Any provision in this Resolution that authorizes more than one officer of the City to take certain actions shall be read to permit such officers to take the authorized actions either individually or collectively.

  - (F) the optional redemption provisions for the 2022 Bonds, including the designation of the dates and the premium, under Section 3.02;
6. a certificate setting forth any changes, modifications, additions or deletions to this Appendix A permitted by the Series Resolution; provided, however, no certificate is required if there are no such changes; and
7. such other documents as are required to be delivered to the Trustee under the Bond Purchase Agreement in connection with the issuance of the 2022 Bonds.

When the documents mentioned in this Section have been filed with the Trustee and when the 2022 Bonds have been executed and authenticated as required by this Series Resolution, the Trustee shall deliver the 2022 Bonds at the times as prescribed in the Bond Purchase Agreement to the State Treasurer for redelivery to or on the order of the Purchasers, but only on payment to the Trustee of the purchase price of the 2022 Bonds. The Trustee is entitled to rely on the resolutions and certificates mentioned in this Section as to all matters stated therein.

Section 2.04. ***Details of 2022 Bonds; Payment.***

(a) The 2022 Bonds will mature on July 1 of the years and in the amounts and will bear interest (computed on the basis of a 360-day year of twelve 30-day months) as set forth in the Finance Director's certificate referred to in Section 2.03 above.

(b) Both the principal of and the interest on the 2022 Bonds are payable in any lawful coin or currency of the United States of America which on the respective dates of payment thereof is legal tender for the payment of public and private debts. Each 2022 Bond shall bear interest from its date until its principal sum has been paid, but if such 2022 Bond has matured or has been called for redemption and the redemption date has occurred and funds are available for the payment thereof in full in accordance with the terms of the Order, such 2022 Bond shall then cease to bear interest as of the maturity date or Redemption Date. The 2022 Bonds will be dated as of their date of issuance, except that 2022 Bonds issued in exchange for or on the registration of transfer of 2022 Bonds will be dated as of the Interest Payment Date next preceding the date of authentication thereof, unless (i) the date of such authentication precedes the first Interest Payment Date, in which case they will be dated their date of issuance, or (ii) the date of such authentication is an Interest Payment Date to which interest on the 2022 Bonds has been paid in full or duly provided for in accordance with the terms of this Appendix A, in which case they will be dated as of such Interest Payment Date; except that if, as shown by the records of the Bond Registrar, interest on the 2022 Bonds is in default, 2022 Bonds executed and delivered in exchange for or on registration of transfer of 2022 Bonds will be dated as of the date to which interest on the 2022 Bonds, respectively, has been paid in full. If no interest has been paid on the 2022 Bonds, 2022 Bonds executed and delivered in exchange for or on the registration of transfer of 2022 Bonds will be dated as of their date of issuance.

(c) The 2022 Bonds will be initially delivered by means of a book-entry system with no physical distribution of definitive 2022 Bonds made to the public. One definitive 2022 Bond for each maturity (and interest rate if there are split coupons) of each series is to be delivered to The Depository Trust Company, New York, New York ("*DTC*"), and immobilized in its custody. A book-entry system will be employed, evidencing ownership of the 2022 Bonds in denominations of \$5,000 or any integral multiple thereof, with transfers of beneficial ownership effected on the records of DTC and its participants (the "*DTC Participants*") pursuant to rules and procedures established by DTC.

Each DTC Participant will be credited in the records of DTC with the amount of such DTC Participant's interest in the 2022 Bonds. Beneficial ownership interests in the 2022 Bonds may be purchased by or through DTC Participants. The holders of these beneficial ownership interests are hereinafter referred to as the "*Beneficial Owners*." The Beneficial Owners will not receive definitive 2022 Bonds representing their beneficial ownership interests. The ownership interests of each Beneficial Owner will be recorded through the records of the DTC Participant from which such Beneficial Owner purchased its 2022 Bonds. Transfers of ownership interests in the 2022 Bonds will be accomplished by book entries made by DTC and, in turn, by DTC Participants acting on behalf of Beneficial Owners. So long as Cede & Co., as nominee for DTC, is the Registered Owner of the 2022 Bonds, the Trustee shall treat Cede & Co. as the only owner of the 2022 Bonds for all purposes under the Order and this Appendix A, including receipt of all principal and premium, if any, and interest on the 2022 Bonds, receipt of notices, voting and requesting or directing the Trustee to take or not to take, or consenting to, certain actions under the Order or this Appendix A.

Payments of principal, interest and premium, if any, with respect to the 2022 Bonds, so long as DTC is the only Owner of the 2022 Bonds, will be paid by the Trustee directly to DTC or its nominee, Cede & Co., as provided in the Blanket Letter of Representation of the City on file with DTC (the "*Letter of Representation*"). DTC will remit such payments to DTC Participants, and such payments thereafter will be paid by DTC Participants to the Beneficial Owners. The Trustee and the City are not and will not be responsible or liable for payment by DTC or DTC Participants, for sending transaction statements or for maintaining, supervising or reviewing records maintained by DTC or DTC Participants.

If (a) DTC determines not to continue to act as securities depository for the 2022 Bonds or (b) the Trustee and the City determine to discontinue the book entry system in accordance with DTC's rules and the City fails to identify another qualified securities depository to replace DTC, the City will deliver fully registered definitive 2022 Bonds in accordance with DTC's rules and procedures.

The City and the Trustee have no responsibility or obligation with respect to (A) the accuracy of any records maintained by DTC or any DTC Participant; (B) the payment by DTC or any DTC Participant of any amount due to any Beneficial Owner in respect of the principal of and premium, if any, and interest on the 2022 Bonds; (C) the delivery or timeliness of delivery by DTC or any DTC Participant of any notice due to any beneficial owner which is required or permitted under the terms of the Order or this Appendix A to be given to Owners; (D) the selection of Beneficial Owners to receive payments in the event of any partial redemption of the 2022 Bonds; or (E) any consent given or other action taken by DTC or its nominee, Cede & Co., as Owner.

(d) The 2022 Bonds are payable at the designated corporate trust office of the Bond Registrar on presentation and surrender. Interest on the 2022 Bonds will be paid by the Bond Registrar by check or draft mailed on the Interest Payment Date to each Owner as its name and address appear on the registration books kept by the Bond Registrar at the close of business on the Record Date. At the written request of any Owner of at least \$1,000,000 in Outstanding aggregate principal amount of the 2022 Bonds, and so long as the 2022 Bonds are in book-entry, principal and interest may be payable by wire transfer at the address specified in writing by the Owner to the Bond Registrar by the Record Date. CUSIP number identification with appropriate dollar amounts for each CUSIP number shall accompany all payments of principal of, premium, if any, and interest on any 2022 Bonds, whether by check or by wire transfer.

(e) U.S. Bank Trust Company, National Association, Charlotte, North Carolina, is hereby appointed as Bond Registrar and Paying Agent with respect to the 2022 Bonds.

Section 2.05. ***Arbitrage and Tax Covenants.*** The City covenants that it will not take or permit, or omit to take or cause to be taken, any action that would adversely affect the exclusion from federal income taxation of the interest on the 2022A Bonds and the 2022B Bonds and, if it should take or permit, or omit to take or cause to be taken, any such action, the City will take or cause to be taken all lawful actions within its power necessary to rescind or correct such actions or omissions promptly on having knowledge thereof. The City acknowledges that the continued exclusion of interest on the 2022A Bonds and the 2022B Bonds or from an Owner's gross income for federal income tax purposes depends, in part, on compliance with the arbitrage limitations imposed by Section 148 of the Code. The City covenants that it will comply with all the requirements of Section 148 of the Code, including the rebate requirements, and that it will not permit at any time any of the proceeds of the 2022A Bonds and the 2022B Bonds or other funds under its control be used, directly or indirectly, to acquire any asset or obligation, the

acquisition of which would cause the 2022A Bonds and the 2022B Bonds to be “*arbitrage bonds*” for purposes of Section 148 of the Code.

### ARTICLE III.

#### REDEMPTION OF THE 2022 BONDS

Section 3.01. ***Privilege of Redemption and Redemption Prices.*** The 2022 Bonds are redeemable, on notice as provided below, at the times, at the redemption prices and on the terms contained in this Article III and in Article III of the Order.

Section 3.02. ***Optional Redemption of the 2022 Bonds.*** The optional redemption provisions for the 2022 Bonds will be set forth in the Finance Director’s certificate referred to in Section 2.03 above; provided, however, the 2022 Bonds will not be subject to optional redemption later than any date beginning on July 1, 2032 and at a premium (calculated on the par amount on the 2022 Bonds called for redemption) not to exceed 2.00%.

Section 3.03. ***Extraordinary Optional Redemption of 2022 Bonds.*** The 2022 Bonds will be subject to optional redemption by the City, in whole or in part on any date at a redemption price equal to the principal amount thereof, without premium, plus accrued interest to the date of redemption, on instructions from the City, from the Net Proceeds of insurance or Eminent Domain which are deposited in the applicable subaccount of the Revenue Bond Redemption Account.

Section 3.04. ***Sinking Fund Redemption.*** The 2022 Bonds are required to be redeemed to the extent of any Sinking Fund Requirement on each July 1 on which there is a Sinking Fund Requirement from money required to be deposited in the applicable subaccount of the Revenue Bond Sinking Fund Account at a redemption price equal to the principal amount of the 2022 Bonds, respectively, being redeemed, without premium, plus accrued interest to the date of redemption.

Section 3.05. ***Notice of Redemption.*** Notice of redemption with respect to a series of 2022 Bonds will be given by the Trustee not less than 30 days nor more than 60 days before the Redemption Date (1) to the LGC by Mail, electronic or facsimile transmission, (2)(a) to DTC or its nominee by registered or certified mail at the address provided to the Trustee by DTC or as otherwise permitted by DTC’s rules and procedures or (b) if DTC or its nominee is no longer the Owner of such 2022 Bonds, by Mail to the then-registered Owners of such 2022 Bonds to be redeemed at the last address shown on the registration books kept by the Bond Registrar and (3) to the Municipal Securities Rulemaking Board (the “MSRB”) in an electronic format as prescribed by the MSRB.

Such notice must (1) specify the 2022 Bonds of a series to be redeemed, the redemption date, the redemption price and the place or places where amounts due on such redemption must be payable and if less than all of such 2022 Bonds are to be redeemed, the numbers of such 2022 Bonds and the portions of such 2022 Bonds to be redeemed, and (2) state that on the redemption date, such 2022 Bonds to be redeemed will cease to bear interest. If at the time of mailing of notice of redemption there is not on deposit with the Trustee money sufficient to redeem such 2022 Bonds called for redemption, which money is or will be available for redemption of such 2022 Bonds, such notice will state that it is conditional on the deposit of the redemption money with the Trustee on the redemption date. Any notice, once given, may be withdrawn by notice delivered in the manner set forth above, on receipt by the Trustee of written instructions from the City with respect to such withdrawal.

Failure to provide such notice to any Owner or any defect therein will not affect the validity of any proceedings for such redemption as to any other Owner to whom such notice was properly given. Failure to provide such notice to the LGC or the MSRB as provided above will not affect the validity of any proceedings for such redemption.

If money is on deposit with the Trustee to pay the redemption price of such 2022 Bonds called for redemption including premium, if any, thereon on a redemption date, such 2022 Bonds or portions thereof so called for redemption as hereinabove specified will not bear interest after such redemption date and will not be considered to be Outstanding or to have any other rights under the Order other than the right to receive payment. No payment of principal will be made by the Trustee or the Bond Registrar on any 2022 Bonds or portions thereof called for redemption until such 2022 Bonds or portions thereof have been delivered for payment or cancellation or the Bond Registrar has received the items required by Section 210 of the Order with respect to any mutilated, lost, stolen or destroyed 2022 Bonds.

