

Addendum No. 3
Charlotte Douglas International Airport
AVIA RFQ 27-05
On-Call Engineering Services
September 21, 2026

This Addendum is hereby made a part of the RFQ and contract documents of the above referenced project. All other requirements of the original RFQ shall remain in effect in their respective order. Acknowledge receipt of this addendum by indicating such on the "Cover Letter" page in your SOQ.

This Addendum Includes:

- **Questions and Answers**

Questions and Answers:

- 1. Is an 11"x17" page allowed for the Org Chart? If permitted, would this count as two pages against the maximum page count of 30?**
 - a. Response: Yes. The organization chart would be an exhibit, which is stated as exempt from the 30-page limit and 8 ½" x 11" format requirement.
- 2. Can the organization chart be 11 x17?**
 - a. Response: Yes. The organization chart would be an exhibit, which is stated as exempt from the 8 ½" x 11" format requirement.
- 3. Requested Expertise and Capabilities (p. 18-19): Will the Airport accept an SOQ from a firm proposing to serve only a subset of the listed Primary Expertise areas, such as Hydrology and Storm Water Management?**
 - a. Response: Proposals from firms/teams should cover all Primary and Support Expertise areas.
- 4. Project Location (p. 20): May a firm state in its SOQ a preference for task orders in a specific project location (terminal, land-side, air field)?**
 - a. Response: Firms should be able to support all types/locations of task orders (terminal, landside, and airfield).

5. For the scope item called Environmental Testing, can further detail be provided of what environmental testing is anticipated to be performed under this contract?

- a. Response: Examples of environmental testing performed under this contract include asbestos testing and environmental site assessments to support development of Airport property.

6. Please confirm that participating in this contract will not preclude the firm from future projects at CLT.

- a. Response: Firms selected from this solicitation will not be subject to any new preclusions because of selection in this contracting opportunity.
