5:00 P.M. DINNER BRIEFING, CONFERENCE CENTER

1. Mayor and Council Consent Item Questions

Resource(s): Ann Wall, City Manager's Office

Time: 5 minutes

Synopsis

Mayor and Council may ask questions about Consent agenda items. Staff will address questions at the end of the dinner meeting.

2. Charlotte-Mecklenburg Utility Department Capital and Financial Planning

Resource(s): Barry Gullet, Charlotte-Mecklenburg Utility Department

Time: 60 minutes

Synopsis

- During the Fiscal Year 2015 budget setting process, an in-depth overview of the Charlotte-Mecklenburg Utility Department (CMUD) water and sewer capital and financial planning was requested.
- Water and sewer utilities are capital intensive and capital investment decisions impact future water and sewer rates.
- Sustaining the water and sewer system is crucial to community viability, economic growth, and quality of life.

Future Action

The presentation is for information only.

Attachment 1

[Water & Sewer Capital and Financial Planning Presentation](#)

[CMUD Community Investment Plan Projects by Type](#)

3. LYNX Blue Line Extension Project Update and CityLYNX Gold Line Project Update

Resource(s): Danny Rogers, Charlotte Area Transit System
 Jeb Blackwell/Tonia Wimberly, Engineering & Property Management

Time: 30 minutes

Synopsis

- The LYNX Blue Line Extension light rail project is currently under construction. Staff will discuss progress to date, upcoming activities, potential risks, and provide a status on the project schedule and budget.
- The CityLYNX Gold Line streetcar project (Phase 1) is wrapping up construction in December, at which time start-up and testing activities will begin.
 - The start of revenue service is scheduled to begin in late March. Staff will share pictures highlighting construction progress to date and discuss the upcoming activities for the December 2014 to March 2015 timeframe.
- On September 10, 2014, the CityLYNX Gold Line Streetcar project (Phase 2) Small Starts application was submitted and is under Federal Transit Administration (FTA) review.
 - Staff anticipates a rating and recommendation from FTA by March 2015.
 - Staff held two public meetings in October and also met with the Historic Elizabeth Neighborhood Foundation regarding the Hawthorne Lane Bridge.

Future Action

City staff expects to bring the following contracts to the City Council for approval over the next several months:

Contract	Anticipated City Council Date
LYNX Blue Line Extension System Fare Collection	November/December 2014
Station Finishes/Station Art	January 12, 2015
South Boulevard Light Rail Facility Upfit and Yard Track	March 23, 2015

4. Answers to Mayor and Council Consent Item Questions

Resource(s): Ann Wall, City Manager’s Office

Time: 10 minutes

Synopsis

Staff responses to questions from the beginning of the dinner meeting.

5. Closed Session

Action: Adopt a motion pursuant to NCGS 143-318.11(a)(4) to go into closed session to discuss matters relating to the location of an industry or business in the Charlotte, including potential economic development incentives that may be offered in negotiations.

Introductions

Invocation

Pledge of Allegiance

7:00 P.M. AWARDS AND RECOGNITION

6. Recognition of Patricia McBride

Action: Mayor Clodfelter will recognize Patricia McBride, Associate Artistic Director of the Charlotte Ballet, who will be honored at the 37th Annual Kennedy Center Honors on December 7.

7. Pancreatic Cancer Proclamation

Action: Mayor Clodfelter will read a proclamation recognizing November as Pancreatic Cancer month.

8. Clyde and Ethel Dickson Domestic Violence Shelter Recognition

Action: Mayor Clodfelter will recognize Phil Kline and the staff of Safe Alliance as the 2014 North Carolina Housing Finance Agency's Supportive Housing award winner for the development of The Clyde and Ethel Dickson Domestic Violence Shelter.

CONSENT

- 9. Consent agenda items 18 through 40 may be considered in one motion except those items removed by a Council member. Items are removed by notifying the City Clerk.**

Consideration of Consent Items shall occur in the following order:

- A. Consideration of Consent Items that have not been pulled, and
- B. Consideration of Consent Items with citizens signed up to speak to the item.

ZONING

10. Rezoning Petition 2014-084

Action: Render a decision on proposed rezoning 2014-084 by 7th Street Progression Partners, LLC:

- **Current Zoning: B-1 (neighborhood business),**
- **Proposed Zoning: MUDD-O (mixed-use development, optional).**

Staff Resource(s): Tammie Keplinger, Planning

Explanation

- On September 15, 2014, the public hearing on this rezoning petition occurred.
- The property is approximately 1.5 acres located on the north side of East 7th Street between Clement Avenue and Pecan Avenue. (Council District 1 - Kinsey)
- The petition proposes to allow the development of up to 95 multi-family residential dwelling units, at a density of 63 units per acre, with related amenities and accessory uses.
- As requested by the petitioner on October 20, 2014, the decision on this sufficiently protested petition was deferred to November 10, 2014, since not all City Council members were present at the meeting.
- The Elizabeth Area Plan (2011) recommends a mix of residential/office/retail on this site and states "Single-use residential development may have densities greater than 22 dwelling units per acre."
- The Zoning Committee found this petition to be consistent with the Elizabeth Area Plan, based on information from the staff analysis, the public hearing, and because the single-use, multi-family development is a well-suited land use for the area.
- The Zoning Committee found this petition to be reasonable and in the public interest based on the information from the staff analysis and the public hearing, and because:
 - The site is located in a primarily single-family residential neighborhood but on a street with a mix of uses that includes entertainment, retail, office, and multi-family residential; and,
 - The site plan is designed to be compatible with the abutting single-family residential through limitations on density, height, location of buildings, and screening.
- The Zoning Committee voted unanimously to recommend approval of this petition with the following modifications as outlined in the Zoning Committee Recommendation attachment.
- On October 20, 2014, the City Council determined by a 3/4 vote that the following changes to the site plan, after the Zoning Committee vote, were not substantial and that the petition should not be referred back to the Zoning Committee for review of the following:
 - Relocation of the planting island located adjacent to the entry drive as it previously encroached onto the adjacent property.
 - Addition of a note that the final design of the parking island and circulation will be determined and approved by Planning and Charlotte Department of Transportation staff through the administrative review process.
- Staff agrees with the recommendation of the Zoning Committee.

POLICY

11. City Manager's Report

12. Out of School Time Program Modifications

Action: Approve the Economic Development & Global Competiveness Committee recommendation for Out of School Time program modifications to:

A. Reduce maximum per agency funding from \$300,000 to \$200,000,

B. Implement a \$1,200 cost-per-child allocation, not to exceed the maximum per agency funding amount, and

C. Use annual maximum available funding allowed by the Community Development Block Grant.

Committee Chair: Michael Barnes

Staff Resource(s): Tom Warshauer, Neighborhood & Business Services

Explanation

- Since 1978, the City has provided funding to agencies that offer Out of School Time enrichment programs to students from low-income families.
- Funding provided to Out of School Time agencies is comprised of federal Community Development Block Grant (CDBG) and local Innovative Housing (Pay-As-You-Go funding) sources.
- CDBG funding for the Out of School Time program is limited by federal regulations to 15% of the City's total CDBG allocation. The City's contribution from local Innovative Housing funding is capped at \$590,000 by City Council policy.
- For the past 12 years, the City's total annual allocation to the Out of School Time agencies has been approximately \$1,200,000.
- On May 9, 2011, the City Council approved implementation of an Out of School Time Request for Proposal process.
 - The next Out of School Time Request for Proposals will be released on November 21, 2014, with a January 12, 2015, deadline for agency submissions.
 - Staff will present recommendations for funding to the City Council during a spring budget workshop.
- On October 18, 2013, the City Council established a maximum agency funding limit of \$300,000, and a two-year funding cycle starting with the Fiscal Year 2016 funding period.
- On May 27, 2014, the City Council requested City staff examine the Out of School Time program and present modification recommendations to the Economic Development & Global Competitiveness Committee (Committee).

Economic Development & Global Competitiveness Committee Discussion

- On July 2, 2014, City staff presented the Committee with a plan of action for working with community stakeholders to assist with formulating recommendations for Out of School Time program modifications.
- Throughout July and August 2014, City staff convened stakeholder meetings with Out of School Time program agencies and program funding partners.
- On October 17, 2014, City staff presented the following recommended modifications to the current Out of School Time program:
 - Reduce the maximum per agency funding from \$300,000 to \$200,000 in Fiscal Year 2016 in order to ensure that more agencies are able to participate and offer programs throughout the city.
 - Implement a \$1,200 cost-per-child award allocation, not to exceed the maximum per agency funding amount.
 - Fund the maximum amount permitted annually by CDBG as that amount changes from year to year.
- The Committee voted unanimously (Barnes, Lyles, Austin, Fallon, and Mayfield) to recommend the proposed modifications.
- The Committee asked City staff to return with additional information on the local Third Grade Literacy effort. The Committee will receive this update at a future meeting.

Funding

Community Development Block Grant and Innovative Housing Fund (Pay-As-You-Go)

Attachment 3

[List of Community Stakeholders](#)

13. Fiscal Year 2015 Community Development Block Grant Housing Support Development Recommendations

- Action:** A. Approve the Housing & Neighborhood Development Committee recommendation to approve Community Development Block Grant Fund Allocations for a total of \$4,069,002 for:
1. Three Multi-family Rehabilitation developments for a total of \$2,444,002 to:
 - Heritage Park Apartments, \$650,802,
 - Savannah Woods Apartments, \$1,465,200
 - Thomasboro/Hovis Apartments, \$ 328,000,
 2. Single-family Rehabilitation developments for a total of \$375,000 to Habitat for Humanity Charlotte,
 3. Multi-family New Construction development for a total of \$500,000 to Charlotte-Mecklenburg Housing Partnership for Atando Avenue Apartments, and
 4. Grier Heights Infrastructure Improvements for a total of \$750,000 to City of Charlotte, and
- B. Authorize the City Manager to negotiate and execute grant agreements for the housing developments set forth in Action items A1-A3.

Committee Chair: Patsy Kinsey

Staff Resource(s): Pamela Wideman, Neighborhood & Business Services
Zelleka Biermann, Neighborhood & Business Services

Explanation

- On April 28, 2014, the City Council adopted the U. S. Department of Housing and Urban Development Annual Action Plan (Plan).
- The Plan:
 - Identifies the need for affordable, safe, and decent housing for low and moderate-income families.
 - Reaffirms three basic goals of the City’s Housing Policy:
 - Preserve the existing housing stock,
 - Expand the supply of affordable housing, and
 - Support family self-sufficiency initiatives.
- The Community Development Block Grant (CDBG) program supports the Plan and provides resources to address community housing needs, provide a suitable living environment, and expand economic opportunities for low and moderate-income persons.
- The primary program goal is to increase the stock and quality of affordable housing units serving households earning 80% (\$51,350) or below Area Median Income (AMI).

Multi-family Rehabilitation Allocation

On July 21, 2014, Neighborhood & Business Services issued a Request for Proposals for CDBG funding. The following proposed developments meet the City's submission requirements and are recommended for funding:

Project	Developer	Units	% of AMI Served	City Funding
Heritage Park Apartments (District 5)	Sandlewood Affordable Housing, LLC	151	80% and below	\$650,802 (1:12)
Savannah Woods Apartments (District 1)	Horizon Development Properties, Inc.	49	60% and below	\$1,465,200 (1:2)
Thomasboro/Hovis Apartments (District 2)	NCBK Delphen Property, LLC	21	60% and below	\$328,000 (1:3)
Total		221		\$2,444,002

Single-family Rehabilitation Allocation

Funding for the Habitat for Humanity Charlotte Critical Home Repair Program is recommended to avoid displacement of homeowners.

Project	Developer	Units	% of AMI Served	City Funding
Critical Home Repair Program (Citywide)	Habitat for Humanity Charlotte	35	60% and below	\$375,000 (\$10,000 per unit)
Total		35		\$375,000

Multi-family New Construction Allocation

Funding to the Charlotte-Mecklenburg Housing Partnership is recommended to complete the final affordable multi-family phase of the Double Oaks (BrightWalk) redevelopment plan.

Project	Developer	Units	% of AMI Served	City Funding
Atando Avenue Apartments (District 2)	Charlotte-Mecklenburg Housing Partnership	130	60% and below	\$500,000
Total		130		\$500,000

Grier Heights Infrastructure Allocation

- Funding of \$750,000 for infrastructure improvements along Orange, McVay, Dunn, and Heflin Streets is recommended to support 35 single-family housing developments under construction by CrossRoads and Self-Help Community Development.
- Upon completion of the construction bidding process, Engineering & Property Management will present the City Council with a contract for construction services for the infrastructure improvements.

Housing & Neighborhood Development Committee Discussion

- On September 24, 2014, City staff presented the Fiscal Year 2015 CDBG Funding Allocation recommendations to the Housing & Neighborhood Development Committee (Committee).
- The Committee voted unanimously (Kinsey, Austin, Autry, and Driggs) to approve the funding recommendations.
- On October 27, 2014, City staff presented these recommendations at the City Council Dinner Briefing Meeting.

Charlotte Business INclusion

Community Development Block Grant funds are awarded through the U.S. Department of Housing and Urban Development Program and are therefore exempt (Part A: Appendix 1.27 of the Charlotte Business INclusion Policy).

Funding

Community Development Block Grant

14. Resolution of Support for Metropolitan Transit Commission's 2015-2016 State Legislative Agenda

Action: Approve the Intergovernmental Relations Committee recommendation to approve the Resolution of Support for the Metropolitan Transit Commission's 2015-2016 State Legislative Agenda.

Committee Chair: Ed Driggs

Staff Resource(s): Ron Kimble, City Manager's Office
Dana Fenton, City Manager's Office
John Muth, Charlotte Area Transit System

Explanation

- At the October 27 Council Business Meeting, Charlotte Area Transit System staff briefed the City Council on the Metropolitan Transit Commission's proposed 2015-2016 State Legislative Agenda.
- The proposed Metropolitan Transit Commission 2015-2016 State Legislative Agenda addresses proposals to broaden the set of tools available to implement the 2030 Transit Corridor System Plan to:
 - Authorize the member jurisdictions of the Metropolitan Transit Commission to use Federal Credit Assistance programs administered by the U.S. Department of Transportation,
 - Authorize the member jurisdictions of the Metropolitan Transit Commission to enter into Design-Build-Finance-Operate-Maintain contracts with the private sector, and
 - Repeal the sunset date of the Special Assessments for Critical Infrastructure Needs Act.
- The need for the broader set of tools is necessitated by recent changes in the economic and public policy climate that reveals:
 - Federal resources for public transportation construction are constrained, and
 - State dedicated funding for public transportation construction has been replaced by the competitive-based Strategic Transportation Investments program.
- The North Carolina General Assembly convenes on January 14, 2015, for its 2015 Regular Session.

Intergovernmental Relations Committee Action

On October 6, 2014, the Intergovernmental Relations Committee voted unanimously (Driggs, Fallon, Howard, Mayfield, and Smith) to approve the Metropolitan Transit Commission's 2015-2016 State Legislative Agenda.

Next Steps

The proposed Metropolitan Transit Commission 2015-2016 State Legislative Agenda will be considered for action by the Metropolitan Transits Commission at its November 19 meeting.

Attachment 4

[Metropolitan Transit Commission 2015-2016 State Legislative Agenda Resolution of Support](#)

BUSINESS

15. Appointments to Boards and Commissions

Action: Vote on blue paper ballots and return to Clerk at dinner.

A. CHARLOTTE-MECKLENBURG COALITION FOR HOUSING

- One appointment to fill a new position for a representative of the hospital industry beginning immediately and ending June 30, 2015, and then continuing for a full three-year term beginning July 1, 2015, and ending June 30, 2018.
 - Denise Howard by Council members Austin, Autry, Driggs, Fallon, Howard, Mayfield, Phipps, and Smith.
 - Nancy Hudson by Council member Lyles.

Attachment 5

[Applications](#)

B. CHARLOTTE-MECKLENBURG UTILITY DEPARTMENT ADVISORY COMMITTEE

- One appointment for an unexpired term beginning immediately and ending June 30, 2015.
 - Leslie Jones by Council members Austin, Autry, Driggs, Howard, Kinsey, Lyles, Mayfield, Phipps, and Smith.
 - Thomas Rothrock by Council members Barnes and Fallon.

Attachment 6

D. KEEP CHARLOTTE BEAUTIFUL

- Two appointments for unexpired terms beginning immediately and ending June 30, 2015.
 - Charles Fennell by Council member Autry.
 - Martin Joseph by Council members Austin, Driggs, and Mayfield.
 - Deborah Lee by Council member Howard.
 - Joshua Middleton by Council members Austin, Driggs, Howard, Lyles, and Mayfield.
 - Theresa Rosa-Corey by Council members Barnes, Fallon, Kinsey, Lyles, and Phipps.
 - Laura Sieckmann by Council member Autry.
 - Regina Tisdale by Council members Fallon and Kinsey.
 - Sarah Zdeb by Council members Barnes and Phipps.

Attachment 8[Applications](#)**E. PRIVATIZATION/COMPETITION ADVISORY COMMITTEE**

- One appointment for an unexpired term beginning immediately and ending March 1, 2016.
 - R. Casey Celli by Council member Phipps.
 - Torrey Feimster by Council members Howard and Lyles.
 - Felisha Fletcher by Council members Barnes and Kinsey.
 - Mark Frietch by Council member Driggs.
 - Paisley Gordon by Council member Smith.
 - Emanuel Reid by Council member Autry.

Attachment 9[Applications](#)**F. WASTE MANAGEMENT ADVISORY COMMITTEE**

- One recommendation by the City Council for appointment by the Board of County Commissioners for an unexpired term beginning immediately and ending May 18, 2016.
 - Dwayne Heyward by Council members Driggs and Kinsey.
 - Jason Thomas by Council members Austin, Barnes, Mayfield, and Phipps.
 - Jay D. Winfrey by Council members Autry and Howard.

Attachment 10[Applications](#)**16. Conclusion of Consent Agenda****17. Mayor and City Council Topics**

City Council members may share information and raise topics for discussion.

CONSENT

Introduction to CONSENT

Consent consists of routine items that have been approved in the budget. Price lists for unit price contracts are available upon request.

On April 8, 2013, the City Council voted to replace the City's Small Business Opportunity (SBO) Program with the Charlotte Business INCLUSION program. On July 1, 2013, the City phased in the Charlotte Business INCLUSION program into all of its practices and procedures.

The Charlotte Business INCLUSION program seeks to promote diversity, inclusion, and local business opportunities in the City's contracting and procurement process for Minority, Women, and Small Business Enterprises (MWSBEs) headquartered in the Charlotte Combined Statistical Area. Participation of Minority, Women, or Small Business Enterprises (MBE, WBE, or SBE) is noted where applicable.

For a period of time during Fiscal Year 2014, projects appearing in the Council Agendas will incorporate Policy references for either the current Charlotte Business INCLUSION program or the Small Business Opportunity Program.

The applicable Charlotte Business INCLUSION program Policy or the Small Business Opportunity Program policy sections are referenced at the end of the Council Request for Council Action.

Disadvantaged Business Enterprise

Disadvantaged Business Enterprise is a federal program primarily used for Aviation and Transit.

Contractors and Consultants

All contractor and consultant selections follow the Council-approved process unless described otherwise. For the procurement of professional services and/or engineering, architectural, and surveying services, the North Carolina General Statutes 143-64.31 requires that units of government "select firms qualified to provide such services on the basis of demonstrated competence and qualification...without regard to fee other than unit price information, and therefore to negotiate a contract for those services at a fair and reasonable fee with the best qualified firm."

The property transaction process following the City Council approval for condemnation is referenced at the end of Consent.

18. Municipal Agreements to Maintain Traffic Control Devices

Action: **A. Approve a resolution authorizing the City Manager to execute Municipal Agreements and any subsequent renewals for up to five years with the North Carolina Department of Transportation for annual maintenance of signs/supports, pavement markings/markers, traffic signals, and computerized signal systems, and**

B. Adopt a budget ordinance appropriating \$300,000 in North Carolina Department of Transportation funds to the General Fund.

Staff Resource(s): Scott Putnam, Transportation

Explanation

- The North Carolina Department of Transportation (NCDOT) implemented a statewide traffic signal maintenance program.
- NCDOT's traffic control device maintenance program provides reimbursement to the City for maintenance of signs/supports, pavement markings/markers, traffic signals, and computerized signal systems on state system streets within Charlotte through Municipal Maintenance Agreements.
- The City has entered into these Municipal Agreements for over 20 years.
- The Charlotte Department of Transportation maintains a total of 744 traffic signals in Charlotte; 484 (65%) are on state-maintained roads.
- CDOT supports the maintenance agreements because they provide:
 - Greater consistency for maintenance and emergency repairs;
 - Integrated operation of the City's traffic signal system;
 - Greater consistency and responsiveness to citizens; and
 - Seamless customer service.

First Agreement – Schedule A

- The first agreement, Schedule A, acknowledges that the City will be responsible for the maintenance and replacement of state-system signs and supports within Charlotte.
 - Schedule A details the level of maintenance that must be provided by the City as well as detailed reimbursement rates to be provided by NCDOT.
 - The estimated reimbursement from the state for Schedule A is up to \$50,000 annually.
 - The new agreement is renewable for up to five years.

Second Agreement – Schedule B

- The second agreement, Schedule B, will reimburse the City for installation and maintenance of pavement markings and markers on state-system streets within Charlotte.
 - Schedule B details the level of maintenance that must be provided by the City as well as detailed reimbursement rates to be provided by NCDOT.
 - The estimated reimbursement from the state for Schedule B is up to \$25,000 annually.
 - The agreement is renewable annually, for up to five years.

Third Agreement – Schedule C

- The third agreement, Schedule C, acknowledges that the City will be responsible for the operation and all maintenance of state-system signals within the City, both hardware and software.
 - Schedule C details the level of maintenance that must be provided by the City as well as detailed reimbursement rates to be provided by NCDOT.
 - The previous agreement expired in Fiscal Year 2014 and needs to be renewed.
 - The estimated reimbursement from the state for Schedule C is up to \$600,000 annually.
 - The budget ordinance (Action B) is necessary because the City is receiving an additional \$300,000 from the North Carolina Department of Transportation for the LED Change-Out Program and installation of fiber optic cable.
 - The new agreement is renewable for up to five years.

Fourth Agreement – Schedule D

- The fourth agreement, Schedule D, will reimburse the City for operation and maintenance of computerized traffic signal systems that control the operations of traffic signals (signal timing) on state-system streets within Charlotte.
 - The agreement is also renewable annually and expired in Fiscal Year 2014.
 - The estimated reimbursement from the state for Schedule D is up to \$200,000 annually.
 - The new agreement is renewable for up to five years.

Charlotte Business INclusion

These are Municipal Agreements and are exempt (Part A: Appendix 1.27 of the Charlotte Business INclusion Policy).

Transportation Operating Budget

Attachment 11

[Budget Ordinance](#)
[Resolution](#)

19. Intelligent Transportation Systems Projects

Action: Award the low-bid of \$391,223.76 to Whiting Construction for the Graham Street, Rocky River Road, and Westinghouse Boulevard Intelligent Transportation Systems projects.

Staff Resource(s): Angela Berry, Transportation

Explanation

- Fiber optic cabling and traffic signal interconnection provides the ability to remotely adjust traffic signals to instantly improve traffic flow in response to changing traffic volumes during normal and emergency conditions.
- Fiber optic cabling combined with traffic management cameras, dynamic message signs, highway advisory radio, and other traffic information devices create an Intelligent Transportation System (ITS).
- These ITS projects include fiber communication and traffic management cameras as follows:
 - Graham Street from Dalton Avenue to Interstate-85 Northbound Ramp:
 - Approximately 3.02 miles of fiber optic cabling,
 - Four traffic management cameras, and
 - Nine connections to traffic signals.
 - Rocky River Road from W T Harris Boulevard to John Russell Road:
 - Approximately 1.0 miles of fiber optic cabling,
 - Two connections to traffic signals, and
 - One connection to a fire station signal.
 - Westinghouse Boulevard from South Tryon Street to Downs Road:
 - Approximately 2.50 miles of fiber optic cabling,
 - Two traffic management cameras, and
 - Five connections to traffic signals.
- These projects are critical links in the communications infrastructure.
 - Transportation developed the Information Technology System Master Plan in 2008 that outlined the need to move from serial communication to a more robust Ethernet/Internet Protocol system to support the traffic signals and planned installations of traffic management cameras.
 - Staff has prioritized these corridors based on their need for these upgrades to provide better traffic management communications to signalized intersections in these areas.
- On August 27, 2014, the City issued an Invitation to Bid for the project; four bids were received and two bids were rejected as non-responsive.
 - In accordance with NC General Statute §143-132, for formal contracts greater than \$300,000, receipt of three bids on any contract is required to open bids on the first advertisement. According to the statute, if less than three bids are received, then bids shall not be opened and the project shall be re-advertised.
- On September 11, 2014, the City re-issued an Invitation to Bid for the project; three responsive bids were received and Whiting Construction was the lowest responsive, responsible bidder.

Disadvantaged Business Enterprise (DBE)

No DBE utilization goal was set for this contract because no subcontracting opportunities are available.

Funding

Transportation Community Investment Plan and NCDOT

20. Charlotte-Mecklenburg Government Center Elevator Modernization

- Action:**
- A. Approve the purchase of equipment and installation services for a new elevator operating system from a cooperative purchasing contract as authorized by G.S. 143-129(e)(3),**
 - B. Approve a contract with Otis Elevator Company in the amount of \$396,351 for Phase I – Elevator Modernization in the Charlotte-Mecklenburg Government Center through the National Intergovernmental Purchasing Alliance contract #19281, dated July 27, 2011,**
 - C. Authorize the City Manager to approve a contract with Otis Elevator Company in an amount not to exceed \$800,000 for Phase II – Elevator Modernization in the Charlotte-Mecklenburg Government Center through the National Intergovernmental Purchasing Alliance contract #19281, dated July 27, 2011, pending future City Council capital appropriation, and**
 - D. Authorize the City Manager to extend the contracts for Phase I and Phase II for an additional one-year term as long as the cooperative contract is in effect at prices and terms that are the same or more favorable than those offered under the cooperative contract.**

Staff Resource(s): William Haas, Engineering & Property Management

Cooperative Purchasing Exemption

NC S.L. 2001-328, effective January 1, 2002, authorizes competitive group purchasing.

Explanation

- A new elevator operating system can greatly improve performance and reliability for all six elevators within the Charlotte-Mecklenburg Government Center (CMGC).
 - The Charlotte-Mecklenburg Government Center opened in 1988. The five passenger elevators and one freight elevator are original to the building.
 - Much of the elevator system is past its useful life including the controllers, generators, and door operators. However, the interiors of the elevators were updated 10 years ago.
 - The elevator system is old and requires daily servicing. When components fail, that elevator must be taken out of service for a day or longer, which causes longer wait times for passengers.
 - Electronic replacement parts are no longer available and must be custom-made for our elevators.
- The Fiscal Year 2015 Community Investment Plan included \$400,000 for Phase I of the elevator modifications.

- Phase I work will include:
 - Replacement of the old electronics and switches with a computer-controlled system;
 - Provide new call system and elevator identification in each lobby; and
 - Replacement or refurbishment of motors, wiring, door operators, etc. on the freight elevator.
- Unlike the current system, the new call system requires passengers to select their floor destination in the lobby, not just select “up” or “down”. The system will assign the passenger the elevator that will most quickly take them to their destination.
- Phase II work would include:
 - Replacement or refurbishment of motors, wiring, door operators, etc. on the five passenger elevators.
 - Phase II is expected to cost approximately \$800,000 and a request for funding will be included in the Fiscal Year 2016 Community Investment Plan.
- Authorizing the City Manager to approve Phase II will allow the work to begin as funding is appropriated by City Council.
- Per the CMGC Agreement, Mecklenburg County will be responsible for approximately 19% of the total cost of elevator upgrades.
- Phase I renovations are anticipated to be completed by summer 2015.
- Phase II renovations are anticipated to take approximately 15 months once the Phase II contract is approved.
- Otis Elevator Company has a contract awarded through the National Intergovernmental Purchasing Alliance that offers competitively obtained contracts to public agencies nationwide.

Charlotte Business INclusion

This is a cooperative purchasing contract and is exempt (Part A: Appendix 1.27 of the Charlotte Business INclusion Policy).