Section 3.06. ***Selection of 2022 Bonds To Be Redeemed.*** Notwithstanding Section 302 of the Order, in the case of any partial redemption of 2022 Bonds, the City will select the series of the 2022 Bonds and the maturity or maturities of the 2022 Bonds within a series to be redeemed and DTC will select the 2022 Bonds within the same maturity of a series pursuant to its rules and procedures or, if the book-entry system with DTC or any other securities depository has been discontinued, the Bond Registrar will select the 2022 Bonds to be redeemed by lot in such manner as the Bond Registrar in its discretion may deem proper.

If a 2022 Bond subject to redemption is in a denomination larger than the minimum Authorized Denomination, a portion of such 2022 Bonds may be redeemed, but only in a principal amount such that the unredeemed portion of such 2022 Bond is equal to an Authorized Denomination. For any 2022 Bond in a denomination of more than the minimum Authorized Denomination, the Trustee shall treat each such 2022 Bond as representing a single 2022 Bond in the minimum Authorized Denomination plus that number of 2022 Bonds that is obtained by dividing the remaining principal amount of such 2022 Bond by the minimum Authorized Denomination.

If it is determined that one or more, but not all, of the Authorized Denominations of principal amount represented by any 2022 Bond is to be called for redemption, then, on written notice of intention to redeem such Authorized Denominations of principal amount of such 2022 Bond, the Owner of such 2022 Bond, on surrender of such 2022 Bond to the Bond Registrar for payment of the principal amount of such 2022 Bond, will be entitled to receive new 2022 Bonds of the applicable series in the aggregate principal amount of the unredeemed balance of the principal amount of such 2022 Bond.

If the Owner of any 2022 Bond of a denomination greater than the amount being redeemed fails to present such 2022 Bond to the Bond Registrar for payment and exchange as aforesaid, such 2022 Bond will, nevertheless, become due and payable on the date fixed for redemption to the extent of the denomination being redeemed and to that extent only.

Section 3.07. ***No Partial Redemption After Default.*** Anything in this Appendix A to the contrary notwithstanding, if an Event of Default occurs and is continuing hereunder there will be no redemption of less than all of the 2022 Bonds Outstanding.

Section 4.02. ***Revenues Received by the City.*** On or before the 25<sup>th</sup> day of each month beginning after the 2022 Bonds are issued, the City shall, subject to the provisions of the Order, deposit or cause to be deposited from Net Revenues with the Trustee the following amounts and the Trustee shall apply such amounts to the various accounts and subaccounts specified herein:

- (a) into the applicable subaccount of the Revenue Bond Interest Account created with respect to each Series of Common Reserve Bonds an amount in substantially equal monthly installments necessary, after taking into account money transferred from the PFC Revenue Account or otherwise deposited therein by the City, to have funds on hand each June 25 and December 25, commencing (i) with respect to the 2022 Bonds on December 25, 2022, and (ii) with respect to any other Series of Common Reserve Bonds, on the date set forth in the applicable Common Reserve Series Resolution, to pay the next maturing installment of interest, on each such Series of Common Reserve Bonds then Outstanding; and

(c) into the applicable Subaccount of the Revenue Bond Sinking Fund Account created with respect to each Series of Common Reserve Bonds, after taking into account money transferred from the PFC Revenue Account or otherwise deposited therein by the City, 1/12<sup>th</sup> of the amount required to retire each such Series of Common Reserve Bonds to be called by mandatory redemption pursuant to the applicable Common Reserve Series Resolution on the next ensuing July 1, in accordance with the Sinking Fund Requirement therefor.

In each month following a month in which the Trustee has failed to make any deposit required by this Section, the City shall pay, but only from Net Revenues, and the Trustee shall deposit, in addition to the amounts then due, an amount sufficient to cure the deficiency in the deposits in the prior months unless such deficiency has been cured by a transfer of money to such fund or account from other funds and accounts created hereby, pursuant to the terms of this Appendix A.

Section 4.03. ***Application of Money in the Series 2022A Subaccount of the Revenue Bond Sinking Fund Account.*** Money held in the Series 2022A Subaccount of the Revenue Bond Sinking Fund Account will be applied during each Fiscal Year to the purchase or retirement of 2022A Bonds then Outstanding as follows:

(a) The Trustee shall, at the request of the City, endeavor to purchase and cancel 2022A Bonds or portions thereof subject to redemption by operation of the Series 2022A Subaccount of the Revenue Bond Sinking Fund Account or maturing on the next ensuing July 1 at the most advantageous price readily obtainable with reasonable diligence. The purchase price of each such 2022A Bond shall not exceed par plus accrued interest to the date of purchase. The Trustee shall pay the interest accrued on such 2022A Bonds to the date of settlement therefor from the Series 2022A Subaccount of the Revenue Bond Interest Account and the purchase price from the Series 2022A Subaccount of the Revenue Bond Sinking Fund Account, but no such purchase shall be made by the Trustee from money in the Series 2022A Subaccount of the Revenue Bond Sinking Fund Account within the period of 45 days immediately preceding any July 1 on which such 2022A Bonds are subject to redemption, except from money other than the money set aside in the Series 2022A Subaccount of the Revenue Bond Sinking Fund Account for the redemption of 2022A Bonds. The aggregate purchase price of 2022A Bonds during each Fiscal Year shall not exceed the amount to be deposited in the Series 2022A Subaccount of the Revenue Bond Sinking Fund Account on account of the Sinking Fund Requirement for the 2022A Bonds for such Fiscal Year. If in any Fiscal Year the sum of the amount on deposit in the Series 2022A Subaccount of the Revenue Bond Sinking Fund Account for the payment of any 2022A Bonds and the principal amount of the 2022A Bonds that were purchased during such Fiscal Year pursuant to the provisions of this paragraph (a) or delivered during such Fiscal Year to the Trustee by the City exceeds the Sinking Fund Requirement for the Outstanding 2022A Bonds for such Fiscal Year, the Trustee shall endeavor to purchase Outstanding 2022A Bonds with such excess money;

(b) The Trustee shall call for redemption on July 1 in each Fiscal Year 2022A Bonds in a principal amount equal to the aggregate Sinking Fund Requirement for the 2022A Bonds for such Fiscal Year, less the principal amount of any such 2022A Bonds retired during such Fiscal Year by purchase pursuant to paragraph (a) of this Section or delivered during such Fiscal Year to the Trustee by the City. On each redemption date the Trustee shall withdraw from the Series 2022A Subaccount of the Revenue Bond Sinking Fund Account the amount required to pay the Redemption Price of the 2022A Bonds so called for redemption. The amount of interest on the

2022A Bonds so called for redemption shall be paid from the Series 2022A Subaccount of the Revenue Bond Interest Account. If such date is the stated maturity date of any such 2022A Bonds, the Trustee shall not call such 2022A Bonds for redemption but, on such maturity, shall withdraw the amount required for paying the principal of such 2022A Bonds when due and payable.

If at any date there is money in the Series 2022A Subaccount of the Revenue Bond Sinking Fund Account and no 2022A Bonds are then Outstanding or if on any payment date money remains therein after the mandatory redemption of 2022A Bonds in accordance with the Sinking Fund Requirement therefor, the Trustee shall withdraw such money and shall apply the same as follows: (a) deposit in the Common Reserve Subaccount of the Revenue Bond Reserve Account the amounts, if any, required to be paid thereto in such month pursuant to Section 503(d) of the Order and (b) deliver all remaining amounts to the City.

If the balance in the Series 2022A Subaccount of the Revenue Bond Sinking Fund Account on the 25<sup>th</sup> day of the month next preceding a payment date on which 2022A Bonds are to be redeemed in accordance with the Sinking Fund Requirements therefor is insufficient to satisfy such Sinking Fund Requirement, the Trustee shall transfer to such Subaccount such amounts as may be necessary to remedy the deficiency, drawing on money in the Common Reserve Subaccount of the Revenue Bond Reserve Account.

If, in any Fiscal Year, by the application of money in the Series 2022A Subaccount of the Revenue Bond Sinking Fund Account the Trustee should purchase or receive from the City and cancel 2022A Bonds in excess of the aggregate Sinking Fund Requirements for such Fiscal Year, the Trustee shall file with the City not later than the 20th day before the next August 1 a statement identifying the 2022A Bonds purchased or delivered during such Fiscal Year and the amount of such excess. The City shall thereafter cause a certificate of the Finance Director to be filed with the Trustee not later than the 10th day before such August 1, setting forth with respect to the amount of such excess the Fiscal Years in which the Sinking Fund Requirements with respect to 2022A Bonds are to be reduced and the amount by which the Sinking Fund Requirements so determined are to be reduced.

On the retirement of any 2022A Bonds by purchase or redemption under the provisions of this Section, the Trustee shall file with the City a statement identifying such 2022A Bonds and setting forth the date of purchase or redemption, the amount of the purchase price or the Redemption Price of such 2022A Bonds, and the amount paid as interest thereon. The expenses incurred in connection with the purchase or redemption of any such 2022A Bonds shall be paid by the City from the Operating Fund or from any other available money.

Section 4.04. ***Application of Money in the Series 2022A Revenue Bond Redemption Account.***  
The Trustee shall apply money in the Series 2022A Revenue Bond Redemption Subaccount to the purchase or redemption of 2022A Bonds as follows:

(a) Subject to the provisions of paragraph (c) of this Section, at the request of the City, the Trustee shall endeavor to purchase and cancel 2022A Bonds or portions thereof, regardless of whether such 2022A Bonds or portions thereof are then subject to redemption, at the most advantageous price readily obtainable with reasonable diligence, provided that the purchase price of each 2022A Bond shall not exceed the Redemption Price that would be payable on the next redemption date to the Owner of such 2022A Bond under the provisions of this Appendix A if such 2022A Bond or such portion thereof should be called for redemption on such date from the money in the Series 2022A Subaccount of the Revenue Bond Redemption Account. The Trustee shall pay the interest accrued on such 2022A Bonds or portions thereof to the date of

settlement from the Series 2022A Subaccount of the Revenue Bond Interest Account and the purchase price from the Series 2022A Subaccount of the Revenue Bond Redemption Account, but no such purchase shall be made by the Trustee from money in the Series 2022A Subaccount of the Revenue Bond Redemption Account within the period of 45 days immediately preceding any Interest Payment Date on which such 2022A Bonds or portions thereof are to be redeemed, except from money other than the money set aside in the Series 2022A Subaccount of the Revenue Bond Redemption Account for the redemption of Bonds.

(b) Subject to the provisions of paragraph (c) of this Section, the Trustee shall call for redemption on a date permitted by this Appendix A such amount of 2022A Bonds or portions thereof as, with the redemption premium, if any, will exhaust the money then held in the Series 2022A Subaccount of the Revenue Bond Redemption Account as nearly as may be. The Trustee shall pay the accrued interest on the 2022A Bonds or portions thereof to be redeemed to the date of redemption from the Series 2022A Subaccount of the Revenue Bond Interest Account and the Redemption Price of such 2022A Bonds or portions thereof from the Series 2022A Subaccount of the Revenue Bond Redemption Account. The Trustee shall withdraw from the Series 2022A Subaccount of the Revenue Bond Redemption Account and set aside the respective amounts required to pay the Redemption Price of the 2022A Bonds or portions thereof so called for redemption.

(c) Money in the Series 2022A Subaccount of the Revenue Bond Redemption Account shall be applied by the Trustee in each Fiscal Year to the purchase or the redemption of 2022A Bonds then Outstanding in accordance with the Sinking Fund Requirement.

On the retirement of any 2022A Bonds by purchase or redemption pursuant to the provisions of this Section, the Trustee shall file with the City a statement identifying such 2022A Bonds and setting forth the date of purchase or redemption, the amount of the purchase price or the Redemption Price of such 2022A Bonds and the amount paid as interest thereon. The expense incurred by the Trustee in connection with the purchase or redemption of any such 2022A Bonds shall be paid by the City from the Operating Fund or from any other available money.

