Any Subrecipient that fails to submit a request for reimbursement for the first two quarters of agreement fiscal year by January 31 or the last two quarters by July 31 will forfeit its ability to receive reimbursement for those periods.
iii. All payments issued by the Department will be on a reimbursable basis unless the Subrecipient requests and the Department approves an advance payment.

iv. Supporting documentation for proof of payment may be requested.

c. **Subrecipient Funds.** Prior to reimbursement, the Subrecipient shall provide the Department with proof that the Subrecipient has met its proportionate share of project costs from sources other than FTA or the Department. Any costs for work not eligible for Federal and State participation shall be financed one hundred percent (100%) by the Subrecipient.

d. **Operating Expenditures.** In order to assist in financing the operating costs of the project, the Department shall reimburse the Subrecipient for the lesser of the following when providing operating assistance:

   ii. The percentage specified in the Approved Project Budget of the allowable total operating expenditures which shall be determined by available funding.

vi. Satisfactorily documented.

vii. Treated uniformly and consistently under accounting principles and procedures approved or prescribed by the Department.

iv. Any cost ineligible for FTA participation as provided by applicable Federal or State laws, regulations, or directives.

h. **Final Allowability Determination.** The subrecipient understands and agrees that payment to the subrecipient on any Project cost does not constitute the Federal or State Government’s final decision about whether that cost is allowable and eligible for payment and does not constitute a waiver of any violation by the subrecipient of the terms of this Agreement. The subrecipient acknowledges that the Federal or State Government will not make a final determination about
the allowability and eligibility of any cost until an audit of the Project has been completed. If the Federal or State Government determines that the subrecipient is not entitled to receive any portion of the Federal or State assistance the subrecipient has requested or provided, the Department will notify the Subrecipient in writing, stating its reasons. The Subrecipient agrees that Project closeout will not alter the Subrecipient’s responsibility to return any funds due the Federal or State Government as a result of later refunds, corrections, or other transactions; nor will Project closeout alter the Federal or State Government’s right to disallow costs and recover funds on the basis of a later audit or other review. Unless prohibited by Federal or State law or regulation, the Federal or State Government may recover any Federal or State assistance funds made available for the Project as necessary to satisfy any outstanding monetary claims that the Federal or State Government may have against the Subrecipient.

i. **Federal or State Claims, Excess Payments, Disallowed Costs, Including Interest.**

   ii. **Interest Paid to the Department.** The Subrecipient agrees to remit to the Department interest owed as determined in accordance with NCGS § 147-86.23.

   iii. **Interest and Fees Paid on Federal Funds.** For amounts owed by the Subrecipient to the Federal Government, whether for excess payments of Federal assistance, disallowed costs, or funds recovered from third parties or elsewhere, the Subrecipient agrees to remit to the Federal Government promptly the amounts owed, including applicable interest, penalties and administrative charges as established by the Federal Transit Authority Master Agreement with NCDOT.

j. **De-obligation of Funds.** The Subrecipient agrees that the Department may de-obligate unexpended Federal and State funds for grants that are inactive for six months or more.
k. **Project Closeout.** Project closeout occurs when the Department issues the final project payment or acknowledges that the Subrecipient has remitted the proper refund. The Subrecipient agrees that Project closeout by the Department does not invalidate any continuing requirements imposed by this Agreement.

7. **Accounting Records**

a. **Establishment and Maintenance of Accounting Records.** The Subrecipient shall establish and maintain separate accounts for the public transportation program, either independently or within the existing accounting system. All costs charged to the program shall be in accordance with most current approved Project Budget and shall be reported to the Department in accordance with NCDOT Uniform Public Transportation Accounting System (UPTAS) guide.

a. **Progress Reports.** The Subrecipient shall advise the Department, through EBS, regarding the progress of the Project at a minimum quarterly, and at such time and in such a manner as the Department may require. Such reporting and documentation may include, but not be limited to: operating statistics, equipment usage, meetings, progress reports, and monthly performance reports. The Subrecipient shall collect and submit to the Department such financial statements, data, records, contracts, and other documents related to the Project as may be deemed necessary by the Department. Reports shall include narrative and financial statements of sufficient substance to be in conformance with the reporting requirements of the Department. Progress reports throughout the useful life of the project equipment shall be used, in part, to document utilization of the project equipment. Failure to fully utilize the project equipment in the manner directed by the Department shall constitute a breach of contract, and after written notification by the Department, may result in termination of the Agreement or any such remedy as the Department deems appropriate.

b. Failure to comply with grant reporting and compliance guidelines set forth in the NCDOT PTD State Management Plan could result in financial penalties up to and including loss of current and future grant funding.

c. **Record Retention.** The Subrecipient and its third party subrecipients shall retain all records pertaining to this Project for a period of five (5) years from the date
of final payment to the Subrecipient, or until all audit exceptions have been resolved, whichever is longer.

d. **Project Closeout.** The Subrecipient agrees that Project closeout does not alter the reporting and record retention requirements of this Agreement.

e. **State Auditor Oversight.** The Subrecipient agrees to audit oversight by the Office of the State Auditor, to provide the Office of the State Auditor with access to accounting records, and to make available any audit work papers in the possession of any auditor of the Subrecipient.

f. **Financial Reporting and Audit Requirements.** In accordance with 09 NCAC 03M.0205, all reports shall be filed with the Department in the format and method specified by the agency no later than three (3) months after the end of the recipient’s fiscal year, unless the same information is already required through more frequent reporting. Audit Reports must be provided to the funding agency no later than nine (9) months after the end of the recipient’s fiscal year.

g. **Parts Inventory.** Financial audits must address parts inventory management.

h. **Third Party Loans.** Within 30 days of receipt, the Subrecipient shall disclose to the Department any loans received from a local government entity or other entity not party to this agreement.

i. **Audit Costs.** Unless prohibited by law, the costs of audits made in accordance with Title 2 CFR 200, Subpart F “Audit Requirements” are allowable charges to State and Federal awards. The charges may be considered a direct cost or an allocated indirect cost, as determined in accordance with cost principles outlined in Title 2 CFR 200, Subpart E “Cost Principles.” The cost of any audit not conducted in accordance with Title 2 CFR 200 and NCGS§ 159-34 is unallowable and shall not be charged to State or Federal grants.

9. **Compliance with Laws and Regulations**

   a. No terms herein shall be construed in a manner that conflicts with the rules and regulations of the Department or with state or federal law.

   b. The Subrecipient agrees to comply with all applicable state and federal laws and regulations, including titles 09 NCAC 3M and 19A NCAC 5B, as amended.

10. **Conflicts of Interest Policy**
The subrecipient agrees to file with the Department a copy of the subrecipient’s policy addressing conflicts of interest that may arise involving the subrecipient’s management employees and the members of its board of directors or other governing body. The subrecipient’s policy shall address situations in which any of these individuals may directly or indirectly benefit, except as the subrecipient’s employees or members of its board or other governing body, from the subrecipient’s disbursing of State funds, and shall include actions to be taken by the subrecipient or the individual, or both, to avoid conflicts of interest and the appearance of impropriety. The conflicts of interest policy shall be filed with the Department prior to the Department disbursing funds to the subrecipient.

**Prohibition on Bonus or Commission Payments**

The Subrecipient affirms that it has not paid and will not pay any bonus or commission to any party to obtain approval of its Federal or State assistance application for the Project.

11. **Tax Compliance Certification**

The Subrecipient shall complete and submit to the Department a sworn written statement pursuant to NCGS 143C-6-23®, stating that the Subrecipient does not have any overdue tax debts, as defined by GS 105-243.1, at the Federal, State, or local level. The Subrecipient acknowledges that the written statement must be submitted to the Department prior to execution of this Agreement and disbursement of funds. The certification will be incorporated into this Agreement as Attachment B.

12. **Assignment**

   **a.** Unless otherwise authorized in writing by the Department, the Subrecipient shall not assign any portion of the work to be performed under this Agreement, or execute any contract, amendment, or change order thereto, or obligate itself in any manner with any third party with respect to its rights and responsibilities under this Agreement without the prior written concurrence of the Department.

   **b.** The Subrecipient agrees to incorporate the terms of this agreement and any applicable State or Federal requirements into written third-party contracts, sub-agreements, and leases, and to take the appropriate measures necessary to ensure that all Project participants comply with applicable Federal and State laws, regulations, and directives affecting their performance, except to the extent the Department determines otherwise in writing.

13. **Hold Harmless.**

   Except as prohibited or otherwise limited by law, the Subrecipient agrees to indemnify, save, and hold harmless the Department, the State of North Carolina and the United
States of America and its officers, agents, and employees acting within the scope of their official duties against any liability, including costs and expenses, resulting from any willful or intentional violation by the Subrecipient of proprietary rights, copyrights, or right of privacy, arising out of the publication, translation, reproduction, delivery, use, or disposition of any data furnished under the Project.

14. **Real Property, Equipment, and Supplies.**

Federal or State Interest. The Subrecipient understands and agrees that the Federal or State Government retains an interest in any real property, equipment, and supplies financed with Federal or State assistance (Project property) until, and to the extent, that the Federal or State Government relinquishes its Federal or State interest in that Project property. With respect to any Project property financed with Federal or State assistance under this Agreement, the Subrecipient agrees to comply with the following provisions, except to the extent FTA or the Department determines otherwise in writing:

a. **Use of Project Property.** The Subrecipient agrees to maintain continuing control of the use of Project property. The Subrecipient agrees to use Project property for appropriate Project purposes (which may include joint development purposes that generate program income, both during and after the award period and used to support public transportation activities) for the duration of the useful life of that property, as required by FTA or the Department. Should the Subrecipient unreasonably delay or fail to use Project property during the useful life of that property, the Subrecipient agrees that it may be required to return the entire amount of the Federal and State assistance expended on that property. The Subrecipient further agrees to notify the Department immediately when any Project property is withdrawn from Project use or when any Project property is used in a manner substantially different from the representations the Subrecipient has made in its Application or in the Project Description for this Agreement for the Project. In turn, the Department shall be responsible for notifying FTA.

b. **Maintenance and Inspection of Vehicles.** The Subrecipient shall maintain vehicles at a high level of cleanliness, safety, and mechanical soundness in accordance with the minimum maintenance requirements recommended by the manufacturer and comply with the Department’s State Management Plan (“SMP”). The Subrecipient shall register all vehicle maintenance activities into the Department’s Asset Management System (AssetWorks) or an electronic version of same. The Department shall conduct frequent inspections to confirm proper maintenance pursuant to this subsection and the SMP. The Subrecipient shall collect and submit to the Department at such time and in such manner as it may require information for the purpose of the Department’s Asset Management System (AssetWorks) and the Transit Asset Maintenance (“TAM”) Plan.