21. Fire Investigation Facility Roof Replacement Project

Action: Award the low-bid contract of \$299,950 to TeamCraft Roofing, Inc. for the Fire Investigation Facility Roof Replacement project.

Staff Resource(s): Sue Rutledge, Engineering & Property Management
Rich Granger, Fire

Explanation

- The contract with TeamCraft Roofing, Inc. will provide a roof replacement on the City-owned building at 1517 North Graham Street, which will house the Charlotte Fire Department Fire Investigation division.
- The existing roof has exceeded its usable and expected life, is deteriorated in several areas, and has inadequate drainage.
- The contract will include:
 - Installation of a new roof and roof drains,
 - Repair of the roof deck,
 - A 20-year manufacturer roof warranty, and
 - A 5-year contractor installation warranty.
- On September 15, 2014, an Invitation to Bid was advertised; one bid was received from a service provider.
- TeamCraft Roofing, Inc. was awarded the contract as the lowest responsive, responsible bidder.
- Work is anticipated to be complete the first quarter of 2015.

Charlotte Business INClusion

Construction contracts estimated to be less than \$300,000 are informal and are exempt from the goal setting process (Part A: Section 3.1 of the Charlotte Business INClusion Policy.)

22. Electrical, Mechanical, and Energy Engineering Design Services

Action:

A. Approve a professional services contracts not to exceed \$300,000 each, for electrical, mechanical, and energy engineering design services for a term of three years with the following firms:

- AME Consulting Engineers, PC
- McCracken & Lopez, PA, and

B. Approve a professional services contract not to exceed \$300,000 for mechanical and energy engineering design services with Professional Engineering Associates, PA for a term of three years.

Staff Resource(s): William Haas, Engineering & Property Management

Explanation

- Engineering & Property Management is responsible for the operations and maintenance of municipal facilities, structures and assets including office, warehouse, storage, parking, vehicle maintenance, communication towers, and public safety.
- Throughout the year, various electrical, mechanical, and energy engineering design services are needed for maintenance or minor renovations to City facilities.
 - Needs are numerous, on-going, and may arise unexpectedly, such as the emergency replacement of boilers at Mint Museum Randolph, electrical load assessment at Charlotte-Mecklenburg Police Department Law Enforcement Center, and lighting renovations at Shared Services Louise Avenue Fleet Maintenance facility.
- Existing contracts with design professionals ensures optimal operation of City facilities. Work will be assigned on an as-needed, task-order basis. Firms may be required to provide services on short-notice and under a tight schedule.
- The contract terms are for three years and will not be extended.
- On January 2, 2014, Engineering & Property Management advertised Requests for Qualifications for these services; 12 proposals were received for electrical services, 10 proposals were received for mechanical services, and 7 proposals were received for energy engineering services from interested service providers.
- Firms were chosen using the City Council-approved, qualifications-based selection process.

Charlotte Business INclusion

The City negotiated SBE subcontracting participation after the proposal selection process (Part C: Section 2.1(h) of the Charlotte Business INclusion Policy). On these contracts, the Prime Consultants have each committed 10.00% to the following SBEs:

- AME Consulting Engineers, PC: Wilson Group Architects PA (architectural services)
- McCracken & Lopez, PA: C design, Inc. (architectural services)
- Professional Engineering Associates, PA: Fryday & Doyne, Inc. (architectural services)

Also, AME Consulting Engineers, PC is a City SBE.

Various Departments' Operating Budgets

23. Heating, Ventilation, Air Conditioning Servers Software Upgrade

Action: **A. Approve the purchase of building automation systems software and hardware upgrades from a federal contract as authorized by G.S. 143-129(e)(9a),**

B. Approve a contract in the amount of \$250,150 with Schneider Electric for building automation systems software and hardware upgrades for the term of 10 months under the General Services Administration contract (#GS-07F-7851C), effective September 1, 2010.

Staff Resource(s): William Haas, Engineering & Property Management

Federal Contract Exemption

G.S. 143-129(e)(9a) allows local government to purchase from contracts established by the United States government, including any federal agency, if the contractor is willing to extend the same or more favorable prices, terms, and conditions as those established under the federal contract.

Explanation

- The City is implementing a Microsoft Windows Server update scheduled for completion by July 14, 2015. This update requires changes to the Building Automation System (BAS) hardware and software to properly function.
- The BAS controls heating, ventilation, air conditioning, lighting, and energy use in 135 City facilities.
- The contract is for Schneider Electric to provide and install new hardware modules for the BAS. The installation includes onsite programming and set-up for each hardware module.
- The project is expected to be complete six months or less after the contract is in place.
- The General Services Administration contract (GS-07F-7851C) was awarded to Schneider Electric on September 1, 2010, for a five-year term.
- Schneider Electric is willing to provide the software and hardware upgrades to the City at the same or more favorable terms as those provided in the federal contract.

Charlotte Business INclusion

This purchase is made through a federal contract and is exempt (Part A: Appendix 1.27 of the Charlotte Business INclusion Policy).

Various Departments' Operating Budgets

24. University Pointe Connection (South Bridge) Engineering Services Contract Amendment

Action: Approve contract amendment #2 in the amount of \$400,000 with Parsons Brinckerhoff, Inc. for engineering services for the University Pointe Connection project.

Staff Resource(s): Dan Leaver, Engineering & Property Management

Explanation

- On November 23, 2009, the City Council approved a professional services contract in the amount of \$950,000 with Parsons Brinckerhoff (formerly PB Americas, Inc.) to provide engineering services for the University Pointe Connection project (formerly Shopping Center Drive project).
 - The project will connect the existing University Pointe Boulevard with IBM Drive via a bridge over Interstate-85 and convert an existing private roadway to a City maintained street. This is the southern bridge of the two bridge crossings over Interstate-85 identified in the Community Investment Plan.
- A contract amendment is needed due to scope being added to the project, consisting primarily of improvements on Charlotte-Mecklenburg School (CMS) property at James Martin Middle School and Vance High School.
 - City and CMS staff frequently met during the design phase to address the schools' needs for safety, security, and access.
 - This led to multiple design changes, including:
 - Redesign of the parking lot to improve bus and car circulation;
 - Design of a school access road to allow cars to queue;
 - Design of a new culvert under the access road; and
 - An update to the environmental document.
 - City staff used funding previously allocated for other activities (final bridge design, etc.) to address CMS requirements.
- Contract amendment #2, in the amount of \$400,000, will provide funds for engineering services for the following work:
 - Final bridge and roadway design,
 - Construction administration, and
 - Additional utility relocation design.
- On June 24, 2010, contract amendment #1 was approved to replace a sub-consultant with no change to the contract amount.
- The new total contract value including the amendments is \$1,350,000, which is within the original project budget.
- Proposed funding for the next phase of this project, which includes real estate acquisition and construction was included in the November 4, 2014, bond referendum.

Charlotte Business INclusion

The work involved in this amendment will be performed by Parsons Brinckerhoff, Inc. and its existing sub consultants (Part D: Section 6 of the SBO Policy). Also as part of this amendment, Parsons has committed 6.68% (\$26,735) to the following SBE firm: Hinde Engineering, Inc. (utility design services).

[Map](#)

25. Reimbursement Agreement for Storm Drainage Improvements on Steele Creek Road

Action: Approve the reimbursement agreement in the amount of \$233,001 between the City of Charlotte and Charlotte Outlets, LLC for storm drainage improvements on Steele Creek Road.

Staff Resource(s): Matthew Gustis, Engineering & Property Management

Explanation

- North Carolina General Statute 160A-320 allows the City of Charlotte to contract with a developer for public improvements adjacent to a private land development project.
- The contract is not subject to public bidding requirements as long as the costs of the improvement is less than \$250,000 and the City determines that:
 - The public cost will not exceed the estimated cost of providing those improvements through a public contract; or
 - Coordination of separately constructed improvements would be impracticable.
- The project is located at the intersection of Steele Creek Road and Dixie River Road.
- The current drainage system was inadequate to handle proposed flows from upstream development and could result in flooding the road.
- The developer was not required to replace the drainage system, but was required to do other intersection improvements.
- The intersection improvements had to be completed for the Charlotte Premium Outlets grand opening by the end of July 2014.
- The City worked with the developer to include the storm drainage improvements with the intersection improvements to proactively solve the future drainage problem and only impact the intersection one time.
- The cost of the improvement is less than what the City would pay to replace the pipe in the future.

Charlotte Business INclusion

Construction contracts estimated to be less than \$300,000 are informal and are exempt from the goal setting process (Part A: Section 3.1 of the Charlotte Business INclusion Policy).

26. Sanitary Sewer Pipe Root Control – Fiscal Year 2015

- Action:**
- A. Approve the purchase of chemical root control services, as authorized by the sole source exemption of G.S. 143-129(e)(6),**
 - B. Approve a contract with Duke’s Root Control, Inc. for the purchase of chemical root control services for the term of one year, and**
 - C. Authorize the City Manager to extend the contract for one additional, one-year term with possible price adjustments as authorized by the contract and contingent upon the company’s satisfactory performance.**

Staff Resource(s): Barry Shearin, Utility

Sole Source Exemption

- G.S. 143-129(e)(6) provides that formal bidding requirements do not apply when:
 - Performance or price competition are not available;
 - A needed product is available from only one source or supply; or
 - Standardization or compatibility is the overriding consideration.
- Sole sourcing is necessary for this contract because performance or price competition is not available, and there is only one supply source.
 - There are a limited number of products available for this purpose and the Charlotte-Mecklenburg Utility Department has determined that this product from Duke’s Root Control, which is proprietary, is the most compatible with the wastewater treatment plants.
- The City Council must approve purchases made under the sole source exception.

Explanation

- The contract provides for the chemical treatment of approximately 1,500,000 linear feet of sanitary sewer lines in targeted areas throughout Mecklenburg County.
- Many sanitary sewer overflows are caused by the intrusion of tree roots into sewer lines through the joints and cracks in the pipe. This is particularly prevalent in older sewer lines where the joint integrity is degraded.
- Chemically treating sanitary sewer lines with a root control agent kills the roots and prevents future root growth for a couple of years, which helps prevent sewer back-ups and overflows.
 - This process does not harm the tree and is widely used throughout the United States in dealing with this problem.
- Price adjustments will be based on the Engineering News Record Construction Cost Index.
- The annual expenditure is estimated at \$1,692,388.83.
- Utility staff anticipates the process to take approximately one year to complete.

Charlotte Business INclusion

This is a sole source contract and is exempt (Part A: Appendix 1.27 of the Charlotte Business INclusion Policy).

Utility Community Investment Plan

27. Mallard Creek Wastewater Treatment Plant – Compressed Air System Upgrades

Action: Award the low-bid of \$111,125 to B/W Solutions, Inc. for the installation of a decentralized compressed air system.

Staff Resource(s): Barry Shearin, Utility

Explanation

- The Charlotte-Mecklenburg Utility Department has five wastewater treatment plants. The Mallard Creek Wastewater Treatment Plant, built in 1979, is located in northeast Mecklenburg County.
- The treatment plant has an extensive compressed air system throughout the plant that is used to operate several pumps, valves, and some instrumentation equipment.
- The existing plant compressors are the original equipment and have been in operation for 35 years.
 - These compressors are not energy-efficient compared to modern standards.
 - The air distribution piping has deteriorated due to age and the resulting leaks lead to additional equipment maintenance and energy costs.
- Replacing the existing air piping and compressors will reduce maintenance, energy costs, and provide for higher reliability for the plant operations.
- On October 7, 2014, the Charlotte-Mecklenburg Utility Department issued an Invitation to Bid for installation of the air system; two bids were received from interested service providers.
- The contract is awarded to B/W Solutions, Inc. as the lowest responsive, responsible bidder.

Charlotte Business INclusion

Construction contracts estimated to be less than \$300,000 are informal and are exempt from the goal setting process (Part A: Section 3.1 of the Charlotte Business INclusion Policy). However, BW Solutions is a City SBE.

Attachment 16

[Map](#)

28. McDowell Creek Wastewater Treatment Plant – Digester Cleaning

Action: Award the low-bid of \$129,372 to Carolina Management Team, Inc. for interior digester cleaning.

Staff Resource(s): Barry Shearin, Utility

Explanation

- The Charlotte-Mecklenburg Utility Department has five wastewater treatment plants. The McDowell Creek Wastewater Treatment Plant, built in 1979, is located in northwest Mecklenburg County near Huntersville.
- The McDowell Creek plant uses five large concrete digester tanks in the wastewater treatment process to stabilize the wastewater sludge into a biosolids product that is applied to farmland as fertilizer.
 - The digesters require internal cleaning, mechanical maintenance, and inspection on an 8 to 10 year maintenance cycle.
- The contract with Carolina Management Team, Inc. provides for cleaning, scaffolding, and lighting services for one of the five digesters.
- On August 19, 2014, the Charlotte-Mecklenburg Utility Department issued an Invitation to Bid for interior digester cleaning; four bids were received from interested service providers.
- Carolina Management Team, Inc. was selected as the lowest responsive, responsible bidder.
- Contracts to clean the remaining digesters are anticipated over the next 18 months.

Charlotte Business INclusion

No subcontracting goal was established because there are no opportunities (Part C: Section 2.1(a) of the Charlotte Business INclusion Policy).

29. Water Metering Equipment

- Action:**
- A. Approve the purchase of water meters, registers, replacement meter parts, and transmitters as authorized by the sole source exemption of NC G.S. 143-129(e)(6),**
 - B. Approve a contract with Badger Meter, Inc., Mueller Systems, LLC, and HD Supply Waterworks for the purchase of water meters and registers, replacement meter parts, and transmitters for the term of one year, and**
 - C. Authorize the City Manager to renew the contracts for two additional, one-year terms at the same unit prices.**

Staff Resource(s): Barry Gullet, Utility

Sole Source Exemption

- G.S. 143-129(e)(6) provides that formal bidding requirements do not apply when:
 - Performance or price competition are not available;
 - A needed product is available from only one source or supply; or
 - Standardization or compatibility is the overriding consideration.
- Sole sourcing is necessary for this contract as the needed product is available from only one source or supply as well as to ensure compatibility with current equipment.
 - Badger Meter, Inc., Mueller Systems, LLC, and HD Supply Waterworks are the only distributors for each brand of meter.
- The City Council must approve purchases made under the sole source exception.

Explanation

- The two contracts will provide parts for routine replacement of worn, broken, and malfunctioning water meter parts, registers, transmitters, and new installations on residential, commercial, and industrial meters (5/8-inch through 12-inch meters).
- The replacement meter parts, registers, and transmitters must be compatible with the existing meter.
- Total annual expenditures are estimated to be \$1,400,000.
- Under these contracts, purchases will be on an as-needed basis for the on-going installation and maintenance of water meter assemblies.

Charlotte Business INclusion

This is a Sole Source contract and is exempt (Part A: Appendix 1.27 of the Charlotte Business INclusion Policy).

Utility Community Investment Plan

30. Airport Maintenance Facility Design Services

- Action:**
- A. Approve a professional services contract in the amount of \$152,450 with Bergmann Associates, Architects, Engineers, P.C. for preliminary design and scope services of a new Airport Maintenance Facility, and**
 - B. Adopt a budget ordinance appropriating \$152,450 from the Airport Discretionary Fund to the Airport Community Investment Plan Fund.**

Staff Resource(s): Jack Christine, Aviation

Explanation

- The Airport Maintenance Facility is currently located at the CLT Center, Airport's administration and maintenance hub, on Wilkinson Blvd.
 - The current location lacks direct airfield access, which increases response time for operational vehicles, such as snow removal, moving equipment, and buses.
 - Furthermore, the size of the bus fleet, vehicle fleet, and equipment fleet has grown throughout the last three years, necessitating a larger maintenance facility.
- With this contract, Bergmann Associates, Architects, Engineers, P.C. will investigate the feasibility of relocating the entire maintenance operation to a different site and deliver concept drawings of the future maintenance facility.
- On February 3, 2014, the Aviation Department issued a Request for Qualifications for architectural and engineering design services; 29 firms responded and 22 firms were selected for future architectural and engineering design services.
- Bergmann Associates, Architects, Engineers, P.C. was chosen for this project based on their expertise in design of large support facilities.

Charlotte Business INclusion

The City negotiated SBE contracting participation after the proposal selection process (Part C: Section 2.1(h) of the Charlotte Business INclusion Policy). For this contract, Bergman Associates, Architects, Engineers, P.C. has committed 19.19% (\$29,253) of the total contract amount to the following SBE firms: AccuTech Surveying & Mapping, LLP (aerial surveying) and AME Consulting Engineers, PC (mechanical, electrical and plumbing design).

Funding

Aviation Community Investment Plan

Attachment 18

[Budget Ordinance](#)

31. Airport Business Valet Parking Deck Contract Amendment

Action: **A. Approve contract amendment #1 in the amount of \$252,400 with Professional Service Industries, Inc. for additional testing services for the Business Valet Parking Deck, and**

B. Adopt a budget ordinance appropriating \$252,400 from the Airport Discretionary Fund to the Airport Community Investment Plan Fund.

Staff Resource(s): Jack Christine, Aviation

Explanation

- On June 24, 2013, the City Council approved a contract in the amount of \$324,980 with Professional Service Industries, Inc. for construction testing services for the Business Valet Parking Deck.
- Construction of the parking deck was delayed by four months in order to meet all applicable building codes and weather conditions. These delays has extended the original contract time.
- Contract amendment #1 in the amount of \$252,400 encompasses multiple changes including:
 - Addition of concrete maturity meters to expedite concrete placement,
 - Additional inspection services on a retaining wall for the perimeter of the site, and
 - Overtime inspection services to aid in recovering schedule loss due to rain.
- The new total value of the contract, including the contract amendment, is \$577,380, which is within the project budget.

Charlotte Business INClusion

The work involved in this amendment will be performed by Professional Service Industries, Inc. (Part D: Section 6 of the SBO Policy).

Funding

Aviation Community Investment Plan

Attachment 19

[Budget Ordinance](#)

32. Airport Hourly/Rental Car Parking Deck Roadway Signage

Action: Award a low-bid of \$415,083.96 to Driggers Electric & Control for roadway signage installation for the Hourly/Rental Car Parking Deck.

Staff Resource(s): Jack Christine, Aviation

Explanation

- Roadway signage provided in this project will direct drivers to the new entrances for both the hourly and rental car return sections of the parking deck.
 - The roadway signage conforms to national and local standards and will be consistent with the existing airport directional signage.
- On August 21, 2014, the City issued an Invitation to Bid for procurement and installation of signage; two bids were received. The City issued a second Invitation to Bid on September 26, 2014; two bids were received and Driggers Electric & Controls was the lowest responsive, responsible bidder.
- The Hourly/Rental Car Parking Deck is scheduled to open in November 2014.

Charlotte Business INclusion

No subcontracting goal was established because there are no opportunities (Part B: Section 2.3 of the Charlotte Business INclusion Policy).

Aviation Community Investment Plan

33. Citywide Managed Print Services and Related Products, Services, and Solutions

Action: A. Approve a unit price contract with Ricoh USA, Inc. for Managed Print Services for an initial term of four years, and

B. Authorize the City Manager to approve one, four-year renewal option with possible price adjustments as authorized by the contract and contingent upon the company's satisfactory performance.

Staff Resource(s): Marie Harris, Shared Services

Explanation

- The City currently contracts with Ricoh USA, Inc. (Ricoh) to supply and maintain a large fleet of multi-function (print, copy, scan, and fax) machines and print devices, and to run on-site print shop facilities available for use by all City departments.
- The City's existing 260+ devices, installed throughout City facilities, currently average 18 million impressions annually.
- The City additionally prints approximately 3.2 million impressions through the existing print shop facilities within the Charlotte-Mecklenburg Government Center and the Law Enforcement Center.
- Ricoh will conduct a full site assessment of the existing fleet of devices, retire existing devices, and replace them with new devices after contract execution.
- Ricoh will also provide initial and ongoing training to employees, web-submission of print shop jobs, and continued printing of City stationery.
- Services are charged to the City based on a defined cost per impression model, which is inclusive of machines, devices, consumables (toner, paper, and other supplies), maintenance services, print shop services, and other related software, solutions, and services.
- Ricoh's solution provides City departments with access to an extensive array of related services and solutions, with specific unit pricing detailed within the contract pricing schedule.
- The new contract will provide all City departments with enhanced technology offerings including enhanced security, device redundancy, and active directory linkage, more detailed and stringent service and response time requirements, and access to other related print and technology services.
- Estimated expenditures are \$1,500,000 annually, with per impression pricing expected to remain in line with the current pricing structure, pending final negotiations and site assessment.

Selection Process

- On August 15, 2014, the City, on behalf of the Charlotte Cooperative Purchasing Alliance, and in partnership with Mecklenburg County, the Public Library of Charlotte and Mecklenburg County, and the City of Rock Hill, issued a Request for Proposals (RFP) for managed print services and related products, services, and solutions. In response to the RFP, the City received two proposals from interested service providers.
- The Project Team, consisting of staff from Shared Services, Innovation & Technology, and a variety of City Departments, evaluated the proposals and recommends awarding the contract to Ricoh USA, Inc. as the service provider best meeting the City's needs in terms of qualifications, technical solution, experience, and cost effectiveness.

- As the current service provider, Ricoh partners with the City on various environmental purchasing and reporting initiatives related to managed print and alternative options.
 - All City departments will continue to receive a credit of \$0.00397 on each duplex (double-sided) print or copy on their monthly billing statement, equating to approximately \$12,000 in savings annually.
 - Other opportunities for environmental initiatives (i.e. paper content, reduction in color prints, reduction in prints overall, and use of recycled/refurbished content supplies) will be incorporated into the final contract.

Charlotte Business INclusion

No subcontracting goal was established because there are no opportunities (Part C: Section 2.1(a) of the Charlotte Business INclusion Policy).

34. Charlotte Fire Department Fuel

- Action:**
- A. Award a low-bid, unit price contract to Quick Fuel Fleet Services for the purchase of emergency and transportation fuel as authorized by G.S. 143-129 (e)(5) for the term of three years, and**
 - B. Authorize the City Manager to extend the contract for up to two additional, one-year terms with possible price adjustments as authorized by the contract and contingent upon the company's satisfactory performance.**

Staff Resource(s): Marie Harris, Shared Services

Gas, Fuel, and Oil Exception

- NC G.S. 143-129(e)(5) states the purchase of gasoline, diesel fuel, alcohol fuel, motor oil, fuel oil, or natural gas are not subject to the formal bidding requirements.
- These purchases are subject to the informal bidding procedures of G.S. 143-131.

Explanation

- The City maintains fuel tanks at Charlotte Fire Department locations, which require fuel delivery on an as needed basis.
- The supplier must be able to assure continuous delivery in the event of an emergency or natural disaster, such as when the Colonial Pipeline shut down following Hurricane Katrina.
 - The City has a critical need for a supplier that procures its fuel from outside of the Charlotte distribution system.
- The City also requires that the fuel supplier have small, single-axle delivery trucks to deliver to fire stations that cannot accommodate tractor trailers, provide above ground fuel tanks free of charge, and provide an electronic fuel tank monitoring system free of charge.
- In the event of extended emergency conditions, the volume of fuel required along with priority needs necessitate having a vendor that is equipped to supply larger deliveries and ensure that the City remains a first priority during product and service interruptions.
- On September 15, 2014, Shared Services issued an informal Request for Quote and received two quotes from interested service providers.
- Of the companies that were able to meet the Fire Department's needs, Quick Fuel Fleet Services offered the lowest price.
- Quick Fuel Fleet Services offers same day, priority service to governmental customers as well as wireless inventory monitoring for tanks.
- In the event of an emergency, Quick Fuel Fleet Services may also be used by other City departments under this contract.
- The City will continue meeting the majority of its fuel needs through the Fuelman contract, which was approved by City Council on September 12, 2011.
 - The Fuelman contract allows City staff to purchase fuel for City vehicles at retail gas stations throughout the nation, and also includes consignment and bulk fuel deliveries to onsite fueling locations.
- Annual expenditures, with Quick Fuel Fleet Services, are estimated to be \$2,500,000.

35. Fire Pumper Trucks and Ladder Trucks

Action: **A. Award the low-bid, unit price contract to Smeal Fire Apparatus Company for the purchase of fire pumper trucks and ladder trucks for the term of three years, and**

B. Authorize the City Manager to extend the contract for up to two additional, one-year terms with possible price adjustments as authorized by the contract and contingent upon the company's satisfactory performance.

Staff Resource(s):

Marie Harris, Shared Services
Buddy Caldwell, Fire

Explanation

- Fire plans to purchase five new ladder trucks this year.
 - These trucks are replacements for Ladder trucks that have reached the end of their useful life.
 - These purchases are part of the approved fiscal year 2015 General Capital Equipment Replacement list.
- On August 19, 2014, Shared Services issued an Invitation to Bid for fire pumper trucks and ladder trucks; one bid was received from Atlantic Coast Fire Trucks (on behalf of Smeal.)
- The Charlotte Fire Department currently operates Smeal built fire trucks and awarding to this vendor will allow for fleet standardization and savings on operational training, parts, and maintenance.
- The unit prices are set forth in the proposed contract, and prices for the first year are as follows:
 - Item A – Pumper, 500 Gallon Tank - \$561,285,
 - Item B – Pumper, 500 Gallon Downtown High Pressure - \$618,235,
 - Item C – Tanker, 1000/3000 Gallon - \$597,329, and
 - Item D – Ladder, 105' Rear Aerial Mount - \$877,836.
- Based on the unit price stated above, expenditures for fiscal year 2015 are estimated to be \$4,389,180 for five ladder trucks.

Charlotte Business INclusion

No subcontracting goal was established because there are no opportunities (Part B: Section 2.3 of the Charlotte Business INclusion Policy).

Action: Approve the titles, motions, and votes reflected in the Clerk's record as the minutes of:
– October 6, 2014 Workshop

38. In Rem Remedy

For In Rem Remedy A-F, the public purpose and policy are outlined here.

Public Purpose:

- Eliminate a blighting influence.
- Reduce the proportion of substandard housing.
- Increase tax value of property by making land available for potential infill housing development.
- Support public safety initiatives.

Policy:

- Housing & Neighborhood Development
- Community Safety

The In Rem Remedy items were initiated from 3 categories:

1. Public Safety – Police and/or Fire Dept.
2. Complaint – petition by citizens, tenant complaint or public agency referral
3. Field Observation – concentrated code enforcement program

The In Rem Remedy item (s) is listed below by category identifying the street address and neighborhood.

Field Observation:

- A. 2219 Carmine Street (Neighborhood Profile Area 363)
- B. 2101 Edison Street (Neighborhood Profile Area 363)
- C. 4233 Glenwood Drive (Neighborhood Profile Area 385)
- D. 1920 Newland Road (Neighborhood Profile Area 374)
- E. 634 Northway Drive (Neighborhood Profile Area 385)
- F. 5727 Phillips Street (Neighborhood Profile Area 305)

Field Observation:**A. 2219 Carmine Street**

Action: Adopt an Ordinance authorizing the use of In Rem Remedy to demolish and remove the structure at 2219 Carmine Street (Neighborhood Profile Area 363).

[Attachment 21](#)**B. 2101 Edison Street**

Action: Adopt an Ordinance authorizing the use of In Rem Remedy to demolish and remove the structure at 2101 Edison Street (Neighborhood Profile Area 363).

[Attachment 22](#)**C. 4233 Glenwood Drive**

Action: Adopt an Ordinance authorizing the use of In Rem Remedy to demolish and remove the structure at 4233 Glenwood Drive (Neighborhood Profile Area 385).

[Attachment 23](#)**D. 1920 Newland Road**

Action: Adopt an Ordinance authorizing the use of In Rem Remedy to demolish and remove the structure at 1920 Newland Road (Neighborhood Profile Area 374).

[Attachment 24](#)**E. 634 Northway Drive**

Action: Adopt an Ordinance authorizing the use of In Rem Remedy to demolish and remove the structure at 634 Northway Drive (Neighborhood Profile Area 385).

[Attachment 25](#)**F. 5727 Phillips Street**

Action: Adopt an Ordinance authorizing the use of In Rem Remedy to demolish and remove the structure at 5727 Phillips Street (Neighborhood Profile Area 305).