Section 4.05. ***Application of Money in the Series 2022B Subaccount of the Revenue Bond Sinking Fund Account.*** Money held in the Series 2022B Subaccount of the Revenue Bond Sinking Fund Account will be applied during each Fiscal Year to the purchase or retirement of 2022B Bonds then Outstanding as follows:

(a) The Trustee shall, at the request of the City, endeavor to purchase and cancel 2022B Bonds or portions thereof subject to redemption by operation of the Series 2022B Subaccount of the Revenue Bond Sinking Fund Account or maturing on the next ensuing July 1 at the most advantageous price readily obtainable with reasonable diligence. The purchase price of each such 2022B Bond shall not exceed par plus accrued interest to the date of purchase. The Trustee shall pay the interest accrued on such 2022B Bonds to the date of settlement therefore from the Series 2022B Subaccount of the Revenue Bond Interest Account and the purchase price from the Series 2022B Subaccount of the Revenue Bond Sinking Fund Account, but no such purchase shall be made by the Trustee from money in the Series 2022B Subaccount of the Revenue Bond Sinking Fund Account within the period of 45 days immediately preceding any July 1 on which such 2022B Bonds are subject to redemption, except from money other than the money set aside in the Series 2022B Subaccount of the Revenue Bond Sinking Fund Account for the redemption of 2022B Bonds. The aggregate purchase price of 2022B Bonds during each Fiscal Year shall not exceed the amount to be deposited in the Series 2022B Subaccount of the Revenue Bond Sinking Fund Account on account of the Sinking Fund Requirement for the

2022B Bonds for such Fiscal Year. If in any Fiscal Year the sum of the amount on deposit in the Series 2022B Subaccount of the Revenue Bond Sinking Fund Account for the payment of any 2022B Bonds and the principal amount of the 2022B Bonds that were purchased during such Fiscal Year pursuant to the provisions of this paragraph (a) or delivered during such Fiscal Year to the Trustee by the City exceeds the Sinking Fund Requirement for the Outstanding 2022B Bonds for such Fiscal Year, the Trustee shall endeavor to purchase Outstanding 2022B Bonds with such excess money;

(b) The Trustee shall call for redemption on July 1 in each Fiscal Year 2022B Bonds in a principal amount equal to the aggregate Sinking Fund Requirement for the 2022B Bonds for such Fiscal Year, less the principal amount of any such 2022B Bonds retired during such Fiscal Year by purchase pursuant to paragraph (a) of this Section or delivered during such Fiscal Year to the Trustee by the City. On each redemption date the Trustee shall withdraw from the Series 2022B Subaccount of the Revenue Bond Sinking Fund Account the amount required to pay the Redemption Price of the 2022B Bonds so called for redemption. The amount of interest on the 2022B Bonds so called for redemption shall be paid from the Series 2022B Subaccount of the Revenue Bond Interest Account. If such date is the stated maturity date of any such 2022B Bonds, the Trustee shall not call such 2022B Bonds for redemption but, on such maturity, shall withdraw the amount required for paying the principal of such 2022B Bonds when due and payable.

If at any date there is money in the Series 2022B Subaccount of the Revenue Bond Sinking Fund Account and no 2022B Bonds are then Outstanding or if on any payment date money remains therein after the mandatory redemption of 2022B Bonds in accordance with the Sinking Fund Requirement therefor, the Trustee shall withdraw such money and shall apply the same as follows: (a) deposit in the Common Reserve Subaccount of the Revenue Bond Reserve Account the amounts, if any, required to be paid thereto in such month pursuant to Section 503(d) of the Order and (b) deliver all remaining amounts to the City.

If the balance in the Series 2022B Subaccount of the Revenue Bond Sinking Fund Account on the 25<sup>th</sup> day of the month next preceding a payment date on which 2022B Bonds are to be redeemed in accordance with the Sinking Fund Requirements therefor is insufficient to satisfy such Sinking Fund Requirement, the Trustee shall transfer to such Subaccount such amounts as may be necessary to remedy the deficiency, drawing on money in the Common Reserve Subaccount of the Revenue Bond Reserve Account.

If, in any Fiscal Year, by the application of money in the Series 2022B Subaccount of the Revenue Bond Sinking Fund Account the Trustee should purchase or receive from the City and cancel 2022B Bonds in excess of the aggregate Sinking Fund Requirements for such Fiscal Year, the Trustee shall file with the City not later than the 20<sup>th</sup> day before the next August 1 a statement identifying the 2022B Bonds purchased or delivered during such Fiscal Year and the amount of such excess. The City shall thereafter cause a certificate of the Finance Director to be filed with the Trustee not later than the 10<sup>th</sup> day before such August 1, setting forth with respect to the amount of such excess the Fiscal Years in which the Sinking Fund Requirements with respect to 2022B Bonds are to be reduced and the amount by which the Sinking Fund Requirements so determined are to be reduced.

On the retirement of any 2022B Bonds by purchase or redemption under the provisions of this Section, the Trustee shall file with the City a statement identifying such 2022B Bonds and setting forth the date of purchase or redemption, the amount of the purchase price or the Redemption Price of such 2022B Bonds, and the amount paid as interest thereon. The expenses incurred in connection with the

purchase or redemption of any such 2022B Bonds shall be paid by the City from the Operating Fund or from any other available money.

Section 4.06. ***Application of Money in the Series 2022B Revenue Bond Redemption Account.***  
The Trustee shall apply money in the Series 2022B Revenue Bond Redemption Subaccount to the purchase or redemption of 2022B Bonds as follows:

(a) Subject to the provisions of paragraph (c) of this Section, at the request of the City, the Trustee shall endeavor to purchase and cancel 2022B Bonds or portions thereof, regardless of whether such 2022B Bonds or portions thereof are then subject to redemption, at the most advantageous price readily obtainable with reasonable diligence, provided that the purchase price of each 2022B Bond shall not exceed the Redemption Price that would be payable on the next redemption date to the Owner of such 2022B Bond under the provisions of this Appendix A if such 2022B Bond or such portion thereof should be called for redemption on such date from the money in the Series 2022B Subaccount of the Revenue Bond Redemption Account. The Trustee shall pay the interest accrued on such 2022B Bonds or portions thereof to the date of settlement from the Series 2022B Subaccount of the Revenue Bond Interest Account and the purchase price from the Series 2022B Subaccount of the Revenue Bond Redemption Account, but no such purchase shall be made by the Trustee from money in the Series 2022B Subaccount of the Revenue Bond Redemption Account within the period of 45 days immediately preceding any Interest Payment Date on which such 2022B Bonds or portions thereof are to be redeemed, except from money other than the money set aside in the Series 2022B Subaccount of the Revenue Bond Redemption Account for the redemption of Bonds.

(b) Subject to the provisions of paragraph (c) of this Section, the Trustee shall call for redemption on a date permitted by this Appendix A such amount of 2022B Bonds or portions thereof as, with the redemption premium, if any, will exhaust the money then held in the Series 2022B Subaccount of the Revenue Bond Redemption Account as nearly as may be. The Trustee shall pay the accrued interest on the Bonds or portions thereof to be redeemed to the date of redemption from the Series 2022B Subaccount of the Revenue Bond Interest Account and the Redemption Price of such 2022B Bonds or portions thereof from the Series 2022B Subaccount of the Revenue Bond Redemption Account. The Trustee shall withdraw from the Series 2022B Subaccount of the Revenue Bond Redemption Account and set aside the respective amounts required to pay the Redemption Price of the 2022B Bonds or portions thereof so called for redemption.

(c) Money in the Series 2022B Subaccount of the Revenue Bond Redemption Account shall be applied by the Trustee in each Fiscal Year to the purchase or the redemption of 2022B Bonds then Outstanding in accordance with the Sinking Fund Requirement.

On the retirement of any 2022B Bonds by purchase or redemption pursuant to the provisions of this Section, the Trustee shall file with the City a statement identifying such 2022B Bonds and setting forth the date of purchase or redemption, the amount of the purchase price or the Redemption Price of such 2022B Bonds and the amount paid as interest thereon. The expense incurred by the Trustee in connection with the purchase or redemption of any such 2022B Bonds shall be paid by the City from the Operating Fund or from any other available money.

Section 4.07. ***Application of Money in Common Reserve Subaccount of the Revenue Bond Reserve Account.***

(a) This Series Resolution is hereby designated a Common Reserve Series Resolution and the 2022 Bonds are hereby designated as being secured by the Common Reserve Subaccount of the Revenue Bond Reserve Account in accordance with and meeting the standards of the 2014 Series Resolution. There will be deposited in the Common Reserve Subaccount of the Revenue Bond Reserve Account an amount as certified by the Finance Director under Section 2.03. The Trustee shall use money deposited in the Common Reserve Subaccount of the Revenue Bond Reserve Account solely for the purpose of paying the principal of and the interest on each Series of Common Reserve Bonds whenever and to the extent that (1) money in the applicable Subaccount of the Revenue Bond Interest Account created with respect to such Series of Common Reserve Bonds is insufficient to pay the interest on such Series of Common Reserve Bonds or (2) money in the applicable Subaccount of the Revenue Bond Principal Account or the applicable Subaccount of the Revenue Bond Sinking Fund Account created with respect to such Series of Common Reserve Bonds is insufficient to pay the principal of such Series of Common Reserve Bonds. With respect to the 2022 Bonds, the Trustee shall withdraw such money in accordance with the order of priorities set forth in Section 4.02, and with respect to any other Series of Common Reserve Bonds, the Trustee shall withdraw such money in accordance with the order of priorities set forth in the corresponding section of the applicable Common Reserve Series Resolution; *provided, however*, if there is insufficient money in the Common Reserve Subaccount of the Revenue Bond Reserve Account to satisfy all deposits required within each subsection of Section 4.02, then any amounts remaining in the Common Reserve Subaccount of the Revenue Bond Reserve Account will be used to satisfy the deposits between each subaccount on a *pro rata* basis in accordance with the Outstanding aggregate principal amount of each corresponding Series of Common Reserve Bonds. If on any Interest Payment Date the amount on deposit in an account of the Common Reserve Subaccount of the Revenue Bond Reserve Account exceeds the Reserve Requirement therefor, the Trustee shall transfer such excess to (1) the applicable Subaccount of the Revenue Bond Interest Account created with respect to each Series of Common Reserve Bonds on a *pro rata* basis based on the Outstanding aggregate principal amount of each corresponding Series of Common Reserve Bonds or (2) as the City otherwise directs as required by the City's arbitrage and tax regulatory agreement executed and delivered in connection with any Series of Common Reserve Bonds.

(b) If the City delivers a Qualified Reserve Fund Substitute to the Trustee in satisfaction of the Reserve Requirement, in whole or in part:

(i) If and to the extent that money on deposit in the Common Reserve Subaccount of the Revenue Bond Reserve Account, plus all amounts on deposit in and credited to the Subaccounts of the Revenue Bond Fund applicable to each Series of Common Reserve Bonds, in excess of the amount of the Qualified Reserve Fund Substitute, is insufficient to pay the amount of principal and interest coming due with respect to any Series of Common Reserve Bonds, then on the later of: (i) one day after receipt by the Qualified Reserve Fund Substitute Provider of a demand for payment (a "*Demand for Payment*"), duly executed by the Trustee certifying that payment due under the Order and any Common Reserve Series Resolution has not been made to the Trustee; or (ii) the payment date of any Series of Common Reserve Bonds as specified in the Demand for Payment presented by the Trustee to the Qualified Reserve Fund Substitute Provider, the Qualified Reserve Fund Substitute Provider will make a deposit of funds in an account with the Trustee sufficient for the payment to the Trustee of amounts which are then due to the Trustee under any such Common Reserve Series Resolution (as specified in the Demand for Payment) up to but not in excess of the coverage, as defined in the Qualified Reserve Fund Substitute.

