3. Golf Carts Services- Used in the City of Charlotte and are being driven on the roads. There are no standard city regulations for this service but they must follow all rules of the road including being registered/licensed with the DMV. Information on low speed vehicles can be found at:  
<http://www.dmv.org/nc-north-carolina/other-types-of-vehicles.php>
4. Multi-Pedaler Services- Used primarily in the Uptown area. There are no standard city regulations for this service. The service would still have to follow all the rules for the road.

All of these types of services should also follow all the state laws in regards to alcohol and this information can be found at:
