
Addendum No. 1

Date: *June 1, 2023*

Solicitation Number: *FY23-RFQ-06*

Title: *PES for the Pipeline Rehab and Construction Inspection Services*

Issued by: *Bridgette Maxie*
Bridgette.L.Maxie@charlottenc.gov

Proposers should acknowledge receipt of this addendum on Form 1. Failure to acknowledge receipt of this addendum may result in the proposal not being considered.

All Proposers are responsible for monitoring CLTWater's Contracting Opportunities website (<https://www.charlottenc.gov/Growth-and-Development/Doing-Business>) for additional changes or clarifications.

Questions and Responses

1. **Question:** Does Charlotte Water provide staff assistance or defined expectations to the consultant for safe operation of valves and hydrants? Our experience in the past was that Charlotte Water will not allow anyone but their own qualified staff to operate valves within the system.

Response: Approval for valve and hydrant operation by the consultant would be based on proposed staff qualifications. If a qualified individual is unavailable, Charlotte Water would provide staff for assistance.