(ii) The Trustee shall, after submitting to the Qualified Reserve Fund Substitute Provider the Demand for Payment as provided in (i) above, make available to the Qualified Reserve Fund Substitute Provider all records relating to the funds and accounts maintained under this Appendix A and any other Common Reserve Series Resolution.

(iii) The Trustee shall, on receipt of money received from the draw on the Qualified Reserve Fund Substitute, as specified in the Demand for Payment, credit the Common Reserve Subaccount of the Revenue Bond Reserve Account to the extent of money received pursuant to such Demand for Payment.

(iv) The Common Reserve Subaccount of the Revenue Bond Reserve Account is to be replenished in the following priority: (A) principal and interest on the Qualified Reserve Fund Substitute is to be paid from first available Revenues; (B) after all such amounts are paid in full, amounts necessary to fund the Common Reserve Subaccount of the Revenue Bond Reserve Account to the required level, after taking into account the amounts available under the Qualified Reserve Fund Substitute are to be deposited from next available Revenues.

**Section 4.08. *Application of Money in the Series 2022 Additional Facilities Account of the Construction Fund.***

On the filing from time to time with the Trustee of a requisition signed by an authorized representative of the City in the applicable form attached hereto as Exhibit C, accompanied by a voucher or other appropriate documentation as may be required by the Trustee, the Trustee will make or cause to be made disbursements from the Series 2022A Subaccount of the Series 2022 Additional Facilities Account and the Series 2022B Subaccount of the Series 2022 Additional Facilities Account, as indicated on the requisition, for the payment of the applicable Costs of the Projects to be financed with the proceeds of the respective Series of 2022 Bonds, including costs of issuance.

On the completion of the Projects to be financed with the proceeds of the 2022A Bonds, the City will deliver a certificate to the Trustee stating the fact and date of such completion and stating that all of the Costs of the Projects anticipated to be paid by the City from the proceeds of the 2022A Bonds have been paid. On the receipt by the Trustee of such certificate, unless the Trustee receives written direction from the City otherwise, the Trustee will deposit the remaining balance in the Series 2022A Subaccount of the Series 2022 Additional Facilities Account to the Series 2022A Subaccount of the Revenue Bond Interest Account to be applied to the next payment due with respect to the 2022A Bonds.

On the completion of the Projects to be financed with the proceeds of the 2022B Bonds, the City will deliver a certificate to the Trustee stating the fact and date of such completion and stating that all of the Costs of the Projects anticipated to be paid by the City from the proceeds of the 2022B Bonds have been paid. On the receipt by the Trustee of such certificate, unless the Trustee receives written direction from the City otherwise, the Trustee will deposit the remaining balance in the Series 2022B Subaccount of the Series 2022 Additional Facilities Account to the Series 2022B Subaccount of the Revenue Bond Interest Account to be applied to the next payment due with respect to the 2022B Bonds.

**Section 4.09. *Investment of Money.*** Money held for the credit of all subaccounts or accounts established under this Appendix A on deposit with the Trustee are to be continuously invested and reinvested by the Trustee in such Investment Obligations as the City may direct to the extent practicable. Except as otherwise permitted under the Order, any such Investment Obligations shall mature not later than the respective dates when the money held for the credit of such subaccounts or accounts will be required for the purposes intended. No Investment Obligations in any such subaccount or account may mature beyond the maturity date of the applicable series of 2022 Bonds.

The interest accruing on Investment Obligations in the subaccounts established hereunder and any profit or loss realized on the disposition or maturity of such Investment Obligations are to be credited to or charged against the following Funds, accounts and subaccounts, unless otherwise directed by the City:

interest and profit or loss resulting from each of the subaccounts established under Section 4.01 other than the Series 2022A Subaccount of the Series 2022 Additional Facilities Account and the Series 2022B Subaccount of the Series 2022 Additional Facilities Account shall be credited to or charged against the Revenue Fund, and interest and profit or loss resulting from the Series 2022A Subaccount of the Series 2022 Additional Facilities Account and the Series 2022B Subaccount of the Series 2022 Additional Facilities Account shall be credited to or charged against that respective subaccount.

Section 4.10. ***Payment of Principal, Interest and Premium and Pledge of Net Revenues.*** The City covenants that it will promptly pay the principal of and the interest on every 2022 Bond issued under this Appendix A at the places, on the dates and in the manner provided herein and in the 2022 Bonds, and any premium required for the retirement of the 2022 Bonds by purchase or redemption, according to the true intent and meaning thereof. The City represents and covenants that it is duly authorized under the constitution and laws of the State, particularly the Act, to issue the 2022 Bonds authorized hereby and to pledge the Net Revenues in the manner and to the extent herein and in the Order set forth; that all action on its part for the issuance of the 2022 Bonds initially issued hereunder has been duly and effectively taken; and that such 2022 Bonds in the hands of the Owners thereof are and will be valid and binding special obligations of the City according to their terms.

Except to the extent of a lien on Net Revenues from the Airport, the 2022 Bonds are not payable from the general funds of the City and do not constitute a legal or equitable pledge, lien or encumbrance on any of the properties of the City or on any of its income, receipts or revenues, except as provided in this Appendix A and the Order, and neither the credit nor the taxing power of the City are pledged for the payment of the 2022 Bonds, or the City's obligations to comply with any covenant or agreement under this Appendix A or any other agreement entered into by the City pursuant to its authority.

### **SUPPLEMENTAL SERIES RESOLUTIONS**

Section 6.01. ***Supplemental Series Resolutions.*** The Series Resolution and the rights and obligations of the City and the Owners may be modified or amended at the same times, in the same manner and for the same purposes as the Order, but if the modification or amendment affects only one or more of the respective Series of 2022 Bonds, the percentage to be applied under Section 1102 of the Order will be applied only to the affected Series of Outstanding 2022 Bonds.

Notwithstanding anything in the Order or the Series Resolution to the contrary, (1) any initial purchaser, underwriter or remarketing agent holding any 2022 Bonds or another Series of the Bonds issued after the issuance of the 2022 Bonds may, regardless of its intent to sell or distribute such Bonds in the future, consent as the Owner of such Bonds to any amendment or supplemental series resolution as required or permitted by this Article, including any amendment or supplemental series resolution that

adversely affects the interests of other Owners, and (2) any Owner is not entitled to receive, nor is the City required to provide, any prior notice or other documentation regarding such amendment or supplemental series resolution.

On the adoption of any supplemental series resolution pursuant to the provisions of this Section, the Series Resolution will deemed to be modified and amended in accordance therewith, and the respective rights, duties and obligations under the Series Resolution, the Trustee and all Owners will thereafter be determined, exercised and enforced in all respects pursuant to the provisions of the Series Resolution as so modified and amended.

Section 6.02. **2022 Bonds Affected.** For purposes of this Appendix A, 2022 Bonds are “affected” by a supplemental series resolution if the same adversely affects or diminishes the rights of Owners against the City or the rights of the Owners in the security for such 2022 Bonds. The Trustee may in its discretion determine whether any 2022 Bonds would be affected by any supplemental series resolution and any such determination is conclusive on the Owners of all 2022 Bonds, whether theretofore or thereafter authenticated and delivered hereunder. The Trustee is not liable for any such determination made in good faith.

Section 6.03. **Exclusion of 2022 Bonds.** 2022 Bonds owned or held by or for the account of the City shall not be deemed Outstanding 2022 Bonds for the purpose of any consent or other action or any calculation of Outstanding 2022 Bonds provided for in this Article. The City, as Owner of such 2022 Bonds, is not entitled to consent or take any other action provided for in this Article. Section 6.04. **Responsibilities of Trustee and City Under this Article.** The Trustee and the City are entitled to exercise their discretion in determining whether or not any proposed supplemental series resolution or any term or provision therein contained is desirable, after considering the purposes of such instrument, the needs of the City, the rights and interests of the Owners, and the rights, obligations and interests of the Trustee. The Trustee is entitled to receive, and is fully protected in relying on, the opinion of counsel approved by it, who may be bond counsel for the City, as conclusive evidence that any such proposed supplemental series resolution does or does not comply with the provisions of this Appendix A, and that it is or is not proper for it, under the provisions of this Article, to accept such supplemental series resolution.

The City agrees that its undertaking under this Article is intended to be for the benefit of the Owners and the beneficial owners of the 2022 Bonds and is enforceable by the Trustee or by any of them, including an action for specific performance of the City's obligations under this Article, but a failure to comply will not be an event of default under Section 802 of the Order and will not result in acceleration of the payment of the 2022 Bonds. An action must be instituted, had and maintained in the manner provided in this paragraph for the benefit of all of the Owners and beneficial owners of the 2022 Bonds.

The City may modify from time to time, consistent with the Rule, the information provided or the format of the presentation of such information to the extent necessary or appropriate in the judgment of the City, but:

- (1) any such modification may only be made in connection with a change in circumstances that arises from a change in legal requirements, change in law or change in the identity, nature or status of the City;
- (2) the information to be provided, as modified, would have complied with the requirements of the Rule as of the date of the Official Statement, after taking into account any amendments or interpretations of the Rule as well as any changes in circumstances; and
- (3) any such modification does not materially impair the interest of the Owners or the beneficial owners, as determined by the Trustee or Bond Counsel or by the approving vote of the Owners of a majority in Outstanding principal amount of the 2022 Bonds.

Any annual financial information containing modified operating data or financial information must explain, in narrative form, the reasons for the modification and the impact of the change in the type of operating data or financial information being provided.

All documents provided to the MSRB as described above are to be provided in an electronic format as prescribed by the MSRB and accompanied by identifying information as prescribed by the MSRB. The City may discharge its undertaking described above by transmitting those documents or notices in a manner subsequently required by the SEC in lieu of the manner described above.

THE 2022A BONDS ARE SPECIAL OBLIGATIONS OF THE CITY. THE PRINCIPAL OF, PREMIUM, IF ANY, AND INTEREST ON THE 2022A BONDS ARE NOT PAYABLE FROM THE GENERAL FUNDS OF THE CITY, NOR DO THEY CONSTITUTE A LEGAL OR EQUITABLE PLEDGE, CHARGE, LIEN, OR ENCUMBRANCE ON ANY OF ITS PROPERTY OR ON ANY OF ITS INCOME, RECEIPTS, OR REVENUES EXCEPT THE FUNDS WHICH ARE PLEDGED UNDER THE ORDER AND THE SERIES RESOLUTION (HEREINAFTER DEFINED). A book-entry system will be employed, evidencing ownership of the 2022A Bonds in Authorized Denominations (hereinafter defined) with transfers of beneficial ownership effected on the records of DTC and its participants pursuant to rules and procedures established by DTC. Principal of, premium, if any, and interest on this 2022A Bond will be payable to DTC or its nominee as registered owner of the 2022A Bonds by wire transfer in immediately available funds. The City, the Paying Agent, the Bond Registrar and the Trustee are not responsible or liable for maintaining, supervising, or reviewing the records maintained by DTC, its participants or persons acting through such participants.

If (a) DTC determines not to continue to act as securities depository for the 2022A Bonds or (b) the Trustee and the City determine to discontinue the book entry system in accordance with DTC’s rules and the City fails to identify another qualified securities depository to replace DTC, the City will deliver fully registered definitive 2022A Bonds in accordance with DTC’s rules and procedures.

