

# Hidden Valley Water System Improvements Project

You're invited to attend  
a community meeting

CHARLOTTE  
**WATER**

## You're invited to a public meeting to learn more about current and future water system improvements in your area.

Contractors for Charlotte Water are continuing to make progress on various water main projects in the Hidden Valley neighborhood. Construction work will continue along Tom Hunter Road and valve replacements will take place at several locations in the neighborhood starting this summer. Later this year, another water main replacement project in Hidden Valley will begin. Once completed, the improvements will enhance service quality for customers in the area.

This public information meeting is for residents and businesses in the Hidden Valley neighborhood. During the presentation, project representatives will share more details about the project. You are invited to learn more, ask questions and share feedback during the meeting.
