Stephanie Bello, Deputy City Clerk
Code of Ethics, Gift Policy, and Disclosure Requirements for the Mayor and City Council of the City of Charlotte, North Carolina

WHEREAS, the Constitution of North Carolina, Article I, Section 35, reminds us that “frequent recurrence to fundamental principles is absolutely necessary to preserve the blessings of liberty,” and

WHEREAS, a spirit of honesty and forthrightness is reflected in North Carolina’s state motto, Esse quam videri, “To be rather than to seem,” and

WHEREAS, Section 160A-86 of the North Carolina General Statutes requires local governing boards to adopt a code of ethics, and

WHEREAS, as public officials we are charged with upholding the trust of the citizens of this City, and with obeying the law, and

NOW THEREFORE, in recognition of our blessings and obligations as citizens of the State of North Carolina and as public officials representing the citizens of the City of Charlotte, and acting pursuant to the requirements of Section 160A-86 of the North Carolina General Statutes, we the City Council do hereby adopt the following General Principles and Code of Ethics to guide the Mayor and City Council in their lawful decision-making.

GENERAL PRINCIPLES UNDERLYING THE CODE OF ETHICS

• The stability and proper operation of democratic representative government depend upon public confidence in the integrity of the government and upon responsible exercise of the trust conferred by the people upon their elected officials.

• Governmental decisions and policy must be made and implemented through proper channels and processes of the governmental structure.

• The Mayor and Council members must be able to act in a manner that maintains their integrity and independence, yet is responsive to the interests and needs of those they represent.

• The Mayor and Council members must always remain aware that at various times they play different roles:
  - As advocates, who strive to advance the legitimate needs of their citizens
  - As legislators, who balance the public interest and private rights in considering and enacting ordinances, orders, and resolutions
  - As decision-makers, who arrive at fair and impartial determinations.

• The Mayor and Council members must know how to distinguish among these roles, to determine when each role is appropriate, and to act accordingly.
• The Mayor and Council members must be aware of their obligation to conform their behavior to standards of ethical conduct that warrant the trust of their constituents. Each official must find within his or her own conscience the touchstone by which to determine what conduct is appropriate.

A. CODE OF ETHICS

The purpose of this Code of Ethics is to establish guidelines for ethical standards of conduct for the Mayor and Council members and to help determine what conduct is appropriate in particular cases. It should not be considered a substitute for the law or for an official’s best judgment.

Section 1.

The Mayor and Council members should obey all laws applicable to their official actions. The Mayor and Council members should be guided by the spirit as well as the letter of the law in whatever they do.

At the same time, the Mayor and Council members should feel free to assert policy positions and opinions without fear of reprisal from fellow board members or citizens. To declare that the Mayor or a Council member is behaving unethically because one disagrees with that official on a question of policy (and not because of the council member’s behavior) is unfair, dishonest, irresponsible, and itself unethical.

Section 2.

The Mayor and Council members should act with integrity and independence from improper influence as they exercise the duties of their offices. Characteristics and behaviors consistent with this standard include the following:

• Adhering firmly to a code of sound values

• Exhibiting trustworthiness

• Using their best independent judgment to pursue the common good as they see it, presenting their opinions to all in a reasonable, forthright, consistent manner

• Remaining incorruptible, self-governing, and unaffected by improper influence while at the same time being able to consider the opinions and ideas of others

• Treating other council members and the public with respect and honoring the opinions of others even when the board members disagree with those opinions

• Showing respect for their offices and not behaving in ways that reflect badly on those offices
• Recognizing that they are part of a larger group and acting accordingly

• Recognizing that individual Council members are not generally allowed to act on behalf of the Council but may only do so if the Council specifically authorizes it, and that the Council must take official action as a body

Section 3.a.

The Mayor and Council members should avoid impropriety in the exercise of their official duties. Their official actions should be above reproach and they should not use their official position for personal gain. They should also not disclose confidential information, including the premature disclosure of what transpired in a closed session. Although opinions may vary about what behavior is inappropriate, this Council will consider impropriety in terms of whether a reasonable person who is aware of all of the relevant facts and circumstances surrounding the Council member’s action would conclude that the action was inappropriate.