The City, the Paying Agent, the Bond Registrar and the Trustee have no responsibility or obligation with respect to (a) the accuracy of any records maintained by DTC; (b) the payment by DTC of any amount in respect of the principal of and premium, if any, and interest on the 2022A Bonds; (c) the delivery or timeliness of delivery by DTC of any notice which is required or permitted under the terms of the Order and the Series Resolution (hereinafter defined) to be given to Owners; (d) the selection of Owners to receive payments in the event of any partial redemption of the 2022A Bonds; or (e) any consent given or other action taken by DTC, or its nominee.

This 2022A Bond is one of an issue of Bonds designated “*Airport Revenue Bonds, Series 2022A (Non-AMT)*” (the “*2022A Bonds*”) issued under the bond order adopted by the City Council on April 24, 2017 authorizing and securing airport revenue bonds of the City, which restated, supplemented and amended the bond order originally adopted by the City Council on November 18, 1985, as amended and supplemented by Supplemental Bond Order, Number 1 adopted by the City Council on March 22, 2021, and which the City Council may further restate, supplement and amend from time to time (the “*Order*”) and a series resolution related to the 2022 Bonds adopted by the City Council on April 11, 2022 (the “*Series Resolution*”). Unless the context indicates otherwise, all capitalized, undefined terms used herein have the meanings ascribed to them in the Order, the Series Resolution or the Appendix A attached to, and incorporated in, the Series Resolution. The City intends to issue its Airport Revenue Bonds, Series 2022B (AMT) (the “*2022B Bonds*” and collectively with the 2022A Bonds, the “*2022 Bonds*”) and its Airport Revenue Bond Anticipation Note, Series 2022 (the “*2022 Note*”), on or about the time the City issues its 2022A Bonds, under the Order. Under the Order, the City has previously issued several series of Bonds (the “*Existing Bonds*”). The 2022 Bonds, the 2022 Note, the Existing Bonds and any additional Bonds which may be issued under the Order are parity obligations under the Order. The 2022A Bonds are being issued to (1) refinance a portion of the 2021 BAN, (2) further finance Projects, (3) fund a portion of any necessary debt service reserves for the 2022 Bonds, (4) pay capitalized interest on the 2022A Bonds and (5) pay costs of issuing the 2022A Bonds.

The 2022A Bonds, together with interest thereon, are special obligations of the City payable solely from Revenues after payment of the Current Expenses of the Airport and constitute a valid claim of the respective Owners thereof only against the funds and other money held by the Trustee for the benefit of the Owners of the 2022A Bonds, which amounts are pledged and assigned pursuant to the Order for the equal and ratable payment of the 2022A Bonds and will be used for no other purpose than to pay the principal of, premium, if any, and interest on the 2022A Bonds, except as may be otherwise expressly authorized in the Order and the Appendix A.

“*Revenues*,” “*Net Revenues*” and “*Current Expenses*” are defined in the Order. Pursuant to the Order the City has, for the benefit of the Owners of the Bonds, assigned Net Revenues and certain other

rights to the Trustee in trust. Reference is made to the Order and the Series Resolution for a more complete statement of the provisions thereof and of the rights of the City, the Trustee and the Owners of the 2022A Bonds. Copies of the Order and the Series Resolution are on file and may be inspected at the designated office of the Trustee in Charlotte, North Carolina. By the purchase and acceptance of this 2022A Bond, the Owner hereof signifies assent to all of the provisions of the aforementioned documents.

This 2022A Bond is issued and the Order and Series Resolution were made and entered into under and pursuant to the constitution and laws of the State, and particularly in conformity with the provisions, restrictions and limitations of General Statutes of North Carolina Section 159-80 *et seq.*, as amended.

This 2022A Bond is exchangeable on the presentation and surrender hereof at the designated corporate trust office of the Bond Registrar for the 2022A Bonds in Authorized Denominations. On surrender for registration of transfer, duly endorsed for transfer or accompanied by an assignment duly executed by the Owner hereof or his or her attorney duly authorized in writing, the Bond Registrar will authenticate and deliver in the name of the transferee or transferees a new fully registered 2022A Bond. The Bond Registrar may require the payment by any Owner requesting registration of transfer or exchange of 2022A Bonds of any tax, fee or other governmental charge required to be paid with respect to such registration of transfer or exchange. The Bond Registrar is not required to register the transfer of or exchange any 2022A Bonds selected, called or being called for redemption in whole or in part. The person in whose name this 2022A Bond is registered will be deemed and regarded as the absolute owner hereof for all purposes, and payment of this 2022A Bond will be made only to or on the written order of the Owner hereof to his or her legal representative. All such payments will be valid and effectual to satisfy and discharge this 2022A Bond to the extent of the sum or sums paid.

The 2022A Bonds maturing on or after July 1, 20\_\_ may be redeemed before their maturities, at the option of the City, from any funds that may be available for such purpose, either in whole or in part on any date beginning on or after \_\_\_\_\_, at the redemption price, equal to the principal amount of 2022A Bonds to be redeemed, together with accrued interest thereon to the date fixed for redemption, plus premium of \_\_\_\_\_.

The 2022A Bonds are subject to optional redemption by the City, in whole or in part on any date at a redemption price equal to the principal amount thereof, without premium, plus accrued interest to the date of redemption, on instructions from the City, from the Net Proceeds of insurance or Eminent Domain which are deposited in the Series 2022A Subaccount of the Revenue Bond Redemption Account.

The 2022A Bonds maturing on July 1, 20\_\_ are subject to mandatory sinking fund redemption in part without premium on each July 1 in the following amount of the Sinking Fund Requirement per year at a redemption price equal to the amount of 2022A Bonds to be redeemed plus accrued interest thereon to the redemption date and without premium:

<u>YEAR</u>	<u>AMOUNT</u>	<u>YEAR</u>	<u>AMOUNT</u>
-------------	---------------	-------------	---------------

\_\_\_\_\_  
\* Maturity

The 2022A Bonds maturing on July 1, 20\_\_ are subject to mandatory sinking fund redemption in part without premium on each July 1 in the following amount of the Sinking Fund Requirement per year at a redemption price equal to the amount of 2022A Bonds to be redeemed plus accrued interest thereon to the redemption date and without premium:

<u>YEAR</u>	<u>AMOUNT</u>	<u>YEAR</u>	<u>AMOUNT</u>
* Maturity			

Notice of redemption will be given by the Trustee not less than 30 days nor more than 60 days before the Redemption Date (1) to the LGC by Mail, electronic or facsimile transmission, (2)(a) to DTC or its nominee by registered or certified mail at the address provided to the Trustee by DTC or as otherwise permitted by DTC's rules and procedures or (b) if DTC or its nominee is no longer the Owner of the 2022A Bonds, by Mail to the then-registered Owners of 2022A Bonds to be redeemed at the last address shown on the registration books kept by the Bond Registrar and (3) to the Municipal Securities Rulemaking Board (the "MSRB") in an electronic format as prescribed by the MSRB.

Such notice must (1) specify the 2022A Bonds to be redeemed, the redemption date, the redemption price and the place or places where amounts due on such redemption must be payable (which must be the designated office of the Bond Registrar) and if less than all of the 2022A Bonds are to be redeemed, the numbers of the 2022A Bonds and the portions of 2022A Bonds to be redeemed, and (2) state that on the redemption date, the 2022A Bonds to be redeemed will cease to bear interest. If at the time of mailing of notice of redemption there is not on deposit with the Trustee money sufficient to redeem the 2022A Bonds called for redemption, which money is or will be available for redemption of the 2022A Bonds, such notice will state that it is conditional on the deposit of the redemption money with the Trustee not later than the opening of business on the redemption date. Any notice, once given, may be withdrawn by notice delivered in the manner set forth above, on receipt by the Trustee of written instructions from the City with respect to such withdrawal.

Failure to provide such notice to any Owner or any defect therein will not affect the validity of any proceedings for such redemption as to any other Owner to whom such notice was properly given. Failure to provide such notice to the LGC or the MSRB as provided above will not affect the validity of any proceedings for such redemption.

If money is on deposit with the Trustee to pay the redemption price of such 2022 Bonds called for redemption including premium, if any, thereon on a redemption date, such 2022 Bonds or portions thereof so called for redemption as hereinabove specified will not bear interest after such redemption date and will not be considered to be Outstanding or to have any other rights under the Order other than the right to receive payment. No payment of principal will be made by the Trustee on any 2022 Bonds or portions thereof called for redemption until such 2022 Bonds or portions thereof have been delivered for payment or cancellation or the Bond Registrar has received the items required by Section 210 of the Order with respect to any mutilated, lost, stolen or destroyed 2022 Bonds.

In the case of any partial redemption of 2022A Bonds, the City will select the 2022A Bonds and the maturity or maturities of the 2022A Bonds to be redeemed and DTC will select the 2022A Bonds within the same maturity pursuant to its rules and procedures or, if the book-entry system with DTC or any other securities depository has been discontinued, the Bond Registrar will select the 2022A Bonds to be redeemed by lot in such manner as the Bond Registrar in its discretion may deem proper.

If a 2022A Bond subject to redemption is in a denomination larger than the minimum Authorized Denomination, a portion of such 2022A Bond may be redeemed, but only in a principal amount such that the unredeemed portion of such 2022A Bond is equal to an Authorized Denomination. For any 2022A Bond in a denomination of more than the minimum Authorized Denomination, the Trustee shall treat each such 2022A Bond as representing a single 2022A Bond in the minimum Authorized Denomination plus that number of 2022A Bonds that is obtained by dividing the remaining principal amount of such 2022A Bond by the minimum Authorized Denomination.

If it is determined that one or more, but not all, of the Authorized Denominations of principal amount represented by any 2022A Bond is to be called for redemption, then, on written notice of intention to redeem such Authorized Denominations of principal amount of such 2022A Bond, the Owner of such 2022A Bond, on surrender of such 2022A Bond to the Bond Registrar for payment of the principal amount of such 2022A Bond, will be entitled to receive new 2022A Bonds in the aggregate principal amount of the unredeemed balance of the principal amount of such 2022A Bond. New 2022A Bonds representing the unredeemed balance of the principal amount of such 2022A Bonds will be issued to the Owner thereof.

If the Owner of any 2022A Bond of a denomination greater than the amount being redeemed fails to present such 2022A Bond to the Bond Registrar for payment and exchange as aforesaid, such 2022A Bond will, nevertheless, become due and payable on the date fixed for redemption to the extent of the denomination being redeemed and to that extent only.

The Order permits amendment thereto on the agreement of the City and the Trustee and with the approval of not less than 51% in aggregate principal amount of the Bonds then Outstanding under the Order. The Order also contains provisions permitting the City and the Trustee to enter into amendments to the Order without the consent of the Owners of the Bonds then Outstanding for certain purposes.

The Series Resolution permits amendment thereto on the agreement of the City and the Trustee and with the approval of not less than 51% in aggregate principal amount of the 2022A Bonds then Outstanding. Appendix A also contains provisions permitting the City and the Trustee to enter into amendments to Appendix A without the consent of the Owners of the 2022A Bonds then Outstanding for certain purposes.

Any consent or request by the Owner of this 2022A Bond is conclusive and binding on such Owner and on all future Owners of this 2022A Bond and of any 2022A Bond issued on the transfer of this 2022A Bond whether or not notation of such consent or request is made on this 2022A Bond.

This 2022A Bond is issued with the intent that the laws of the State of North Carolina shall govern its legality, validity, enforceability and construction.

All acts, conditions and things required to happen, exist and be performed precedent to and in the issuance of this 2022A Bond and the adoption of the Order and the Series Resolution have happened, existed and have been performed as so required.

This Bond is not valid or does not become obligatory for any purpose or be entitled to any benefit or security under the Order until it has been authenticated by the execution by the Bond Registrar of the certificate of authentication endorsed hereon.

