COUNTY OF MECKLENBURG

**May 24, 2010 AMENDMENT
TO RESTATED CONSOLIDATED
SHARED PROGRAMS JOINT
UNDERTAKING AGREEMENT**

This May 24, 2010 Amendment to the Restated Consolidated Shared Programs Joint Undertaking Agreement made to be effective January 1, 2008, by and between the **CITY OF CHARLOTTE** (hereinafter the "City"), a municipal corporation organized under the laws of the State of North Carolina, and the **COUNTY OF MECKLENBURG** (hereinafter the "County"), a political subdivision of the State of North Carolina.

WITNESSETH:

WHEREAS, the City and the County entered into that certain Restated Consolidated Shared Joint Undertaking Agreement ("Agreement") made as of July 1, 1998, which Agreement specifies the details and the financing of various programs or joint undertakings which are operated by one government or report for budget purposes to one government for the mutual benefit of both governments; and

WHEREAS, the City and County now desire to amend the portion of the Agreement dealing with "911 Public Safety Emergency Telephone Service" to reflect subsequent changes in State law.

NOW, THEREFORE, in consideration of the premises and the fulfillment of the terms of this Amendment to the Agreement, the City and County agree as follows:

Paragraph 1.(A)(11) of the Agreement which currently reads "Public Safety Telephone Service" is amended to read "Emergency Telephone Service".

Paragraph 5.(A)(11) is amended to read:

"(11) "Emergency Telephone Service" – Pursuant to G.S. Sec. 62A-40 *et seq.*, as between the City and the County, the City is the primary public safety answering point

(PSAP) and is, therefore, entitled to the distribution of funds from the 911 Board pursuant to G.S. Sec. 62A-46.

Notwithstanding the fact that the City is entitled to the entire local 911 Board distribution, the City recognizes the value in coordinating police, fire, and MEDIC emergency telephone services. Consistent with that recognition, the City and the County agree that as part of their annual budget process, the Charlotte-Mecklenburg Police Department (CMPD), the Charlotte Fire Department (CFD), and MEDIC will jointly develop an emergency telephone service budget based on the projected 911 Board distribution and any available emergency telephone service fund balance. In the event that CMPD, CFD, and MEDIC are unable to agree on an emergency telephone service budget, the matter will be referred to the City and County Managers for resolution. In the event that the City and County Managers are unable to agree on an emergency telephone service budget, the Charlotte City Council will establish the emergency telephone service budget as part of the City's budget.

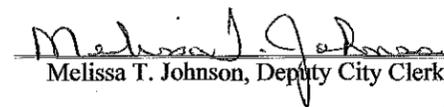

Once the emergency telephone service budget has been established and adopted by the City, MEDIC shall submit invoices to the City requesting reimbursement for items paid by the County that were included in the budget.”

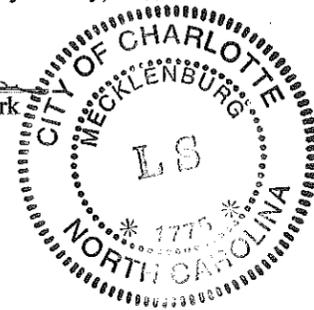

Executed as of the day and year first above stated by authority granted by the Charlotte City Council and the Mecklenburg County Board of Commissioners.