Section 3.b.

If the Mayor or a Council member believes that his or her actions, while legal and ethical, may be misunderstood, the official shall seek the advice of the City Attorney and, if recommended to, in the discretion of the City Attorney, shall publicly disclose the facts of the situation and the steps taken to address the matter (such as consulting with the attorney). The Mayor or a Councilmember shall seek the advice of the City Attorney anytime a business entity or real property that has been disclosed on their individual annual Statement of Economic Interest may become a party to or the subject of a business transaction directly with the City. This requirement of the Council member to seek the advice of the City Attorney shall extend further to contractors or subcontractors of the City so long as the Council member’s connection relates to the contractor or subcontractor’s business with the City. Neither the City nor a contractor or subcontractor has the obligation to seek the advice of the City Attorney under this section of the Policy.

Section 4.

The Mayor and Council members should faithfully perform the duties of their offices. They should act as the especially responsible citizens whom others can trust and respect. They should set a good example for others in the community, keeping in mind that trust and respect must continually be earned.

The Mayor and Council members should faithfully attend and prepare for meetings. They should demand full accountability from those over whom the board has authority.

The Mayor and Council members should be willing to bear their fair share of the governing board’s workload. To the extent appropriate, they should be willing to put the City’s interests ahead of their own.

Section 5.
The Mayor and Council members should conduct the affairs of the board in an open and public manner. They should comply with all applicable laws governing open meetings and public records, recognizing that doing so is an important way to be worthy of the public’s trust. They should remember when they meet that they are conducting the public’s business. They should also remember that local government records belong to the public and not to them or City employees.

In order to ensure strict compliance with the laws concerning openness, the Mayor and Council members should make clear that an environment of transparency and candor is to be maintained at all times in the governmental unit. They should prohibit unjustified delay in fulfilling public records requests. They should take deliberate steps to make certain that any closed sessions held by the Council are lawfully conducted and that such sessions do not stray from the purposes for which they are called.

Stephanie Bello, Deputy City Clerk
SECOND AMENDMENT TO INTERLOCAL AGREEMENT
DATED AUGUST 27, 2018
(Charlotte Sewer Contract No: 300-14-516)

THIS SECOND AMENDMENT TO THE INTERLOCAL AGREEMENT (the “Second Amendment”) is made and entered into this 28th day of February, 2021, by and between City of Mount Holly (“MH”), and the City of Charlotte (“CLT”), and each a duly incorporated municipality under the laws of the State of North Carolina.

STATEMENT OF BACKGROUND AND INTENT
MH and CLT entered into an Interlocal Agreement Regarding Regional Sewer Interconnect between the Parties (“Interlocal”) dated August 27, 2018, and a First Amendment to the Interlocal dated May ____, 2019, and the parties now desire to further amend the Interlocal.

NOW, THEREFORE, in consideration of the mutual covenants and agreements contained herein, the parties hereby agree to the following:

1. Article IV. Paragraph D. second paragraph of the Interlocal is replaced in its entirety as follows:

“In the event that bids or final pricing from a DB team exceed $14,000,000 for the MH Component, and the effort to reduce scope and cost is not successful, the parties agree to share the financial responsibility of cost in excess of $14,000,000, up to a cost of $22,000,000, according to the ratio of treatment capacity in the New Plant being allocated to each entity. Using this ratio (4 MGD/15 MGD), the MH cost share shall be 26.67% of any cost above $14,000,000. The CLT cost share shall be 73.33% of any cost above $14,000,000. The 26.67% MH cost share shall be limited to $2,133,600 for actual cost above $14,000,000 for the MH Component, as finally determined, exclusive of the cost of a second MH Force Main, which shall be bid as an alternate, and CLT shall pay the balance of the costs of the MH Component up to a cost of $5,866,400, exclusive of the cost of a second MH Force Main. CLT shall also pay the cost of the second MH Force Main as part of the CLT Component costs.”