Both principal and interest and any premium on the redemption before the maturity of all or part hereof are payable in lawful coin or currency of the United States of America and (except for interest which is payable by check or draft as stated above) are payable at the designated corporate trust office of the Bond Registrar in Charlotte, North Carolina.*

THE 2022B BONDS ARE SPECIAL OBLIGATIONS OF THE CITY. THE PRINCIPAL OF, PREMIUM, IF ANY, AND INTEREST ON THE 2022B BONDS ARE NOT PAYABLE FROM THE GENERAL FUNDS OF THE CITY, NOR DO THEY CONSTITUTE A LEGAL OR EQUITABLE PLEDGE, CHARGE, LIEN, OR ENCUMBRANCE ON ANY OF ITS PROPERTY OR ON ANY OF ITS INCOME, RECEIPTS, OR REVENUES EXCEPT THE FUNDS WHICH ARE PLEDGED UNDER THE ORDER AND THE SERIES RESOLUTION (HEREINAFTER DEFINED). NEITHER THE CREDIT NOR THE TAXING POWER OF THE STATE OR THE CITY ARE PLEDGED FOR THE PAYMENT OF THE PRINCIPAL OF, PREMIUM, IF ANY, OR INTEREST ON THE 2022B BONDS, AND NO OWNER OF THIS 2022B BOND HAS THE RIGHT TO COMPEL THE EXERCISE OF THE TAXING POWER BY THE STATE OR THE CITY OR THE FORFEITURE OF ANY OF ITS PROPERTY IN CONNECTION WITH ANY DEFAULT.

The 2022B Bonds will be initially delivered by means of a book-entry system with no physical distribution of definitive 2022B Bonds made to the public. One definitive 2022B Bond for each maturity

EXH B-1

will be delivered to The Depository Trust Company, New York, New York (“DTC”), and immobilized in its custody. A book-entry system will be employed, evidencing ownership of the 2022B Bonds in Authorized Denominations (hereinafter defined) with transfers of beneficial ownership effected on the records of DTC and its participants pursuant to rules and procedures established by DTC. Principal of, premium, if any, and interest on this 2022B Bond will be payable to DTC or its nominee as registered owner of the 2022B Bonds by wire transfer in immediately available funds. The City, the Paying Agent, the Bond Registrar and the Trustee are not responsible or liable for maintaining, supervising, or reviewing the records maintained by DTC, its participants or persons acting through such participants.

If (a) DTC determines not to continue to act as securities depository for the 2022B Bonds or (b) the Trustee and the City determine to discontinue the book entry system in accordance with DTC’s rules and the City fails to identify another qualified securities depository to replace DTC, the City will deliver fully registered definitive 2022B Bonds in accordance with DTC’s rules and procedures.

The City, the Paying Agent, the Bond Registrar and the Trustee have no responsibility or obligation with respect to (a) the accuracy of any records maintained by DTC; (b) the payment by DTC of any amount in respect of the principal of and premium, if any, and interest on the 2022B Bonds; (c) the delivery or timeliness of delivery by DTC of any notice which is required or permitted under the terms of the Order and the Series Resolution (hereinafter defined) to be given to Owners; (d) the selection of Owners to receive payments in the event of any partial redemption of the 2022B Bonds; or (e) any consent given or other action taken by DTC, or its nominee.

This 2022B Bond is one of an issue of Bonds designated “*Airport Revenue Bonds, Series 2022B (AMT)*” (the “*2022B Bonds*”) issued under the bond order adopted by the City Council on April 24, 2017 authorizing and securing airport revenue bonds of the City, which restated, supplemented and amended the bond order originally adopted by the City Council on November 18, 1985, as amended and supplemented by Supplemental Bond Order, Number 1 adopted by the City Council on March 22, 2021, and which the City Council may further restate, supplement and amend from time to time (the “*Order*”) and a series resolution related to the 2022 Bonds adopted by the City Council on April 11, 2022 (the “*Series Resolution*”). Unless the context indicates otherwise, all capitalized, undefined terms used herein have the meanings ascribed to them in the Order, the Series Resolution or the Appendix A attached to, and incorporated in, the Series Resolution. The City intends to issue its Airport Revenue Bonds, Series 2022A (Non-AMT) (the “*2022A Bonds*” and collectively with the 2022B Bonds, the “*2022 Bonds*”) and its Airport Revenue Bond Anticipation Note, Series 2022 (the “*2022 Note*”), on or about the time the City issues its 2022B Bonds, under the Order. Under the Order, the City has previously issued several series of Bonds (the “*Existing Bonds*”). The 2022 Bonds, the 2022 Note, the Existing Bonds and any additional Bonds which may be issued under the Order are parity obligations under the Order. The 2022B Bonds are being issued to (1) refinance a portion of the 2021 BAN, (2) further finance Projects, (3) fund a portion of any necessary debt service reserves for the 2022 Bonds, (4) pay capitalized interest on the 2022B Bonds and (5) pay costs of issuing the 2022B Bonds.

The 2022B Bonds, together with interest thereon, are special obligations of the City payable solely from Revenues after payment of the Current Expenses of the Airport and constitute a valid claim of the respective Owners thereof only against the funds and other money held by the Trustee for the benefit of the Owners of the 2022B Bonds, which amounts are pledged and assigned pursuant to the Order for the equal and ratable payment of the 2022B Bonds and will be used for no other purpose than to pay the principal of, premium, if any, and interest on the 2022B Bonds, except as may be otherwise expressly authorized in the Order and the Appendix A.

“*Revenues*,” “*Net Revenues*” and “*Current Expenses*” are defined in the Order. Pursuant to the Order the City has, for the benefit of the Owners of the Bonds, assigned Net Revenues and certain other

rights to the Trustee in trust. Reference is made to the Order and the Series Resolution for a more complete statement of the provisions thereof and of the rights of the City, the Trustee and the Owners of the 2022B Bonds. Copies of the Order and the Series Resolution are on file and may be inspected at the designated office of the Trustee in Charlotte, North Carolina. By the purchase and acceptance of this 2022B Bond, the Owner hereof signifies assent to all of the provisions of the aforementioned documents.

This 2022B Bond is issued and the Order and Series Resolution were made and entered into under and pursuant to the constitution and laws of the State, and particularly in conformity with the provisions, restrictions and limitations of General Statutes of North Carolina Section 159-80 *et seq.*, as amended.

This 2022B Bond is exchangeable on the presentation and surrender hereof at the designated corporate trust office of the Bond Registrar for the 2022B Bonds in Authorized Denominations. On surrender for registration of transfer, duly endorsed for transfer or accompanied by an assignment duly executed by the Owner hereof or his or her attorney duly authorized in writing, the Bond Registrar will authenticate and deliver in the name of the transferee or transferees a new fully registered 2022B Bond. The Bond Registrar may require the payment by any Owner requesting registration of transfer or exchange of 2022B Bonds of any tax, fee or other governmental charge required to be paid with respect to such registration of transfer or exchange. The Bond Registrar is not required to register the transfer of or exchange any 2022B Bonds selected, called or being called for redemption in whole or in part. The person in whose name this 2022B Bond is registered will be deemed and regarded as the absolute owner hereof for all purposes, and payment of this 2022B Bond will be made only to or on the written order of the Owner hereof to his or her legal representative. All such payments will be valid and effectual to satisfy and discharge this Bond to the extent of the sum or sums paid.

The 2022B Bonds maturing on or after July 1, 20\_\_ may be redeemed before their maturities, at the option of the City, from any funds that may be available for such purpose, either in whole or in part on any date beginning on or after \_\_\_\_\_, at the redemption price, equal to the principal amount of 2022B Bonds to be redeemed, together with accrued interest thereon to the date fixed for redemption, plus premium of \_\_\_\_\_.

The 2022B Bonds are subject to optional redemption by the City, in whole or in part on any date at a redemption price equal to the principal amount thereof, without premium, plus accrued interest to the date of redemption, on instructions from the City, from the Net Proceeds of insurance or Eminent Domain which are deposited in the Series 2022B Subaccount of the Revenue Bond Redemption Account.

The 2022B Bonds maturing on July 1, 20\_\_ are subject to mandatory sinking fund redemption in part without premium on each July 1 in the following amount of the Sinking Fund Requirement per year at a redemption price equal to the amount of 2022B Bonds to be redeemed plus accrued interest thereon to the redemption date and without premium:

<u>YEAR</u>	<u>AMOUNT</u>	<u>YEAR</u>	<u>AMOUNT</u>

The 2022B Bonds maturing on July 1, 20\_\_ are subject to mandatory sinking fund redemption in part without premium on each July 1 in the following amount of the Sinking Fund Requirement per year at a redemption price equal to the amount of 2022B Bonds to be redeemed plus accrued interest thereon to the redemption date and without premium:

<u>YEAR</u>	<u>AMOUNT</u>	<u>YEAR</u>	<u>AMOUNT</u>
* Maturity			

Notice of redemption will be given by the Trustee not less than 30 days nor more than 60 days before the Redemption Date (1) to the LGC by Mail, electronic or facsimile transmission, (2)(a) to DTC or its nominee by registered or certified mail at the address provided to the Trustee by DTC or as otherwise permitted by DTC's rules and procedures or (b) if DTC or its nominee is no longer the Owner of the 2022B Bonds, by Mail to the then-registered Owners of 2022B Bonds to be redeemed at the last address shown on the registration books kept by the Bond Registrar and (3) to the Municipal Securities Rulemaking Board (the "MSRB") in an electronic format as prescribed by the MSRB.

Such notice must (1) specify the 2022B Bonds to be redeemed, the redemption date, the redemption price and the place or places where amounts due on such redemption must be payable (which must be the designated office of the Bond Registrar) and if less than all of the 2022B Bonds are to be redeemed, the numbers of the 2022B Bonds and the portions of 2022B Bonds to be redeemed, and (2) state that on the redemption date, the 2022B Bonds to be redeemed will cease to bear interest. If at the time of mailing of notice of redemption there is not on deposit with the Trustee money sufficient to redeem the 2022B Bonds called for redemption, which money is or will be available for redemption of the 2022B Bonds, such notice will state that it is conditional on the deposit of the redemption money with the Trustee not later than the opening of business on the redemption date. Any notice, once given, may be withdrawn by notice delivered in the manner set forth above, on receipt by the Trustee of written instructions from the City with respect to such withdrawal.

Failure to provide such notice to any Owner or any defect therein will not affect the validity of any proceedings for such redemption as to any other Owner to whom such notice was properly given. Failure to provide such notice to the LGC or the MSRB as provided above will not affect the validity of any proceedings for such redemption.

If money is on deposit with the Trustee to pay the Redemption Price of the 2022B Bonds called for redemption including premium, if any, thereon on a Redemption Date, 2022B Bonds or portions thereof so called for redemption as hereinabove specified will not bear interest after such Redemption Date and will not be considered to be Outstanding or to have any other rights under the Order other than the right to receive payment. No payment of principal will be made by the Bond Registrar on any 2022B Bonds or portions thereof called for redemption until such 2022B Bonds or portions thereof have been delivered for payment or cancellation or the Bond Registrar has received the items required by the Order with respect to any mutilated, lost, stolen or destroyed 2022B Bonds.

In the case of any partial redemption of 2022B Bonds, the City will select the 2022B Bonds and the maturity or maturities of the 2022B Bonds to be redeemed and DTC will select the 2022B Bonds within the same maturity pursuant to its rules and procedures or, if the book-entry system with DTC or any other securities depository has been discontinued, the Bond Registrar will select the 2022B Bonds to be redeemed by lot in such manner as the Bond Registrar in its discretion may deem proper.

If a 2022B Bond subject to redemption is in a denomination larger than the minimum Authorized Denomination, a portion of such 2022B Bond may be redeemed, but only in a principal amount such that the unredeemed portion of such 2022B Bond is equal to an Authorized Denomination. For any 2022B Bond in a denomination of more than the minimum Authorized Denomination, the Trustee shall treat each such 2022B Bond as representing a single 2022B Bond in the minimum Authorized Denomination plus that number of 2022B Bonds that is obtained by dividing the remaining principal amount of such 2022B Bond by the minimum Authorized Denomination.