39. Jonas Federal Courthouse Lease Extension

- Action:**
- A. Approve the extension of the Jonas Federal Courthouse Lease for property located at 401 West Trade Street between the General Services Administration (as Tenant) and City of Charlotte (as Landlord) for an additional one year, to end December 15, 2015, with an annual rent of \$1,076,337, and**
 - B. Extend the Option and Purchase Agreement for the Jonas Federal Courthouse property granted to Queens University of Charlotte through December 15, 2015.**

Staff Resource(s): Timothy O'Brien, Engineering & Property Management

Explanation

- The Jonas Federal Courthouse is located at 401 West Trade Street (Parcel Identification Number: 073-113-04). The property includes a 131,822 square foot building constructed in 1934 on 2.96 acres that originally served as Charlotte's main post office.
- The City acquired the property in 2004 in exchange for 3.2 acres located at 501 E. Trade Street that the General Services Administration (GSA) plans to use for construction of a new federal courthouse.
- The GSA requested an additional one-year period to complete their evaluation of long-term alternatives.
- City staff will continue to work with GSA and will bring a request forward in 2015 based on GSA's long-term strategy.
- In December 2004, the City Council granted Queens University of Charlotte an option to purchase the Jonas Federal Courthouse property when GSA terminates the lease.
 - If Queens purchases the building, the 2004 Resolution approved by the City Council requires that the building is used for educational purposes.

Terms

- The GSA leases the building from the City under the following terms:
 - Current annual rent is \$1,076,337 through December 15, 2015.
 - GSA pays all expenses including property operations, maintenance, and capital improvements.
 - Lease payments are used to retire the debt used for property acquisition.
 - Lease is assignable, meaning the City may reassign the lease to subsequent owners if the building is purchased from the City.
- Extend the Option Agreement with Queens through December 15, 2015.

Attachment 27

[Map](#)

40. Property Transactions

Action: Approve the following property transaction(s) (A-C) and adopt the condemnation resolution(s) (D-E).

For property transactions A and B property is acquired in accordance with Federal Guidelines 49 CFR Part 24 of the Uniform Acquisition and Relocation Act of 1970. Acquisition costs are eligible for North Carolina Department of Transportation and Federal Transit Administration reimbursement.

- The City has negotiated in good faith to acquire the properties set forth below.
- For acquisitions, the property owner and staff have agreed on a price based on appraisals and/or estimates.
- In the case of condemnations, the value was established by an independent, certified appraisal followed by a third-party appraisal review.
- Real Estate staff diligently attempts to contact all property owners by:
 - Sending introductory letters via regular and certified mail;
 - Making several site visits;
 - Leaving door hangers and business cards;
 - Seeking information from neighbors;
 - Searching the internet;
 - Obtaining title abstracts, and
 - Leaving voice messages.
- For most condemnation cases, City staff and the property owner(s) have been unable to reach a settlement. In some cases, condemnation is necessary to ensure a clear title to the property.
- If the City Council approves the resolutions, the City Attorney's Office will initiate condemnation proceedings. As part of the condemnation process, real estate staff and the City Attorney's Office will continue to negotiate, including court-mandated mediation, in an attempt to resolve the matter. Most condemnation cases are settled by the parties prior to going to court.
- If a settlement cannot be reached, the case will proceed to trial before a judge or jury to determine "just compensation."
- Full text of each resolution is on file with the City Clerk's Office.
- The definition of easement is a right created by grant, reservation, agreement, prescription, or necessary implication, which one has in the land of another, it is either for the benefit of land, such as right to cross A to get to B, or "in gross", such as public utility easement.
- The definition of fee simple is an estate under which the owner is entitled to unrestricted powers to dispose of the property, and which can be left by will or inherited, commonly, synonym for ownership.

Acquisitions

- A.** **Project:** Blue Line Capacity Expansion project, Parcel #1
Owner(s): Carlton Hill, LLC
Property Address: 4200 South Boulevard
Total Parcel Area: 215,956 sq. ft. (4.958 acres)
Property to be acquired by Easements: 7,897 sq. ft. (.181 ac.) in Access Easement, plus 2,581 sq. ft. (.059 ac.) in Temporary Construction Easement, plus 1,335 sq. ft. (.031 ac.) in Utility Easement
Structures/Improvements to be impacted: None
Landscaping to be impacted: None
Zoned: I-2
Use: Commercial
Tax Code: 149-062-03
Purchase Price: \$93,750
Council District: 3
- B.** **Project:** Blue Line Capacity Expansion Project, Parcel #4
Owner(s): Bank of America, National Association and any other parties of interest
Property Address: 225 East 6th Street
Total Parcel Area: 15,890 sq. ft. (.365 ac.)
Property to be acquired by easements: 477 sq. ft. (.011 ac.) in Access Easement, plus 540 sq. ft. (.012 ac.) in Temporary Construction Easement
Structures/Improvements to be impacted: None
Landscaping to be impacted: None
Zoned: UMUD
Use: Commercial
Tax Code: 080-024-13
Purchase Price: \$39,925
Council District: 1
- C.** **Project:** Lyon Court Storm Drainage Improvement project, Parcel #1
Owner(s): Curry Family Partnership, LLC
Property Address: 1801 Tippah Avenue
Total Parcel Area: 10,238 sq. ft. (.235 ac.)
Property to be acquired by Easements: 4,870 sq. ft. (.112 ac.) in Natural Storm Drainage Easement
Structures/Improvements to be impacted: None
Landscaping to be impacted: Trees and various plantings
Zoned: R-5
Use: Single-family Residential
Tax Code: 095-064-19
Purchase Price: \$20,975
Council District: 1

Condemnations

- D.** **Project:** Blenheim Storm Drainage Improvement project, Parcel #33
Owner(s): Frank Garner and any other parties of interest
Property Address: 4200 Welling Avenue
Total Parcel Area: 17,481 sq. ft. (0.401 ac.)
Property to be acquired by Easements: 2,327 sq. ft. (.053 ac.) in Storm Drainage Easement, plus 1,837 sq. ft. (.042 ac.) in Temporary Construction Easement, plus 451 sq. ft. (.01 ac.) in Existing Sanitary Sewer Easement and Buffer Storm Drainage Easement Overlap, plus 3,321 sq. ft. (.076 ac.) in Buffer Storm Drainage Easement.
Structures/Improvements to be impacted: None
Landscaping to be impacted: Trees
Zoned: R-5
Use: Single-family Residential
Tax Code: 063-021-21
Appraised Value: \$1,050
Property Owner's Counteroffer: None
Property Owner's Concerns: The property owner was concerned about an existing sanitary sewer easement that he was unaware of, as well as the amount of compensation offered for the areas needed.
City's Response to Property Owner's Concerns: The sanitary sewer line was installed by the developer and an easement was never recorded.
Outstanding Concerns: The property owner is still concerned with the amount of compensation being offered. The property owner has stopped communication with staff.
Recommendation: To avoid delay in the project schedule, staff recommends proceeding to condemnation during which time negotiations can continue, mediation is available and if necessary, just compensation can be determined by the court.
Council District: 2
- E.** **Project:** Charlotte Mecklenburg Utility - Town of Pineville 8" Sanitary Sewer, Parcel #1
Owner(s): 436 Cone Avenue, LLC and any other parties of interest
Property Address: 436 Cone Avenue
Total Parcel Area: 1,311,663 sq. ft. (30.112 ac.)
Property to be acquired by easements: 5,550 sq. ft. (.127 ac.) in Sanitary Sewer Easement, plus 7,410 sq. ft. (.17 ac.) in Temporary Construction Easement.
Structures/Improvements to be impacted: None
Landscaping to be impacted: Trees
Zoned: B-D
Use: Industrial
Tax Code: 221-051-07
Appraised Value: \$13,375
Property Owner's Counteroffer: None
Recommendation: To avoid delay in the project schedule, staff recommends proceeding to condemnation for clear title to acquire necessary property rights.
Council District: N/A – Pineville

41. Reference – Charlotte Business INCLUSION Policy

The following excerpts from the City's SBO Policy are intended to provide further explanation for those agenda items which reference the SBO Policy in the business meeting agenda.

Part A: Administration & Enforcement

Appendix Section 18: Contract: For the purposes of establishing an SBE subcontracting goal on a Contract, the following are examples of contract types:

- Any agreement through which the City procures services from a Business Enterprise, other than Exempt Contracts.
- Contracts include agreements and purchase orders for (a) construction, re-construction, alteration and remodeling; (b) architectural work, engineering, testing, construction management and other professional services related to construction; and (c) services of any nature (including but not limited to general consulting and technology-related services).
- Contracts do not include agreements or purchase orders for the purchase or lease of apparatus, supplies, goods, or equipment.
- The term "Contract" shall also include Exempt Contracts for which an SBE Goal has been set.
- Financial Partner Agreements, Development Agreements, and Construction Manager-at-Risk Agreements shall also be deemed "Contracts," but shall be subject to the provisions referenced in the respective Parts of the SBO Program Policy.

Appendix Section 23: Exempt Contracts: Contracts that fall within one or more of the following categories shall be "Exempt Contracts" for the purposes of establishing an SBE subcontracting goal, unless the Department responsible for procuring the Contract decides otherwise:

23.1. Informal Contracts. Informal Contracts shall be Exempt Contracts. (See Appendix Section 29 for a definition of Informal Contracts)

23.2. No Competitive Process Contracts: Contracts or purchase orders that are entered into without a competitive process, or entered into based on a competitive process administered by an entity other than the City shall be Exempt Contracts, including but not limited to contracts that are entered into by sole sourcing, piggybacking, buying off the North Carolina State contract, buying from a competitive bidding group purchasing program as allowed under G.S. 143-129(e)(3), or using the emergency procurement procedures established by the North Carolina General Statutes.

23.3. Managed Competition Contracts: Managed competition contracts pursuant to which a City Department or division competes with Business Enterprises to perform a City function shall be Exempt Contracts.

23.4. Real Estate Leasing and Acquisition Contracts: Contracts for the acquisition or lease of real estate shall be Exempt Contracts.

23.5. Federal Contracts Subject to DBE Requirements: Contracts that are subject to the U.S. Department of Transportation Disadvantaged Business Enterprise Program as set forth in 49 CFR Part 26 or any successor legislation shall be Exempt Contracts.

23.6. State Contracts Subject to MWBE Requirements: Contracts for which a minority and women business participation goal is set pursuant to G.S. 143-128.2(a) due to a building project receiving funding from the State of North Carolina shall be Exempt Contracts.

23.7. Financial Partner Agreements with DBE or MWBE Requirements: Contracts that are subject to a disadvantaged business development program or minority and women business development program maintained by a Financial Partner shall be Exempt Contracts.

23.8. Interlocal Agreements: Contracts with other units of federal, state, or local government shall be Exempt Contracts.

23.9. Contracts for Legal Services: Contracts for legal services shall be Exempt Contracts, unless otherwise indicated by the City Attorney.

23.10. Contracts with Waivers: Contracts for which the SBO Program Manager or the City Manager waives the SBO Program requirements shall be Exempt Contracts (such as when there are no SBE subcontracting opportunities on a Contract).

23.11. Special Exemptions: Contracts where the Department and the Program Manager agree that the Department had no discretion to hire an SBE (e.g., emergency contracts or contracts for banking or insurance services) shall be Exempt Contracts.

Appendix Section 29: Informal Contracts: Contracts and purchase orders through which the City procures services from a Business Enterprise that fall within one of the following two categories:

29.1. Construction Contracts Less Than or Equal To \$200,000: Contracts for construction or repair work that are estimated to require a total expenditure of City funds less than or equal to \$200,000.

29.2. Service Contracts That Are Less Than or Equal To \$100,000: Service Contracts that are estimated to require a total expenditure of City funds less than or equal to \$100,000.

Part B: Formal Construction Bidding

Part B: Section 2.1: When the City Solicitation Documents for a Construction Contract contain an SBE Goal, each Bidder must either: (a) meet the SBE Goal, or (b) comply with the Good Faith Negotiation and Good Faith Efforts requirements. Failure to do so constitutes grounds for rejection of the Bid. The City Solicitation Documents will contain certain forms that Bidders must complete to document having met these requirements.

Part B: Section 2.4: No SBE Goal When There Are No SBE Subcontracting Opportunities.

The City shall not establish an SBE Goal for Construction Contracts where there are no SBEs certified to perform the scopes of work that the City regards as realistic opportunities for subcontracting.

Part C: Services Procurement

Part C: Section 2.2: When the City Solicitation Documents for a Service Contract do not contain an SBE Goal, each Proposer must negotiate in good faith with each SBE that responds to the Proposer's solicitations and each SBE that contacts the Proposer on its own accord. Additionally, the City may negotiate a Committed SBE Goal with the successful Proposer after the Proposal Opening.

Part C: Section 2.4: No SBE Goal When There Are No SBE Subcontracting Opportunities.

The City shall not establish an SBE Goal for Service Contracts where there are no SBEs certified to perform the scopes of work that the City regards as realistic opportunities for subcontracting.

Part D: Post Contract Award Requirements**Part D: Section 6: New Subcontractor Opportunities/Additions to Scope, Contract Amendments**

If a Contractor elects to subcontract any portion of a Contract that the Contractor did not previously identify to the City as a subcontracting opportunity, or if the scope of work on a Contract increases for any reason in a manner that creates a new SBE subcontracting opportunity, the City shall either:

- Notify the Contractor that there will be no Supplemental SBE Goal for the new work; or
- Establish and notify the Contractor of a Supplemental SBE Goal for the new work.

42. Reference – Property Transaction Process

Property Transaction Process Following Council Approval for Condemnation

The following overview is intended to provide further explanation for the process of property transactions that are approved by City Council for condemnation.

Approximately six weeks of preparatory work is required before the condemnation lawsuit is filed. During this time, City staff continues to negotiate with the property owner in an effort to reach a mutual settlement.

- If a settlement is reached, the condemnation process is stopped, and the property transaction proceeds to a real estate closing.
- If a settlement cannot be reached, the condemnation lawsuit is filed. Even after filing, negotiations continue between the property owner and the City's legal representative. Filing of the condemnation documents allows:
 - The City to gain access and title to the subject property so the capital project can proceed on schedule.
 - The City to deposit the appraised value of the property in an escrow account with the Clerk of Court. These funds may be withdrawn by the property owner immediately upon filing, and at any time thereafter, with the understanding that additional funds transfer may be required at the time of final settlement or at the conclusion of litigation.
- If a condemnation lawsuit is filed, the final trial may not occur for 18 to 24 months; however, a vast majority of the cases settle prior to final trial. The City's condemnation attorney remains actively engaged with the property owner to continue negotiations throughout litigation.
 - North Carolina law requires that all condemnation cases go through formal non-binding mediation, at which an independent certified mediator attempts to facilitate a successful settlement. For the minority of cases that do not settle, the property owner has the right to a trial by judge or jury in order to determine the amount of compensation the property owner will receive.

CHARLOTTE™

**CHARLOTTE-MECKLENBURG
UTILITY DEPARTMENT**

Water & Sewer Capital and Financial Planning

The Impact of Water Service on a City

- History of annual rate increases
- Concerns about cumulative fee and tax increases
- Changing socio-economics and demographics
- Capital investment intensity of utility systems
- Complex financial planning structure
- Questions about FY15 rate increase

Take Aways

- Success tied to long-term planning and execution of the plan
- Community Investment Plan decisions now impact future water & sewer rates
- Utility operating and capital costs are increasing faster than general inflation
- Robust water/sewer system is critical to community viability, economic growth, and quality of life
- History of success

- Is the CMUD Community Investment Plan funded at appropriate level?
- What should be the frequency of rate increases?
 - Current projections are annual at 4% - 6%/year
 - Less frequent increases would require each increase to be larger

Water & Sewer System

- Supports more than 1,000,000 people every day
- Foundation for jobs and economy
- Largest water & sewer utility in NC
- 8,400 miles of pipe
- 8 treatment plants
- Regional provider
- Protects public health & safety
- Prevents pollution of creeks, rivers, lakes
- Billions of dollars in capital investment; \$1.4B in past 10 years
- AAA Credit Rating

CMUD 5-Year Community Investment Plan

Goal: Sustainable water & sewer system supporting land use plans, quality of life, environmental protection

Irwin Creek Wastewater Treatment Plant

CMUD 5-Year Community Investment Plan

- Needs evaluated continuously
- Rolling 5-year Plan approved annually
- Based on planning & modeling, community feedback, and maintenance history
- CIP projects approved in FY15 are projected at \$106.9M
- \$213M revenue required for FY15
 - PAYGO to fund projects - \$41M
 - Annual debt service payment - \$147M
 - Funds to CMUD reserves for debt coverage requirements - \$25M

Community Investment Projects by Type FY15 – FY19

– Rehabilitation and replacement:

\$224.9M

– Capacity for growth:

\$262.9M

– Regulatory requirements:

\$85.2M

– Commitment to public projects and utility operations:

\$36.8M

Examples of Rehabilitation and Replacement Projects in FY15-19 CIP

- Irwin Creek WWTP Upgrade
\$33M
- Water/Sewer Line Rehabilitation
\$114.5M
- Sugar Creek WWTP Upgrade - Phase II
\$18M
- Water/Wastewater Plant Rehab and Upgrades
\$43.1M
- Fire Hydrant Installation/Replacement
\$1M

Water & Sewer System Expansion By Decade

- 74% of the system was built in the last 30 years
- Much of it was donated to CMUD by developers

Example: Replacing/Relining Water Pipes

- Improves drinking water quality and water pressure to customers

FY15 Budget - \$7.5 Million

5-Year Need - \$49.5M

Example: Replacing/Relining Sewer Pipes

- Protects the environment by reducing sewer leaks and spills

FY15 Budget - \$13M

5-Year Need - \$65M

Example: Water Storage Tank Maintenance

Franklin Water Treatment Plant

- Extends life of asset
- Improves aesthetics

FY15 Budget - \$650,000
5-Year Need - \$1.25M

Example: Emergency Generators

- Resilience to continue operation during power outages

FY15 Budget - \$2.5M
5-Year Need - \$3.9M

Irwin Creek Wastewater Treatment Plant

Examples of Capacity for Growth Projects in FY15-19 CIP

- Steele Creek Lift Station & Trunk Replacement
\$66M
- Briar Creek Relief Sewer (Phases 2&3)
\$37M
- Upper McAlpine Creek Relief Sewer (Phases 3&4)
\$40M
- Water/Sewer Street Main Extensions
\$51M
- Northeast Water Transmission Main
\$48M
- Dixie Berryhill Water/Sewer Projects
\$13M
- Long Creek WWTP
\$197M

Example: Provide System Capacity to Support New Customers

Capacity Assurance Program certifies required sewer capacity exists:

- Pipes and pumps to move wastewater from new connection to treatment plant
- Treat wastewater to required quality