c. **Maintenance and Inspection of Facilities and Equipment.** The Subrecipient shall maintain any Project facility, including any and all equipment installed into or added on to the facility as part of the Project, in good operating order and at a high level of cleanliness, safety and mechanical soundness in accordance with good facility
maintenance and upkeep practices and in accordance with the minimum maintenance requirements recommended by the manufacturer for all equipment installed in or added to the facility as part of the Project. Such maintenance shall be in compliance with applicable Federal and state regulations or directives that may be issued, except to the extent that the Department determines otherwise in writing. The Subrecipient shall document its maintenance program in a written plan. The Department shall conduct inspections as it deems necessary to confirm proper maintenance on the part of the Subrecipient pursuant to this subsection and SMP. Such inspections may or may not be scheduled ahead of time but will be conducted such that they shall not significantly interfere with the ongoing and necessary functions for which the Project was designed. The Subrecipient shall make every effort to accommodate such inspections by the Department in accordance with the Department’s desired schedule for such inspections.

d. The Subrecipient shall collect and submit to the Department at such time and in such manner as the Department may require information for the purpose of updating the TAM Plan Inventory and any and all other reports the Department deems necessary. The Subrecipient shall also maintain and make available to the Department upon its demand all documents, policies, procedures, purchase orders, bills of sale, internal work orders and similar items that demonstrate the Subrecipient’s maintenance of the facility in good operating order and at a high level of cleanliness, safety and mechanical soundness.

e. Incidental Use. The Subrecipient agrees that any incidental use of Project property will not exceed that permitted under applicable laws, regulations, and directives.

f. Title to Vehicles. The Certificate of Title to all vehicles purchased under the Approved Budget for this Project shall be in the name of the Subrecipient. The Department’s Public Transportation Division shall be recorded on the Certificate of Title as first lien-holder. In the event of project termination or breach of contract provisions, the Subrecipient shall, upon written notification by the Department, surrender Project equipment and/or transfer the Certificate(s) of Title for Project equipment to the Department or the Department’s designee within 30 days of request.

g. Encumbrance of Project Property. The Subrecipient agrees to maintain satisfactory continuing control of Project property as follows:

(1) Written Transactions. The Subrecipient agrees that it will not execute any transfer of title, lease, lien, pledge, mortgage, encumbrance, third party contract, subagreement, grant anticipation note, alienation, innovative finance arrangement (such as a cross border lease, leveraged lease, or otherwise), or any other obligation pertaining to Project property, that in any way would affect the continuing Federal and State interest in that Project property.
(2) **Oral Transactions.** The Subrecipient agrees that it will not obligate itself in any manner to any third party with respect to Project property.

(3) **Other Actions.** The Subrecipient agrees that it will not take any action adversely affecting the Federal and State interest in or impair the Subrecipient’s continuing control of the use of Project property.

h. **Alternative Use, Transfer, and Disposition of Project Property.** The Subrecipient understands and agrees any alternative uses, transfers, or disposition of project property must be approved by the Department and done in accordance with Departmental procedures.

i. **Insurance Proceeds.** If the Subrecipient receives insurance proceeds as a result of damage or destruction to the Project property, the Subrecipient agrees to:

1. Apply those insurance proceeds to the cost of replacing the damaged or destroyed Project property taken out of service, or

2. Return to the Department an amount equal to the remaining Federal and State interest in the damaged or destroyed Project property.

j. **Misused or Damaged Project Property.** If any damage to Project property results from abuse or misuse occurring with the Subrecipient’s knowledge and consent, the Subrecipient agrees to restore the Project property to its original condition or refund the value of the Federal and State interest in that property, as the Department may require.

k. **Responsibilities after Project Closeout.** The Subrecipient agrees that Project closeout by the Department will not change the Subrecipient’s Project property management responsibilities, and as may be set forth in subsequent Federal and State laws, regulations, and directives, except to the extent the Department determines otherwise in writing.

15. **Insurance**

The Subrecipient shall be responsible for protecting the state and/or federal financial interest in the facility construction/renovation and equipment purchased under this Agreement throughout the useful life. The Subrecipient shall provide, as frequently and in such manner as the Department may require, written documentation that the facility and equipment are insured against loss in an amount equal to or greater than the state and/or federal share of the real value of the facility or equipment. Failure of the Subrecipient to provide adequate insurance shall be considered a breach of contract and, after notification may result in termination of this Agreement. In addition, other insurance requirements may apply. The Subrecipient agrees to comply with the insurance requirements normally imposed by North Carolina State and local laws, regulations, and ordinances, except to the extent that the Department determines otherwise in writing.
16. **Termination**

a. Either party may terminate the Agreement by providing 60 days written notice to the other party, or as otherwise permitted by law.

b. Should the Subrecipient terminate the Agreement without the concurrence of the Department, the Subrecipient shall reimburse the Department one hundred percent (100%) of all costs expended by the Department and associated with the work.

17. **Additional Repayment Requirements and Remedies**

a. The repayment requirements and remedies addressed in this Paragraph are in addition to those repayment requirements and other remedies set forth elsewhere in this Agreement, including the requirements to repay unspent funds. No remedy conferred or reserved by or to the Department is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy provided for in this Agreement, or now or hereinafter existing at law, in equity, or by statute, and any such right or power may be exercised from time to time and as often as may be deemed expedient.

b. If there is a breach of any of the requirements, covenants or agreements in this Agreement (including, without limitation, any reporting requirements), or if there are any representations or warranties which are untrue as to a material fact in this Agreement or in relation to the Project (including the performance thereof), the Subrecipient agrees that the Department may require repayment from the Subrecipient of an amount of funds to be determined in the Department’s sole discretion but not to exceed the amount of funds the Subrecipient has already received under this Agreement.

18. **Civil Rights and Equal Opportunity**

Under this Agreement, the Subrecipient shall at all times comply with the requirements included as part of this agreement in the Federal Terms and Conditions.

19. **Choice of Law and Venue**

This agreement is to be interpreted according to the laws of the State of North Carolina. The Parties hereby agree that the proper venue for any claims filed as a result of this Agreement shall be the Superior Court of Wake County, North Carolina.

20. **Severability**
If any provision of the FTA Master Agreement or this Agreement for the Project is determined invalid, the remainder of that Agreement shall not be affected if that remainder would continue to conform to the requirements of applicable Federal or State laws or regulations.

21. Incorporated Terms and Conditions

In addition to the Terms and Conditions contained in this agreement and the terms and conditions included in the grant application, which are hereby incorporated by reference, additional terms and conditions incorporated by reference into this agreement are checked below.

In addition to other penalties that
may be applicable, the Subrecipient further acknowledges that if it makes, or causes to be made, a false, fictitious, or fraudulent claim, statement, submission, or certification, the Federal Government reserves the right to impose the penalties of the Program Fraud Civil Remedies Act of 1986 on the Subrecipient to the extent the Federal Government deems appropriate.

The Subrecipient also acknowledges that if it makes, or causes to be made, a false, fictitious, or fraudulent claim, statement, submission, or certification to the Federal Government under a contract connected with a project that is financed in whole or in part with Federal assistance originally awarded by FTA under the authority of 49 USC chapter 53, the Government reserves the right to impose the penalties of 18 USC § 1001 and 49 USC § 5323(l) on the Subrecipient, to the extent the Federal Government deems appropriate.

The Subrecipient agrees to include the above two clauses in each subcontract financed in whole or in part with Federal assistance provided by FTA. It is further agreed that the clauses shall not be modified, except to identify the subcontractor who will be subject to the provisions.

2. Race, Color, Religion, National Origin, Sex. The Subrecipient agrees to take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, color, religion, national origin, or sex (including sexual orientation and gender identity). Such action shall include, but not be limited to, the following: employment, promotion, demotion or transfer, recruitment or recruitment advertising, layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. In addition, the Subrecipient agrees to comply with any implementing requirements FTA may issue.

In addition, the Subrecipient agrees to comply with any implementing requirements FTA may issue.

Disadvantaged Business Enterprises. It is the policy of the North Carolina Department of Transportation that Disadvantaged Business Enterprises (DBEs) as defined in 49 CFR Part 26 shall have the equal opportunity to compete fairly for and to participate in the performance of contracts financed in whole or in part by Federal Funds. The Subrecipient is also encouraged to give every opportunity to allow DBE participation in Supplemental Agreements. The Subrecipient, subconsultant, and subcontractor shall not discriminate on the basis of race, religion, color, national origin, age, disability or sex in the performance of this contract. The Subrecipient shall comply with applicable requirements of 49 CFR Part 26 in the award and administration of federally assisted contracts. Failure by the Subrecipient to comply with these requirements is a material breach of this
contract, which will result in the termination of this contract or such other remedy, as the Department deems necessary.

When payments are made to Disadvantaged Business Enterprise (DBE) Subrecipients, including material suppliers, Subrecipients at all levels (Subrecipient, Subconsultant or Subrecipient) shall provide the Contract Administrator with an accounting of said payments. The accounting shall be listed on the Department’s Subrecipient Payment Information Form (Form DBE-IS). In the event the Subrecipient has no DBE participation, the Subrecipient shall indicate this on the Form DBE-IS by entering the word ‘None’ or the number ‘zero’ and the form shall be signed. A responsible fiscal officer of the payee Subrecipient, subconsultant or Subrecipient who can attest to the date and amounts of the payments shall certify that the accounting is correct. A copy of an acceptable report may be obtained from the Department of Transportation. This information shall be submitted as part of the requests for payments made to the Department.

**Prompt payment provisions.** When a subcontractor has performed in accordance with the provisions of his contract, the contractor shall pay to his subcontractor and each subcontractor shall pay to his subcontractor, within seven days of receipt by the contractor or subcontractor of each periodic or final payment, the full amount received for such subcontractor’s work and materials based on work completed or service provided under the subcontract NCGS §22C-1.

**Incorporation of FTA Terms.** Provisions of this Agreement include, in part, certain standard terms and conditions required by the U.S. DOT. All contractual provisions required by the U.S. DOT, as set forth in FTA Circular 4220.1, as amended, are incorporated by reference. Anything to the contrary herein notwithstanding, all FTA-mandated terms shall be deemed to control in the event of a conflict with other provisions contained in this Agreement. The Subrecipient shall not perform any act, fail to perform any act, or refuse to comply with any Department request, which would cause the Department to be in violation of FTA terms and conditions, as referenced in the current FTA Master Agreement shall prevail and be the instrument governing the receipt of Federal assistance from the Federal Transit Administration.

**Energy Conservation.** The Subrecipient agrees to comply with mandatory standards and policies relating to energy efficiency, which are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act.

