Hidden Valley Water System Improvements Project

Tom Hunter Road Closure - April 2023

Contractors from Charlotte Water are continuing construction work on water system improvements in the Hidden Valley neighborhood. As part of this project, crews will be working to install a new water main on Tom Hunter Road, which will ultimately increase water pressure.

The section of Tom Hunter Road between Hidden Forest Drive and Echo Glen Road is expected to be closed starting at the end of April for five weeks while crews work on the water line.

During this time, motorists should follow all detour signage. Access will be maintained for all residents and businesses. See map for full detour. Charlotte Water understands that construction can be inconvenient, but this closure is necessary to ensure safety of all individuals.

Please note, schedules are subject to change due to weather and other conditions.

QUESTIONS: If you have a question, please contact Charlotte Water project manager Amy Vershel, amy.vershel@charlottenc.gov, (704) 962-7685.
