

Vest Water Treatment Plant to Franklin Water Treatment Plant Water Pipe Project

You're invited to attend
a community meeting

You're invited to learn more about current and future water system improvements in your area.

Contractors for Charlotte Water are working on an upcoming pipeline project in the Beatties Ford and Brookshire neighborhoods that will optimize the function of the water system in the growing community. Once completed, the new 16-inch pipeline will enhance the water treatment process for customers in the area.

This meeting is for residents and businesses in the Beatties Ford and Brookshire neighborhoods. During the meeting, project representatives will share more details about the project and construction timelines. You are invited to learn more, ask questions and share feedback during the meeting.

Community Meeting

Thursday, July 13 between 5 p.m. and 6:30 p.m.

LC Coleman Park, 1501 McDonald St., Charlotte NC 28216