**Debarment, Suspension, Ineligibility and Voluntary Exclusion.** The Subrecipient shall comply and facilitate compliance with U.S. DOT regulations, “Non-procurement Suspension and Debarment,” 2 CFR part 1200, which adopts and supplements the U.S. Office of Management and Budget (U.S. OMB) “Guidelines to Agencies on Government-wide Debarment and Suspension (Non-procurement),” 2 CFR part 180. As such, the Subrecipient shall verify that its principals, affiliates, and subcontractors are eligible to

By signing and submitting this Agreement, Subrecipient certifies as follows:

The certification in this clause is a material representation of fact relied upon by the Department. If it is later determined by the Department that the Subrecipient knowingly rendered an erroneous certification, in addition to remedies available to the Department, the Federal Government may pursue available remedies, including but not limited to suspension and/or debarment. The Subrecipient agrees to comply with the requirements of 2 CFR part 180, subpart C, as supplemented by 2 CFR part 1200, throughout the period of this Agreement. The Subrecipient further agrees to include a provision requiring such compliance in its lower tier covered transactions. These provisions apply to each contract at any tier of $25,000 or more, and to each contract at any tier for a federally required audit (irrespective of the contract amount), and to each contract at any tier that must be approved by an FTA official irrespective of the contract amount.

The CMAQ funds may support capital expenses and, as discussed in Section VII.A.2, of the Interim Program Guidance up to five years of operating assistance to administer and manage new or expanded TDM programs. Marketing and outreach efforts to expand use of TDM measures may be funded indefinitely, but only if they are broken out as distinct line items. The City shall periodically audit the revenues for consistency with Subrecipient’s Application.

   7.5. Employment Taxes and Employee Benefits. Subrecipient acknowledges and agrees that its employees and subcontractors are not employees of the City. Subrecipient represents, warrants, and covenants that it will pay all withholding tax, social security, Medicare, unemployment tax, worker’s compensation and other payments and deductions which are required by law in connection with the Project.

8. **Period of Performance.** This Agreement shall commence upon the Effective Date, unless specific written authorization from the City to the contrary is received.    Subrecipient shall maintain all data, documents, reports, records, books, contracts, and supporting materials and such other evidence as may be appropriate to substantiate costs incurred under this Agreement. Further, Subrecipient shall make such materials available at its office at all reasonable times during the Agreement period, and for three (3) years from the date of final payment under this Agreement, for inspection and audit by the City or the FTA. In the event of litigation or settlement of claims arising from the performance of this Contract, Subrecipient agrees to maintain same until all such litigation, appeals, claims or exceptions related thereto have been disposed of.

11. **Representations and Warranties of Subrecipient.** Subrecipient represents and covenants that:

   11.1. Subrecipient has the qualifications, skills and experience necessary to perform the Project described or referenced in Exhibit A.

   11.2. The Project shall be performed in accordance with all requirements set forth in this Agreement, including but not limited to Exhibits A.

   11.3. Neither the Project, nor any Deliverables provided by Subrecipient under this Agreement, will infringe or misappropriate any patent, copyright, trademark, trade secret or other intellectual property rights of any third party. Subrecipient shall not violate any non-compete agreement or any other agreement with any third party by entering into or performing this Agreement.
11.4. Subrecipient affirms that it has not retained any party other than a bona-fide employee working for Subrecipient to solicit this Agreement, and that it has not paid or agreed to pay any outside party consideration in any form contingent upon securing this Agreement. The City shall have the right to terminate this Agreement for cause for any breach of this warranty.

11.5. In connection with its obligations under this Agreement, Subrecipient shall comply with all applicable federal, state, and local laws and regulations and shall obtain all applicable permits and licenses.

11.6. Subrecipient warrants that it has all the requisite power and authority to execute, deliver and perform its obligations under this Agreement, including but not limited to paying Subrecipient’s Share of the Project Costs, as described in Section 6 of this Agreement.

12. Termination of Agreement.

12.1 Termination for Convenience. The City, upon thirty (30) days written notice, may terminate this Agreement in whole or in part, when it is in the interest of the City. If this Agreement is terminated, the City shall be liable only for payments under the payment provisions of this Agreement for services rendered and costs incurred before the effective date of termination.

12.2 Termination for Funding Withdrawal. The City may terminate this Agreement immediately on written notice to Subrecipient if at any time the FTA for any reason does not award further Grant Funds for Section 5303 Programs to the City. Subrecipient shall be paid under the payment provisions of this Agreement for any services rendered and costs incurred prior to the effective date of such termination.

12.3 Termination for Default. If Subrecipient fails to perform the services within the time specified in this Agreement or any extension or if Subrecipient fails to comply with other provisions of this Agreement, the City may, subject to the cure provision in Section 12.4, terminate this Agreement for default. The City shall terminate by delivering a Notice of Termination to Subrecipient specifying the nature of the default. Subrecipient shall only be paid for services performed and costs incurred in accordance with the manner or performance set forth in this Agreement.

12.4 Opportunity to Cure. The City shall, in the case of a termination for default, provide Subrecipient seven (7) business days in which to cure the defect. In such case, the notice of termination will state the time period in which cure is permitted and other appropriate conditions. If Subrecipient fails to remedy to the City's reasonable satisfaction the breach or default of any of the terms, covenants, or conditions of this Agreement within seven (7) business days after receipt of the City's notice, the City shall have the right to terminate the Agreement without any further obligation to Subrecipient, except for payment in the manner or performance set forth in this Agreement for services rendered and costs incurred prior to such termination. Any such termination for default shall not in any way preclude the City from also pursuing all available remedies against Subrecipient and its sureties for said breach or default.

12.5 Waiver of Remedies for Breach. In the event the City elects to waive its remedies for any breach by Subrecipient of any covenant, term or condition of this Agreement, such waiver by the City shall not limit the remedies for any succeeding breach of that or of any other term, covenant, or condition of this Agreement.

12.6 Obligations upon Expiration or Termination. Upon expiration or termination of this Agreement, Subrecipient shall promptly provide the City with a written statement describing in detail the status of the Project as of the date of termination, including an invoice documenting all Project Costs as of the date of termination. Termination of this Agreement shall not relieve
Subrecipient of the obligation to file any monthly, quarterly, or annual reports nor relieve Subrecipient from any claim for reimbursement of Grant Funds previously accrued or then accruing against Subrecipient.

13. **Relationship of the Parties.** The relationship of the parties established by this Agreement is the City as recipient and Subrecipient as the subrecipient of federal grant funds as defined by the FTA. With the exception of the required administrative oversight of the Project by the City, nothing contained in this Agreement shall be construed to (i) give any party the power to direct or control the day-to-day administrative activities of the other; or (ii) constitute such parties as partners, co-owners or otherwise as participants in a joint venture. Neither party nor its agents or employees is the representative of the other for any purpose, and neither party has the power or authority to act for, bind, or otherwise create or assume any obligation on behalf of the other.

14. **Indemnification.**

14.1 To the fullest extent permitted by law, Subrecipient shall indemnify, defend and hold harmless each of the “Indemnitees” (as defined below) from and against any and all “charges” (as defined below) paid or incurred by any of them as a result of any claims, demands, lawsuits, actions, or proceedings: (i) alleging violation, misappropriation or infringement of any copyright, trademark, patent, trade secret or other proprietary rights with respect to the Project (“Infringement Claims”); (ii) seeking payment for labor or materials purchased or supplied by Subrecipient or its subcontractors in connection with this Agreement; or (iii) arising from Subrecipient’s failure to perform its obligations under this Agreement or from any act of negligence or willful misconduct by Subrecipient or any of its agents, employees or subcontractors relating to this Agreement, including but not limited to any liability caused by an accident or other occurrence resulting in bodily injury, death, sickness or disease to any person(s) or damage or destruction to any property, real or personal, tangible or intangible; or (iv) arising from any claim that Subrecipient or an employee or subcontractor of Subrecipient is an employee of the City, including but not limited to claims relating to worker’s compensation, failure to withhold taxes and the like. For purposes of this Section: (a) the term “Indemnitees” means the City, the State of North Carolina, and the United States Department of Transportation (U.S. DOT), and the officers, officials, employees, agents and independent contractors (excluding Subrecipient) of the City, the State, or the U.S. DOT; and (b) the term “Charges” means any and all losses, damages, costs, expenses (including reasonable attorneys’ fees), obligations, duties, fines, penalties, royalties, interest charges and other liabilities (including settlement amounts).

14.2 This Section 14 shall remain in force despite termination of this Agreement (whether by expiration of the term or otherwise).

14.3 Notwithstanding the foregoing, Subrecipient shall not be liable to the City to the extent a claim arises from the City’s negligence or willful misconduct or the negligence or willful misconduct of any employee or agent of the City.

15. **Insurance.**

(a) Subrecipient shall not commence any work in connection with this Contract until it has obtained all of the types of insurance set forth in this Section 15, and the City has approved such insurance. (d) The City shall be exempt from, and in no way liable for, any sums of money that may represent a deductible in any insurance policy. The payment of such deductible shall be the sole responsibility of Subrecipient and/or subcontractors providing such insurance.

(e) Within three (3) days after execution of this Agreement, Subrecipient shall provide the City with Certificates of Insurance documenting that the insurance requirements set forth in this Section 15 have been met, and that the City be given thirty (30) days’ written notice of any intent to amend coverage or make material changes to or terminate any policy by either the insured or the insurer. Subrecipient shall further provide such certificates of insurance to the City at any time requested by the City after execution of this Agreement, and shall provide such certificates within five (5) days after the City's request. The City's failure to review a certificate of insurance sent by or on behalf of Subrecipient shall not relieve Subrecipient of its obligation to meet the insurance requirements set forth in this Agreement.

(f) Should any or all of the required insurance coverage be self-funded/self-insured, Subrecipient shall furnish to the City a copy of the Certificate of Self-Insurance or other documentation from the North Carolina Department of Insurance.

(g) If any part of the work under this Agreement is sublet, the subcontractors shall be required to meet all insurance requirements set forth in this Section 15, provided that the amounts of the various types of insurance shall be such amounts as are approved by the City in writing. However, this will in no way relieve Subrecipient from meeting all insurance requirements or otherwise being responsible for the subcontractors.

15.2. Subrecipient agrees to purchase and maintain, during the life of this Agreement, with an insurance company acceptable to the City and authorized to do business in the State of North Carolina, the following insurance policies:

(a) **Automobile Liability.** Bodily injury and property damage liability covering all owned, non-owned and hired automobiles for limits of not less than $2,000,000 bodily injury each person, each accident and $2,000,000 property damage, or $2,000,000 combined single limit each occurrence/aggregate, or as the State of North Carolina requires, whichever is greater.

16.7 A false certification or the failure to comply with the above drug-free workplace requirements during the performance of this Agreement shall be grounds for suspension, termination or debarment.

17. **Non-Discrimination Policy.** The City has adopted a Commercial Non-Discrimination Ordinance that is set forth in Section 2, Article V of the Charlotte City Code, and is available for review on the City’s website (the “Non-Discrimination Policy”). As a condition of entering into this Agreement, Subrecipient represents and warrants that it will fully comply with the Non-Discrimination Policy and consents to be bound by the award of any arbitration conducted thereunder. As part of such compliance, Subrecipient shall not discriminate on the basis of race, gender, religion, national origin, ethnicity, age, or disability in the solicitation, selection, hiring, or treatment of any subcontractors, vendors, suppliers, or commercial customers in connection with a City contract or contract solicitation process, nor shall Subrecipient retaliate against any person or entity for reporting instances of such discrimination. Subrecipient shall provide equal opportunity for subcontractors, vendors and suppliers to participate in all of its subcontracting and supply opportunities on City contracts, provided that nothing contained in this clause shall prohibit or limit otherwise lawful efforts to remedy the effects of marketplace discrimination that has occurred or is occurring in the marketplace.