If it is determined that one or more, but not all, of the Authorized Denominations of principal amount represented by any 2022B Bond is to be called for redemption, then, on written notice of intention to redeem such Authorized Denominations of principal amount of such 2022B Bond, the Owner of such 2022B Bond, on surrender of such 2022B Bond to the Bond Registrar for payment of the principal amount of such 2022B Bond, will be entitled to receive new 2022B Bonds in the aggregate principal amount of the unredeemed balance of the principal amount of such 2022B Bond. New 2022B Bonds representing the unredeemed balance of the principal amount of such 2022B Bonds will be issued to the Owner thereof.

If the Owner of any 2022B Bond of a denomination greater than the amount being redeemed fails to present such 2022B Bond to the Bond Registrar for payment and exchange as aforesaid, such 2022B Bond will, nevertheless, become due and payable on the date fixed for redemption to the extent of the denomination being redeemed and to that extent only.

The Order permits amendment thereto on the agreement of the City and the Trustee and with the approval of not less than 51% in aggregate principal amount of the Bonds then Outstanding under the Order. The Order also contains provisions permitting the City and the Trustee to enter into amendments to the Order without the consent of the Owners of the Bonds then Outstanding for certain purposes.

The Series Resolution permits amendment thereto on the agreement of the City and the Trustee and with the approval of not less than 51% in aggregate principal amount of the 2022B Bonds then Outstanding. Appendix A also contains provisions permitting the City and the Trustee to enter into amendments to Appendix A without the consent of the Owners of the 2022B Bonds then Outstanding for certain purposes.

Any consent or request by the Owner of this 2022B Bond is conclusive and binding on such Owner and on all future Owners of this 2022B Bond and of any 2022B Bond issued on the transfer of this 2022B Bond whether or not notation of such consent or request is made on this 2022B Bond.

**WHEREAS**, the City is empowered, under the constitution and laws of the State of North Carolina (the “*State*”), particularly The State and Local Government Revenue Bond Act (Article 5 of Chapter 159 of the General Statutes of North Carolina), as the same may be amended from time to time (the “*Act*”), to issue its revenue bonds and notes for the purpose of financing airport facilities and refunding prior bonds issued for such purposes;

**WHEREAS**, the City Council of the City (the “*City Council*”) on April 24, 2017 adopted a bond order authorizing and securing airport revenue bonds of the City, which restated, supplemented and amended the bond order originally adopted by the City Council on November 18, 1985, as amended and supplemented by Supplemental Bond Order, Number 1 adopted by the City Council on March 22, 2021, and which the City Council may further restate, supplement and amend from time to time (the “*Order*”);

**WHEREAS**, the City has proceeded with financing some of the Projects on an interim basis from the proceeds of bond anticipation notes, including the City of Charlotte, North Carolina Airport Revenue Bond Anticipation Note, Series 2021 (the “*2021 BAN*”);

### AUTHORIZATION, FORM, ISSUANCE, DELIVERY AND REGISTRATION OF NOTE

Section 2.01. *Authorization of Financing and Authorization of the Note.* The financing and refinancing of the Projects and the other uses of proceeds set forth in the Series Resolution are hereby authorized, approved and confirmed. The Note is hereby authorized, approved and confirmed and will be issued, under and pursuant to the constitution and the laws of the State, including the Act, the Order, the Series Resolution and this Appendix A in the amount and subject to the conditions herein provided for the purposes described in Section 2 of the Series Resolution. No Note may be issued under the provisions of this Appendix A and the Order except in accordance with this Article. The total principal amount of the Note that may be issued is hereby expressly limited to the Stated Principal Amount, except as provided in Sections 204 and 210 of the Order.

Section 2.02. *Issuance of the Note.* The Note will be designated “City of Charlotte, North Carolina Airport Revenue Bond Anticipation Note, Series 2022.” The Note will be issuable as fully registered note in any Authorized Denomination. The Note will be numbered R-1. The Note will be substantially in the form set forth in Exhibit A with such appropriate variations, omissions and insertions as are permitted or required by this Appendix A.

Section 2.03. *Delivery of the Note.* The Note will be deposited with the Bond Registrar for authentication, but before the Note may be authenticated and delivered by the Bond Registrar to the State Treasurer for redelivery to the Purchaser, there must be filed with the Trustee the following:

- (a) a copy, certified by the City Clerk, of the Order;
- (b) a copy, certified by the City Clerk, of the Series Resolution adopted by the City Council for the Note;

(c) a copy, certified by the Secretary or any Deputy Secretary of the Local Government Commission, of the resolution of the Local Government Commission approving the issuance of and awarding the Note;

(d) evidence of compliance with the provisions of Section 716 of the Bond Order;  
and

(e) such other documents as are required to be delivered to the Trustee under the Note Purchase Agreement in connection with the issuance of the Note.

When the documents mentioned in this Section have been filed with the Trustee and when the Note has been executed and authenticated as required by the Order and Series Resolution, the Trustee shall deliver the Note to the State Treasurer for redelivery to or on the order of the Purchaser, but only on payment to the Trustee of the Initial Advance under the Note, all as further set forth in the Note Purchase Agreement. The Trustee is entitled to rely on the resolutions and certificates mentioned in this Section as to all matters stated therein.

**Section 2.04. *Details of the Note; Payment.***

(a) The Note will mature, subject to prepayment as set forth herein, on June 2, 2028 and will bear interest at the Interest Rate. Interest payable on the Note shall be determined based on the Principal Amount of the Note. Interest payable on the Note shall be calculated on the basis of the actual number of days elapsed in a 365/366 day year as the case may be. The amount of interest payable on each Interest Payment Date shall be calculated by the Purchaser in accordance with the Note Purchase Agreement and confirmed by the Trustee. Interest on the Note will be payable in arrears.

In the event a Taxable Date occurs, the City hereby agrees to pay to the Owner, as and when interest is otherwise due and payable (A) an amount equal to the difference between (1) the amount of interest paid to the Owner on the Note during the period in which interest on the Note is includable in the gross income of the Owner beginning on the Taxable Date and (2) the amount of interest that would have been paid to the Owner during such Taxable Period had the Note borne the Taxable Rate, and (B) an amount equal to any interest, penalties or charges owed by the Owner as a result of interest on the Note becoming includable in the gross income of the Owner, together with any and all reasonable attorneys' fees, court costs, or other out of pocket costs incurred by the Owner in connection therewith. The City will also pay such other amounts required by the Note Purchase Agreement.

The Note will bear interest during the Term Loan Period at the Term Loan Rate.

Notwithstanding the foregoing provisions of this section, on the occurrence and continuation of a Default Event under the Purchase Agreement with respect to the Note, from and after the effective date of such Default Event, the interest rate on the Note will be established at all times equal to the Default Rate, such rate not to exceed the Maximum Interest Rate.

(b) Both the principal of and the interest on the Note are payable in any lawful coin or currency of the United States of America which on the respective dates of payment thereof is legal tender for the payment of public and private debts. The Note shall bear interest from its date until its principal sum has been paid, but if such Note has matured or has been called for prepayment and the Prepayment Date has occurred and funds are available for the payment thereof in full in accordance with the terms of the Order, such Note shall then cease to bear

interest as of the maturity date or Prepayment Date, as applicable. The Note will be dated as of its date of issuance, except that a Note issued in exchange for or on the registration of transfer of the Note will be dated as of the Interest Payment Date next preceding the date of authentication thereof, unless (1) the date of such authentication precedes the first Interest Payment Date, in which case it will be dated as of the date of the initial issuance of the Note or (2) the date of such authentication is an Interest Payment Date to which interest on the Note has been paid in full or duly provided for in accordance with the terms of this Appendix A, in which case it will be dated as of such Interest Payment Date; except that if, as shown by the records of the Bond Registrar, interest on the Note is in default, the Note executed and delivered in exchange for or on registration of transfer of the Note will be dated as of the date to which interest on the Note has been paid in full. If no interest has been paid on the Note, the Note executed and delivered in exchange for or on the registration of transfer of the Note will be dated as of the initial issuance of the Note.

(c) The Note is payable at the designated corporate trust office of the Bond Registrar without the need for presentation and surrender of the Note, except at maturity or prepayment in whole. Interest on the Note will be paid by the Bond Registrar by check or draft mailed on the Interest Payment Date to the Owner as its name and address appear on the registration books kept by the Bond Registrar at the close of business on the Record Date. At the written request of the Owner, principal and interest may be payable by wire transfer at the address specified in writing by the Owner to the Bond Registrar by the Record Date. CUSIP number identification, if such is assigned to the Note, with appropriate dollar amounts for the CUSIP number shall accompany all payments of principal of, premium, if any, and interest on the Note, whether by check or by wire transfer. Notwithstanding the foregoing, so long as the Owner of the Note is the Purchaser, all amounts due under the Note will be paid and will be payable in accordance with the Note Purchase Agreement.

(d) U.S. Bank Trust Company, National Association, Charlotte, North Carolina, is hereby appointed as Bond Registrar and Paying Agent with respect to the Note.

Section 2.05. ***Arbitrage and Tax Covenants.*** The City covenants that it will not take or permit, or omit to take or cause to be taken, any action that would adversely affect the exclusion from federal income taxation of the interest on the Note and, if it should take or permit, or omit to take or cause to be taken, any such action, the City will take or cause to be taken all lawful actions within its power necessary to rescind or correct such actions or omissions promptly upon having knowledge thereof. The City acknowledges that the continued exclusion of interest on the Note from an Owner's gross income for federal income tax purposes depends, in part, on compliance with the arbitrage limitations imposed by Section 148 of the Code. The City covenants that it will comply with all the requirements of Section 148 of the Code, including the rebate requirements, and that it will not permit at any time any of the proceeds of the Note or other funds under their control to be used, directly or indirectly, to acquire any asset or obligation, the acquisition of which would cause the Note to be "*arbitrage bonds*" for purposes of Section 148 of the Code.

Section 2.06. ***Restriction on Transfer of the Note.*** This Note may only be in an Authorized Denomination and may not be transferred other than to (a) an affiliate of the Purchaser, (b) a trust or custodial arrangement established by the purchaser or one of its affiliates, the owners of the beneficial interests in which are limited to qualified institutional buyers, or (c) to a person that is a qualified institutional buyer that is a commercial bank having a combined capital and surplus, determined as of the date of any transfer pursuant to this section, of \$5,000,000,000 or more that has executed and delivered to the City an investor letter in the form of Exhibit A to the Note Purchase Agreement. In no event shall the Note be transferred to any person or entity who holds the Note for the benefit of a person or entity that is

not a qualified institutional buyer or as part of a pool of assets in which persons that are not qualified institutional buyers may invest, such as a mutual fund or retirement plan.

The Bond Registrar will have no obligation to pay any amounts due on the Note to anyone other than the Owner of the Note as shown on the registration books kept by the Bond Registrar.

### ARTICLE III.

#### PREPAYMENT OF THE NOTE

Section 3.01. ***Privilege of Prepayment and Prepayment Price.*** The Note is prepayable, on notice as provided below, at the times, at the prepayment prices and on the terms contained in this Article III and in Article III of the Order.

Section 3.02. ***Optional Prepayment of the Note.*** The City may prepay the Note, either in whole or in part, on any Business Day at a prepayment price equal to 100% of the principal amount thereof, without premium, plus the accrued interest thereon to the Prepayment Date.

