SCOPE OF WORK:

The scope of this project is to replace air handler units (AHU) 6 and 9 with new AHUs. New controls, ductwork, associated variable air volume systems (VAV), and piping will be installed as part of a complete unit replacement. Each AHU replacement will require a detailed construction phasing process to ensure limited system downtime. Contractor shall be responsible for temporary heating and cooling as needed.

Bidders may obtain the complete Project Manual, including all plans, drawings, specifications, and addenda ("Bid Documents") beginning **April 30, 2025** from the eBuilder Bid Portal. Bidders may access the bid portal via the eBuilder Bid Portal link shown above.

Title VI Solicitation Notice: The City, in accordance with the provisions of Title VI of the Civil Rights Act of 1964 (78 Stat. 252, 42 USC §§ 2000d to 2000d-4) and the Regulations, hereby notifies all bidders that it will affirmatively ensure that any contract entered into pursuant to this Invitation to Bid, disadvantaged business enterprises will be afforded full and fair opportunity to submit bids in response to this invitation and no businesses will be discriminated against on the grounds of race, color, national origin (including limited English proficiency), creed, sex (including sexual orientation and gender identity), age or disability in consideration for an award.

Please NOTE: This is a re-bid. Bidders are encouraged to reuse the original bid documents that were issued during the bid period of 03/20/2025 – 04/30/2025 which included drawings, technical specifications, and addenda.