As a condition of entering into this Agreement, Subrecipient agrees to: (a) promptly provide to the City all information and documentation that may be requested by the City from time to time regarding
the solicitation, selection, treatment and payment of subcontractors in connection with this Agreement; and (b) if requested, provide to the City, within sixty (60) days after the request, a truthful and complete list of the names of all subcontractors, vendors, and suppliers that Subrecipient has used on City contracts in the past five (5) years, including the total dollar amount paid by contractor on each subcontract or supply contract. Subrecipient further agrees to fully cooperate in any investigation conducted by the City pursuant to the City’s Non-Discrimination Policy, to provide any documents relevant to such investigation that are requested by the City, and to be bound by the award of any arbitration conducted under such Policy.

Subrecipient understands and agrees that a violation of this clause shall be considered a material breach of this Agreement and may result in termination of this Agreement, disqualification of Subrecipient from participating in City contracts and other sanctions.

19. Governing Law, Jurisdiction and Venue. North Carolina law shall govern interpretation and enforcement of this Agreement and any other matters relating to this Agreement (all without regard to North Carolina conflicts of law principles). Any and all legal actions or proceedings relating to this Agreement shall be brought in a state or federal court sitting in Mecklenburg County, North Carolina. By the execution of this Agreement, the parties submit to the jurisdiction of said courts and hereby irrevocably waive any and all objections that they may have with respect to venue in any court sitting
in Mecklenburg County, North Carolina. This Section shall not apply to subsequent actions to enforce a judgment entered in actions heard pursuant to this Section.

20. Breaches and Dispute Resolution.

20.1 For all disputes, the parties shall first meet in good faith to resolve the dispute. If the parties are unsuccessful in settling the dispute, such meeting shall be followed by non-binding mediation conducted pursuant to the conditions set forth in this Section.

20.2 Any contractor or subcontractor performing work or providing supplies or services used in this Agreement that is a party to an issue or claim in which the amount in controversy is at least fifteen thousand dollars ($15,000) may require others that are party to the issue or claim to participate in the Dispute Resolution Process set forth in this Section. Unless otherwise directed by the City, Subrecipient shall continue performance under this Agreement while matters in dispute are being resolved. The process set forth by this Section may be foregone upon the mutual written agreement of all parties in interest to the individual dispute. Otherwise, full compliance with this Section is a precondition for any party to initiating any form of litigation concerning the dispute.

20.3.1 Subcontract Inclusion. Subrecipient shall and hereby agrees to include this Section in every subcontract or any other agreement it enters into with any party that will be involved in this project.

20.3.2 Parties at Issue and Required Notice.

(a) If the City is not a party to the issue or claim, the party requesting dispute resolution must notify the City, in writing, of the requested dispute resolution and must include a brief summary of the issue including the alleged monetary value of the issue. The written notice must be sent to the City prior to the service of the request for dispute resolution upon the parties to the issue.

(b) If the party requesting dispute resolution is a subcontractor, it must first submit its claim to the Prime Contractor with whom it has a contract. If the matter is not resolved through the Prime Contractor’s informal involvement, then the matter becomes ripe for the Dispute Resolution Process under this Section, and the party may submit its written notice of Dispute Resolution to the City.

(c) The City is under no obligation to secure or enforce compliance with this Section in which the City is not a party. The City is entitled to notice as required by this Section, but has no obligation to administer, mediate, negotiate, or defray any costs in which the City is not a party, except for the selection of a mediator as set forth in Section 20.6 below.

(d) If the City is a party to the issue, the party requesting resolution must submit a written request to the City.

(e) Upon receipt of a written request for dispute resolution that fully complies with the requirements of this Section, the parties to the dispute shall follow the process as set forth in this Section in good faith. The costs of the process shall be divided equally among the parties.

20.3 Formal Resolution Meeting. Representatives of each party shall meet as soon as reasonable to attempt in good faith to resolve the dispute. If the City is a party to the dispute, all other parties must be represented by a person with the authority to settle the dispute on behalf of their respective organizations. The parties may, by agreement and in good faith, conduct further meetings as necessary to resolve the dispute. If resolution is not achieved, the parties shall initiate mediation as set forth below.
20.4 Mediation.

(a) **Selection of Mediator.** The parties shall in good faith select a mediator certified in accordance with the rules of mediator certification in Superior Court in North Carolina. If the parties desire a mediator not so certified, the City’s consent to such a mediator must first be obtained in writing. If the parties cannot agree to a mediator within a reasonable time, the City shall have the right to unilaterally select a certified mediator if the City is a party to the dispute or, if the City is not a party to the dispute but is requested to do so by a party to the dispute.

(b) **Mediation Contract.** Upon selection of a mediator, the parties to the dispute shall in good faith enter into a mediation agreement that shall include terms governing the time, place, scope, and procedural rules of the mediation including those set forth in Section 22.6(c) below. The agreement shall also include terms governing the compensation, disqualification, and removal of the mediator. All terms of the mediation agreement must be consistent with the terms of this Section and Agreement, as well as all applicable laws. If the parties fail to agree to the procedural rules to be used, then the American Arbitration Association Construction Industry Mediation Rules shall be used to the extent such rules are consistent with this Agreement and applicable law.

(c) **Stalemate.** If after all reasonable good-faith attempts to resolve the dispute have been made, it appears to the mediator that the parties are at a stalemate with no significant likelihood of reaching resolution, the mediator shall so inform the parties and shall issue a written Notice of Stalemate, which shall conclude the dispute resolution process, unless the parties agree otherwise.

21. **No Liability for Special or Consequential Damages.** The City and Subrecipient shall not be liable to each other, their agents or representatives or any subcontractors for or on account of any stoppages or delay in the performance of any obligations of the City, or any other consequential, indirect or special damages or lost profits related to this Agreement.

22. **Severability.** The invalidity of one or more of the phrases, sentences, clauses or sections contained in this Agreement shall not affect the validity of the remaining portion of the Agreement so long as the material purposes of the Agreement can be determined and effectuated. If any provision of this Agreement is held to be unenforceable, then both parties shall be relieved of all obligations arising under such provision, but only to the extent that such provision is unenforceable, and this Agreement shall be deemed amended by modifying such provision to the extent necessary to make it enforceable while preserving its intent.

23. **No Publicity.** No advertising, sales promotion or other materials of Subrecipient or its agents or representations may identify or reference this Agreement or the City in any manner without the written consent of the City.

24. **Approvals.** All approvals or consents required under this Agreement must be in writing.

25. **Waiver.** No waiver of any provision of this Agreement shall be effective unless in writing and signed by the party waiving the rights. No delay or omission by either party to exercise any right or remedy it has under this Agreement shall impair or be construed as a waiver of such right or remedy. A waiver by either party of any right or remedy, or breach of this Agreement shall not constitute or operate as a waiver of any succeeding breach of that right or remedy or of any other right or remedy.
26. **Survival of Provisions.** All provisions of this Agreement which by their nature and effect are required to be observed, kept or performed after termination of this Agreement shall survive the termination of this Agreement and remain binding thereafter, including but not limited to the following:

- Section 7.5 “Employment Taxes and Employee Benefits”
- Section 11 “Representations and Warranties of Subrecipient”
- Section 12 “Termination of Agreement”
- Section 14 “Indemnification”
- Section 15 “Insurance”
- Section 18 “Notices and Principal Contacts”

27. **Familiarity and Compliance with Laws and Ordinances.** Subrecipient agrees to make itself aware of and comply with all local, state and federal ordinances, statutes, laws, rules and regulations applicable to the Project. Subrecipient further agrees that it will at all times during the term of this Agreement be in compliance with all applicable federal, state and/or local laws regarding employment practices. Such laws will include, but shall not be limited to workers’ compensation, the Fair Labor Standards Act (FLSA), the Americans with Disabilities Act (ADA), the Family and Medical Leave Act (FMLA) and all OSHA regulations applicable to the Project.

28. **Conflict of Interest and Code of Conduct.** Subrecipient shall notify the City immediately if it has a real or apparent conflict of interest with regard to this Agreement. Subrecipient shall not use its position for personal or organizational gain. Subrecipient shall not engage in any transaction that presents a real or apparent conflict of interest. Subrecipient shall not engage in any transaction incompatible with the proper discharge of its duties in the public interest or that would tend to impair independent judgment or action in performance of its contractual obligations.

Subrecipient shall not give gifts or favors to City staff nor shall City staff accept gifts or favors in violation of N.C.G.S. § 133-32 or City Policy HR 12.3 regarding gifts and favors.

29. **Construction of Terms.** Each of the parties has agreed to the use of the particular language of the provisions of this Agreement and any questions of doubtful interpretation shall not be resolved by any rule or interpretation against the drafters, but rather in accordance with the fair meaning thereof, having due regard to the benefits and rights intended to be conferred upon the parties hereto and the limitations and restrictions upon such rights and benefits intended to be provided.

30. **Federal Clauses.** The work to be performed under this Agreement will be financed in whole or in part with Federal funding. As such, Federal laws, regulations, policies, and related administrative practices apply to this Agreement. The most recent of such Federal requirements, including any amendments made after the execution of this Agreement, shall govern this Agreement, unless the Federal Government determines otherwise. Subrecipient agrees to comply with the following federal requirements that are applicable to this Agreement and shall incorporate these requirements into any sub-agreement or subcontract it executes pursuant to its obligations under this Agreement.

To the extent applicable, the Federal requirements contained in the most recent version of the Federal Transit Administration (“FTA”) Master Agreement, as amended (the “Master Agreement”), including any certifications and contractual provisions required by any Federal statutes or regulations referenced therein to be included in this Agreement, are deemed incorporated into this Agreement by reference and shall be incorporated into any sub agreement or subcontract executed by Subrecipient pursuant to its obligations under this Agreement. Subrecipient and its subcontractors, if any, hereby represent and covenant that they have complied and shall comply in the future with the applicable provisions of the Master Agreement then in effect and with all applicable Federal, State
and Local laws, regulations, and rules and local policies and procedures, as amended from time to time, relating to the work to be performed under this Agreement. Anything to the contrary herein notwithstanding, all FTA-mandated terms shall be deemed to control in the event of a conflict with other provisions contained in this Agreement. Subrecipient shall not perform any act, fail to perform any act, or refuse to comply with any City requests, which would cause the City to be in violation of the FTA terms and conditions.

