held NOTE The superintendent will have discretion in determining the severity of the penalty for a student who exhibits this behavior depending upon the nature of the weapon or instrument and whether there was any intent to use the weapon or instrument However, in the case of a student possessing or using firearms on school property or buses, in a private vehicle in a school parking lot, or at any school function wherever held the student will be removed from the school system and all of its programs for the remainder of the school year At the beginning of the next school year the student will be placed in the Program for Excluded Students and will remain there until a year from the date when the violation occurred At that time, or at any subsequent time, the superintendent may recommend to the Board of Education that the student be reinstated in the regular school program, otherwise, the student will remain assigned to the Program for Excluded Students Weapons taken from students will be turned over to the City/County Police Department
6 Breaking in and entering a school building, arson, vandalism or theft of property of the school school employees or other students NOTE In cases resulting in the loss of $100 or more, exclusion will be mandatory The superintendent will have discretion in determining the severity of the penalty in cases resulting in the loss of less than $100