Lack of available sewer capacity means no new connections allowed

Capacity Assurance Examples

Capacity Assurance Examples

McDowell Creek Relief Sewer

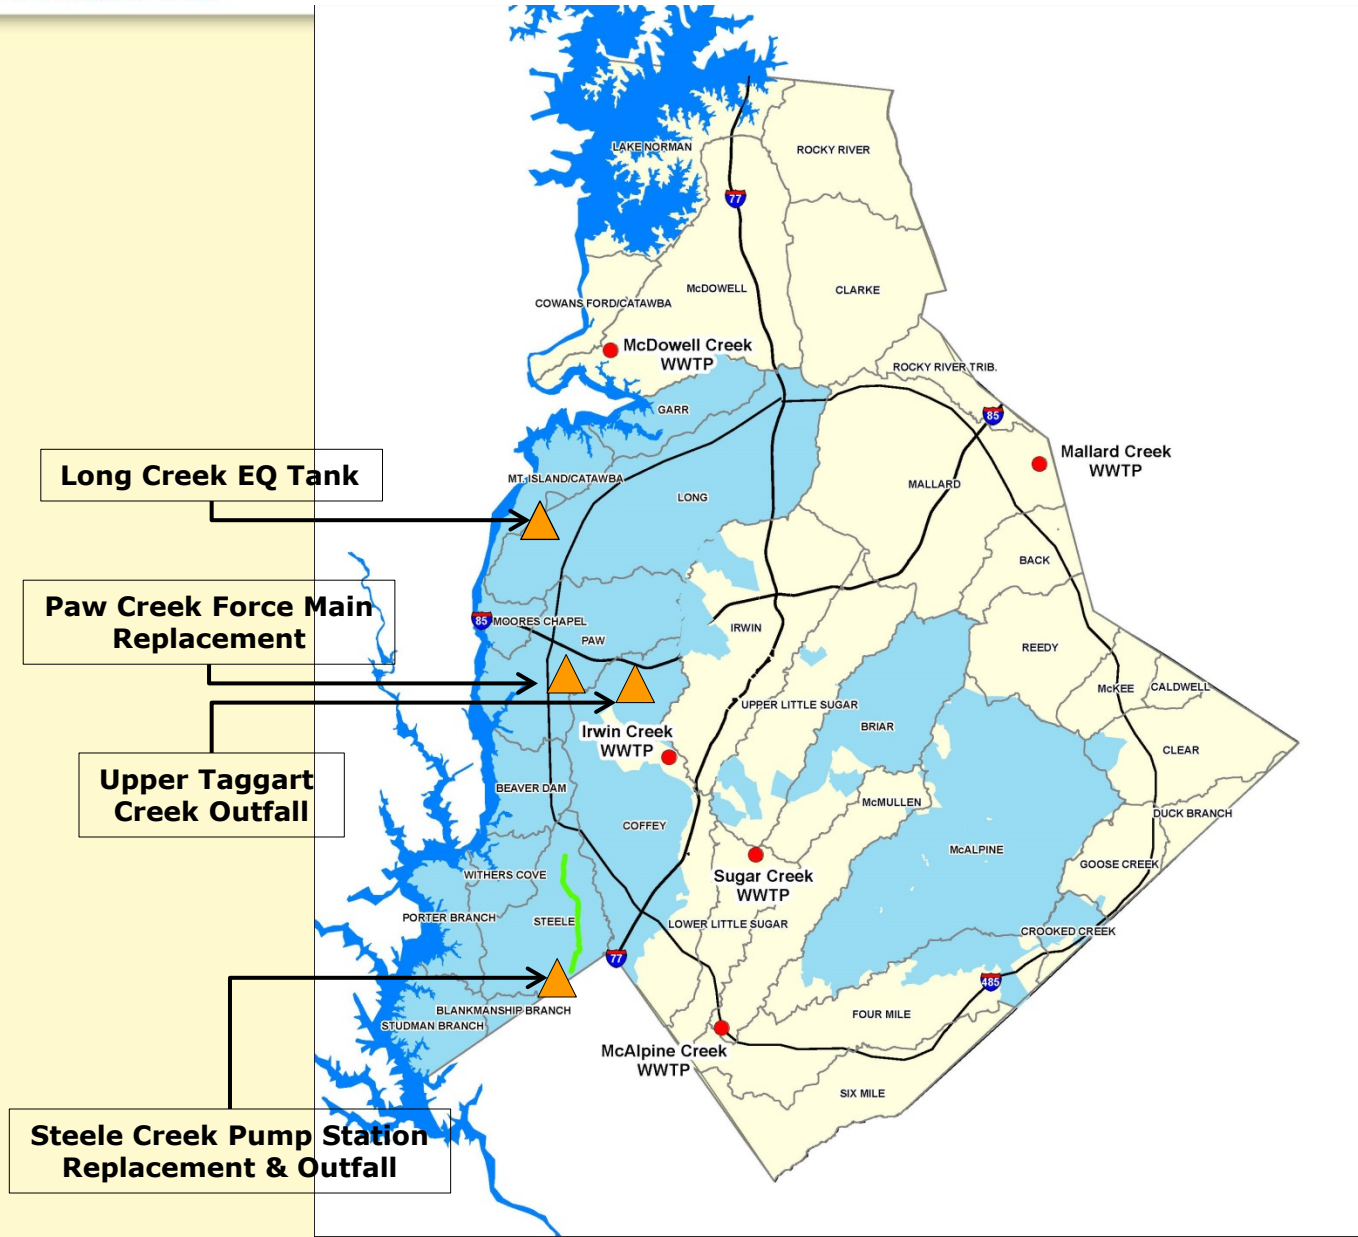

Capacity Assurance Examples

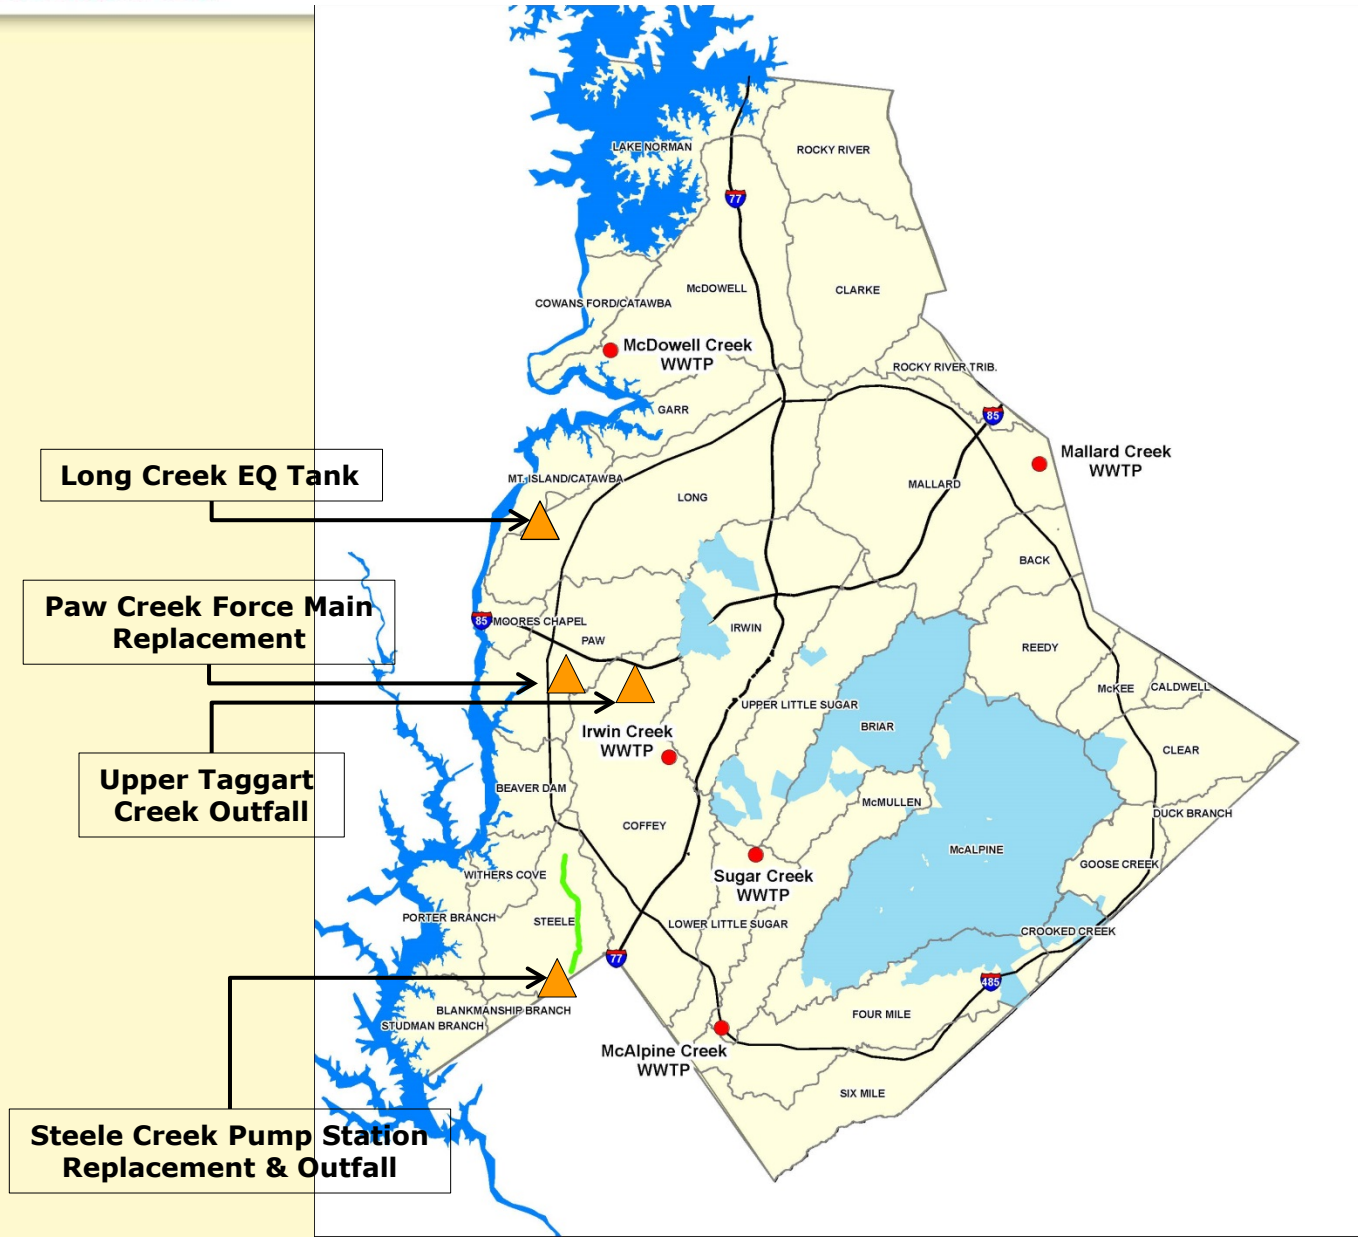

McDowell Creek Relief Sewer

Capacity Assurance Examples

Capacity Assurance Examples

Capacity Assurance Examples

Capacity Assurance Examples

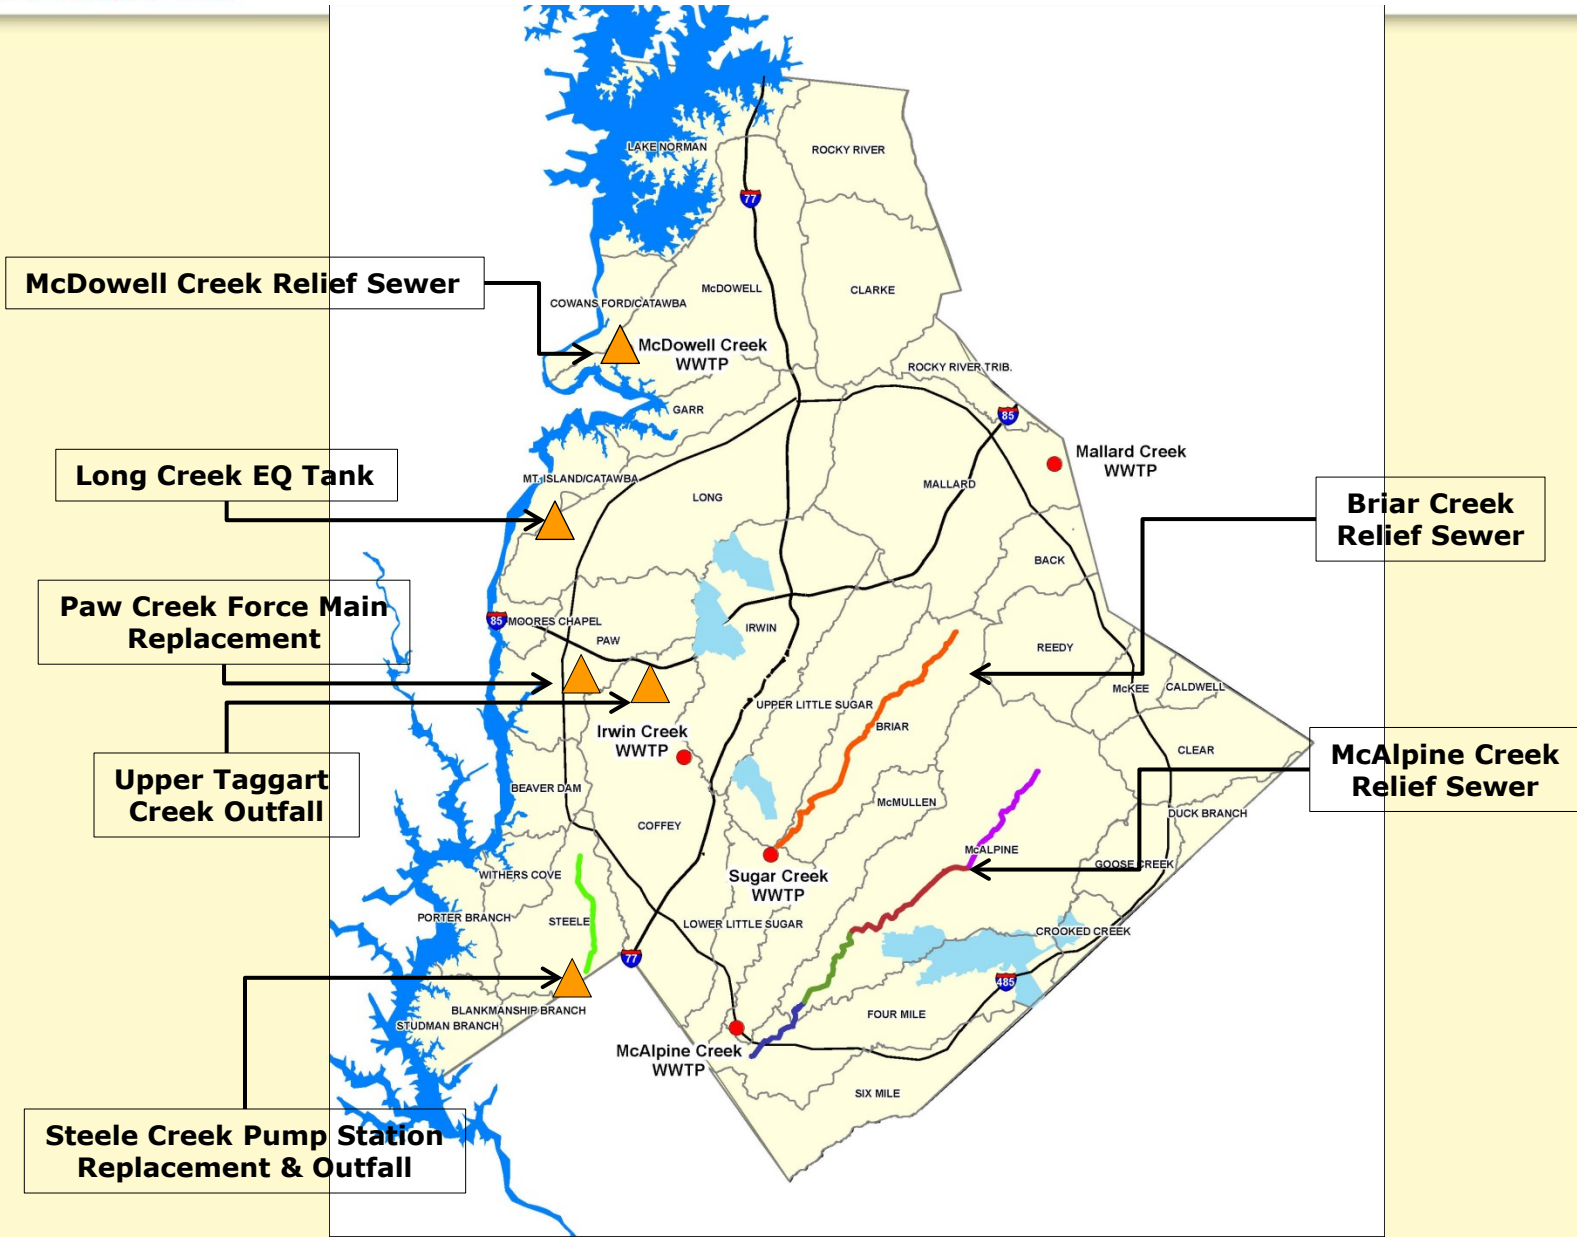

Capacity Assurance Examples

Capacity Assurance Examples

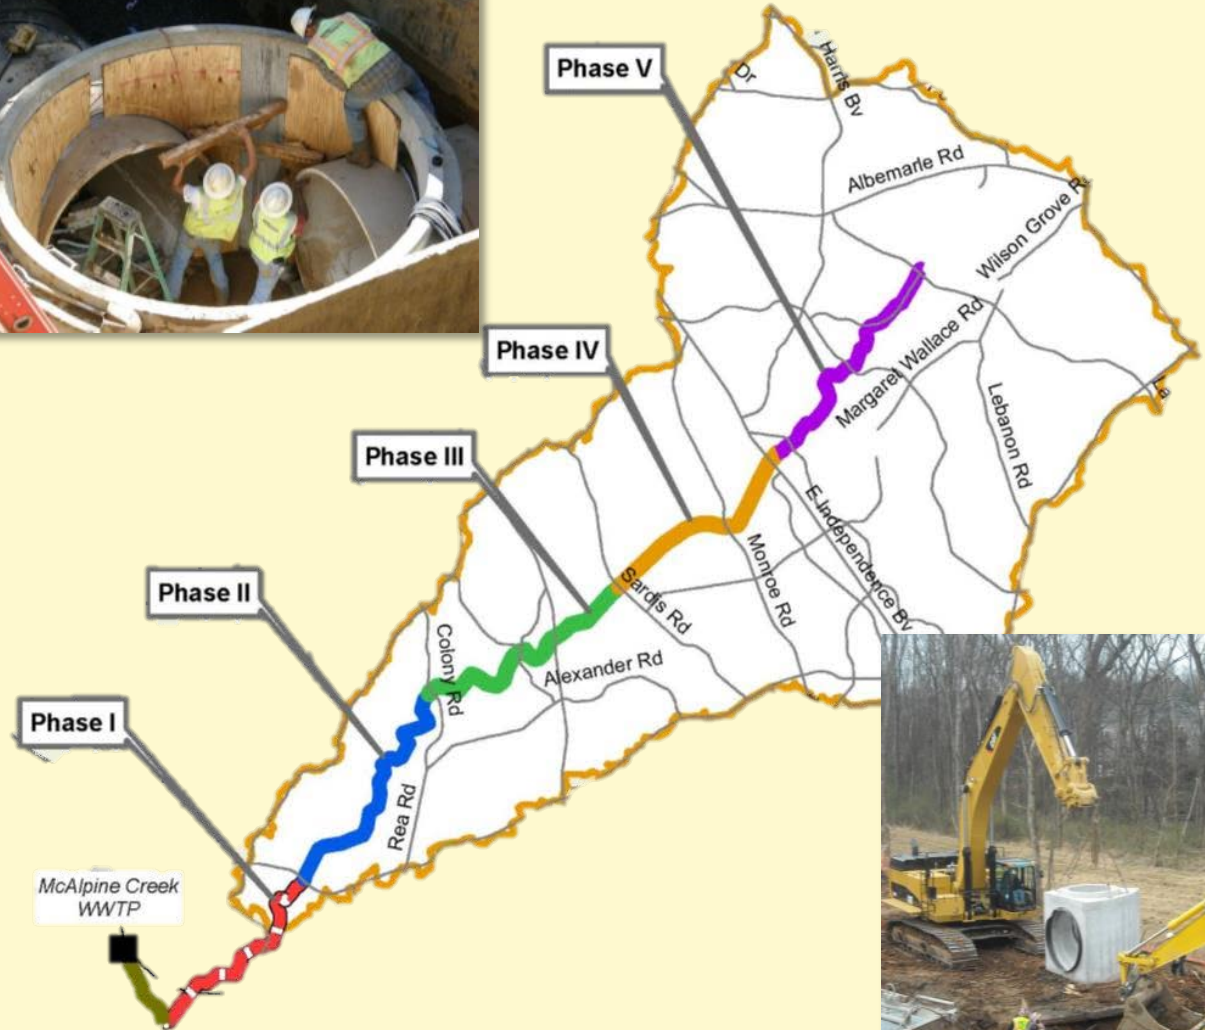

Capacity Assurance Examples

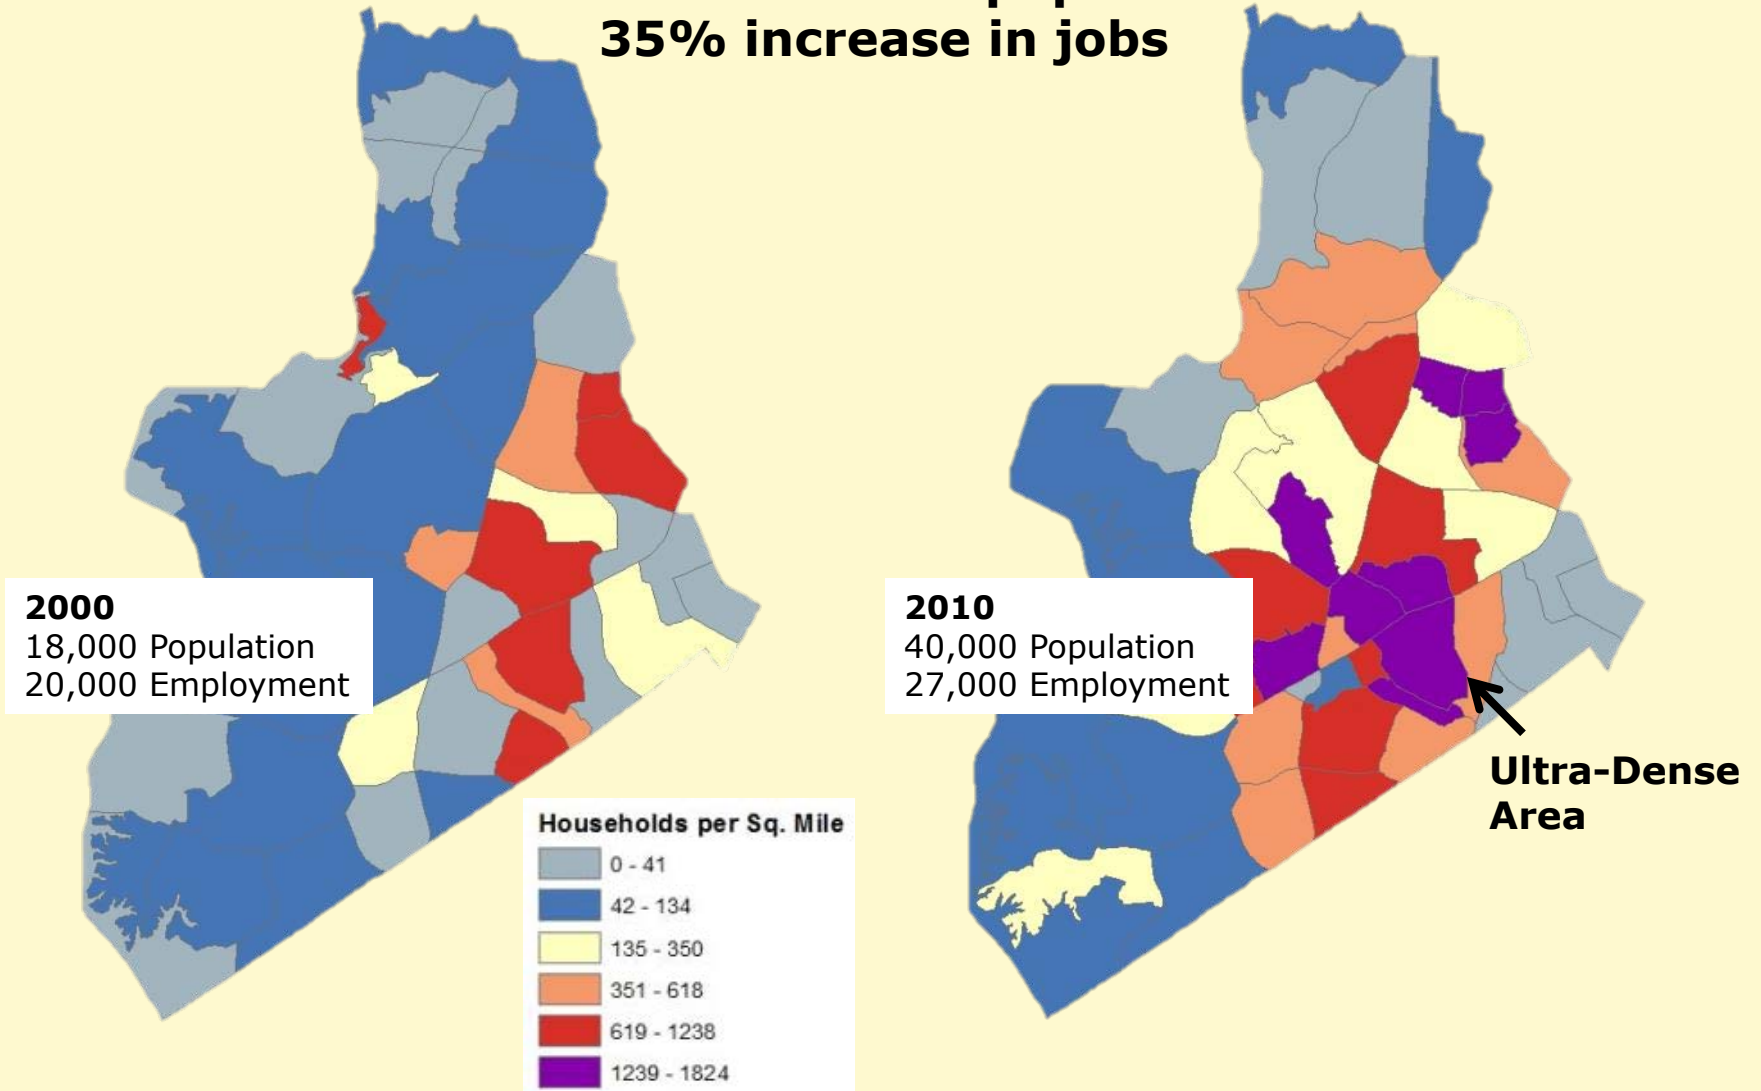

Example: McAlpine Creek Relief Sewer

- Replaces 16.7 miles of pipes from 1960's
- Provides capacity to serve new homes and businesses across 3,700 acres
- Protects water quality in creek by reducing sewer spills
- Total investment: \$97M
- Phase III & IV Under construction

Example: Southwest Charlotte

122% increase in population
35% increase in jobs

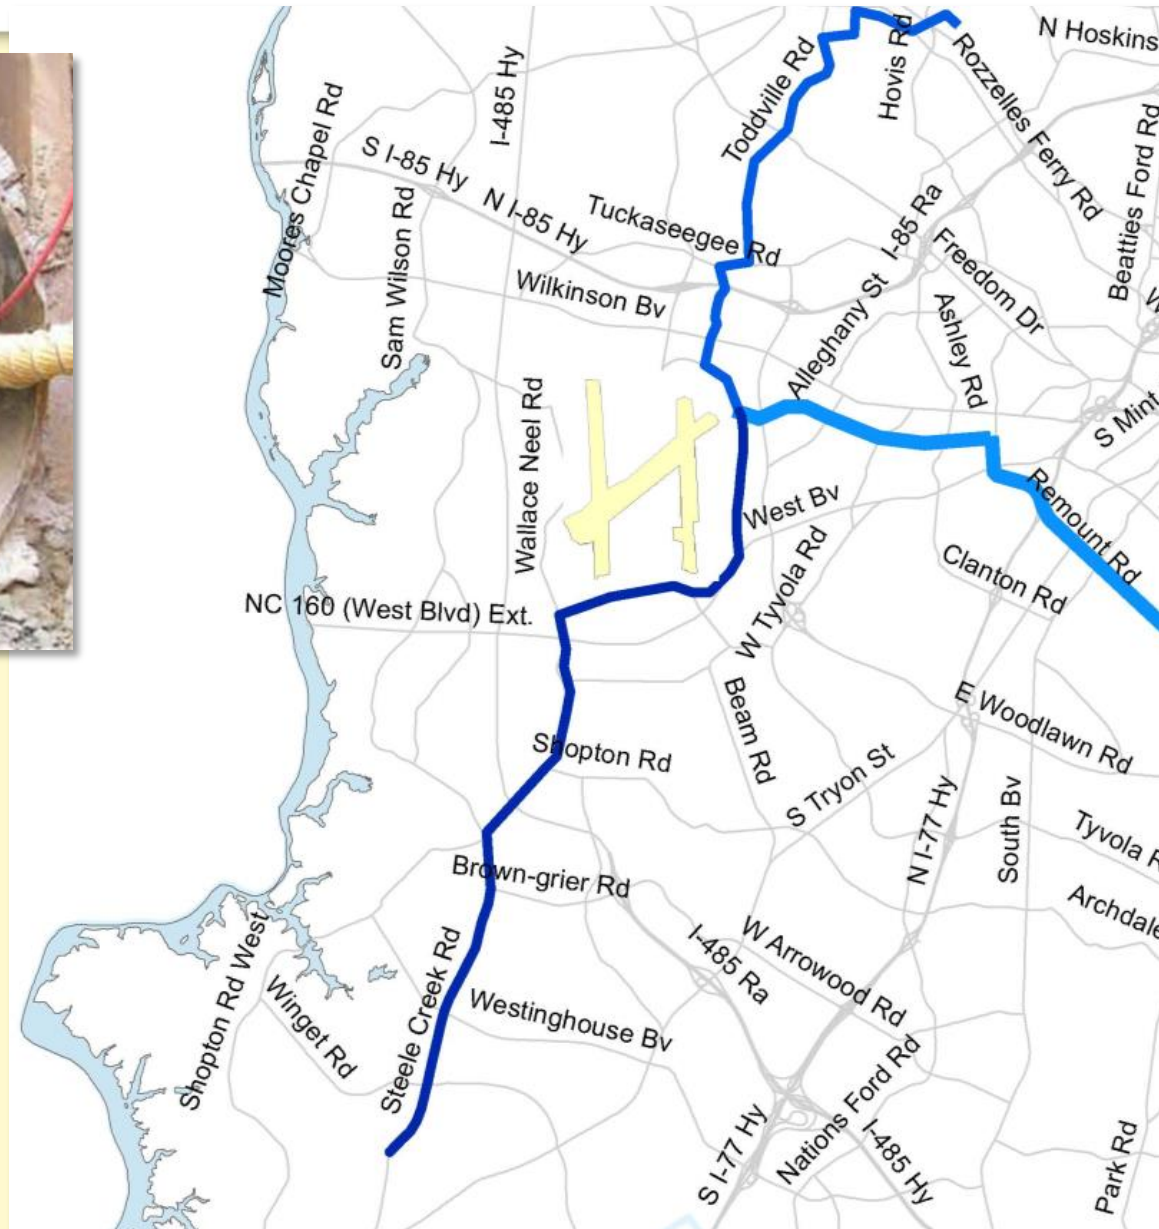

Example: Southwest Water Transmission Main

- 15 miles of pipe to support growth in Southwest Charlotte

Completed: 2009

CMUD Investment: \$89M

Example: Steele Creek Lift Station

- Provide more capacity for additional sewer services in Southwest Charlotte
- Estimated investment: \$66M

Example: McAlpine Creek Wastewater Treatment Plant

- Built in 1966 to treat 10 MGD
 - Expected to serve 15,000 people living in South Charlotte
- Expanded in 1974 to treat 20 MGD
- Expanded again in 80s, 90s and early 2000s
- Today capacity to treat 64 MGD

Plant replacement value of \$750M

Example: McAlpine Creek Wastewater Treatment Plant

- Serving customers from as far as Northlake Mall and Lawyers Road as well as Southwest Charlotte
- Currently operating at 76% of rated capacity

Examples of Regulatory Requirement Projects in FY15-19 CIP

- Water Quality Sampling Stations
\$2.6M
- Water Distribution Flow Monitoring Program
\$0.5M
- Water Treatment Regulatory Improvements
\$0.5M
- McAlpine Biosolids Class A Process
\$57.1M
- McAlpine Dewatering Building Upgrades
\$3.4M

Example: Nutrient Removal

- Protect Catawba River by reducing phosphorus in treated effluent
- Investment: \$28M at McAlpine Plant in 2006
- Need: Sugar and Irwin Creek Plant improvements that incorporate nutrient removal

Example: McAlpine Creek Wastewater Treatment Plant Biosolids Treatment Improvements

- New and rebuilt digesters improve sludge treatment, protect environment
- More than \$15M investment in recent years
- Need: Sludge processing improvements including conversion to Class A will cost > \$100M over next 6-8 years

Example: McAlpine Creek Wastewater Treatment Plant Water Quality Improvements

- Expand filter complex
- Higher treatment level protects water quality in McAlpine Creek
- Investment: \$25 Million
- Completed: 2014

*First Design-Build Project

Examples of Commitment to Public Projects and Utility Operations Projects in FY15-19 CIP

- Independence Blvd. Widening
\$10M
- Streetcar Utility Improvements
\$1.2M
- Water/Sewer Lines for Street Improvements
\$22.75M

Impact of Public Projects on CMUD System

- Opportunities to work together to minimize future costs and disruption
- CMUD required to fund conflict resolution in many cases
- NCDOT Projects
 - Pipeline conflicts in road rights of way
 - Conflicts where new road crosses existing pipeline
- City street & intersection projects
- Rail projects
- Greenways
- Large public buildings & public-private partnerships

Financial plan models 10-year projections of:

- Future revenue requirements to operate, sustain, and expand the system
- Customer growth and water use
- Operating cost
- Debt service coverage ratios
- Fund balance
- Rate increases required to sustain plan

Plan is reviewed frequently and updated each year

Financial Plan

Industry Best Practice

- Rates set to recover full costs
 - Operations
 - Maintenance
 - Rehabilitation and replacement of system
 - Debt service
 - Capital improvements
 - Maintaining cash reserves

Costs Recovered by Utility Revenues Nationally

Number of Utilities

X	X	X	X	X

Data from Black & Veatch survey of 368 U.S. water/sewer utilities

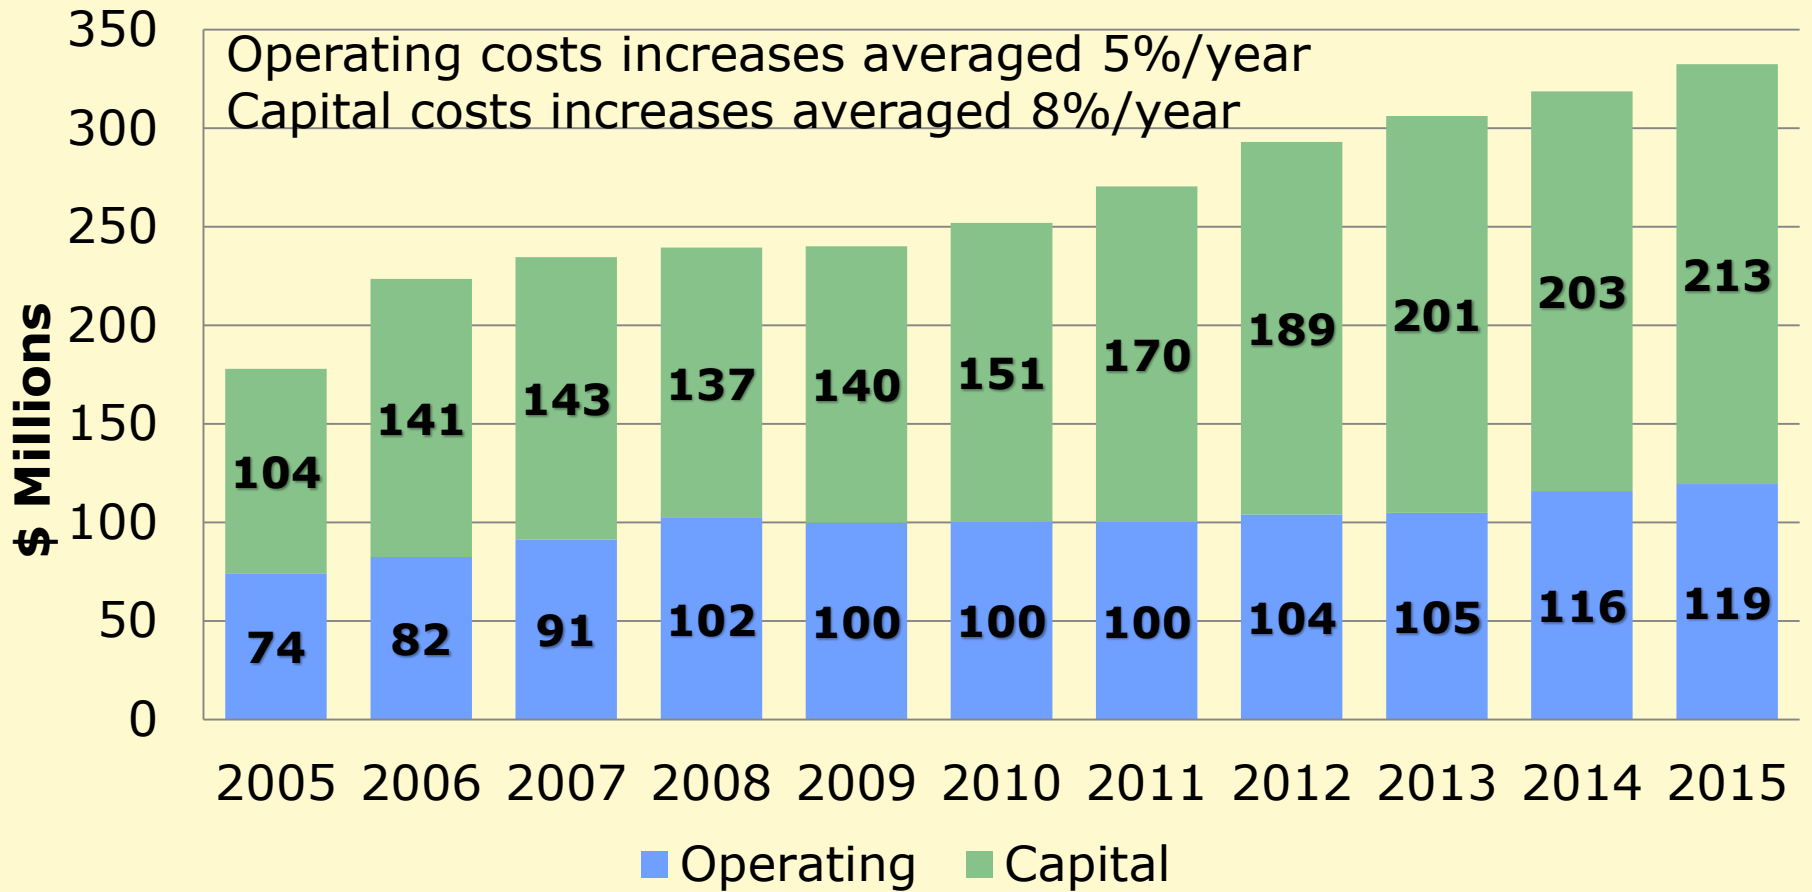

- Only revenue from water/sewer bills & user fees
 - No tax dollars
 - No “profit” for shareholders (like investor-owned utilities)
- Rate Methodology
 - Rate Methodology approved by Council in 2011
 - Prescribes how rates are calculated