30.1 **Access to Records and Reports.**

(a) **Record Retention.** Subrecipient shall retain, and shall require its subcontractors of all tiers to retain, complete and readily accessible records related in whole or in part to the contract, including, but not limited to, data, documents, reports, statistics, sub-agreements, leases, subcontracts, arrangements, other third party agreements of any type, and supporting materials related to those records.

(b) **Retention Period.** The Subrecipient agrees to comply with the record retention requirements in accordance with 2 C.F.R. § 200.333. The Subrecipient shall maintain all books, records, accounts and reports required under this Contract for a period of at not less than three (3) years after the date of termination or expiration of this Contract, except in the event of litigation or settlement of claims arising from the performance of this Contract, in which case records shall be maintained until the disposition of all such litigation, appeals, claims or exceptions related thereto.

(c) **Access to Records.** The Subrecipient agrees to provide sufficient access to the City, the FTA and their respective contractors to inspect and audit records and information related to performance of this contract as reasonably may be required.

(d) **Access to the Sites of Performance.** The Subrecipient agrees to permit the City, the FTA and their respective contractors access to the sites of performance under this contract as reasonably may be required.

Subrecipient affirms that it has not retained any party other than a bona-fide employee working for Subrecipient to solicit this Agreement, and that it has not paid or agreed to pay any outside party consideration in any form contingent upon securing this Agreement. The City shall have the right to terminate this Agreement for cause for any breach of this warranty.

11.5. In connection with its obligations under this Agreement, Subrecipient shall comply with all applicable federal, state, and local laws and regulations and shall obtain all applicable permits and licenses.

11.6. Subrecipient warrants that it has all the requisite power and authority to execute, deliver and perform its obligations under this Agreement, including but not limited to paying Subrecipient’s Share of the Project Costs, as described in Section 6 of this Agreement.

12. Termination of Agreement.

12.1 Termination for Convenience. The City, upon thirty (30) days written notice, may terminate this Agreement in whole or in part, when it is in the interest of the City. If this Agreement is terminated, the City shall be liable only for payments under the payment provisions of this Agreement for services rendered and costs incurred before the effective date of termination.

12.2 Termination for Funding Withdrawal. The City may terminate this Agreement immediately on written notice to Subrecipient if at any time the FTA for any reason does not award further Grant Funds for Section 5303 Programs to the City. Subrecipient shall be paid under the payment provisions of this Agreement for any services rendered and costs incurred prior to the effective date of such termination.

12.3 Termination for Default. If Subrecipient fails to perform the services within the time specified in this Agreement or any extension or if Subrecipient fails to comply with other provisions of this Agreement, the City may, subject to the cure provision in Section 12.4, terminate this Agreement for default. The City shall terminate by delivering a Notice of Termination to Subrecipient specifying the nature of the default. Subrecipient shall only be paid for services performed and costs incurred in accordance with the manner or performance set forth in this Agreement.

12.4 Opportunity to Cure. The City shall, in the case of a termination for default, provide Subrecipient seven (7) business days in which to cure the defect. In such case, the notice of termination will state the time period in which cure is permitted and other appropriate conditions. If Subrecipient fails to remedy to the City’s reasonable satisfaction the breach or default of any of the terms, covenants, or conditions of this Agreement within seven (7) business days after receipt of the City’s notice, the City shall have the right to terminate the Agreement without any further obligation to Subrecipient, except for payment in the manner or performance set forth in this Agreement for services rendered and costs incurred prior to such termination.
Any such termination for default shall not in any way preclude the City from also pursuing all available remedies against Subrecipient and its sureties for said breach or default.

12.5 Waiver of Remedies for Breach. In the event the City elects to waive its remedies for any breach by Subrecipient of any covenant, term or condition of this Agreement, such waiver by the City shall not limit the remedies for any succeeding breach of that or of any other term, covenant, or condition of this Agreement.

12.6 Obligations upon Expiration or Termination. Upon expiration or termination of this Agreement, Subrecipient shall promptly provide the City with a written statement describing in detail the status of the Project as of the date of termination, including an invoice documenting all Project Costs as of the date of termination. Termination of this Agreement shall not relieve Subrecipient of the obligation to file any monthly, quarterly, or annual reports nor relieve Subrecipient from any claim for reimbursement of Grant Funds previously accrued or then accruing against Subrecipient.

13. Relationship of the Parties. The relationship of the parties established by this Agreement is the City as recipient and Subrecipient as the subrecipient of federal grant funds as defined by the FTA. With the exception of the required administrative oversight of the Project by the City, nothing contained in this Agreement shall be construed to (i) give any party the power to direct or control the day-to-day administrative activities of the other; or (ii) constitute such parties as partners, co-owners or otherwise as participants in a joint venture. Neither party nor its agents or employees is the representative of the other for any purpose, and neither party has the power or authority to act for, bind, or otherwise create or assume any obligation on behalf of the other.

14.1 To the fullest extent permitted by law, Subrecipient shall indemnify, defend and hold harmless each of the “Indemnitees” (as defined below) from and against any and all “charges” (as defined below) paid or incurred by any of them as a result of any claims, demands, lawsuits, actions, or proceedings: (i) alleging violation, misappropriation or infringement of any copyright, trademark, patent, trade secret or other proprietary rights with respect to the Project (“Infringement Claims”); (ii) seeking payment for labor or materials purchased or supplied by Subrecipient or its subcontractors in connection with this Agreement; or (iii) arising from Subrecipient’s failure to perform its obligations under this Agreement or from any act of negligence or willful misconduct by Subrecipient or any of its agents, employees or subcontractors relating to this Agreement, including but not limited to any liability caused by an accident or other occurrence resulting in bodily injury, death, sickness or disease to any person(s) or damage or destruction to any property, real or personal, tangible or intangible; or (iv) arising from any claim that Subrecipient or an employee or subcontractor of Subrecipient is an employee of the City, including but not limited to claims relating to worker’s compensation, failure to withhold taxes and the like. For purposes of this Section: (a) the term “Indemnitees” means the City, the State of North Carolina, and the United States Department of Transportation (U.S. DOT), and the officers, officials, employees, agents and independent contractors (excluding Subrecipient) of the City, the State, or the U.S. DOT; and (b) the term “Charges” means any and all losses, damages, costs, expenses (including reasonable attorneys’ fees), obligations, duties, fines, penalties, royalties, interest charges and other liabilities (including settlement amounts).

14.2 This Section 14 shall remain in force despite termination of this Agreement (whether by expiration of the term or otherwise).
14.3 Notwithstanding the foregoing, Subrecipient shall not be liable to the City to the extent a claim arises from the City’s negligence or willful misconduct or the negligence or willful misconduct of any employee or agent of the City.

15. Insurance.

15.1 General Requirements.

(a) Subrecipient shall not commence any work in connection with this Contract until it has obtained all of the types of insurance set forth in this Section 15, and the City has approved such insurance. Subrecipient shall not allow any subcontractors to commence work on its subcontract until all insurance required of the subcontractors has been obtained and approved.

(b) All insurance policies required by Section 15.2 shall be with insurers qualified and doing business in North Carolina and recognized by the Secretary of State and the Insurance Commissioner’s Office. Subrecipient shall name the City as an additional insured under the commercial general liability policy required by Section 15.2.

(c) Subrecipient’s insurance, except for Automobile Liability, shall be primary of any self-funding and/or insurance otherwise carried by the City for all loss or damages arising from Subrecipient’s operations under this Agreement. Subrecipient and each of its subcontractors shall and does waive all rights of subrogation against the City and each of the Indemnitees (as defined in Section 14).

(d) The City shall be exempt from, and in no way liable for, any sums of money that may represent a deductible in any insurance policy. The payment of such deductible shall be the sole responsibility of Subrecipient and/or subcontractors providing such insurance.

(e) Within three (3) days after execution of this Agreement, Subrecipient shall provide the City with Certificates of Insurance documenting that the insurance requirements set forth in this Section 15 have been met, and that the City be given thirty (30) days’ written notice of any intent to amend coverage or make material changes to or terminate any policy by either the insured or the insurer. Subrecipient shall further provide such certificates of insurance to the City at any time requested by the City after execution of this Agreement, and shall provide such certificates within five (5) days after the City’s request. The City’s failure to review a certificate of insurance sent by or on behalf of Subrecipient shall not relieve Subrecipient of its obligation to meet the insurance requirements set forth in this Agreement.

(f) Should any or all of the required insurance coverage be self-funded/self-insured, Subrecipient shall furnish to the City a copy of the Certificate of Self-Insurance or other documentation from the North Carolina Department of Insurance.

(g) If any part of the work under this Agreement is sublet, the subcontractors shall be required to meet all insurance requirements set forth in this Section 15, provided that the amounts of the various types of insurance shall be such amounts as are approved by the City in writing. However, this will in no way relieve Subrecipient from meeting all insurance requirements or otherwise being responsible for the subcontractors.

15.2 Subrecipient agrees to purchase and maintain, during the life of this Agreement, with an insurance company acceptable to the City and authorized to do business in the State of North Carolina, the following insurance policies:
(a) **Automobile Liability.** Bodily injury and property damage liability covering all owned, non-owned and hired automobiles for limits of not less than $2,000,000 bodily injury each person, each accident and $2,000,000 property damage, or $2,000,000 combined single limit each occurrence/aggregate, or as the State of North Carolina requires, whichever is greater.

(b) **Commercial General Liability.** Bodily injury and property damage liability as shall protect Subrecipient and any subcontractor performing work under this Agreement from claims of bodily injury or property damage which arise from operation of this Agreement whether such operations are performed by Subrecipient, any subcontractor, or any one directly or indirectly employed by either. The amounts of such insurance shall not be less than $5,000,000 bodily injury each occurrence/aggregate and $5,000,000 property damage each occurrence/aggregate or $5,000,000 bodily injury and property damage combined single limits each occurrence/aggregate. This insurance shall include coverage for products/completed operations, personal injury liability and contractual liability assumed under the indemnity provision of this Agreement.

(c) **Workers’ Compensation Insurance.** Meeting the statutory requirements of the State of North Carolina and Employers Liability - $500,000 per accident limit, $500,000 disease per policy limit, $500,000 disease each employee limit, providing coverage for employees and owners.

16. **Drug-Free Workplace.** The City is a drug-free workplace employer. The Charlotte City Council has adopted a policy requiring Companies to provide a drug-free workplace in the performance of any City contract. Subrecipient hereby certifies that it has, or it will within thirty (30) days after execution of this Agreement:

16.1 Notify employees that the unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance is prohibited in the workplace and specifying actions that will be taken for violations of such prohibition;

16.2 Establish a drug-free awareness program to inform employees about (i) the dangers of drug abuse in the workplace, (ii) Subrecipient’s policy of maintaining a drug-free workplace, (iii) any available drug counseling, rehabilitation, and employee assistance programs, and (iv) the penalties that may be imposed upon employees for drug abuse violations;

16.3 Notify each employee that as a condition of employment, the employee will (i) abide by the terms of the prohibition outlined above, and (ii) notify Subrecipient of any criminal drug statute conviction for a violation occurring in the workplace not later than five (5) days after such conviction;

16.4 Impose a sanction on, or requiring the satisfactory participation in a drug counseling, rehabilitation or abuse program by an employee convicted of a drug crime;

16.5 Make a good faith effort to continue to maintain a drug-free workplace for employees; and

16.6 Require any party to which it subcontracts any portion of the work under this Agreement to comply with the above provisions.

