JUNE 2022

WT Harris/Plott Road Water Main Project

Idlewild Road North Closure

Contractors from Charlotte Water are continuing construction work on water main improvements in the area. Once completed, the project will maintain quality and reliability of water service for customers in the area.

The section of Idlewild Road North between Lawyers Road and Forest Meadow Drive is expected to be closed from July 5 through the end of the month to install the new water main.

During this time, motorists should follow all traffic signage. Idlewild Road North can continue to be accessed from W.T. Harris Boulevard. See map for full detour. Access will be maintained for residents and businesses. Charlotte Water understands that construction can be inconvenient, but this closure is necessary to ensure safety of all individuals.

Please note, schedules are subject to change due to weather and other conditions.