Capital Investment Needs Outpace Operating Costs

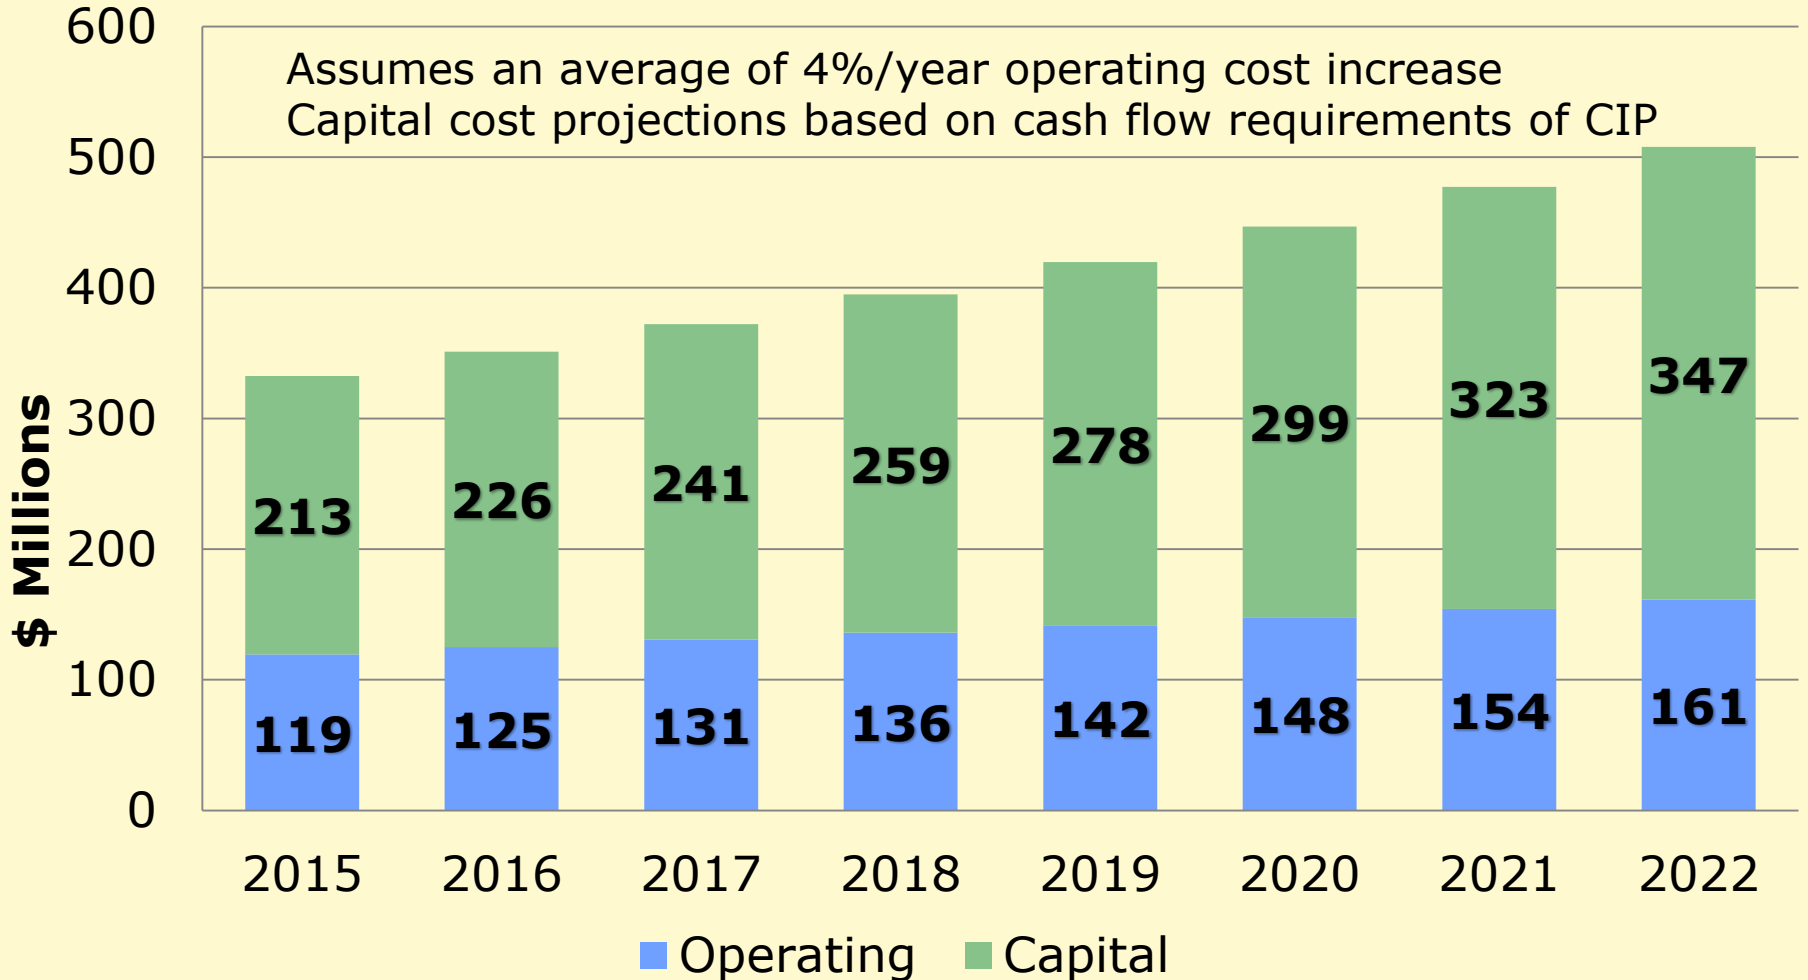

CMUD Annual Revenue Requirement History

Capital Revenue Requirement. = Debt Service + PAYGO + Contribution to Fund Balance

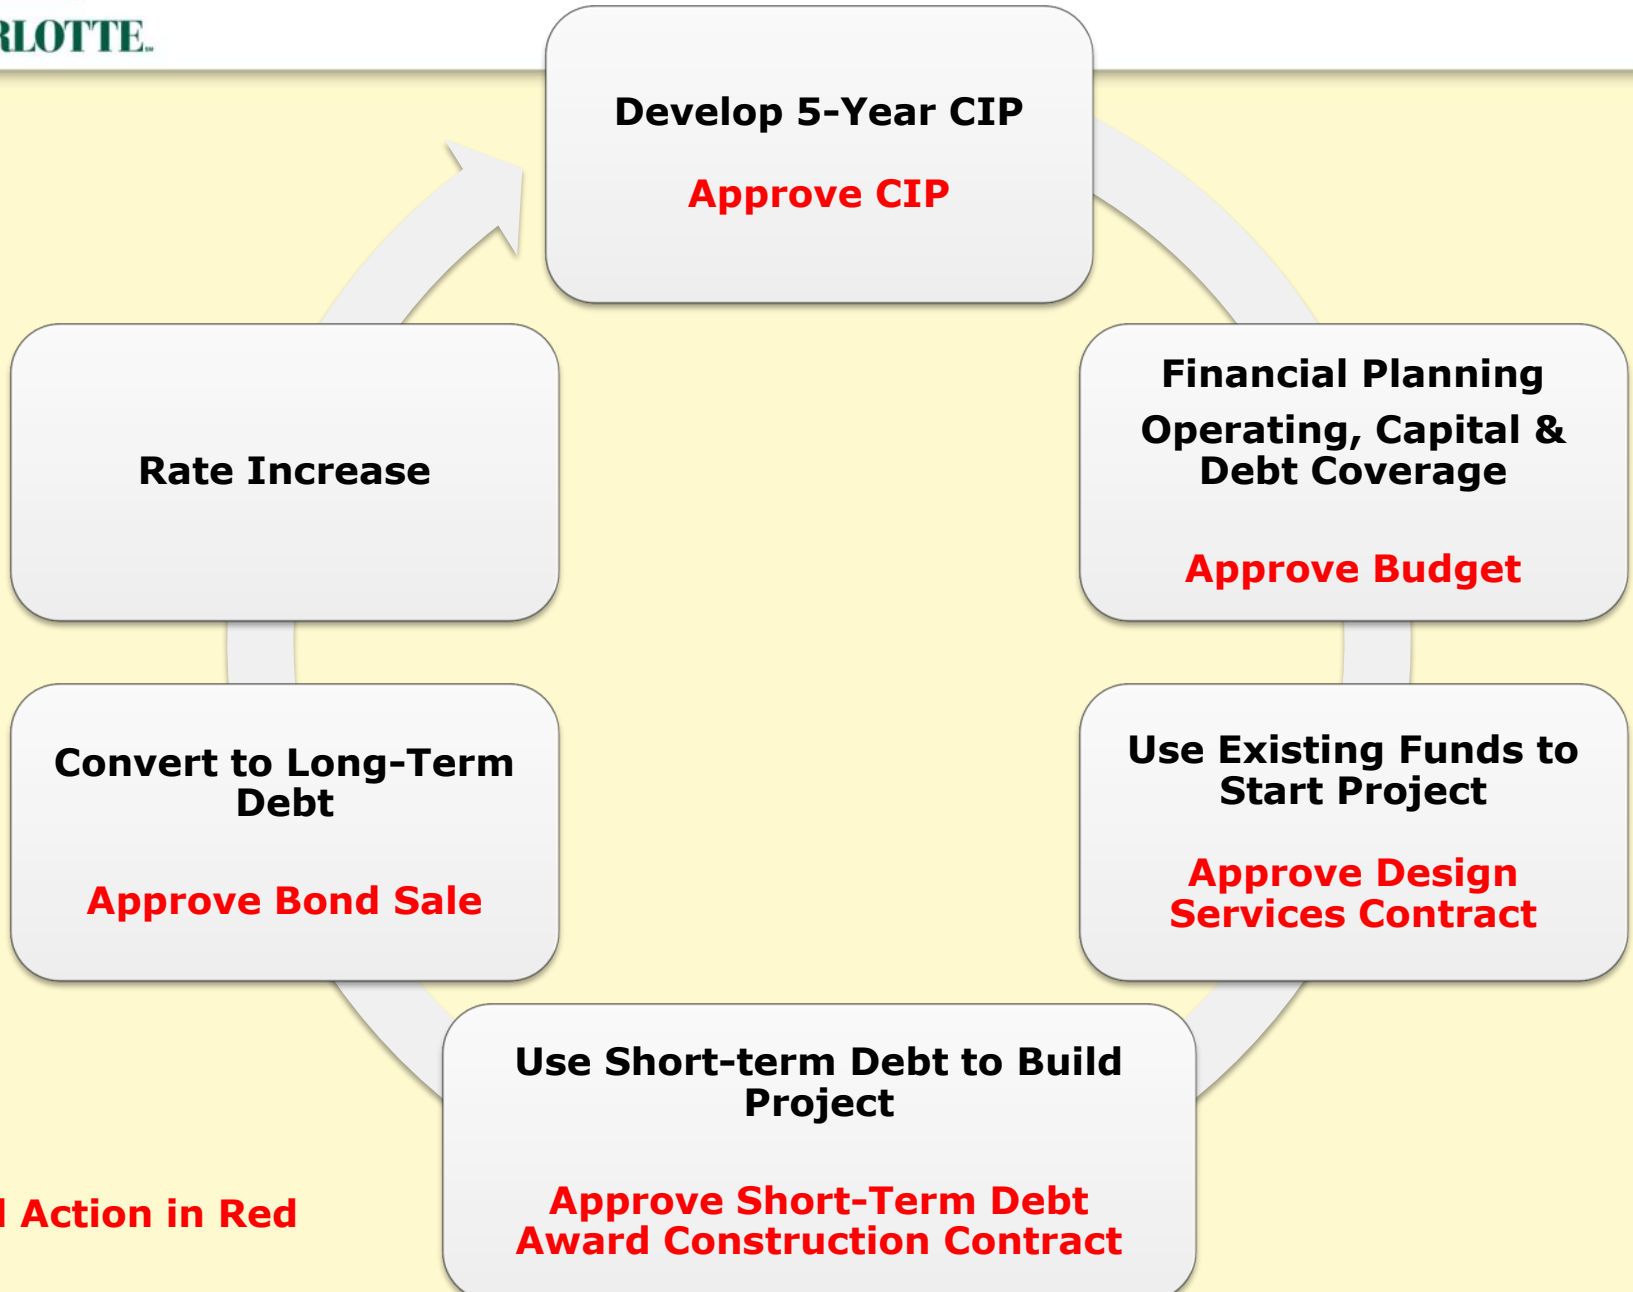

Projected Annual Revenue Requirements from Financial Plan

- Historical heavy reliance on borrowing
- Currently increasing PAYGO financing
- Cash flow financing saves \$\$, provides flexibility
 - Commercial paper construction period financing
 - Convert to 30-year revenue bond debt
 - Issue debt based on cash flow requirements
- Commitment to new debt occurs prior to rate adjustment
- New debt service due year after bonds issued can drive rate increase

Financial Cycle

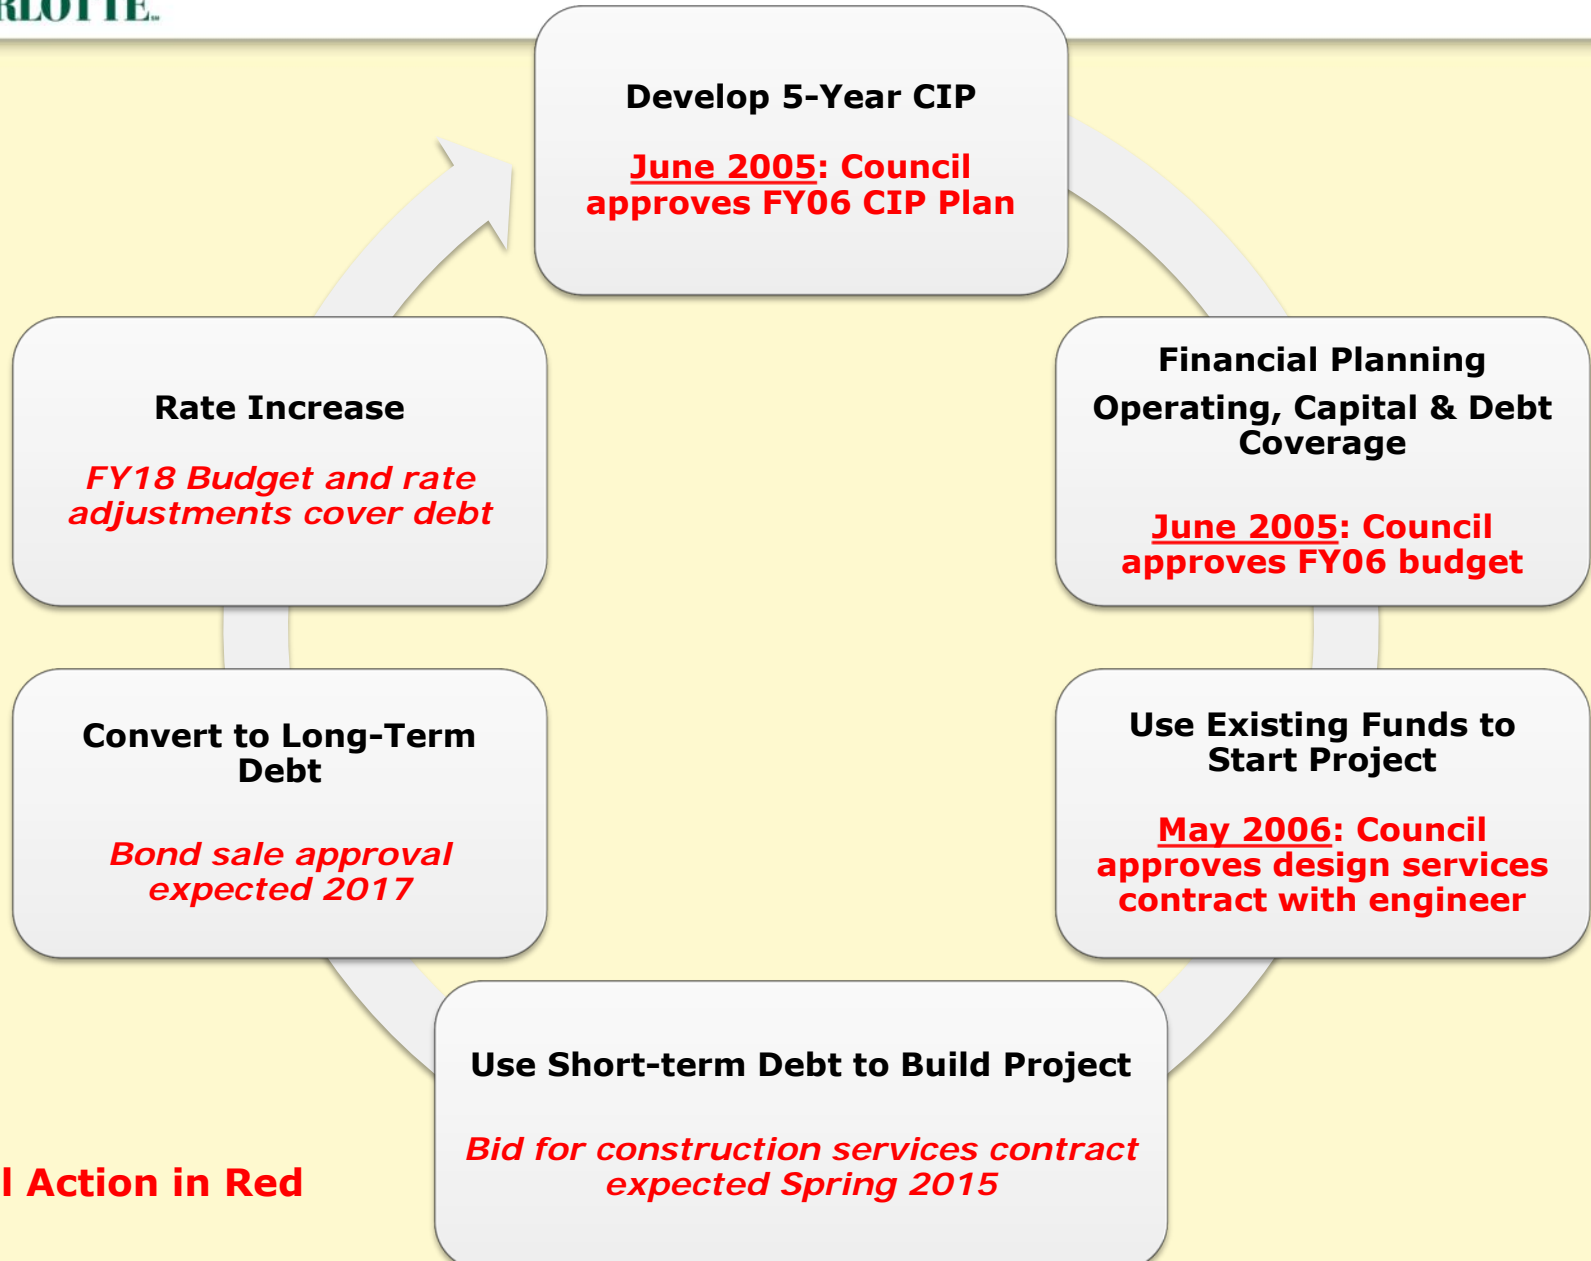

Council Action in Red

Financial Cycle

Example: Steele Creek Lift Station Improvements

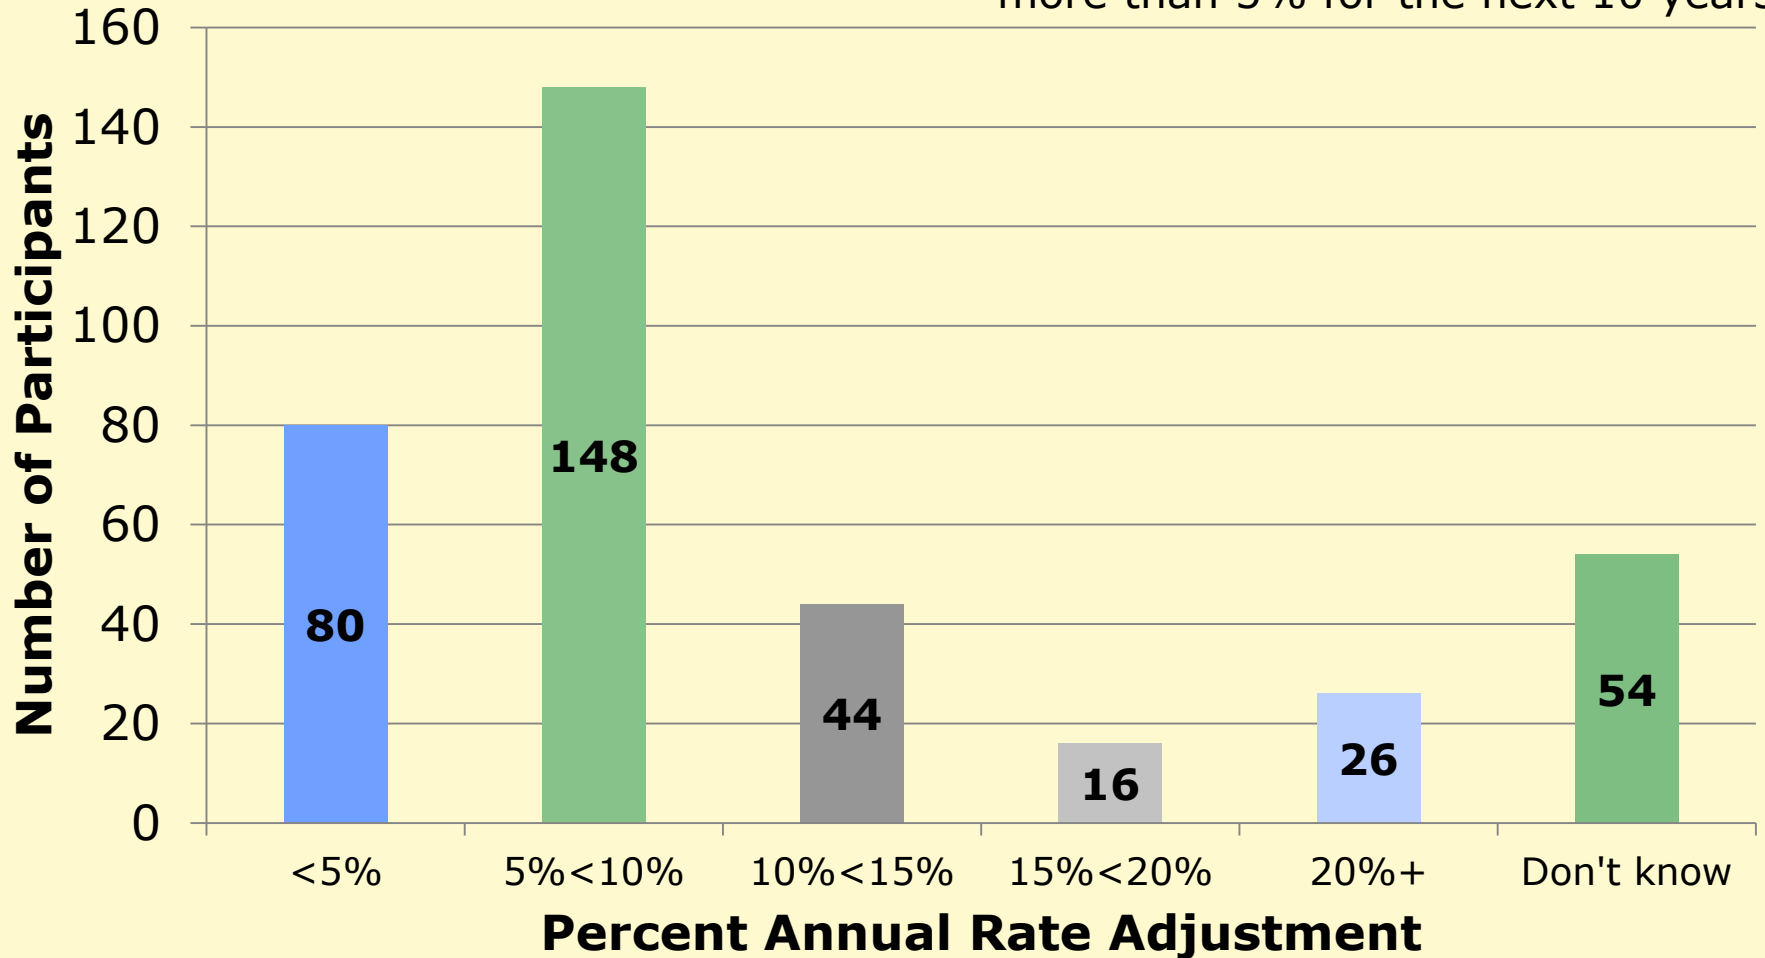

Council Action in Red

- Rates set according to approved methodology
- Financial Plan based on annual increases
- Conservative assumptions about future growth
- Water sales difficult to predict
- Most costs are fixed, most revenue is variable
- Heavy reliance on very volatile Tier 4 revenue