16.7 A false certification or the failure to comply with the above drug-free workplace requirements during the performance of this Agreement shall be grounds for suspension, termination or debarment.
17. **Non-Discrimination Policy**. The City has adopted a Commercial Non-Discrimination Ordinance that is set forth in Section 2, Article V of the Charlotte City Code, and is available for review on the City’s website (the “Non-Discrimination Policy”). As a condition of entering into this Agreement, Subrecipient represents and warrants that it will fully comply with the Non-Discrimination Policy and consents to be bound by the award of any arbitration conducted thereunder. As part of such compliance, Subrecipient shall not discriminate on the basis of race, gender, religion, national origin, ethnicity, age, or disability in the solicitation, selection, hiring, or treatment of any subcontractors, vendors, suppliers, or commercial customers in connection with a City contract or contract solicitation process, nor shall Subrecipient retaliate against any person or entity for reporting instances of such discrimination. Subrecipient shall provide equal opportunity for subcontractors, vendors and suppliers to participate in all of its subcontracting and supply opportunities on City contracts, provided that nothing contained in this clause shall prohibit or limit otherwise lawful efforts to remedy the effects of marketplace discrimination that has occurred or is occurring in the marketplace.

As a condition of entering into this Agreement, Subrecipient agrees to: (a) promptly provide to the City all information and documentation that may be requested by the City from time to time regarding the solicitation, selection, treatment and payment of subcontractors in connection with this Agreement; and (b) if requested, provide to the City, within sixty (60) days after the request, a truthful and complete list of the names of all subcontractors, vendors, and suppliers that Subrecipient has used on City contracts in the past five (5) years, including the total dollar amount paid by subrecipient on each subcontract or supply contract. Subrecipient further agrees to fully cooperate in any investigation conducted by the City pursuant to the City’s Non-Discrimination Policy, to provide any documents relevant to such investigation that are requested by the City, and to be bound by the award of any arbitration conducted under such Policy.

Subrecipient understands and agrees that a violation of this clause shall be considered a material breach of this Agreement and may result in termination of this Agreement, disqualification of Subrecipient from participating in City contracts and other sanctions.

19. Governing Law, Jurisdiction and Venue. North Carolina law shall govern interpretation and enforcement of this Agreement and any other matters relating to this Agreement (all without regard to North Carolina conflicts of law principles). Any and all legal actions or proceedings relating to this Agreement shall be brought in a state or federal court sitting in Mecklenburg County, North Carolina. By the execution of this Agreement, the parties submit to the jurisdiction of said courts and hereby irrevocably waive any and all objections that they may have with respect to venue in any court sitting in Mecklenburg County, North Carolina. This Section shall not apply to subsequent actions to enforce a judgment entered in actions heard pursuant to this Section.

20. Breaches and Dispute Resolution.

20.1 For all disputes, the parties shall first meet in good faith to resolve the dispute. If the parties are unsuccessful in settling the dispute, such meeting shall be followed by non-binding mediation conducted pursuant to the conditions set forth in this Section.

20.2 Any subrecipient or its contractor performing work or providing supplies or services used in this Agreement that is a party to an issue or claim in which the amount in controversy is at least fifteen thousand dollars ($15,000) may require others that are party to the issue or claim to participate in the Dispute Resolution Process set forth in this Section. Unless otherwise directed by the City, Subrecipient shall continue performance under this Agreement while matters in dispute are being resolved. The process set forth by this Section may be foregone upon the mutual written agreement of all parties in interest to the individual dispute. Otherwise, full compliance with this Section is a precondition for any party to initiating any form of litigation concerning the dispute.

20.2.1 Subcontract Inclusion. Subrecipient shall and hereby agrees to include this Section in every subcontract or any other agreement it enters into with any party that will be involved in this project.

20.2.2 Parties at Issue and Required Notice.

(a) If the City is not a party to the issue or claim, the party requesting dispute resolution must notify the City, in writing, of the requested dispute resolution and must include a brief summary of the issue including the alleged monetary value of the issue. The written notice must be sent to the City prior to the service of the request for dispute resolution upon the parties to the issue.

(b) If the party requesting dispute resolution is a subcontractor, it must first submit its claim to the Subrecipient and its contractors with whom it has a contract. If the matter is not resolved through the Prime Contractor’s informal involvement, then the matter becomes ripe for the Dispute Resolution Process under this Section, and the party may submit its written notice of Dispute Resolution to the City.
(c) The City is under no obligation to secure or enforce compliance with this Section in which the City is not a party. The City is entitled to notice as required by this Section, but has no obligation to administer, mediate, negotiate, or defray any costs in which the City is not a party, except for the selection of a mediator as set forth in Section 20.4 below.

(d) If the City is a party to the issue, the party requesting resolution must submit a written request to the City.

(c) Upon receipt of a written request for dispute resolution that fully complies with the requirements of this Section, the parties to the dispute shall follow the process as set forth in this Section in good faith. The costs of the process shall be divided equally among the parties.

20.3 Formal Resolution Meeting. Representatives of each party shall meet as soon as reasonable to attempt in good faith to resolve the dispute. If the City is a party to the dispute, all other parties must be represented by a person with the authority to settle the dispute on behalf of their respective organizations. The parties may, by agreement and in good faith, conduct further meetings as necessary to resolve the dispute. If resolution is not achieved, the parties shall initiate mediation as set forth below.

20.4 Mediation.

(a) Selection of Mediator. The parties shall in good faith select a mediator certified in accordance with the rules of mediator certification in Superior Court in North Carolina. If the parties desire a mediator not so certified, the City’s consent to such a mediator must first be obtained in writing. If the parties cannot agree to a mediator within a reasonable time, the City shall have the right to unilaterally select a certified mediator if the City is a party to the dispute or, if the City is not a party to the dispute but is requested to do so by a party to the dispute.

(b) Mediation Contract. Upon selection of a mediator, the parties to the dispute shall in good faith enter into a mediation agreement that shall include terms governing the time, place, scope, and procedural rules of the mediation including those set forth in Section 22.6(c) below. The agreement shall also include terms governing the compensation, disqualification, and removal of the mediator. All terms of the mediation agreement must be consistent with the terms of this Section and Agreement, as well as all applicable laws. If the parties fail to agree to the procedural rules to be used, then the American Arbitration Association Construction Industry Mediation Rules shall be used to the extent such rules are consistent with this Agreement and applicable law.

(c) Stalemate. If after all reasonable good-faith attempts to resolve the dispute have been made, it appears to the mediator that the parties are at a stalemate with no significant likelihood of reaching resolution, the mediator shall inform the parties and shall issue a written Notice of Stalemate, which shall conclude the dispute resolution process, unless the parties agree otherwise.

21. No Liability for Special or Consequential Damages. The City and Subrecipient shall not be liable to each other, their agents or representatives or any subcontractors for or on account of any stoppages or delay in the performance of any obligations of the City, or any other consequential, indirect or special damages or lost profits related to this Agreement.
22. **Severability.** The invalidity of one or more of the phrases, sentences, clauses or sections contained in this Agreement shall not affect the validity of the remaining portion of the Agreement so long as the material purposes of the Agreement can be determined and effectuated. If any provision of this Agreement is held to be unenforceable, then both parties shall be relieved of all obligations arising under such provision, but only to the extent that such provision is unenforceable, and this Agreement shall be deemed amended by modifying such provision to the extent necessary to make it enforceable while preserving its intent.

23. **No Publicity.** No advertising, sales promotion or other materials of Subrecipient or its agents or representations may identify or reference this Agreement or the City in any manner without the written consent of the City.

24. **Approvals.** All approvals or consents required under this Agreement must be in writing.

25. **Waiver.** No waiver of any provision of this Agreement shall be effective unless in writing and signed by the party waiving the rights. No delay or omission by either party to exercise any right or remedy it has under this Agreement shall impair or be construed as a waiver of such right or remedy. A waiver by either party of any right or remedy, or breach of this Agreement shall not constitute or operate as a waiver of any succeeding breach of that right or remedy or of any other right or remedy.

26. **Survival of Provisions.** All provisions of this Agreement which by their nature and effect are required to be observed, kept or performed after termination of this Agreement shall survive the termination of this Agreement and remain binding thereafter, including but not limited to the following:

- Section 7.5 “Employment Taxes and Employee Benefits”
- Section 11 “Representations and Warranties of Subrecipient”
- Section 12 “Termination of Agreement”
- Section 14 “Indemnification”
- Section 15 “Insurance”
- Section 18 “Notices and Principal Contacts”

27. **Familiarity and Compliance with Laws and Ordinances.** Subrecipient agrees to make itself aware of and comply with all local, state and federal ordinances, statutes, laws, rules and regulations applicable to the Project. Subrecipient further agrees that it will at all times during the term of this Agreement be in compliance with all applicable federal, state and/or local laws regarding employment practices. Such laws will include, but shall not be limited to workers’ compensation, the Fair Labor Standards Act (FLSA), the Americans with Disabilities Act (ADA), the Family and Medical Leave Act (FMLA) and all OSHA regulations applicable to the Project.

28. **Conflict of Interest and Code of Conduct.** Subrecipient shall notify the City immediately if it has a real or apparent conflict of interest with regard to this Agreement. Subrecipient shall not use its position for personal or organizational gain. Subrecipient shall not engage in any transaction that presents a real or apparent conflict of interest. Subrecipient shall not engage in any transaction incompatible with the proper discharge of its duties in the public interest or that would tend to impair independent judgment or action in performance of its contractual obligations.

Subrecipient shall not give gifts or favors to City staff nor shall City staff accept gifts or favors in violation of N.C.G.S. § 133-32 or City Policy HR 12.3 regarding gifts and favors.
29. **Construction of Terms.** Each of the parties has agreed to the use of the particular language of the provisions of this Agreement and any questions of doubtful interpretation shall not be resolved by any rule or interpretation against the drafters, but rather in accordance with the fair meaning thereof, having due regard to the benefits and rights intended to be conferred upon the parties hereto and the limitations and restrictions upon such rights and benefits intended to be provided.

30. **Federal Clauses.** The work to be performed under this Agreement will be financed in whole or in part with Federal funding. As such, Federal laws, regulations, policies, and related administrative practices apply to this Agreement. The most recent of such Federal requirements, including any amendments made after the execution of this Agreement, shall govern this Agreement, unless the Federal Government determines otherwise. Subrecipient agrees to comply with the following federal requirements that are applicable to this Agreement and shall incorporate these requirements into any subagreement or subcontract it executes pursuant to its obligations under this Agreement.

