Complimentary parking will be available in the Business Valet parking deck located at 5601 Wilkinson Boulevard. The driveway can be accessed off of Harlee Road. Take the first right into the employee entrance, before the actual Valet entrance. Proceed through the gate arm (which will be raised from 4:00 pm - 5:15 pm) and continue to the back of the deck to take a left onto the bottom level. Park wherever you'd like. Take the stairs or elevator up one level and use the designated crosswalk to cross the street to the CLT Center. Airport staff and bus will be curbside where the tour will begin.
