

The Charlotte Area Transit System (CATS) is teaming up with Commute with Enterprise to continue moving people forward with a new and improved vanpool program.

Enjoy increased vehicle options, better fuel efficiency to save you money and enhanced customer service. You can enjoy the perks of public transit starting from the comfort of your own driveway!

## Benefits

As few as four passengers or as many as 15.

Instead of driving you can relax.

Flexible vanpool option for hybrid work!

Enhanced customer service.

Guaranteed ride home program.

Saves money by reducing expenses on gas and car maintenance.

Helps the environment.

Employer benefits: some companies help pay for vanpooling.

## Why Vanpool?

Service will be managed by Commute with Enterprise in partnership with CATS.

Comfortable rides

Great customer service

Easy enrollment process

We are here to help! For any further questions or concerns, contact us for more information.
