Tell us where to invest dollars in **YOUR** community

What do you envision for the future of SouthPark?
Your input will help us identify potential projects for funding under the City's Comprehensive Neighborhood Improvement Program (CNIP). Maybe it's a new or improved street, trail or community space - you tell us. We're listening.

Drop in anytime during one of two identical sessions to give your input. A brief presentation will kick-off both events.

WE'RE IN THIS TOGETHER, SOUTHPARK