Section 3.03. ***Mandatory Prepayment of the Note.*** The City shall prepay the Note in whole on the Full Funding Date at a prepayment price equal to 100% of the principal amount thereof, without premium, plus the accrued interest thereon to the Prepayment Date. If the Note is eligible for the Amortization Period under Section 3(c) of the Note Purchase Agreement, however, then the City will not be required to prepay the Note on the Full Funding Date and the Note will continue to be Outstanding and will be prepaid during the Amortization Period as set forth in Section 3(c) of the Note Purchase Agreement. If the City provides to the Purchaser and the Trustee written notice by noon on the Full Funding Date of its intent to repay the Note pursuant to the terms of Section 3(c) of the Note Purchase Agreement, accompanied by a certificate signed by the Finance Officer to the effect that the City is, as of the Full Funding Date, in compliance with all conditions set forth in Section 3(c) of the Note Purchase Agreement, then the Note shall be deemed eligible for the Amortization Period under Section 3(c) of the Note Purchase Agreement.

Section 3.04. ***Notice of Prepayment.*** The City will provide written notice to the Trustee of the optional prepayment of the Note not less than 35 days (or such lesser number of days as the Trustee may accept), and notice of such prepayment under Section 3.02 will be given by the Trustee not less than 30 days (or such lesser period of time as may be agreed to by the Owner of the Note) before the Prepayment Date (1) to the Local Government Commission by Mail or electronic transmission, and (2) by Mail or by such other means as may be permitted by the Owner to the then-registered Owner of the Note at the last address shown on the registration books kept by the Bond Registrar. During the Amortization Period, notice of prepayment will be given in accordance with Section 3(c) of the Note Purchase Agreement.

Such notice must (1) specify the Prepayment Date, the prepayment price and the place or places where amounts due on such prepayment must be payable and if less than all of the Note is to be prepaid, the portion of the Note to be prepaid, and (2) state that on the Prepayment Date, the Note or portion thereof to be prepaid will cease to bear interest. The notice of prepayment may state that it is conditional on the deposit of the prepayment money with the Trustee not later than the Prepayment Date, and such notice will be of no effect unless such money is so deposited.

If the Owner provides the City and the Trustee with a pay-off letter for the proposed Prepayment Date, then no prepayment notice is required under this section.

Failure to provide such notice to the Local Government Commission will not affect the validity of any proceedings for such prepayment.

If money is on deposit with the Trustee to pay the prepayment price of the Note, or portion thereof, called for prepayment on a Prepayment Date, the Note or portion thereof so called for prepayment as hereinabove specified will not bear interest after such Prepayment Date and will not be considered to be Outstanding or to have any other rights under the Order other than the right to receive payment.

Section 3.05. ***Payment of Prepayment Price.*** The City will cause to be deposited in the Series 2022 Note Subaccount of the Revenue Bond Redemption Account, solely out of Net Revenues, an amount sufficient to pay the principal of and interest on the Note, or portion thereof, to be prepaid on the Prepayment Date, and the Note, or portion thereof, will be deemed to be paid within the meaning of Section 305 of the Order.

Section 3.06. ***Record of Prepayment.*** The Trustee will record any prepayments of the Note on the Table of Partial Prepayment attached to the Note (or otherwise kept on the Trustee's official books and records, which may be electronic records).

Section 3.07. ***No Partial Prepayment After Default.*** Anything in this Appendix A to the contrary notwithstanding, if an Event of Default occurs and is continuing hereunder there will be no prepayment of less than all of the Note Outstanding

(b) subject to subsection (c) below, beginning on the 25<sup>th</sup> day of the month before the mandatory prepayment of the Note, into the Series 2022 Note Subaccount of the Revenue Bond Principal Account an amount, after taking into account money transferred from the PFC Revenue Account or otherwise deposited therein by the City, to have funds on hand to pay in full the principal amount of the Note then Outstanding at maturity; and

(c) if the Note is eligible to be paid during the Amortization Period, then during the Amortization Period, into the Series 2022 Note Subaccount of the Revenue Bond Sinking Fund Account, an amount in substantially equal monthly installments necessary, after taking into account money transferred from the PFC Revenue Account or otherwise deposited therein by the City, to prepay the portion of the Note required to be called by mandatory prepayment on the next payment date therefor as required pursuant to Section 3.03 of this Appendix A.

In each month following a month in which the Trustee has failed to make any deposit required by this Section, the City shall pay, but only from Net Revenues, and the Trustee shall deposit, in addition to the amounts then due, an amount sufficient to cure the deficiency in the deposits in the prior months unless such deficiency has been cured by a transfer of money to such fund or account from other funds and accounts created hereby, pursuant to the terms of this Appendix A.

Section 4.03. ***Application of Money in the Series 2022 Note Subaccount of the Revenue Bond Sinking Fund Account.*** On each mandatory prepayment date during the Amortization Period as required under Section 3.03, the Trustee shall withdraw from the Series 2022 Note Subaccount of the Revenue Bond Sinking Fund Account the amount required to pay the principal portion of the prepayment price of the portion of the Note so called for prepayment. The amount of interest on the Note so called for prepayment shall be paid from the Series 2022 Note Subaccount of the Revenue Bond Interest Account.

If at any date there is money in the Series 2022 Note Subaccount of the Revenue Bond Sinking Fund Account and no portion of the Note is then Outstanding, the Trustee shall withdraw such money and deliver all remaining amounts to the City.

If, in any Fiscal Year, the City shall prepay a portion of the Note in excess of the aggregate principal amount of the Note required to be prepaid under Section 3.03 during such Fiscal Year, then the Trustee shall file with the City not later than the 20<sup>th</sup> day before the next August 1 a statement identifying the amount of such excess. The City shall thereafter cause a certificate of the Finance Officer to be filed with the Trustee and the Purchaser not later than the 10<sup>th</sup> day before such August 1, setting forth with respect to the amount of such excess the Fiscal Years in which the sinking fund payments due under Section 3.03 with respect to Note are to be reduced and the amount by which such payments are to be reduced.

The expenses incurred in connection with any prepayment of the Note shall be paid by the City from the Operating Fund or from any other available money.

Section 4.04. ***Application of Money in the Series 2022 Note Revenue Bond Redemption Account.*** From the money in the Series 2022 Note Revenue Bond Redemption Subaccount, the Trustee shall, on a date permitted by this Appendix A, prepay the Note or such portion thereof as will exhaust the money then held in the Series 2022 Note Subaccount of the Revenue Bond Redemption Account as nearly as may be. The Trustee shall pay the accrued interest on the Note or such portion thereof to be prepaid to

the date of prepayment from the Series 2022 Note Subaccount of the Revenue Bond Interest Account and the principal portion of the prepayment price of the Note or such portion thereof from the Series 2022 Note Subaccount of the Revenue Bond Redemption Account. The Trustee shall withdraw from the Series 2022 Note Subaccount of the Revenue Bond Redemption Account and set aside the respective amounts required to pay the principal portion of the prepayment price of the Note or such portion thereof so called for prepayment.

On the prepayment of the Note or a portion thereof pursuant to the provisions of this Section, the Trustee shall file with the City a statement setting forth the date of prepayment, the amount of the prepayment price of the Note or such portion called for prepayment, and the amount paid as interest thereon. The expense incurred by the Trustee in connection with the purchase or prepayment of any such Note shall be paid by the City from the Operating Fund or from any other available money.

Section 4.05. ***Advance of Note Proceeds.*** The City and the Trustee acknowledge and agree that prior to the earliest to occur of (a) the date when the sum of the aggregate Advances made hereunder equals the Stated Principal Amount, (b) the date on which the Purchaser's obligation to make Advances under the Note Purchase Agreement terminates (as reflected in a written notice delivered by the Purchaser to the City and the Trustee) or (c) the Full Funding Date (the "*Advance Termination Date*"), the proceeds of the Note will be disbursed in installments through the making of Advances by the Purchaser in accordance with the Note Purchase Agreement. The date and amount of each Advance shall be noted on the Table of Advances attached to the Note (or otherwise kept on the Trustee's official books and records, which may be electronic records); *provided* that the failure to record any such Advance on the Table of Advances shall not affect the Principal Amount due. In no event may the total amount of all Advances exceed the Stated Principal Amount. Following the Advance Termination Date, no additional Advances may be made. On the Advance Termination Date, the positive difference, if any, between the Stated Principal Amount and the aggregate principal amount of all Advances made under the Note Purchase Agreement shall be deemed to have been prepaid automatically and without any further notice or act by the Trustee, the City or any other Person. Any such automatic prepayment of principal shall not be taken into consideration in determining the Principal Amount of the Note and shall not be recorded on the Table of Partial Prepayment attached to the Note.

Section 4.06. ***Application of Note Proceeds.***

(a) On the date the Note is issued, the Purchaser will provide an Advance in an amount determined by the City in accordance with the Note Purchase Agreement and Trustee shall deposit such amounts in the Series 2022 Note Additional Facilities Account.

(b) The Proceeds from each subsequent Advance will be deposited by the Purchaser with the Trustee, and the Trustee shall deposit such amounts in the Series 2022 Note Additional Facilities Account or, if such Proceeds are to be used to be capitalized interest, the Series 2022 Subaccount of the Revenue Bond Interest Account, as applicable.

On the completion of the Projects to be financed with the proceeds of the Note, the City will deliver a certificate to the Trustee stating the fact and date of such completion and stating that all of the Costs of the Projects anticipated to be paid by the City from the proceeds of the Note have been paid. On

the receipt by the Trustee of such certificate, unless the Trustee receives written direction from the City otherwise, the Trustee will deposit the remaining balance in the Series 2022 Note Additional Facilities Account to the Series 2022 Note Subaccount of the Revenue Bond Interest Account to be applied to the next payment due with respect to the Note.

Section 4.07. ***Investment of Money.*** Money held for the credit of all subaccounts or accounts established under this Appendix A on deposit with the Trustee are to be continuously invested and reinvested by the Trustee in such Investment Obligations as the City may direct to the extent practicable. Any such Investment Obligations shall mature not later than the respective dates when the money held for the credit of such subaccounts or accounts will be required for the purposes intended.

The interest accruing on Investment Obligations in the subaccounts established hereunder and any profit or loss realized on the disposition or maturity of such Investment Obligations are to be credited to or charged against the following Funds, accounts and subaccounts: interest and profit or loss resulting from each of the subaccounts established under Section 4.01 other than the Series 2022 Note Additional Facilities Account shall be credited to or charged against the Revenue Fund, and interest and profit or loss resulting from the Series 2022 Note Additional Facilities Account shall be credited to or charged against that subaccount.

Section 4.08. ***Payment of Principal and Interest and Pledge of Net Revenues.*** The City covenants that it will promptly pay the principal of and the interest on the Note at the places, on the dates and in the manner provided herein, in the Note and in the Note Purchase Agreement, according to the true intent and meaning thereof. The City represents and covenants that it is duly authorized under the constitution and laws of the State, particularly the Act, to issue the Note authorized hereby and to pledge the Net Revenues in the manner and to the extent herein and in the Order set forth; that all action on its part for the issuance of the Note initially issued hereunder has been duly and effectively taken; and that such Note in the hands of the Owners thereof are and will be valid and binding special obligations of the City according to their terms.

Except to the extent of a lien on Net Revenues from the Airport, the Note is not payable from the general funds of the City and does not constitute a legal or equitable pledge, lien or encumbrance on any of the properties of the City or on any of its income, receipts or revenues, except as provided in this Appendix A and the Order, and neither the credit nor the taxing power of the City is pledged for the payment of the Note, or the City's obligations to comply with any covenant or agreement under this Appendix A or any other agreement entered into by the City pursuant to its authority. The Note is being issued in anticipation of the issuance of revenue bonds that the City expects to issue before the Full Funding Date, the proceeds of which are expected to be used to pay all or a portion of the principal of and interest on the Note on or before the Full Funding Date. As such, the Note is further secured by a pledge, charge, and lien on the proceeds of the revenue bonds in anticipation of the sale of which the Note is issued, if and when issued under the Order.
