Charlotte, NC 28211

## *Come see what projects we are moving forward with!*

We have been working hard with you to develop potential projects for the SouthPark area. We've pulled together your rankings, worked with the business community and analyzed costs to create a list of projects that would be most impactful on SouthPark. **Now we're ready to share which projects we will invest in!**

**Drop in anytime** between 11 a.m. and 7 p.m. Two brief and identical presentations will be given at noon and 5:30 p.m. We plan to make this a fun filled day. Check our website as the event approaches to see scheduled activities!
