

How can we improve YOUR community? *Let's talk.*

Kilborne Drive Sidewalk Project

Central/Albemarle/Shamrock
CharlotteFuture.com/CNIP

The Kilborne Drive Sidewalk Project was identified in the Central/Albemarle/Shamrock Comprehensive Neighborhood Improvement Program (CNIP) and is part of the Old Potter Road Trail. The project limits are along Kilborne Drive from Eastway Drive to Elkin Lane.

The project is currently in the design phase and a public meeting will be held this summer. Residents will be notified a few weeks in advance of the meeting.

With additional improvements to create a more complete street, Kilborne Drive will provide a critical connection between Central Avenue and Eastway Drive, allowing better access to Kilborne Park and future access to the planned Briar Creek Greenway. The intent of improvements will be to, where possible, provide better pedestrian crossings, traffic calming, streetscape and landscaping.

The project team will continue to keep you informed on the status of this project.
