

## **CMPD Update & Progress: Wilmore Parking Concerns**

- **June 2023, CMPD Central assigned two officer and Sgt. Ramsey to target noise and parking violations working 4<sup>th</sup> shift 7 days a week with a focus on South End.**
- **Central Division has issued 81 parking citations in the Wilmore Neighborhood YTD and Park-It has issued 54 citations for a total of 135 citations. Park-It agents currently don't work past 10 p.m.**
- **CMPD Central ordered a TC26 handheld citation machine in July through Park-It which will be operational in weeks and be utilized by our 4<sup>th</sup> shift officers for parking violations.**
- **CMPD Analyst Madison Wellen ran citizen calls for service for Wilmore YTD which showed 530 total calls and 22 or 4% of those were for illegal parking.**
- **CDOT has held two separate meetings on parking for Wilmore with only a few residents in attendance and the South End Strategic Parking Plan meeting is planned on August 31<sup>st</sup>, 2023. CMPD has attended all the meetings and Mr. Hawkins was asked to please have residents attend.**
- **CMPD Central CRU Unit works 4<sup>th</sup> shift on weekends and specifically targets unlawful behavior around the nightclubs to include South End.**
- **CMPD Central agrees that the low fine amount of \$25 does not deter subjects from illegally parking. CDOT Park-IT advised they have requested an increase through council but were denied with a response that we want to be a parking friendly city.**
- **CMPD Central will begin towing of illegally parked vehicles within policy immediately to curb the community's concerns regarding unlawful parking.**
