Sec. 10-29.4. Notice prior to removal.

When a vehicle is abandoned or a health and safety hazard in violation of this Article, the supervisor or any other duly authorized employee shall place a notice on the vehicle citing the violation and stating the date by which the vehicle must be removed. Notice need not be given to the registered owner of the vehicle when it does not display a license plate and the vehicle identification numbers have been removed or defaced so as to be illegible.

In addition to the above notice requirement, as required by G.S. §160A-303(c), the division shall make reasonable efforts to inform the owner of the motor vehicle of its removal as promptly as possible by telephone or otherwise than the required letter stated above. This paragraph shall not apply if the division had informed the owner before the removal that the vehicle was in violation of the code and would be removed by the division if there were not compliance with the notice on the vehicle.

c) Indemnity. Any person, firm or corporation requesting the City to remove a junked or abandoned motor vehicle from private property shall indemnify the City against any loss, expense, or liability incurred because of the removal, storage, or sale thereof.

Sec. 10-29.6. Disposition of abandoned motor vehicles and junked motor vehicles.

a) Disposition of abandoned or hazardous motor vehicles. After holding an unclaimed abandoned motor vehicle for thirty (30) days, the Supervisor may sell or dispose of it as provided by this subsection. If the vehicle appears to be worth less than one hundred dollars (\$100.00), the Supervisor may dispose of the vehicle as a junked motor vehicle as provided by subsection (b). If the vehicle is worth one hundred dollars (\$100.00) or more it shall be sold at public auction.

Twenty (20) days' written notice of the sale shall be given to the registered owner at his last known address, the holders of all liens of record against the vehicle, and the Division of Motor Vehicles. Any person having an interest in the vehicle may redeem it at any time before the sale by paying all costs accrued to date.

The proceeds of the sale shall be paid to the City Treasurer who shall pay to the appropriate persons the cost of removal, storage, investigating, sale, and liens in that order. The remainder of the proceeds of sale, if any, shall be paid over to the registered owner, or held by the city for sixty (60) days if the registered owner cannot be located with reasonable diligence. If the owner does not claim the remainder of the proceeds within sixty (60) days after the sale, the funds shall be deposited in the city's general fund and the owner's rights therein shall be forever extinguished.

When it receives a city's bill of sale from a purchaser or other person entitled to receive any vehicle disposed of as provided in this subsection, the Division of Motor Vehicles shall issue a certificate of title for the vehicle as required by law.

b) Disposition of junked vehicles. After holding an unclaimed junked motor vehicle for fifteen (15) days, the supervisor may order it destroyed or sold at a private sale as junk. The owner of any such vehicle may claim his vehicle during the fifteen-day retention period by exhibiting proof of ownership and after paying all reasonable costs incidental to the removal and storage of the vehicle. Within fifteen (15) days after final disposition of a junked motor vehicle, the supervisor shall notify the Department of Motor Vehicles that the vehicle has been determined to be a junked motor vehicle and disposed of as such. The notice shall contain as full and accurate a description of the vehicle as can be reasonably determined.

Any proceeds from the sale of a junked motor vehicle, after costs of removal, storage, investigation and sale, and satisfying any liens of record on the vehicle have been deducted therefrom, shall be held by the city for thirty (30) days and paid to the registered owner upon demand. If the owner does not appear to claim the proceeds within thirty (30) days after disposal of the vehicle, the funds shall be deposited in the city's general fund and the owner's rights therein shall be forever extinguished.

c) Disposition exception. The division shall have the authority to dispose of a motor vehicle immediately if the owner of the vehicle signs a consent form authorizing the division to sell or to dispose of the vehicle immediately.

Sec. 10-29.7. Right to hearing before sale or final disposition of vehicle.

Before the sale or disposition of an unclaimed abandoned motor vehicle, an unclaimed abandoned junked vehicle, or a vehicle determined to be a health or safety hazard, the supervisor shall notify by certified letter the last registered owner of the vehicle of his right to a hearing.

If the registered owner desires a hearing, he must inform the supervisor of his desire by certified letter within five (5) days after receipt of the notice. When an individual requests a hearing, a statement shall be sent stating the time and place for the hearing. In addition, the statement shall inform the owner of the specific grounds for the classification of the vehicle as an abandoned vehicle, a junked vehicle, or a vehicle declared to be a health or safety hazard, of the rules and regulations for the hearing, of the opportunity to present evidence in order to show cause why the sale or disposition of the vehicle should not occur in accordance with this Article, and of the right to have counsel present at the hearing.

The Director of the Operations Department, or his designee, shall serve as the hearing officer, shall conduct the hearing in accordance with the procedures stated in this section, and shall prepare a written report within five (5) days of the hearing stating his conclusion concerning whether the vehicle was in violation of this Article and the reasons and evidence upon which the conclusion has been based.

The written report of the hearing officer shall determine that the vehicle shall either be disposed of in accordance with this Article or be immediately returned to the registered owner. If the hearing officer determines that the vehicle was not in violation of this Article, then it must be immediately returned to the registered owner and the owner would not be charged with the cost of removal expenses. A copy of the hearing officer's report shall be mailed to the registered owner and the original report shall be filed in the division.

Sec. 10-29.8. Protection against criminal or civil liability.

No person shall be held to answer to any civil or criminal action to any owner or other person legally entitled to the possession of any abandoned, lost or stolen vehicle, for disposing of such vehicle as provided in this Article.

Sec. 10-29.9. Article exception.

This Article shall not apply to any vehicle in an enclosed building or any vehicle on the premises of a business enterprise being operated in a lawful place and manner if the vehicle is necessary to the operation of the enterprise, or to any vehicle in an appropriate storage place or depository maintained in a lawful place and manner by the city nor shall it apply to an authorized motor vehicle dealer or to an authorized junk dealer in the operation of a business. Such an authorized dealer must have paid a current valid license privilege tax as required by Code Chapter 11 and be in a properly zoned district allowing such a business.
