---

A motion was made by Councilmember Howard and seconded by Councilmember Kinsey for the adoption of the following Resolution and upon being put to a vote was duly adopted:

**WHEREAS**, the United States Department of Transportation (USDOT) is soliciting applications for competitive grants under the Federal National Infrastructure Investment Grants Program (TIGER Discretionary Grants), authorized in the Consolidated and Further Continuing Appropriations Act, 2012;

**WHEREAS**, the federal and state governments are authorized to make grants for transportation projects;

**WHEREAS**, the contract for financial assistance may impose certain obligations upon the applicant, including the provision by it of the local share of project costs;

**WHEREAS**, it is the goal of the Applicant that minority business enterprise be utilized to the fullest extent possible in connection with these projects, and that definitive procedures shall be established and administered to ensure that minority businesses shall have the maximum feasible opportunity to compete for contracts when procuring construction contracts, supplies and equipment contracts, or consultant and other services.

**NOW, THEREFORE, BE IT RESOLVED** by the City Council of Charlotte, North Carolina, in its regular session duly assembled, as follows:

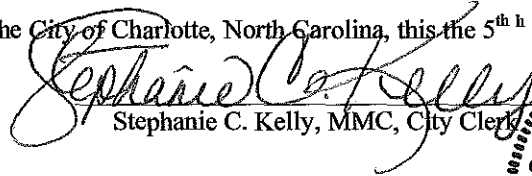

1. That the City Manager or designee is authorized to execute and file applications on behalf of the City of Charlotte with the U.S. Department of Transportation and the North Carolina Department of Transportation to aid in the financing of transportation infrastructure assistance;