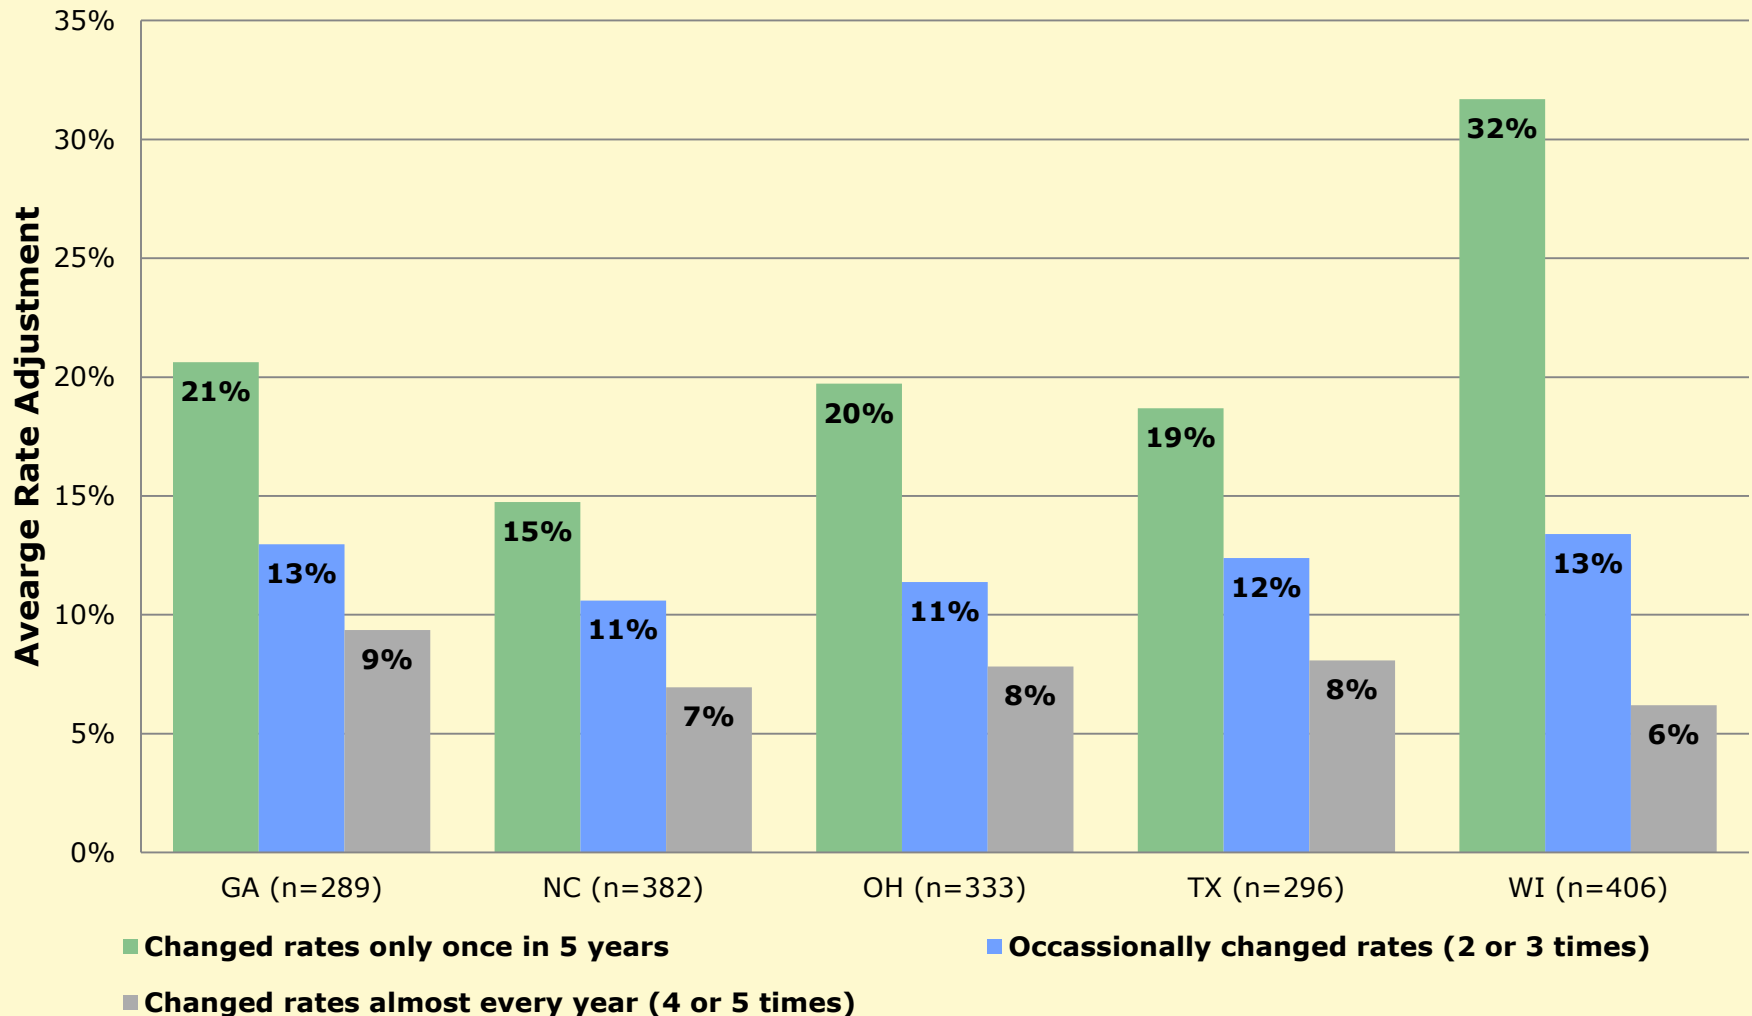

Projected Annual Rate Increases Nationally Over Next 10 Years

74% of 314 utilities responding projected annual rate increases of more than 5% for the next 10 years

Average Rate Adjustment by Frequency of Raising Rates among 1,706 Utilities

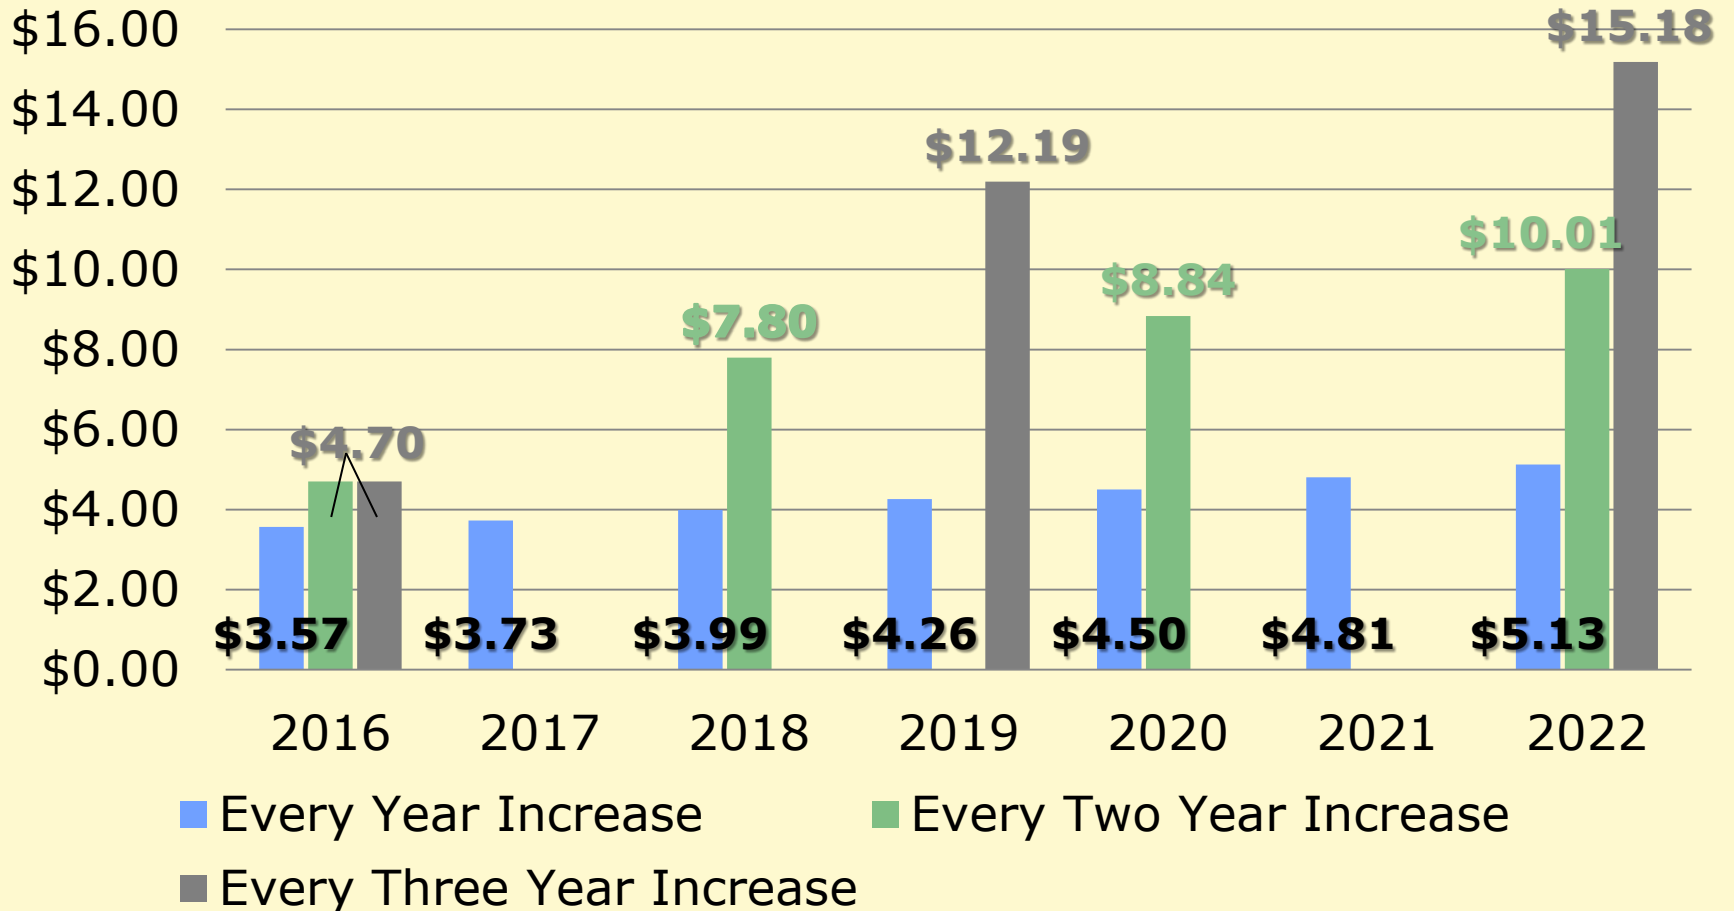

Average Rate Adjustment by Frequency of Raising Rates among 1,706 Utilities in Five States in *Defining a Resilient Business Model for Water Utilities* (Water Research Foundation report: Hughes, et al.).

Rate Adjustment Frequency Comparison

Increase to Monthly Bill for 8 Ccf Customer

8 Ccf is an average customer consumption

- Water & sewer utilities are capital intensive
- Success requires investments and a long-term financial plan
- Sustaining the water and sewer system is crucial to community viability, economic growth, and quality of life
- CMUD aligns with peers and industry leaders by following national best practices

- Is CMUD CIP funded at appropriate level?
- What should be the frequency of rate increases?
 - Current projections are annual at 4% - 6% / year
 - Option at current CIP funding level would be larger increases if done less frequently

CHARLOTTE™

REQUEST	Current Zoning: B-1 (neighborhood business) Proposed Zoning: MUDD-O (mixed use development, optional)
LOCATION	Approximately 1.5 acres located on the north side of East 7 th Street between Clement Avenue and Pecan Avenue. (Council District 1 - Kinsey)
SUMMARY OF PETITION	The petition proposes to allow the development of up to 95 multi-family residential dwelling units, at a density of 63 units per acre, with related amenities and accessory uses.
PROPERTY OWNER PETITIONER AGENT/REPRESENTATIVE	Various 7 th Street Progression Partners, LLC c/o Bryan Barwick John Carmichael, Robinson Bradshaw & Hinson, P.A.
COMMUNITY MEETING	Meeting is required and has been held. Report available online. Number of people attending the Community Meeting: 33
STATEMENT OF CONSISTENCY	This petition is found to be consistent with the <i>Elizabeth Area Plan</i> , based on information from the staff analysis and the public hearing, and because: <ul style="list-style-type: none"> • The single use multi-family development is a well-suited land use for the area. <p>Therefore, this petition is found to be reasonable and in the public interest based on the information from the staff analysis and the public hearing , and because:</p> <ul style="list-style-type: none"> • The site is located in a primarily single family residential neighborhood but on a street with a mix of uses that includes entertainment, retail, office and multi-family residential; and, • The site plan is designed to be compatible with the abutting single family residential through limitations on density, height, location of buildings and screening; <p>By a 5-0 vote of the Zoning Committee (motion by Commissioner Ryan seconded by Commissioner Sullivan).</p>

ZONING COMMITTEE ACTION	The Zoning Committee voted 5-0 to recommend APPROVAL of this petition with the following modifications: <ol style="list-style-type: none"> 1. Reference to courtyard walls has been removed from Optional Provision B (Optional Provision A on revised site plan). The modified note now specifies how far decorative paving, steps and stoops are proposed to encroach into the setback, as well as the maximum amount of the setback area impacted by the encroachment (up to three feet into the 21-foot zoning setback). 2. Petitioner has moved Option C to Option B, removed the reference to dining and providing new language that proposes an outdoor amenity area containing landscaping, hardscape, seating elements, an outdoor water drinking fountain and possibly tables to be located on the 13-foot wide portion of the sidewalk along the Site's frontage on East 7th Street. The new language further states that the improvements will not obstruct the sidewalk such that an eight-foot wide clear sidewalk zone will be maintained. 3. Removed Architectural Standards Note D as the zoning standards allow balconies to project up to two feet with a minimum clearance of ten feet from grade. 4. Removed references to adopted area plans on Sheet RZ-1.0 of the site plan. 5. Confirmed type of residential product proposed as multi-family under Development Information on Sheet RZ-2.0.
------------------------------------	--

6. Moved the proposed buffer and screening materials out of the abutting alleyway and onto the rezoning site.
7. Addressed Urban Forestry's comments by adding Environmental Features Note D that states tree preservation will be coordinated during land development with City Engineering and Urban Forestry.
8. Under Lighting Note B, maximum height of freestanding lighting is now noted as 25 feet.
9. Note C from the "General Provisions" has been removed from the site plan.
10. The number of proposed units has been reduced from 95 to 91.
11. Reference to Deed Restriction Setback has been removed from Sheets RZ-2.0 and RZ-2.3.
12. Sheet RZ-2.0 has been revised to show planting area in front of eight-foot screen wall along portions of property lines.
13. Sheet RZ-2.0 has been revised to show proposed bicycle parking locations.
14. Sheet RZ-2.0 has been revised to show proposed seat height freestanding walls, potential drinking fountain locations and potential tree in grate.
15. Sheet RZ-2.0 has been revised to show a new planting area to be extended along a portion of the driveway accessing East 7th Street.
16. Sheet RZ-2.0 has been revised to show a 25-foot deed restriction setback along East 7th Street.
17. Sheet RZ-2.1 has been modified to note opaque screen wall (final height to be determined), include the 21-foot Zoning Setback and 25-foot Deed Restriction Setback, and reference development notes for installation, maintenance, and removal responsibilities with respect to proposed landscaping materials.
18. Sheet RZ-2.1 has been modified to identify "3 story portion of building with maximum 40 feet as measured from average final grade" on "Fourth Level Schematic Architecture" detail.
19. Sheet RZ-2.1 has been modified to identify "4 story portion of building with maximum 52 feet as measured from average final grade" on "Fourth Level Schematic Architecture" detail.
20. Sheet RZ-2.20 has been modified to note locations of proposed building materials on all elevations.
21. A note has been added to Sheet RZ2.2 that states certain designated windows will have translucent glass in window units (50%).
22. New Sheet RZ-2.3 labeled "Schematic Required Planting Plan" identifies proposed plantings to screen new building from adjacent residential development.
23. New General Provisions Note C provides language regarding the zoning setback along 7th Street, and permissible encroachments up to 3 feet into the zoning setback. No portion of the building to be constructed on the site may encroach into the zoning setback.
24. The Optional Provisions being requested have been renumbered and the wording of some have been modified as follows:
 - a. Optional Provision B is now Optional Provision A and the language regarding building entrances and entry features has been revised to remove "courtyards and "courtyard walls", and add that "patios and upper level balconies and architectural features may encroach up to 3 feet into the Zoning Setback."
 - b. Optional Provision C for the width of the sidewalk is now Optional Provision B.
 - c. Optional Provision D regarding outdoor tables, chairs and dining is now Optional Provision C. Language has been modified with the removal of reference to "dining." Language now proposes "an outdoor amenity area containing landscaping, hardscape, seating elements, an outdoor water drinking fountain and possibly tables to be located on the 13-foot wide portion of the sidewalk to be installed along the Site's frontage on East 7th Street. The new language further

- states that these improvements will not obstruct the sidewalk such that an 8-foot wide clear sidewalk zone will be maintained.
- d. Optional Provision E pertaining to on-street parking and reduction in the width of the planting strip is now Optional Provision D.
 - e. New Optional Provision E provides language proposing that a free standing seat wall may be constructed on the 13-foot wide portion of the sidewalk located along the Site's frontage on East 7th Street within the Zoning Setback.
25. The Permitted Uses development note has been amended to reflect a decrease in the number of units from 95 to 91.
 26. Transportation Note B has been modified to state a minimum of one parking space per bedroom will be provided on the site.
 27. Transportation Note C has been modified to note that the location of the bicycle parking is depicted on the Rezoning Plan.
 28. Architectural Standards Note B has been modified to reference the 4-story components of the building and the site adjacent to the relevant portion of the building.
 29. Petitioner has added new Architectural Standards notes regarding the following:
 - a. Front corner of the building adjacent to the driveway into the site may be a chamfered corner, or the corner of the building may be at a 90 degree angle at the option of the Petitioner.
 - b. Permitted exterior building materials are designated and labelled on architectural renderings provided. Permitted exterior buildings will include brick, stone and similar architectural masonry products, stucco and hardi-panel (cementitious siding) or a combination thereof.
 - c. Brick to be installed on the exterior of the building will be full-body cavity wall masonry. Use of thin brick or exposed non-architectural CMU masonry will not be allowed.
 - d. Vinyl will not be a permitted exterior cladding material, provided, however, that vinyl may be utilized on the soffits of the building and vinyl windows may be installed on the building.
 - e. EIFS (synthetic stucco), aluminum siding, corrugated metal and CMU block (concrete block) will not be permitted exterior materials for the building to be constructed on the site.
 - f. Translucent windows must be utilized on the third and fourth floors of the portions of the rear elevation of the building that are more particularly designated on the schematic architectural rendering of the rear elevation of the building, with clear windows being allowed on all other portions of the proposed building.
 - g. Installation of balconies limited to only those portions of the rear elevation of the building that are more particularly designated on the schematic architectural rendering of the rear elevation of the building. Balconies may be installed on any portions of the side and front elevations of the building to be constructed on the Site.
 - h. In the event a waiver of the Deed Restriction Setback is obtained, each ground floor dwelling unit facing East 7th Street will have steps and a stoop or patio located at the front entrance into the dwelling unit from East 7th Street, and the entry to the stoop or patio from East 7th Street will not be gated or locked. Each such stoop or patio will have a minimum size of 75 square feet.
 30. Modified notes under Setback and Yards/Streetscape and Landscaping/Screening as follow:
 - a. Note A has been modified to state that subject to the Optional Provisions, development of the Site will comply with the 21-foot Zoning Setback and the side yard rear requirements of the MUDD zoning district.

- b. New Note D proposes installation and maintenance of an 8-foot tall brick screen along the rear property line of the Site adjacent to the alley, and along portions of the Site's western property line.
 - c. New Note E provides language regarding the installation of a gate in the 8-foot tall brick screen wall.
 - d. New Note F identifies the conceptual landscaping plan as provided on Sheet RZ-2.3, providing information regarding locations, types, quantities and minimum height at the time of installation of the trees and shrubs.
 - e. New Note G includes language regarding placement of landscape materials within the alley and approval by Duke Energy. The note states that in the event Duke Energy or the City of Charlotte prohibits the installation of trees, shrubs and landscape materials in the 25-foot alley, the petitioner will not be required to install any trees, shrubs and landscape materials within the 25-foot alley. Note further states that petitioner will remove any landscape materials it installs in the 25-foot alley in the event that any property owner with a right to use the 25-foot alley for vehicular and pedestrian access seeks to enforce such right and requires the removal of the materials.
 - f. New Note H states petitioner will maintain, at their cost and expense, the perimeter landscaped areas (including landscaping in the alley).
 - g. New Note I provides language stating that prior to issuance of a certificate of occupancy, the petitioner will install irrigation for the perimeter landscaping for the Site pursuant to the conceptual perimeter plan. Irrigation will not be required to be installed within the alley located to the rear of the Site.
 - h. New Note J proposes an outdoor amenity area consisting of landscaping, hardscape, seating elements, an outdoor water drinking fountain and possibly tables to be located on the 13-foot wide portion of the sidewalk to be installed along the Site's frontage.
31. Provided new language under Urban Open Space heading that states Urban Open Space will be located on the site as shown on the site plan. The Urban Open Space will be a passive area with no programmed space, and no outdoor amenities, such as a grill, may be installed within the Urban Open Space.
 32. Modified Lighting Note A to state that all freestanding lighting fixtures installed on the Site (excluding street lights, lower, decorative lighting that may be installed along the driveways, sidewalks and parking areas and landscaping lights) shall be fully capped and shielded and the illumination downwardly directed so that direct illumination does not extend past any property line of the Site.
 33. Added Lighting Note D that states that the lighting to be installed on the Site to illuminate the parking lot located to the rear of the building shall be soft light in the warm spectrum.
 34. Added new heading titled "Construction Activities" with following notes:
 - a. Note A states that construction activities may only be conducted on the Site from 7 a.m. to 6 p.m., and that construction activities conducted entirely within the enclosed building may occur at any time.
 - b. Note B states the contractor(s) will keep the construction site in a clean and orderly condition and will promptly clean the adjacent roads and sidewalks as needed or as otherwise required by applicable regulations.
 35. Added new heading "Trash and Recycling Removal" with language that states in the event that a private trash service is utilized to empty trash and recycling containers located on the Site, such containers may be emptied only between the hours of 7 a.m. and

	6 p.m.
	36. Removed all references to deed restrictions and waivers on all sheets of the site plan.
	37. Removed "deed restriction setback" on all applicable sheets of the site plan.
	38. Corrected details on Sheet RZ-2.1 to reflect the proposed screen wall is out of the alley.
	39. Clouded all new notes and revised notes.
	40. Provided details of the proposed seat wall.

ZONING COMMITTEE DISCUSSION

Staff presented this item to the Committee, noting that several notes had been added to the site plan or modified since the public hearing, many of which were a result of the petitioner working with the neighboring property owners. Staff stated that some of the new notes resulted in new outstanding issues that had since been addressed by the petitioner. Staff reviewed the modifications with the Committee, including but not limited to modifications to the Optional Provisions, and new notes pertaining to Architectural Standards, Setback and Yards/Streetscape and Landscaping/Screening, Urban Open Space, Lighting, Construction Activities, and Trash and Recycling Removal.

A Committee member requested clarification regarding the building height, and staff proceeded to utilize site plan details to orient the Commissioners to the portions of the building proposed to be a maximum of 40 feet in height, and areas of the structure with a 52-foot height. Staff discussed the portion of the structure with a maximum 52-foot building height in relation to the residential properties on the opposite side of the abutting alleyway.

A Committee member asked if there were other utilities besides Duke Energy within the alleyway. Another Committee member responded that plantings over utilities would not be allowed and that the plantings in the alleyway were at the request of the neighbors. Staff clarified that there was a note on the site plan stating that installation, maintenance, and removal of planting materials would be the responsibility of the petitioner.

A Commissioner stated that there had been other proposals for this tight and difficult site, and that the one now before the Committee works from a design perspective. Another Committee noted that this project was an example of the petitioner and surrounding property owners working together to ensure a project contained design elements in the best interest of the neighborhood. There was no further discussion of this petition.

STAFF OPINION

Staff agrees with the recommendation of the Zoning Committee.

FINAL STAFF ANALYSIS
 (Pre-Hearing Analysis online at www.rezoning.org)

PLANNING STAFF REVIEW

• **Proposed Request Details**

The site plan accompanying this petition contains the following provisions:

- Up to 91 multi-family units in one building with ground level parking, and a project density of 63 units per acre.
- Up to 2,100 square feet of residential amenities (such as a fitness center) and a 750-square

foot leasing office.

- Urban open space areas.
- Building height ranging from 40 feet up to a maximum 52 feet (three to four stories maximum).
- Installation of an eight-foot screen wall and planting area to screen rear buildings and associated parking areas from abutting or adjacent residential properties.
- Vehicular access to the site via East 7th Street.
- An eight-foot sidewalk and eight-foot planting strip along the frontage on East 7th Street.
- A 21-foot setback along East 7th Street from future back of curb.
- Freestanding walls in front of portions of the proposed building will be seat height.
- Architectural Standards notes pertaining to building height, articulation, materials, window treatment, placement of balconies, and orientation of patios.
- Building elevations identifying proposed building materials, with North, East, West, and 7th Street perspectives.
- Proposed bicycle parking locations.
- Maximum height of any freestanding lighting fixture installed on site will be 25 feet.
- Development notes stating construction activities will be conducted on the site daily from 7:00 a.m. to 6:00 p.m., and committing to keeping the construction site in clean and orderly condition.
- Optional requests include:
 - Allowing building entrances and certain entry features encroach up to 3 feet into the setback.
 - Allow the width of the sidewalk to be installed along the site's frontage on East 7th Street to vary from a minimum of eight feet to 13 feet.
 - Allow an outdoor amenity area to be located on the 13-foot wide portion of the sidewalk to be installed along the site's frontage on East 7th Street.
 - Allow a reduction in the width of the 8-foot planting strip in the event that on-street parking is installed on East 7th Street adjacent to the Site.
 - Allow the construction of a freestanding seat wall on the 13-foot wide portion of the sidewalk located along the Site's frontage.
- **Public Plans and Policies**
 - The *Elizabeth Area Plan* (2011) recommends a mix of residential/office/retail on this site. The plan states: "These parcels should be a mix of small scale neighborhood-serving retail, office, and/or residential. Small-scale neighborhood-serving retail or office uses on the ground floor with office and/or residential above is appropriate, as are single-use residential, office, or retail uses. Single-use residential development may have densities greater than 22 dwelling units per acre. Building should not exceed 40 feet in height and should step down to adjacent single family parcels. Primary or secondary parking and vehicle access should be from alleys, if possible."
 - The proposed use and density is consistent with the *Elizabeth Area Plan*. While the maximum height of 52 feet is greater than what is recommended by the plan, the height is only 40 feet where abutting single family residential homes or zoning.

PLANNING STAFF REVIEW

- **Proposed Request Details**

The site plan accompanying this petition contains the following provisions:

- Up to 95 multi-family units in one building with ground level parking, and a project density of 63 units per acre.
 - Up to 2,100 square feet of residential amenities (such as a fitness center) and a 750-square foot leasing office.
 - Building height ranging from 40 feet where adjacent to residential homes or zoning, up to a maximum 52 feet (three to four stories maximum).
 - Installation of an eight-foot planted landscape buffer in front of a seven-foot opaque wall to screen the rear of buildings and parking areas from abutting or adjacent residential properties. A six-foot high opaque gated screen wall will be provided between the proposed building and the abutting existing single family home at the corner of East 7th Street and Clement Avenue.
 - Vehicular access to the site via East 7th Street.
 - An eight-foot sidewalk and eight-foot planting strip along the frontage on East 7th Street.
 - A 25-foot setback along East 7th Street from future back of curb.
 - Optional requests include:
 - On-street parking on East 7th Street adjacent to the site may be installed if approved by all applicable governmental agencies.
 - Building entrances and entry features including but not limited to: decorative paving, steps, stoops, courtyards, and courtyard walls may encroach into the setback.
 - The width of the sidewalk to be installed along the site's frontage on East 7th Street may vary from a minimum of eight feet to 13 feet.
 - Outdoor tables, chairs, and dining may be located on the 13-foot wide portion of the sidewalk to be installed along the site's frontage on East 7th Street.
 - In the event that on-street parking is installed on East 7th Street adjacent to the Site, the width of the eight-foot planting strip may be reduced to accommodate the on-street parking spaces.
- **Existing Zoning and Land Use**
 - The site is surrounded by single family and multi-family residences, office, retail, restaurant and entertainment uses, and recreational activities on properties in various zoning districts.
 - **Rezoning History in Area**
 - There have been no rezonings in the immediate area in recent years.