To the extent applicable, the Federal requirements contained in the most recent version of the Federal Transit Administration ("FTA") Master Agreement, as amended (the "Master Agreement"), including any certifications and contractual provisions required by any Federal statutes or regulations referenced therein to be included in this Agreement, are deemed incorporated into this Agreement by reference and shall be incorporated into any subagreement or subcontract executed by Subrecipient pursuant to its obligations under this Agreement. Subrecipient and its subcontractors, if any, hereby represent and covenant that they have complied and shall comply in the future with the applicable provisions of the Master Agreement then in effect and with all applicable Federal, State and Local laws, regulations, and rules and local policies and procedures, as amended from time to time, relating to the work to be performed under this Agreement. Anything to the contrary herein notwithstanding, all FTA-mandated terms shall be deemed to control in the event of a conflict with other provisions contained in this Agreement. Subrecipient shall not perform any act, fail to perform any act, or refuse to comply with any City requests, which would cause the City to be in violation of the FTA terms and conditions.

30.1 **Access to Records and Reports.**

(a) **Record Retention.** Subrecipient shall retain, and shall require its subcontractors of all tiers to retain, complete and readily accessible records related in whole or in part to the contract, including, but not limited to, data, documents, reports, statistics, sub-agreements, leases, subcontracts, arrangements, other third party agreements of any type, and supporting materials related to those records.

(b) **Retention Period.** The Subrecipient agrees to comply with the record retention requirements in accordance with 2 C.F.R. § 200.333. The Subrecipient shall maintain all books, records, accounts and reports required under this Contract for a period of at not less than three (3) years after the date of termination or expiration of this Contract, except in the event of litigation or settlement of claims arising from the performance of this Contract, in which case records shall be maintained until the disposition of all such litigation, appeals, claims or exceptions related thereto.

(c) **Access to Records.** The Subrecipient agrees to provide sufficient access to the City, the FTA and their respective contractors to inspect and audit records and information related to performance of this contract as reasonably may be required.
(d) **Access to the Sites of Performance.** The Subrecipient agrees to permit the City, the FTA and their respective contractors access to the sites of performance under this contract as reasonably may be required.

30.2 **Buy America.** Reserve

30.3 **Cargo Preference.** Reserve

30.4 **Charter Service.** Union agrees to comply with 49 U.S.C. 5323(d), 5323(r), and 49 C.F.R. part 604, which provides that recipients and subrecipients of FTA assistance are prohibited from providing charter service using federally funded equipment or facilities if there is at least one private charter operator willing and able to provide the service, except as permitted under:

- a) Federal transit laws, specifically 49 U.S.C. § 5323(d)
- b) FTA regulations, “Charter Service,” 49 C.F.R. part 604;
- c) Any other federal Charter Service regulations; or
- d) Federal guidance, except as FTA determines otherwise in writing.

Union agrees that if it engages in a pattern of violations of FTA's Charter Service regulations, FTA may require corrective measures or impose remedies on it. These corrective measures and remedies may include, barring it or any subcontractor operating public transportation under its Award that has provided prohibited charter service from receiving federal assistance from FTA; withholding an amount of federal assistance as provided by Appendix D to part 604 of FTA’s Charter Service regulations; or any other appropriate remedy that may apply.

Union should also include the substance of this clause in each subcontract that may involve operating public transit services.

30.5 **Clean Air Act & Federal Water Pollution Control Act.** Except to the extent the Federal Government determines otherwise in writing, Subrecipient agrees to comply with all applicable Federal laws and regulations and follow applicable Federal directives implementing the Clean Air Act, as amended, 42 U.S.C. §§ 7401 – 7671q; and the Federal Water Pollution Control Act as amended, 33 U.S.C. §§ 1251-1387. Specifically, Subrecipient agrees that:

- a) It will not use any violating facilities;
- b) It will report the use of facilities placed on, or likely to be placed on, the U.S. EPA “List of Violating Facilities;”
- c) It will report violations of use of prohibited facilities to FTA; and
- d) It will comply with the inspection and other requirements of the Clean Air Act, as amended, (42 U.S.C. §§ 7401 – 7671q); and the Federal Water Pollution Control Act as amended, (33 U.S.C. §§ 1251-1387).

30.6 **Civil Rights Laws & Regulations.** The City is an Equal Opportunity Employer. As such, the City has agreed to comply with all applicable Federal civil rights laws and implementing regulations. Apart from inconsistent requirements imposed by Federal laws or regulations, the City has agreed to comply with the requirements of 49 U.S.C. § 5323(h)(3) by not using any Federal assistance awarded by FTA to support procurements using exclusionary or
discriminatory specifications.

Under this Agreement, Subrecipient shall at all times comply with the following requirements and shall include these requirements in each subcontract entered into as part thereof.

(a) **Nondiscrimination.** In accordance with Federal transit law at 49 U.S.C. § 5332, the Subrecipient agrees that it will not discriminate against any employee or applicant for employment because of race, color, religion, national origin, sex (including gender identity), disability, or age. In addition, the Contractor agrees to comply with applicable Federal implementing regulations and other implementing requirements FTA may issue.

(b) **Race, Color, Creed, National Origin, Sex.** In accordance with Title VII of the Civil Rights Act, as amended, 42 U.S.C. § 2000e et seq., and Federal transit laws at 49 U.S.C. § 5332, Subrecipient agrees to comply with all applicable equal employment opportunity requirements of U.S. Department of Labor (U.S. DOL) regulations, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor," 41 CFR Part 60, and Executive Order No. 11246, "Equal Employment Opportunity in Federal Employment," September 24, 1965, 42 U.S.C. § 2000e note, as amended by any later Executive Order that amends or supersedes it, referenced in 42 U.S.C. § 2000e note. Union agrees to take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, color, religion, national origin, or sex (including sexual orientation and gender identity)... Such action shall include, but not be limited to, the following: employment, promotion, demotion or transfer, recruitment or recruitment advertising, layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. In addition, Subrecipient agrees to comply with any implementing requirements FTA may issue.

(g) **Drug or Alcohol Abuse-Confidentiality and Other Civil Rights Protections.** To the extent applicable, the Company agrees to comply with the confidentiality and other civil rights protections of the Drug Abuse Office and Treatment Act of 1972, as amended, 21 U.S.C. §§ 1101 et seq., with the Comprehensive Alcohol Abuse and Alcoholism Prevention, Treatment and Rehabilitation Act of 1970, as amended, 42 U.S.C. §§ 4541 et seq., and with the Public Health Service Act of 1912, as amended, 42 U.S.C. §§ 290dd through 290dd-2, and any amendments thereto.

(h) **Other Nondiscrimination Laws.** Subrecipient agrees to comply with applicable provisions of other Federal laws and regulations, and follow applicable directives prohibiting discrimination, except to the extent that the Federal Government determines otherwise in writing.

Subrecipient also agrees to include these requirements in each subcontract financed in whole or in part with Federal assistance provided by FTA, modified only if necessary, to identify the affected parties.

Failure by the Subrecipient to carry out these requirements is a material breach of this Contract, which may result in the termination of this Contract or such other remedy as the City deems appropriate.

30.7 **Disadvantaged Business Enterprises (DBE).** Union shall not discriminate on the basis of race, color, national origin, or sex in the performance of this Agreement. Union shall carry out applicable requirements of 49 C.F.R. part 26 in the award and administration of DOT-assisted contracts. With the growing demand for transportation in our area, we will continue to coordinate trips with Anson County and work on coordination efforts with Mecklenburg County in efforts to increase ridership capacity and meet the growing demand. We will research and apply for Federal grant funds and other alternative funding sources when applicable to maximize our local and regional ability to leverage all funding sources, and ensure compliance with all grant requirements. d. Any cost ineligible for FTA/FHWA/CRTPO participation as provided by applicable Federal or State laws, regulations, or directives.
9.5 Final Allowability Determination.

The Awardee understands and agrees that payment to the Awardee on any Project cost does not constitute the CRTPO, Federal, State (NCDOT) Government's final decision about whether that cost is allowable and eligible for payment and does not constitute a waiver of any violation by the Awardee of the terms of this Agreement. The Awardee acknowledges that the CRTPO, Federal, or State (NCDOT) Government will not make a final determination about the allowability and eligibility of any cost until an audit of the Project has been completed. If the CRTPO, Federal or State (NCDOT) Government determines that the Awardee is not entitled to receive any portion of the CRTPO/Federal assistance the Awardee has requested or provided, the CRTPO will notify the Awardee in writing, stating its reasons. The Awardee agrees that Project closeout will not alter the Awardee's responsibility to return any funds due the CRTPO as a result of later refunds, corrections, or other transactions; nor will Project closeout alter the CRTPO, Federal or State (NCDOT) Government's right to disallow costs and recover funds on the basis of a later audit or other review. Unless prohibited by Federal or State law or regulation, the CRTPO, Federal or State (NCDOT) Government may recover any Federal or State assistance funds made available for the Project as necessary to satisfy any outstanding monetary claims that the CRTPO may have against the Awardee.

9.6 Excess Payments, Disallowed Costs, Including Interest.

a. Awardee's Responsibility to Pay. Upon notification to the Awardee that specific amounts are owed to the CRTPO, Federal or State Government, whether for excess payments of Federal or State assistance, disallowed costs, or funds recovered from third parties or elsewhere, the Awardee agrees to remit to the CRTPO promptly the amounts owed, including applicable interest and any penalties and administrative charges within 90 days of notification.

b. De-obligation of Grant Funds. The Awardee agrees that the CRTPO may de-obligate unexpended Grant Funds for the Project that are inactive for six months or more.

c. Project Closeout. Project closeout occurs when the CRTPO issues the final project reimbursement or acknowledges that the Awardee has remitted the proper refund. The Awardee agrees that Project closeout by the CRTPO does not invalidate any continuing requirements imposed by this Agreement.

9.7 Accounting Records

a. Establishment and Maintenance of Accounting Records. The Awardee shall establish and maintain separate accounts for the Project program, either independently or within the existing accounting system. All costs charged to the program shall be in accordance with the most current approved Project budget.
b. **Documentation of Project Costs.** All costs charged to the Project, including any approved services performed by the Awardee or others, shall be supported by properly executed payrolls, time records, invoices, contracts, or vouchers evidencing in detail the nature and propriety of the charges.