- **Public Plans and Policies**

- The *Elizabeth Area Plan* (2011) recommends a mix of residential/office/retail on this site. The plan states: "These parcels should be a mix of small scale neighborhood-serving retail, office, and/or residential. Small-scale neighborhood-serving retail or office uses on the ground floor with office and/or residential above is appropriate, as are single-use residential, office, or retail uses. Single-use residential development may have densities greater than 22 dwelling units per acre. Building should not exceed 40 feet in height and should step down to adjacent single family parcels. Primary or secondary parking and vehicle access should be from alleys, if possible.
 - The proposed use and density is consistent with the *Elizabeth Area Plan*. While the maximum height of 52 feet is greater than what is recommended by the plan, the height is only 40 feet where abutting single family residential homes or zoning.
-

DEPARTMENT COMMENTS (see full department reports online)

- **Charlotte Area Transit System:** CATS notes that the proposed site plan appears to provide an accessible, widened sidewalk in the vicinity of the existing bus stop. During the urban review process, CATS will more closely review the accessibility of the site design and determine if there is room to add a bench.
 - **Charlotte Department of Neighborhood & Business Services:** No issues.
 - **Transportation:** No issues.
 - **Vehicle Trip Generation:**
Current Zoning: 2,300 trips per day.
Proposed Zoning: 650 trips per day.
 - **Connectivity:** No issues.
 - **Charlotte Fire Department:** No issues.
 - **Charlotte-Mecklenburg Schools:** The development allowed under the existing zoning would generate 25 students, while the development allowed under the proposed zoning will produce 71 students. Therefore, the net change in the number of students generated from existing zoning to proposed zoning is 46 students.
 - **Charlotte-Mecklenburg Storm Water Services:** No issues.
 - **Charlotte-Mecklenburg Utilities:** No issues.
 - **Engineering and Property Management:** No issues.
 - **Mecklenburg County Land Use and Environmental Services Agency:** No issues.
 - **Mecklenburg County Parks and Recreation Department:** No issues.
 - **Urban Forestry:** Urban Forestry notes that there are no existing street trees. If on-street parking is required, the planting strip behind the sidewalk must be a minimum of 8 feet to accommodate tree planting. The root system of the Willow Oak must be protected during all phases of construction.
-

ENVIRONMENTALLY SENSITIVE SITE DESIGN (see full department reports online)

- **Site Design:** The following explains how the petition addresses the environmentally sensitive site design guidance in the *General Development Policies-Environment*.
 - Minimizes impacts to the natural environment by building on an infill lot.

OUTSTANDING ISSUES

- The petitioner should:
 1. Remove courtyard walls from Optional Provision B. Specify how far decorative paving, steps and stoops are proposed to encroach into the setback, as well as the maximum amount of the setback area impacted by the encroachments. In addition, steps are only permitted perpendicular to the setback.
 2. Clarify the intent of Optional Provision D that proposes outdoor tables, chairs, and dining to be located on the portion of the sidewalk along a site intended for a multi-family residential development. In addition, confirm that these features will not obstruct the sidewalk and that an

- eight-foot clear sidewalk zone will remain in all cases.
3. Remove Architectural Standards Note D as the zoning standards allow balconies to project up to two feet with a minimum clearance of 10 feet from grade.
 4. Remove references to adopted area plans on Sheet RZ-1.0 of the site plan.
 5. Confirm type of residential product proposed and note under Development Information on Sheet RZ-2.0, as this line item currently proposes apartments, condominiums, townhomes.
 6. A portion of the proposed planted buffer and wall appear to be located outside of the rezoning area and in the alley. Place any proposed buffer and screening materials on the rezoning site or abandon the alleyway.
 7. Address Urban Forestry's comments.
 8. Under Lighting Note B, specify maximum height of freestanding lighting.
 9. Remove Note C from the "General Provisions" as the issue is addressed under Note D.

DEVELOPMENT STANDARDS

GENERAL PROVISIONS

- A. These Development Standards form a part of the Rezoning Plan, which shall be adopted by the Planning Board by the Street Progression Partners, LLC for an approximately 1.5-acre site located on the north side of East 7th Street between Chestnut Avenue and Pagan Avenue, with the site more particularly depicted on the Rezoning Plan (hereinafter referred to as the "Site").
- B. The development of the Site shall be subject to the Rezoning Plan, the Development Standards and the terms of the Rezoning Plan, the Ordinance and the City Charter. The Rezoning Plan, the Development Standards and the terms of the Rezoning Plan shall be subject to the Ordinance and the City Charter. The Rezoning Plan, the Development Standards and the terms of the Rezoning Plan shall be subject to the Ordinance and the City Charter.
- C. As depicted on the Rezoning Plan, the setback from East 7th Street for zoning purposes is 27 feet from the rear property line. The setback from East 7th Street for zoning purposes is 27 feet from the rear property line. The setback from East 7th Street for zoning purposes is 27 feet from the rear property line. The setback from East 7th Street for zoning purposes is 27 feet from the rear property line.
- D. Future amendments to the Rezoning Plan and/or these Development Standards may be applied for and approved by the Planning Board and the City Council. The Rezoning Plan, the Ordinance and the City Charter shall be amended to reflect any such amendments.

OPTIONAL PROVISIONS

- A. The following optional provisions shall apply to the development of the Site:
 - 1. Building entrances and entry features including, but not limited to, decorative parking, steps, stoops, and other architectural features, shall be designed to be visually appealing and shall be constructed of materials consistent with the architectural style of the surrounding area.
 - 2. The width of the sidewalk to be installed along the Site's frontage on East 7th Street may vary from a minimum of 8 feet to 13 feet as depicted on the Rezoning Plan.
 - 3. An outdoor amenity area including landscaping, hardscape, seating elements, an outdoor water feature, and other amenities shall be located on the 13 foot wide portion of the sidewalk to be installed along the Site's frontage on East 7th Street. The width of the sidewalk to be installed along the Site's frontage on East 7th Street shall be at least 8 feet wide clear sidewalk zone shall be maintained.
 - 4. In the event that on-street parking is installed on East 7th Street adjacent to the Site, the width of the 8 foot parking strip may be reduced to accommodate the on-street parking spaces.
 - 5. A free standing seat wall may be constructed on the 13 foot wide portion of the sidewalk located along the Site's frontage on East 7th Street with the Zoning setback. A detail of the proposed seat walls set out on the Rezoning Plan.

PERMITTED USES

The Site may only be devoted to a residential community, including a maximum of 91 multifamily dwelling units, and shall be subject to the terms of the Rezoning Plan, the Ordinance and the City Charter. The Site shall be subject to the terms of the Rezoning Plan, the Ordinance and the City Charter. The Site shall be subject to the terms of the Rezoning Plan, the Ordinance and the City Charter.

TRANSPORTATION

- A. Vehicular access shall be provided to the residential community, including a maximum of 91 multifamily dwelling units, and shall be subject to the terms of the Rezoning Plan, the Ordinance and the City Charter. The Site shall be subject to the terms of the Rezoning Plan, the Ordinance and the City Charter.
- B. A minimum of 4 parking spaces per bedroom shall be provided on the Site.

ARCHITECTURAL STANDARDS

- A. The maximum height in stories of the building to be constructed on the Site shall range from 3 stories to 4 stories. The maximum height in stories of the building to be constructed on the Site shall range from 3 stories to 4 stories. The maximum height in stories of the building to be constructed on the Site shall range from 3 stories to 4 stories.
- B. The maximum height of the 4 story components of the building to be constructed on the Site as measured from the average finished grade of the Site adjacent to the relevant portion of the building shall not exceed 45 feet.
- C. The building to be constructed on the Site shall meet the applicable urban design standards of Section 6.6.0.0.0 of the Ordinance.
- D. Set out on Sheet RZ-2.2 are schematic architectural renderings of the front, side and rear elevations of the building to be constructed on the Site that are intended to depict the general conceptual architectural design of the building. The building to be constructed on the Site shall be designed and constructed so that each elevation is substantially similar in appearance to the corresponding schematic architectural rendering. The building to be constructed on the Site shall be designed and constructed so that each elevation is substantially similar in appearance to the corresponding schematic architectural rendering. The building to be constructed on the Site shall be designed and constructed so that each elevation is substantially similar in appearance to the corresponding schematic architectural rendering.
- E. Notwithstanding the schematic architectural renderings of the building to be constructed on the Site, the building to be constructed on the Site shall be designed and constructed so that each elevation is substantially similar in appearance to the corresponding schematic architectural rendering. The building to be constructed on the Site shall be designed and constructed so that each elevation is substantially similar in appearance to the corresponding schematic architectural rendering. The building to be constructed on the Site shall be designed and constructed so that each elevation is substantially similar in appearance to the corresponding schematic architectural rendering.
- F. The number of exterior building materials for the building to be constructed on the Site are designated and prohibited on the schematic architectural renderings of the building set out on Sheet RZ-2.2. The building to be constructed on the Site shall be designed and constructed so that each elevation is substantially similar in appearance to the corresponding schematic architectural rendering. The building to be constructed on the Site shall be designed and constructed so that each elevation is substantially similar in appearance to the corresponding schematic architectural rendering. The building to be constructed on the Site shall be designed and constructed so that each elevation is substantially similar in appearance to the corresponding schematic architectural rendering.
- G. The building to be constructed on the Site shall be designed and constructed so that each elevation is substantially similar in appearance to the corresponding schematic architectural rendering. The building to be constructed on the Site shall be designed and constructed so that each elevation is substantially similar in appearance to the corresponding schematic architectural rendering. The building to be constructed on the Site shall be designed and constructed so that each elevation is substantially similar in appearance to the corresponding schematic architectural rendering.

- H. The building to be constructed on the Site shall be designed and constructed so that each elevation is substantially similar in appearance to the corresponding schematic architectural rendering. The building to be constructed on the Site shall be designed and constructed so that each elevation is substantially similar in appearance to the corresponding schematic architectural rendering. The building to be constructed on the Site shall be designed and constructed so that each elevation is substantially similar in appearance to the corresponding schematic architectural rendering.
- I. The building to be constructed on the Site shall be designed and constructed so that each elevation is substantially similar in appearance to the corresponding schematic architectural rendering. The building to be constructed on the Site shall be designed and constructed so that each elevation is substantially similar in appearance to the corresponding schematic architectural rendering. The building to be constructed on the Site shall be designed and constructed so that each elevation is substantially similar in appearance to the corresponding schematic architectural rendering.
- J. The building to be constructed on the Site shall be designed and constructed so that each elevation is substantially similar in appearance to the corresponding schematic architectural rendering. The building to be constructed on the Site shall be designed and constructed so that each elevation is substantially similar in appearance to the corresponding schematic architectural rendering. The building to be constructed on the Site shall be designed and constructed so that each elevation is substantially similar in appearance to the corresponding schematic architectural rendering.
- K. The building to be constructed on the Site shall be designed and constructed so that each elevation is substantially similar in appearance to the corresponding schematic architectural rendering. The building to be constructed on the Site shall be designed and constructed so that each elevation is substantially similar in appearance to the corresponding schematic architectural rendering. The building to be constructed on the Site shall be designed and constructed so that each elevation is substantially similar in appearance to the corresponding schematic architectural rendering.
- L. The building to be constructed on the Site shall be designed and constructed so that each elevation is substantially similar in appearance to the corresponding schematic architectural rendering. The building to be constructed on the Site shall be designed and constructed so that each elevation is substantially similar in appearance to the corresponding schematic architectural rendering. The building to be constructed on the Site shall be designed and constructed so that each elevation is substantially similar in appearance to the corresponding schematic architectural rendering.
- M. The building to be constructed on the Site shall be designed and constructed so that each elevation is substantially similar in appearance to the corresponding schematic architectural rendering. The building to be constructed on the Site shall be designed and constructed so that each elevation is substantially similar in appearance to the corresponding schematic architectural rendering. The building to be constructed on the Site shall be designed and constructed so that each elevation is substantially similar in appearance to the corresponding schematic architectural rendering.
- N. All roof mounted mechanical equipment shall be screened from view from adjoining public right-of-way and abutting properties as viewed from grade, and from the second floor of the existing single family homes that abut the Site.

- O. Each ground floor dwelling unit facing East 7th Street shall have a stoop or porch located at the front of the building. Each such stoop or porch shall have a minimum area of 75 square feet.

SETBACK AND VARIOUS STREETSCAPE AND LANDSCAPING SCREENING

- A. Subject to the Ordinance and the terms of the Rezoning Plan, the building to be constructed on the Site shall comply with the 21 foot Zoning setback and the side yard and rear yard requirements of the MUDO zoning district.
- B. Subject to the Ordinance and the terms of the Rezoning Plan, the building to be constructed on the Site shall comply with the 21 foot Zoning setback and the side yard and rear yard requirements of the MUDO zoning district.
- C. The building to be constructed on the Site shall comply with the 21 foot Zoning setback and the side yard and rear yard requirements of the MUDO zoning district.
- D. The building to be constructed on the Site shall comply with the 21 foot Zoning setback and the side yard and rear yard requirements of the MUDO zoning district.

- E. The building to be constructed on the Site shall comply with the 21 foot Zoning setback and the side yard and rear yard requirements of the MUDO zoning district.
- F. The building to be constructed on the Site shall comply with the 21 foot Zoning setback and the side yard and rear yard requirements of the MUDO zoning district.

- G. The building to be constructed on the Site shall comply with the 21 foot Zoning setback and the side yard and rear yard requirements of the MUDO zoning district.
- H. The building to be constructed on the Site shall comply with the 21 foot Zoning setback and the side yard and rear yard requirements of the MUDO zoning district.

- I. The building to be constructed on the Site shall comply with the 21 foot Zoning setback and the side yard and rear yard requirements of the MUDO zoning district.
- J. The building to be constructed on the Site shall comply with the 21 foot Zoning setback and the side yard and rear yard requirements of the MUDO zoning district.

- K. The building to be constructed on the Site shall comply with the 21 foot Zoning setback and the side yard and rear yard requirements of the MUDO zoning district.
- L. The building to be constructed on the Site shall comply with the 21 foot Zoning setback and the side yard and rear yard requirements of the MUDO zoning district.

- M. The building to be constructed on the Site shall comply with the 21 foot Zoning setback and the side yard and rear yard requirements of the MUDO zoning district.
- N. The building to be constructed on the Site shall comply with the 21 foot Zoning setback and the side yard and rear yard requirements of the MUDO zoning district.

- O. The building to be constructed on the Site shall comply with the 21 foot Zoning setback and the side yard and rear yard requirements of the MUDO zoning district.
- P. The building to be constructed on the Site shall comply with the 21 foot Zoning setback and the side yard and rear yard requirements of the MUDO zoning district.

- Q. The building to be constructed on the Site shall comply with the 21 foot Zoning setback and the side yard and rear yard requirements of the MUDO zoning district.
- R. The building to be constructed on the Site shall comply with the 21 foot Zoning setback and the side yard and rear yard requirements of the MUDO zoning district.

- S. The building to be constructed on the Site shall comply with the 21 foot Zoning setback and the side yard and rear yard requirements of the MUDO zoning district.
- T. The building to be constructed on the Site shall comply with the 21 foot Zoning setback and the side yard and rear yard requirements of the MUDO zoning district.

- U. The building to be constructed on the Site shall comply with the 21 foot Zoning setback and the side yard and rear yard requirements of the MUDO zoning district.
- V. The building to be constructed on the Site shall comply with the 21 foot Zoning setback and the side yard and rear yard requirements of the MUDO zoning district.

- W. The building to be constructed on the Site shall comply with the 21 foot Zoning setback and the side yard and rear yard requirements of the MUDO zoning district.
- X. The building to be constructed on the Site shall comply with the 21 foot Zoning setback and the side yard and rear yard requirements of the MUDO zoning district.

- Y. The building to be constructed on the Site shall comply with the 21 foot Zoning setback and the side yard and rear yard requirements of the MUDO zoning district.
- Z. The building to be constructed on the Site shall comply with the 21 foot Zoning setback and the side yard and rear yard requirements of the MUDO zoning district.

- AA. The building to be constructed on the Site shall comply with the 21 foot Zoning setback and the side yard and rear yard requirements of the MUDO zoning district.
- AB. The building to be constructed on the Site shall comply with the 21 foot Zoning setback and the side yard and rear yard requirements of the MUDO zoning district.

- AC. The building to be constructed on the Site shall comply with the 21 foot Zoning setback and the side yard and rear yard requirements of the MUDO zoning district.
- AD. The building to be constructed on the Site shall comply with the 21 foot Zoning setback and the side yard and rear yard requirements of the MUDO zoning district.

- AE. The building to be constructed on the Site shall comply with the 21 foot Zoning setback and the side yard and rear yard requirements of the MUDO zoning district.
- AF. The building to be constructed on the Site shall comply with the 21 foot Zoning setback and the side yard and rear yard requirements of the MUDO zoning district.

- AG. The building to be constructed on the Site shall comply with the 21 foot Zoning setback and the side yard and rear yard requirements of the MUDO zoning district.
- AH. The building to be constructed on the Site shall comply with the 21 foot Zoning setback and the side yard and rear yard requirements of the MUDO zoning district.

- AI. The building to be constructed on the Site shall comply with the 21 foot Zoning setback and the side yard and rear yard requirements of the MUDO zoning district.
- AJ. The building to be constructed on the Site shall comply with the 21 foot Zoning setback and the side yard and rear yard requirements of the MUDO zoning district.

- AK. The building to be constructed on the Site shall comply with the 21 foot Zoning setback and the side yard and rear yard requirements of the MUDO zoning district.
- AL. The building to be constructed on the Site shall comply with the 21 foot Zoning setback and the side yard and rear yard requirements of the MUDO zoning district.

- AM. The building to be constructed on the Site shall comply with the 21 foot Zoning setback and the side yard and rear yard requirements of the MUDO zoning district.
- AN. The building to be constructed on the Site shall comply with the 21 foot Zoning setback and the side yard and rear yard requirements of the MUDO zoning district.

- AO. The building to be constructed on the Site shall comply with the 21 foot Zoning setback and the side yard and rear yard requirements of the MUDO zoning district.
- AP. The building to be constructed on the Site shall comply with the 21 foot Zoning setback and the side yard and rear yard requirements of the MUDO zoning district.

BINDING EFFECT OF THE REZONING DOCUMENTS AND DEFINITIONS

- A. If the Rezoning Ordinance is approved, all conditions applicable to the use and development of the Site imposed under these Development Standards and the Rezoning Plan shall be deemed to be binding on the owner and any successors in interest of the Site and their respective successors in interest and assigns.
- B. Throughout these Development Standards, the term "Petitioner" shall be deemed to include the heirs, devisees, personal representatives, successors in interest and assigns of Petitioner or the owner or owners of the Site from time to time who may be involved in any future development project.
- C. Any references to the Ordinance herein shall be deemed to refer to the requirements of the Ordinance in effect at the date of the Rezoning Ordinance's approval.

ADVANCING THE VISION

2015-2016 STATE LEGISLATIVE AGENDA METROPOLITAN TRANSIT COMMISSION

Federal Credit Assistance:

- Authorize the member jurisdictions of the Metropolitan Transit Commission to enter into Federal credit assistance programs offered through the US Department of Transportation

Public-Private Partnerships:

- Authorize the member jurisdictions of the Metropolitan Transit Commission to enter into Design-Build-Finance-Operate-Maintain contracts with the private sector to implement transportation projects

Value Capture:

- Repeal the sunset date of the Special Assessments for Critical Infrastructure Needs Act

2015-2016 State Legislative Agenda

Issue:	Federal Credit Assistance
Position:	Authorize the member jurisdictions of the Metropolitan Transit Commission to access and utilize Federal credit assistance programs offered through the US Department of Transportation
Responsible Staff Person(s):	Carolyn Flowers, 704.336.3855 Dee Pereira, 704.336.2166

Background and History: The US Department of Transportation administers two credit assistance programs that provide direct loans, loan guarantees, and standby lines of credit to State and local governments, government sponsored authorities and corporations, and private corporations for transportation projects including highways, transit, intercity passenger rail, freight rail, intermodal freight transfer facilities, and other rail facilities. The loan terms and interest rates are very competitive with private sources of financing and are projected to save money on financing costs, which the Metropolitan Transit Commission could then reallocate to other 2030 Transit Corridor System Plan projects. The Transportation Infrastructure Finance and Innovation Act program provides financing for highway, transit and intercity passenger rail projects of regional and national significance. The program's goal is to leverage Federal funds by attracting investment in critical improvements to the nation's surface transportation systems. The program's advantages include interest rates that are equivalent to US Treasury rates, repayment beginning after substantial project completion, and loan terms of up to 35 years. The Railroad Rehabilitation & Improvement Financing program focuses upon the development of railroad infrastructure that provides public benefits including public safety, environmental and economic development. The program provides direct loans for up to 100% of the project cost at interest rates equal to US Treasury rates with repayment periods of up to 35 years.

Current Need/Problem (including potential allies or detractors): According to the US Department of Transportation, the federal government could require an applicant for the credit assistance programs to pledge dedicated sources of revenue to secure project obligations. Since the State of North Carolina does not appear to authorize local governments to pledge dedicated sources of revenue to secure public transportation project obligations, enabling authority to enter into such an obligation for public transportation projects using sources of revenue dedicated to public transportation would be required.

Impact if Addressed/Adopted: If the North Carolina General Assembly authorizes local governments to obligate public transportation sources of revenue, then the member jurisdictions of the Metropolitan Transit Commission would be able to secure lower cost long term financing than is available today for such projects. The savings from these types of financing arrangements could then be reallocated to other projects in the regional transit vision, the 2030 Transit Corridor System Plan. Any agreements to enter into federal credit assistance would require pre-approval by the Local Government Commission.

2015-2016 State Legislative Agenda

Issue:	Public-Private Partnerships
Position:	Authorize the member jurisdictions of the Metropolitan Transit Commission to enter into Design-Build-Finance-Operate-Maintain (DBFOM) contracts with the private sector to implement transportation projects
Responsible Staff Person(s):	Carolyn Flowers, 704.336.3855 Dee Pereira, 704.336.2166

Background and History: A Public-Private Partnership is a comprehensive agreement formed between private and public sector partners that allows for more private sector participation than is typically seen in conventional or traditional project delivery methods. A Public-Private Partnership approach utilized by State and local governments to bring transportation projects online more efficiently and effectively than is available under traditional project delivery methods is Design-Build-Finance-Operate-Maintain. Under this approach, the responsibilities for designing, building, financing, and operating projects are bundled together and transferred to private sector partners. The public entity may participate by providing some of the financing for the project, such as dedicated streams of revenue, grants, or in-kind contributions such as dedication of rights-of-way. The primary advantage of Design-Build-Finance-Operate-Maintain is that it allows the private sector to pledge its equity to a transportation project, thus lessening the need for the public sector partner to secure financing for such projects.

Current Need/Problem (including potential allies or detractors): North Carolina local governments, including the members of the Metropolitan Transit Commission, already possess the authority to enter into Design-Build, Design-Build-Maintain, Design-Build-Operate, and Design-Build-Operate-Maintain contractual arrangements but do not possess the authority to enter into the “Finance” component of Design-Build-Finance-Operate-Maintain. The authority to enter into Design-Build-Finance-Operate-Maintain would better position the member jurisdictions of the Metropolitan Transit Commission to invite the participation of the private sector, along with its private equity and technical expertise, to participate in designing, building, financing and operating projects that are in the 2030 Transit Corridor System Plan. The risks of project construction and operations could then be wholly or partially transferred to the private partner, which provides incentives for the private sector partner to deliver in the most cost effective manner while serving the needs of the public.

Impact if Addressed/Adopted: If the North Carolina General Assembly authorizes the member jurisdictions of the Metropolitan Transit Commission to enter into Design-Build-Finance-Operate-Maintain contractual arrangements with the private sector, then the private sector will be in a better position to propose unique solutions to and assume some or all of the risks of implementing the projects in the 2030 Transit Corridor System Plan. Any Design-Build-Finance-Operate-Maintain agreement entered into with the private sector would require pre-approval by the Local Government Commission.

2015-2016 State Legislative Agenda

Issue:	Value Capture
Position:	Repeal the sunset date of the Special Assessments for Critical Infrastructure Needs Act
Responsible Staff Person(s):	Carolyn Flowers, 704.336.3855 Dee Pereira, 704.336.2166

Background and History: The Special Assessments for Critical Infrastructure Needs Act is a Value Capture mechanism that was enacted in 2008 to enable cities and counties facing increased demands for infrastructure improvements from rapid growth and development to issue revenue bonds payable from special assessments on benefited property as a source of financing to address infrastructure demands. The Act allows the creation of special assessment districts to partially or wholly fund for a variety of improvements including airports, parking facilities, public transportation, streets and sidewalks. The districts established under this Act are distinguished from traditional assessment districts by the requirement for of at least a majority of the property owners (who represent at least 66% of the assessed value of all real property to be assessed) to sign a petition calling for creation of the district, impose the special assessments before the infrastructure is completed, allow local governments to borrow the money upfront to construct the infrastructure improvements, pledge the special assessment as security for any revenue bonds, and to contract with a private entity to implement the project.

Current Need/Problem (including potential allies or detractors): The Special Assessments for Critical Infrastructure Needs Act expires on July 1, 2015. The Act has been identified by the by the Metropolitan Transit Commission as a source of revenue to fully implement the transit vision in Mecklenburg County, the 2030 Transit Corridor System Plan. In order to keep this source of revenue available for project programming purposes and eventual implementation, the Metropolitan Transit Commission is requesting that the sunset date be repealed.

Impact if Addressed/Adopted: If the North Carolina General Assembly repeals the sunset date of the Special Assessments for Critical Infrastructure Needs Act, then this Value Capture funding mechanism will be available as a source of revenue for the implementation of the 2030 Transit Corridor System Plan. Any debt issued using revenues from the Special Assessments for Critical Infrastructure Needs Act would require pre-approval by the Local Government Commission.

**SUPPORT FOR METROPOLITAN TRANSIT COMMISSION
2015-2016 STATE LEGISLATIVE AGENDA**

A motion was made by _____ and seconded by _____ for the adoption of the following resolution and upon being put to a vote was duly adopted.

WHEREAS the Metropolitan Transit Commission was formed by Mecklenburg County and its municipalities to review and recommend long-range public transportation plans and guide the planning, financing and implementation of an accountable regional transit system, and

WHEREAS the City of Charlotte is a member of the Metropolitan Transit Commission, and

WHEREAS the Metropolitan Transit Commission adopted the regional 2030 Transit Corridor System Plan in 2002, amended in 2006, to develop primary transportation corridors that link our area's key centers of economic activity, with the intent the Plan would be financed by Federal, State and local resources, and

WHEREAS the projected Federal, State and local resources will not materialize to implement the 2030 Transit Corridor System Plan due to changes in the political and economic climate, and

WHEREAS the Metropolitan Transit Commission appointed the Transit Finance Working Group to recommend strategies to close the funding gap for implementing the 2030 Transit Corridor System Plan, including strategies that bring private sector equity to the table, and

WHEREAS the Transit Finance Working Group has recommended a proposed 2015-2016 State Legislative Agenda to the Metropolitan Transit Commission that seeks authority to enter into credit assistance arrangements with the Federal government and design-build-finance-operate-maintain contracts with the private sector for transportation projects, and requests repeal of the sunset date of the Special Assessments for Critical Infrastructure Needs Act, and

WHEREAS the Metropolitan Transit Commission will consider the proposed 2015-2016 State Legislative Agenda recommended by the Transit Finance Working Group.

NOW, THEREFORE, be it resolved by the City Council that the City of Charlotte hereby supports the 2015-2016 State Legislative Agenda proposed by the Transit Finance Working Group to the Metropolitan Transit Commission.

CHARLOTTE-MECKLENBURG COALITION FOR HOUSING

(16 Members)

Last Revised Date:

Membership - The Community based board to implement the ten year plan to end and prevent homelessness was approved by City Council at their May 24, 2010 meeting.

Initial terms shall be staggered and subsequent terms will be for three years. Members will serve no more than two consecutive full terms with initial terms counting as a full term.

Mayor shall appoint the first Chair who shall serve as Chair for three years. Appointment of Chair shall rotate between City, County and Foundation of the Carolinas.

The City Council (on July 28, 2014) and the Mecklenburg County Board of Commissioners (on August 5, 2014) approved the expansion of the Coalition and amended the responsibilities to include serving as the Governing Board for the Charlotte-Mecklenburg Continuum of Care to be in compliance with the HEARTH Act of 2009.

Mayor shall appoint representatives of non-profit, corporate/economic development and faith-based groups. City Council shall appoint representatives of the general community, affordable housing, donors, financial, real estate, legal, hospitals and a homeless or formerly homeless individual. County Commissioners shall appoint representatives of public safety, education, human services, veterans and school districts. Ex-officio members shall be the Neighborhood and Business Services Director (City), Community Support Services Director (County) and Charlotte Housing Authority CEO.

Responsibilities - Principal functions of the Board are to ensure implementation of the Ten Year Plan, which is mandated by HUD and to serve as the governing board for Charlotte-Mecklenburg Continuum of Care. Goals of the Ten Year Plan include facilitating safe and permanent housing for homeless families and individuals; encouraging intensive outreach and engagement; and promoting housing stability for those most at-risk of becoming homeless. Goals of the Continuum of Care include promoting community-wide planning and strategic use of resources to address homelessness; improve coordination and integration with mainstream resources and other programs targeted to people experiencing homelessness; improve data collection and performance measurement; and optimize self-sufficiency among individuals and families experiencing homelessness.

1 Appointed By Mayor (M)
 3 Appointed By City Council (C)
 3 Appointed By County Commission (Y)

CMUD ADVISORY COMMITTEE

(7 Members)

Last Revised Date:

Membership - Except for the member appointed by City Council from the small towns, the other members must be chosen from the following categories with no more than two persons in each category by City and County appointment: real estate developer, water and/or sewer contractor, civil engineer specializing in water and sewer construction, financial expert, and neighborhood leader. No person is to serve more than two full consecutive terms, and the original staggered terms will count as full terms. For future appointments, which will be three years, coordination between the City and County must insure that there will never be more than two persons from each category.

Responsibilities - Review and make recommendations to City Council concerning the following: all capital improvement programs for water and sewer facilities and changes to such programs; proposed changes in the method for determining water and sewer charges; proposed changes in policy for extending water and sewer services; requests for one or more specific extensions of the water and sewer system which have not been approved within a reasonable time by the Director of the Charlotte-Mecklenburg Utility Department (CMUD); proposed changes in the standard specifications for the installation of water and sewer facilities which have not been approved by the Director of CMUD; any matter related to water and sewer service as may be requested by the CMUD Director, the City Council or the County Commission. The Committee will sit with City Council and/or County Commission in public hearings on any matter required by this joint agreement. An annual report will be presented to City Council and County Commission on the operations of CMUD and on the activities of the Committee. No change will be adopted in the policies for extending water and sewer service nor in the method for determining water and sewer charges until a joint public hearing of the City Council, County Commission and the Committee on such change has been allowed at least thirty (30) days to develop and present its recommendations.

Why are you interested in serving on these boards/ committees? (Max 400 characters)	For approximately ten years, I have been involved serving the community in some capacity through the jobs I've had. Currently, my career/position does not allow me to be directly involved with the community, so I would love to become active and serve on my own time. I believe serving community through the boards I listed above would be rewarding, and I could make a significant impact.
Please describe any background or abilities that qualify you to serve on these boards/ committees. (Max 400 characters)	My previous two positions have allowed me to build tremendous relationships with individuals from various areas of the community such as business leaders, corporate executives, neighborhood leaders/organizers, politicians, education and health professionals, non-profit executives, etc. Essentially, my role was to bridge gaps and build social capital among the various groups.

Why are you interested in serving on these boards/ committees? (Max 400 characters)	I am interested in public policy and how our system works for its citizens, as well as any deficiencies. I have a voice and the ability to be unbiased in my position and I feel this is an important characteristic to have when you are representing the interest of others. It sounds cliché, but I endeavor to be the change I want to see in the world.
Please describe any background or abilities that qualify you to serve on these boards/ committees. (Max 400 characters)	I initially volunteered & was hired by the BOE in 2010. I managed the Historic Wadsworth Estate from 2010-2014. I'm enrolled at CPCC obtaining my degree in Hospitality Mgmt. I serve as SGA Senator, Secretary of ISA, member of Go Global Club and Phi Theta Kappa International Honor Society. I also volunteer with the Ronald McDonald House, American Heart Association and The Salvation Army.

3 Appointed By Mayor (M)
8 Appointed By City Council (C)

PRIVATIZATION/COMPETITION ADVISORY COMMITTEE

(11 Members)

Last Revised Date:

Membership - Initial terms will be staggered; all future terms will be for two years. Each member will be limited to two consecutive terms. The Mayor will select the Chairman. The Mayor and Council will appoint citizens knowledgeable in the fields of management, accounting, human resources, marketing and customer service. Representative skills may include some or all of the following: work management and specifications, cost accounting, customer relations, performance measurement and analysis, employee relations, quality assurance, asset divestment, and procurement and bidding process.

Responsibilities - To monitor the progress of the City in implementing services contracting and asset management, recommend services and assets to be considered for competition and privatization, and to advise on ways to improve current contracted services with service delivery problems; to assist and advise the City on issues in implementing the goals and processes adopted by Council for services contracting and asset management. This may include review of requests for proposal, cost comparison methodologies, bid processes, etc.; to serve as an advisor to both the City Council and the City Manager on matters regarding privatization and competition in general; to review the existing legal system for contracting and may develop and recommend local legislation to modify such systems; to be a resource regarding concerns about fairness of any bidding processes. As a result, the committee may be asked to review bid proceedings and hear grievances from parties involved.

Why are you interested in serving on these boards/ committees? (Max 400 characters)	For approximately ten years, I have been involved serving the community in some capacity through the jobs I've had. Currently, my career/position does not allow me to be directly involved with the community, so I would love to become active and serve on my own time. I believe serving community through the boards I listed above would be rewarding, and I could make a significant impact.
Please describe any background or abilities that qualify you to serve on these boards/ committees. (Max 400 characters)	My previous two positions have allowed me to build tremendous relationships with individuals from various areas of the community such as business leaders, corporate executives, neighborhood leaders/organizers, politicians, education and health professionals, non-profit executives, etc. Essentially, my role was to bridge gaps and build social capital among the various groups.

Why are you interested in serving on these boards/ committees? (Max 400 characters)	I am interested in the boards I selected because of my interest in helping Charlotte remain competitive and attractive to organizations looking to relocate here. I also believe the boards have a strong impact on the safety and lives of the citizens. I would welcome the opportunity to serve Charlotte and have an impact on how we grow.
Please describe any background or abilities that qualify you to serve on these boards/ committees. (Max 400 characters)	I have a background in building value propositions for organizations that help them stay competitive in the talent acquisition industry. I feel this background and living in the downtown area provide a perspective that the boards of interest can utilize.

**RESOLUTION PASSED BY THE CITY COUNCIL OF THE CITY OF
CHARLOTTE, NORTH CAROLINA ON November 10, 2014**

A motion was made by _____ and seconded by _____ for the adoption of the following Resolution and upon being put to a vote was duly adopted:

WHEREAS, the City has entered into previous Municipal Agreements with the North Carolina Department of Transportation to maintain and replace signs and supports and install and maintain pavement markings and markers as well as maintain and operate traffic signals and computerized traffic signal systems on all State system streets within the City which have now expired; and,

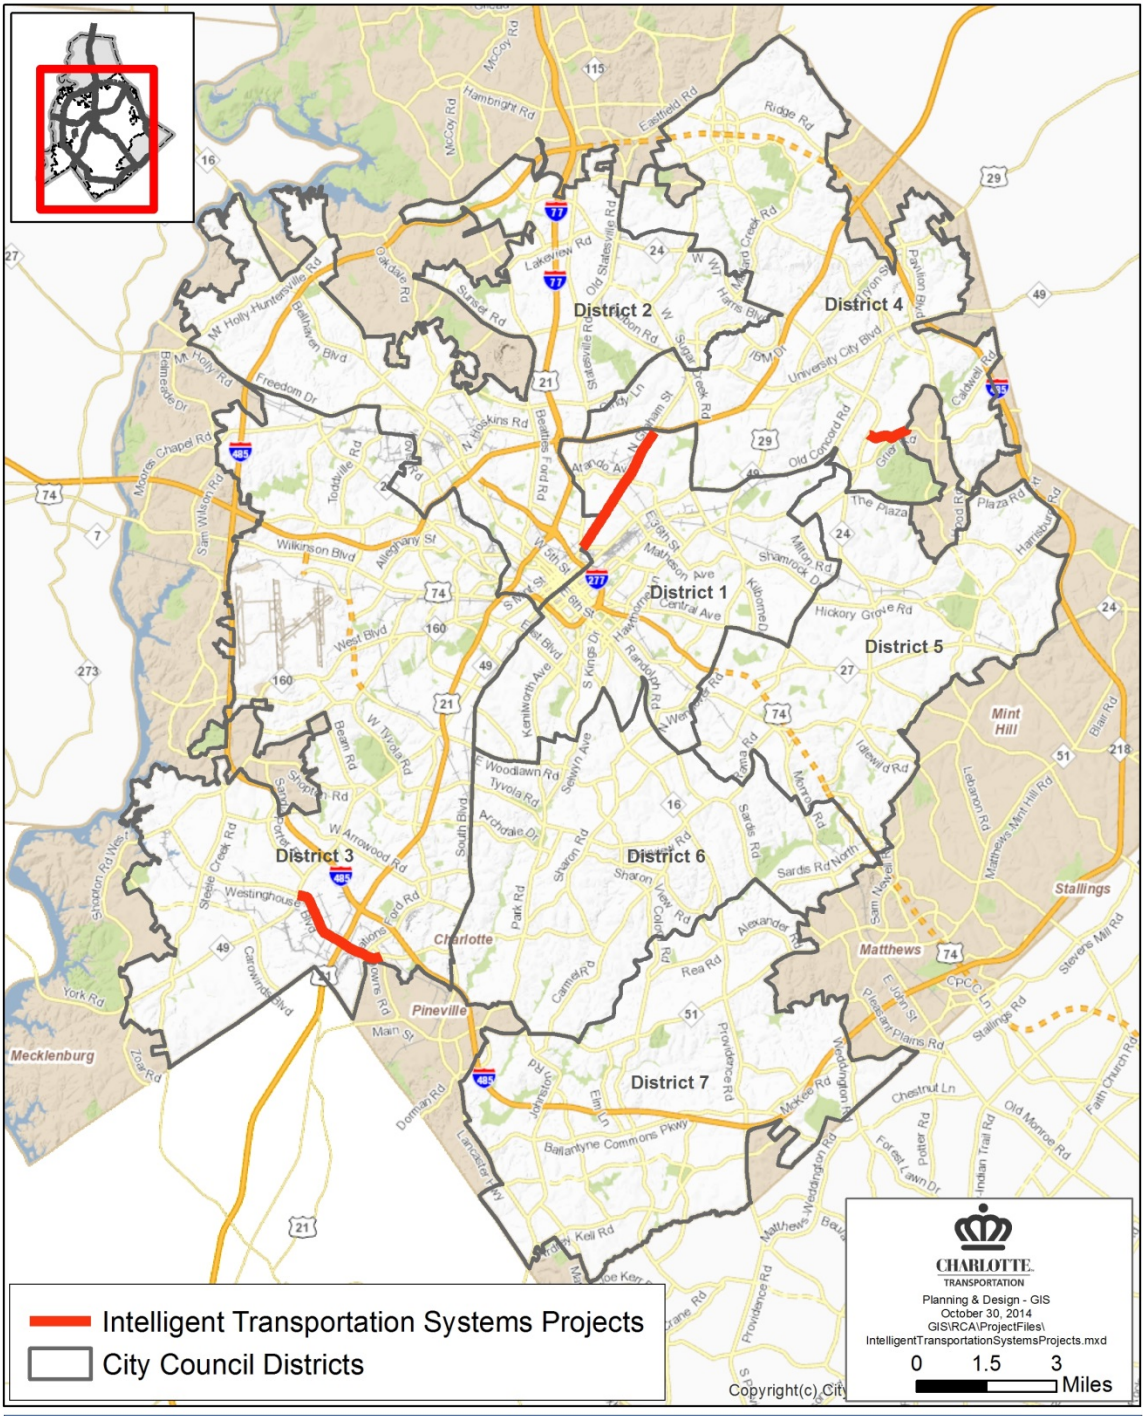

WHEREAS, the Department and the Municipality propose to enter into new Agreements for the maintenance and replacement of signs and supports, installation and maintenance of pavement markings and markers, maintenance and operation of traffic signals and computerized traffic signal systems on streets which are a part of the State Highway System within the Municipality in accordance with the Department's standards and specifications as outlined in Schedule A, B, C and D, respectively; and,

WHEREAS, the Municipality has agreed to maintain and replace signs and supports, install and maintain pavement markings and markers, maintain and operate the traffic signals and the computerized traffic signal systems on streets which are a part of the State Highway System within the Municipality, subject to reimbursement by the Department as set forth in these Agreements; and,

WHEREAS, these Agreements shall cover the maintenance and replacement of signs and supports, installation and maintenance of pavement markings and markers, maintenance and operation of the traffic signals and computerized system of the State Highway System within the Municipality for the period from July 1, 2014 through June 30, 2015, with mutually agreed upon extensions being made in one (1) year increments, up to a total duration of five (5) years.

NOW, THEREFORE, BE IT RESOLVED that this resolution authorizing the Key Business Executive of the Charlotte Department of Transportation to execute Municipal Agreements with the NCDOT for NCDOT to reimburse the City up to \$1,175,000 annually for Schedules A, B, C and D maintenance work, is hereby formally approved by the City Council of the City of Charlotte and the Director of Transportation and Clerk of this Municipality are hereby empowered to sign and execute the Agreements with the aforementioned groups.

A RESOLUTION AUTHORIZING THE REFUND OF PROPERTY TAXES

Reference is made to the schedule of "Taxpayers and Refunds Requested" attached to the Docket for consideration of the City Council. On the basis of that schedule, which is incorporated herein, the following facts are found:

1. The City-County Tax Collector has collected property taxes from the taxpayers set out on the list attached to the Docket.
2. The City-County Tax Collector has certified that those taxpayers have made proper demand in writing for refund of the amounts set out on the schedule within the required time limits.
3. The amounts listed on the schedule were collected through either a clerical or assessor error.

NOW, THEREFORE, BE RESOLVED by the City Council of the City of Charlotte, North Carolina, in regular session assembled this 10th day of November 2014 that those taxpayers listed on the schedule of "Taxpayers and Refunds Requested" be refunded in the amounts therein set up and that the schedule and this resolution be spread upon the minutes of this meeting.

CERTIFICATION

I, _____, _____ City Clerk of the City of Charlotte, North Carolina, DO HEREBY CERTIFY that the foregoing is a true and exact copy of a Resolution adopted by the City Council of the City of Charlotte, North Carolina, in regular session convened on the _____ day of _____ 2014 the reference having been made in Minute Book _____ and recorded in full in Resolution Book _____ Page(s) _____.

WITNESS my hand and the corporate seal of the City of Charlotte, North Carolina, this the day of _____, 2014.

ORDINANCE

AN ORDINANCE ORDERING THE DEMOLITION AND REMOVAL OF THE DWELLING AT 2219 CARMINE STREET PURSUANT TO THE HOUSING CODE OF THE CITY OF CHARLOTTE AND ARTICLE 19, PART 6, CHAPTER 160A OF THE GENERAL STATUTES OF NORTH CAROLINA, SAID BUILDING BEING THE PROPERTY OF ELOISE RHYNE 2219 CARMINE STREET CHARLOTTE, NC 28206

WHEREAS, the dwelling located at 2219 Carmine Street in the City of Charlotte has been found by the Code Enforcement Official of the City of Charlotte to be in violation of the Housing Code of the City of Charlotte and the owners thereof have been ordered to demolish and remove said dwelling; and

WHEREAS, said owner(s) have failed to comply in a timely fashion.

NOW, THEREFORE, BE IT ORDAINED by the City Council of the City of Charlotte, North Carolina, that the Code Enforcement Official of the City of Charlotte is hereby ordered to cause the demolition and removal of the dwelling located at 2219 Carmine Street in the City of Charlotte in accordance with the Housing Code of the City of Charlotte. This Ordinance shall become effective upon its adoption.

APPROVED AS TO FORM:

Senior Assistant City Attorney

◆ Reason for Inspection:	Field Observation
◆ Title report received, revealing party in interest:	4/8/2014
◆ Date of the Inspection:	4/9/2014
◆ Owner(s) and party in interest notified of Complaint and Notice of Hearing by advertisement and certified mail by:	4/11/2014
◆ Held hearings for owner(s) and party in interest by:	5/9/2014
◆ Owner(s) and party in interest attend hearing:	Yes (party in interest)
◆ Owner(s) and party in interest ordered to demolish structure by:	6/11/2014
◆ Filed Lis Pendens:	6/27/2014
◆ Owner(s) have not repaired, or complied with order to demolish.	
◆ Structure occupied:	Yes, occupant(s) will be relocated prior to demolition.
◆ Demolition cost:	\$10,271
◆ Lien will be placed on the property for the cost of Demolition.	

NOTIFICATION TO OWNER

Owner and parties of interest have been advised that failure to comply with the Order to Demolish the structure would result in City Council being requested to approve demolition by the City and a lien being placed on the property for the cost of demolition.

OPTIONS

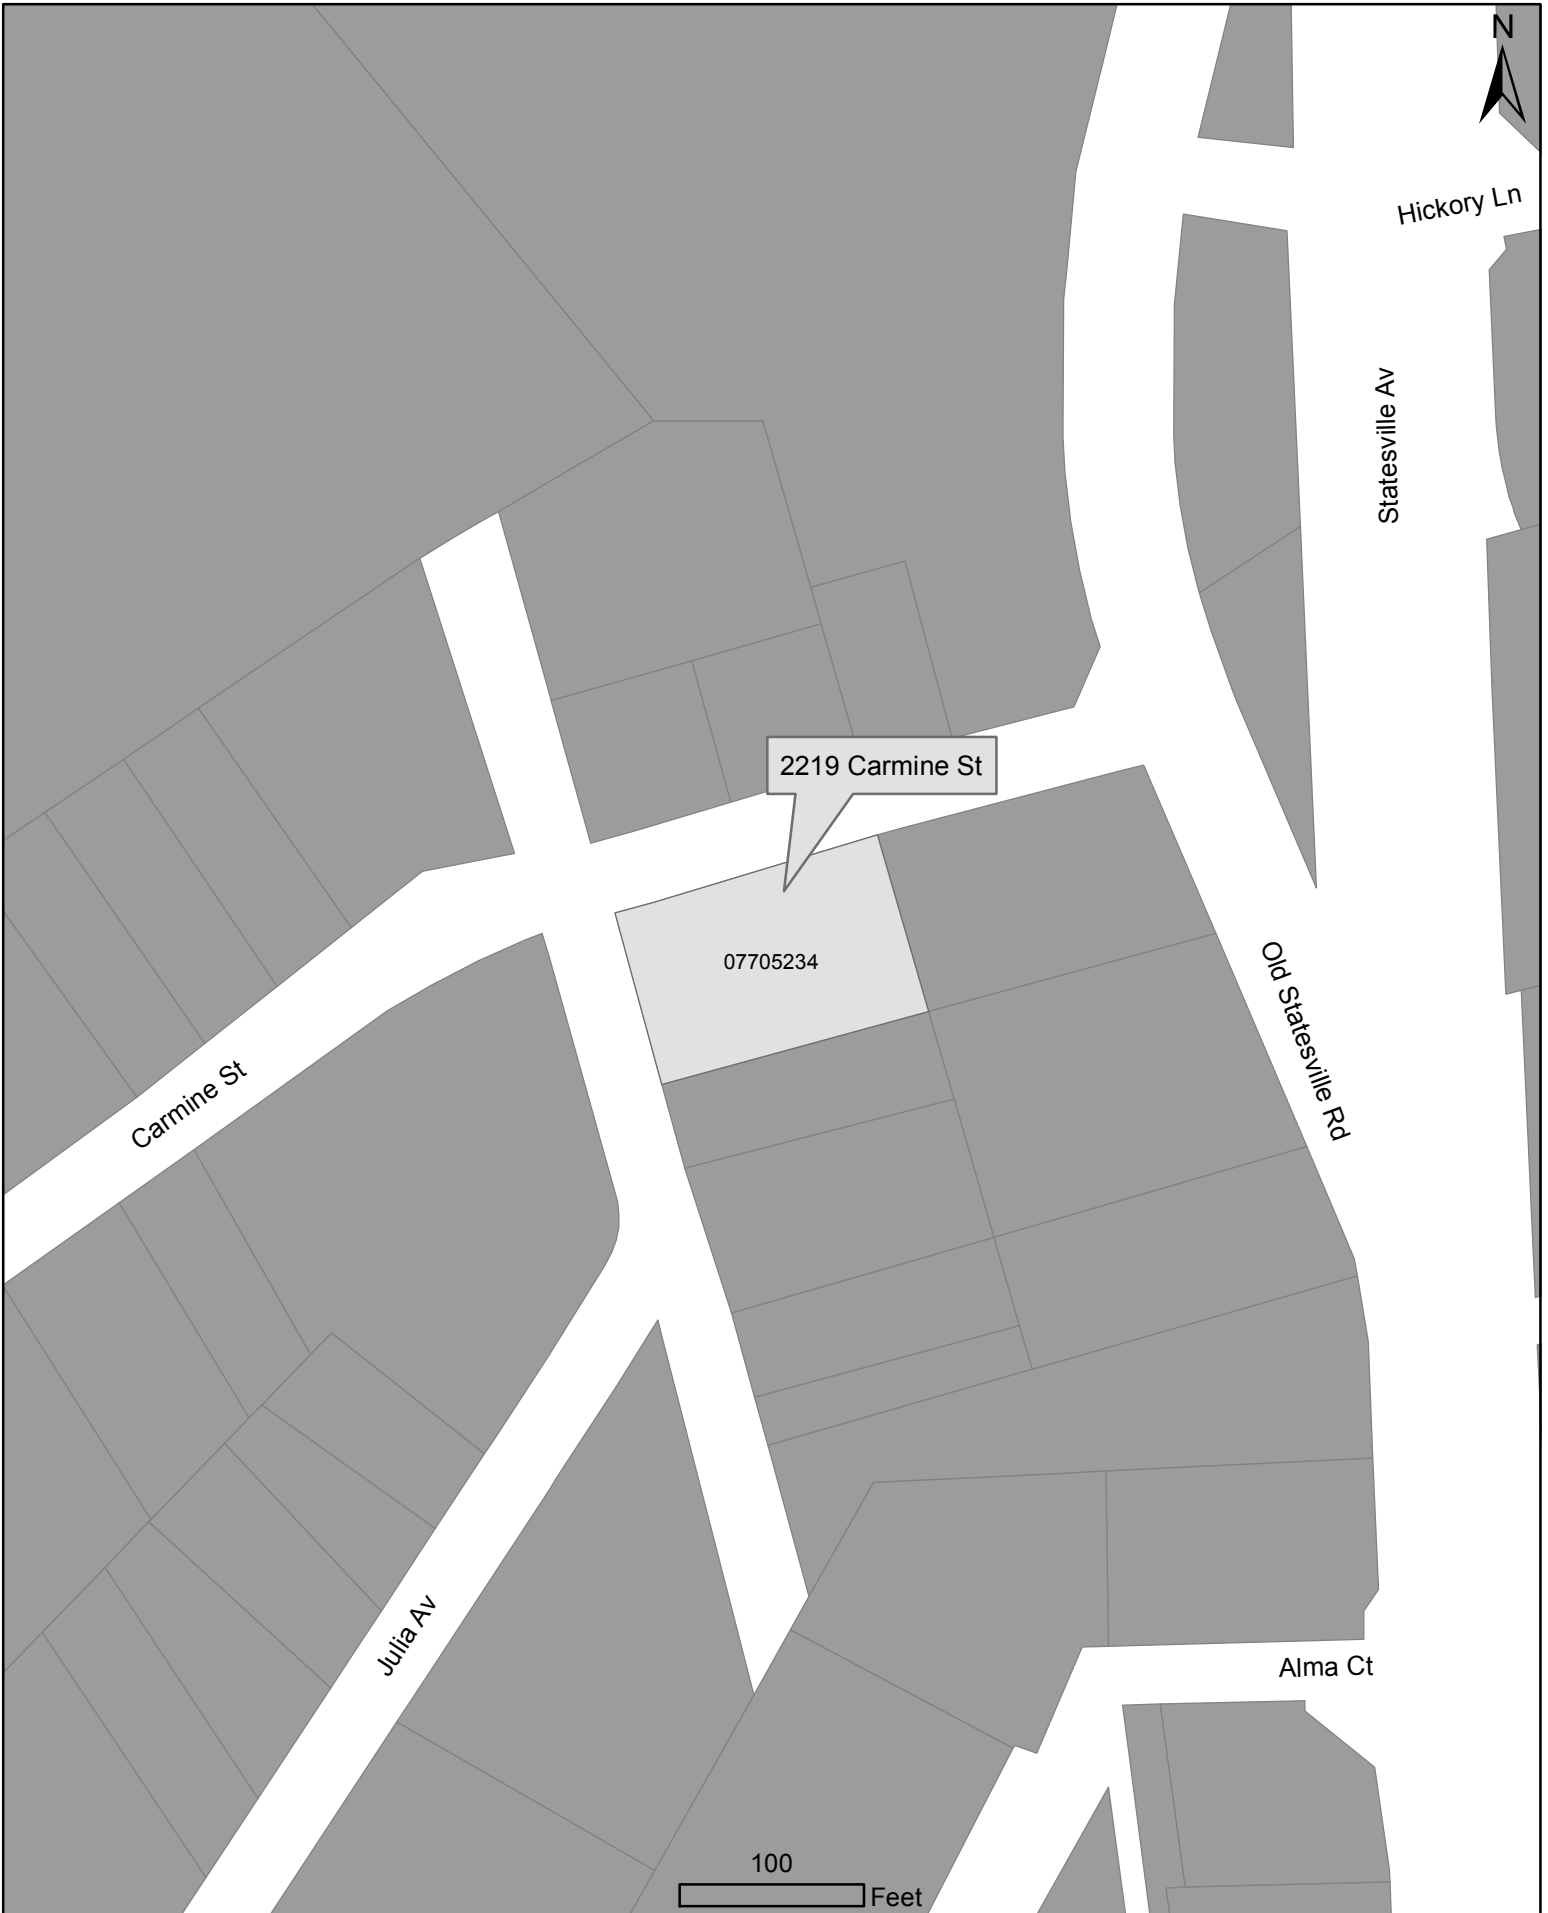

IN-REM REPAIR	REHAB TO CITY STANDARD	REPLACEMENT HOUSING	DEMOLITION
Estimated In-Rem Repair Cost: \$48,450	Acquisition & Rehabilitation Cost (Existing structure: 1,586 sq. ft. total) Economic Life: 15-20 years Estimated cost-\$158,903	New Replacement Structure Cost (Structure: 1,586 sq. ft. total) Economic Life: 50 years Estimated cost-\$199,308	Demolition Cost \$10,271
In-Rem Repair is not recommended because the In-Rem Repair cost is greater than 65% of the tax value.	Acquisition: Tax values: - Structure: \$ 56,900 - Garage/Shed/Porch: \$ 3,400 Land: \$ <u>10,000</u> Total Acquisition: \$ 70,300 Estimated Rehabilitation Cost: \$ 79,300 Outstanding Loans \$ 0 Property Taxes owed: \$ 6,540 Interest on Taxes owed: \$ <u>2,763</u> Total: \$ 88,603	Acquisition: Tax values: - Structure: \$ 56,900 - Garage/Shed/Porch: \$ 3,400 - Land: \$ <u>10,000</u> Total Acquisition: \$ 70,300 New structure: \$ 109,434 Demolition: \$ 10,271 Outstanding Loans: \$ 0 Property Taxes owed: \$ 6,540 Interest on Taxes owed: \$ <u>2,763</u> Total: \$ 129,008	

RECOMMENDATION FOR DEMOLITION

Demolition is recommended because:

- Estimated In-Rem Repair cost of: \$48,450 (\$30.54 /sq. ft.), which is 85.149% of the structure tax value, which is \$56,900.
- City rehab costs analysis shows that rehabilitation is not feasible because the cost is prohibitive.
- New construction analysis shows that new construction is not feasible because the cost is prohibitive.
- Violations include: Structural, electrical, plumbing and heating violations: Flooring and sub-structure is loose, rotted, or missing in several places. Holes in interior ceiling/wall covering. Windows inoperable. Areas of exterior trim and siding decayed. Roof covering loose/damaged. Wall framing not structurally sound. Decayed roof sheathing. Unsafe electrical wiring. Drain piping damaged. No heat source provided.
- The building is 66 years old and consists of 1,586 square feet total.
- A new 1,586 sq. ft. structure can be built for \$109,434.