9.8 Reporting, Record Retention, and Access

a. **Progress Reports.** The Awardee shall advise the CRTPO regarding the progress of the Project at a minimum quarterly, and at such time and in such a manner as the CRTPO may require. Such reporting and documentation may include, but not be limited to operating statistics, meetings, progress reports, and monthly performance reports. The Awardee shall collect and submit to the CRTPO such financial statements, data, records, contracts, and other documents related to the Project as may be deemed necessary by the CRTPO. Reports shall include narrative and financial statements of sufficient substance to be in conformance with the reporting requirements of the CRTPO.

b. **Record Retention.** The Awardee and its third-party Awardees shall retain all records pertaining to this Project for a period of five (5) years from the date of final payment to the Awardee, or until all audit exceptions have been resolved, whichever is longer.

c. **Project Closeout.** The Awardee agrees that Project closeout does not alter the reporting and record retention requirements of this Agreement.

d. **State Auditor Oversight.** The Awardee agrees to audit oversight by the North Carolina Office of the State Auditor and/or the CRTPO, to provide auditors with access to accounting records, and to make available any audit work papers in the possession of any auditor of the Awardee.

e. **Third Party Loans.** Within 30 days of receipt, the Awardee shall disclose to the CRTPO any loans received from a local government entity or other entity not party to this Agreement.

f. **Audit Costs.** Unless prohibited by law, the costs of audits made in accordance with Title 2 CFR 200, Subpart F "Audit Requirements" are allowable charges to State and Federal awards. The charges may be considered a direct cost or an allocated indirect cost, as determined in accordance with cost principles outlined in Title 2 CFR 200, Subpart E "Cost Principles." The cost of any audit not conducted in accordance with Title 2 CFR 200 and NCGS§ 159 34 is unallowable and shall not be charged to State or Federal grants.
9.9 Compliance with Laws and Regulations
   a. No terms herein shall be construed in a manner that conflicts with the rules and regulations of the CRTPO or with state, specifically NCDOT, or federal law.
   
b. The Awardee agrees to comply with all applicable state and federal laws and regulations.

9.10 Conflicts of Interest Policy
The Awardee agrees to file with the CRTPO a copy of the Awardee's policy addressing conflicts of interest that may arise involving the Awardee's management employees and the members of its board of directors or other governing body. The Awardee's policy shall address situations in which any of these individuals may directly or indirectly benefit, except as the Awardee's employees or members of its board or other governing body, from the Awardee's disbursing of State funds, and shall include actions to be taken by the Awardee or the individual, or both, to avoid conflicts of interest and the appearance of impropriety. The conflicts of interest policy shall be filed with the CRTPO prior to the CRTPO disbursing Grant Funds to the Awardee.

The Awardee affirms that it has not paid and will not pay any bonus or commission to any party related to this Project.

9.11 Assignment
   a. Unless otherwise authorized in writing by the CRTPO, the Awardee shall not assign any portion of the work to be performed under this Agreement, or execute any contract, amendment, or change order thereto, or obligate itself in any manner with any third party with respect to its rights and responsibilities under this Agreement without the prior written concurrence of the CRTPO.

   b. The Awardee agrees to incorporate the terms of this Agreement and any applicable State or Federal requirements into written third-party contracts, sub-agreements, and leases, and to take the appropriate measures necessary to ensure that all Project participants comply with applicable Federal and State laws, regulations, and directives affecting their performance.

9.12 Hold Harmless
Except as prohibited or otherwise limited by law, the Awardee agrees to indemnify, save, and hold harmless the CRTPO, the City, the State of North Carolina and the United States of America and its officers, agents, and employees acting within the scope of their official duties against any liability, including costs and expenses, resulting from any willful or intentional violation by the Awardee of proprietary rights, copyrights, or right of privacy, arising out of the publication, translation, reproduction, delivery, use, or disposition of any data furnished under the Project.
Federal or State Interest. The Awardee understands and agrees that the Federal or State Government retains an interest in any real property, equipment, and supplies financed with Federal or State assistance (Project property) until, and to the extent, that the Federal or State Government relinquishes its Federal or State interest in that Project property. With respect to any Project property financed with Federal or State assistance under this Agreement, the Awardee agrees to comply with all Federal, State and CRTPO provisions. The Awardee agrees that it will not execute any transfer of title, lease, lien, pledge, mortgage, encumbrance, third party contract, subagreement, grant anticipation note, alienation, innovative finance arrangement (such as a lease), or any other obligation pertaining to Project property, that in any way would affect the continuing Federal and State interest in that Project property.

10 Termination
Either party may terminate the Agreement by providing 60 days written notice to the other party, or as otherwise permitted by law.

Should the Awardee terminate the Agreement without the concurrence of the CRTPO, the Awardee shall reimburse the CRTPO one hundred percent (100%) of all costs expended by the CRTPO and associated with the work.

10.1 Additional Repayment Requirements and Remedies
a. The repayment requirements and remedies addressed in this Paragraph are in addition to those repayment requirements and other remedies set forth elsewhere in this Agreement, including the requirements to repay unspent funds. No remedy conferred or reserved by or to the CRTPO is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy provided for in this Agreement, or now or hereinafter existing at law, in equity, or by statute, and any such right or power may be exercised from time to time and as often as may be deemed expedient.

b. If there is a breach of any of the requirements, covenants or agreements in this Agreement (including, without limitation, any reporting requirements), or if there are any representations or warranties which are untrue as to a material fact in this Agreement or in relation to the Project (including the performance thereof), the Awardee agrees that the CRTPO may require repayment from the Awardee of an amount of funds to be determined in the CRTPO’s sole discretion but not to exceed the amount of funds the Awardee has already received under this Agreement.

11 Civil Rights and Equal Opportunity
Under this Agreement, the Awardee shall at all times comply with the requirements included as part of this Agreement in the Federal Terms and Conditions.
12 Choice of Law and Venue
This Agreement is to be interpreted according to the laws of the State of North Carolina. The Parties hereby agree that the proper venue for any claims filed as a result of this Agreement shall be the Superior Court of Mecklenburg County, North Carolina.

13 Severability
If any provision of this Agreement for the Project is determined invalid, the remainder of that Agreement shall not be affected if that remainder would continue to conform to the requirements of applicable Federal or State laws or regulations.

14 Incorporated Terms and Conditions
In addition to the Terms and Conditions contained in this Agreement, additional terms and conditions incorporated by reference into this Agreement are checked below.

14 Federal Terms and Conditions
The Code of Federal Regulations (2 CFR 200) (https://www.ecfr.gov/current/title-2/subtitle-a/chapter-ii/part-200?toc=1) and subsequent amendments or revisions thereto, are herewith incorporated by reference, and are on file with and approved by the CRTPO. Nothing shall be construed under the terms of this Agreement by the CRTPO or the Awardee that shall cause any conflict with CRTPO, State, or Federal statutes, rules, or regulations.

The State Management Plan for Federal and State Transportation Programs and any subsequent amendments or revisions thereto, are herewith incorporated by reference, and are on file with and approved by the CRTPO. Nothing shall be construed under the terms of this Agreement by the CRTPO or the Awardee that shall cause any conflict with CRTPO, State, or Federal statutes, rules, or regulations.

c. No Federal Government Obligations to Third Parties.

d. **Program Fraud and False or Fraudulent Statements or Related Acts.**

The Awardee acknowledges that the provisions of the Program Fraud Civil Remedies Act of 1986, as amended, 31 USC § 3801 et seq. and U.S. DOT regulations, "Program Fraud Civil Remedies," 49 CFR part 31, apply to its actions pertaining to this project. Upon execution of the underlying Agreement, the Awardee certifies or affirms the truthfulness and accuracy of any statement it has made, it makes, it may make, or causes to be made, pertaining to the underlying Agreement or the CRTPO assisted project for which this Agreement work is being performed. In addition to other penalties that may be applicable, the Awardee further acknowledges that if it makes, or causes to be made, a false, fictitious, or fraudulent claim, statement, submission, or certification, the Federal Government reserves the right to impose the penalties of the Program Fraud Civil Remedies Act of 1986 on the Awardee to the extent the Federal Government deems appropriate.

The Awardee also acknowledges that if it makes, or causes to be made, a false, fictitious, or fraudulent claim, statement, submission, or certification to the Federal Government under a contract connected with a project that is financed in whole or in part with Federal assistance originally awarded by the CRFRA under the authority of NCDOT, reserves the right to impose the penalties of 18 USC § 1001 and 49 USC § 5323(1) on the Awardee, to the extent the Federal Government deems appropriate.

The Awardee agrees to include the above two clauses in each subcontract financed in whole or in part with Federal assistance. It is further agreed that the clauses shall not be modified, except to identify the subcontractor who will be subject to the provisions.

e. **Federal Changes.**

The Awardee agrees to comply with all applicable federal requirements and federal guidance. All the standards or limits included in this Agreement are minimum requirements. The federal requirements and guidance that applied at the time of the award this Agreement may be modified from time to time, and the modifications will apply to the Awardee.

f. **Civil Rights and Equal Opportunity.**

Under this Agreement, the Awardee shall at all times comply with the following requirements and shall include these requirements in each subcontract entered into as part thereof.

g. **Nondiscrimination.** In accordance with Federal transit law at 49 USC § 5332, the Awardee agrees that it will not discriminate against any employee or applicant for employment because of race, color, religion, national origin, sex, disability, or age. In addition, the Awardee agrees to comply with applicable Federal implementing regulations and other implementing requirements.

h. **Race.** Color, Religion, National Origin, Sex. In accordance with Title VII of the Civil Rights Act, as amended, 42 USC § 2000e et seq., and Federal transit laws at
49 USC § 5332, the Awardee agrees to comply with all applicable equal employment opportunity requirements of U.S. Department of Labor (U.S. DOL) regulations, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor," 41 CFR chapter 60, and Executive Order No. 11246, "Equal Employment Opportunity in Federal Employment," September 24, 1965, 42 USC § 2000e note, as amended by any later Executive Order that amends or supersedes it, referenced in 42 USC § 2000e note. The Awardee agrees to take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, color, religion, national origin, or sex (including sexual orientation and gender identity). Such action shall include, but not be limited to, the following: employment, promotion, demotion or transfer, recruitment or recruitment advertising, layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. In addition, the Awardee agrees to comply with any implementing requirements FTA may issue.

j. Disabilities. In accordance with section 504 of the Rehabilitation Act of 1973, as amended, 29 USC § 794, the Americans with Disabilities Act of 1990, as amended, 42 USC § 12101 et seq., the Architectural Barriers Act of 1968, as amended, 42 USC § 4151 et seq., and federal transit law at 49 USC § 5332, the Awardee agrees that it will not discriminate against individuals on the basis of disability. In addition, the Awardee agrees to comply with any implementing requirements FTA or FHWA may issue.

k. Disadvantaged Business Enterprises.

It is the policy of the North Carolina Department of Transportation that Disadvantaged Business Enterprises (DBEs) as defined in 49 CFR Part 26 shall have the equal opportunity to compete fairly for and to participate in the performance of contracts financed in whole or in part by Grant Funds. The Awardee is also encouraged to give every opportunity to allow DBE participation in contracts. The Awardee, subconsultant, and subcontractor shall not discriminate on the basis of race, religion, color, national origin, age, disability or sex in the performance of this contract. The Awardee shall comply with applicable requirements of 49 CFR Part 26 in the award and administration of federally assisted contracts. Failure by the Awardee to comply with these requirements is a material breach of this contract, which will result in the termination of this contract or such other remedy, as the CRTPO deems necessary.
When payments are made to Disadvantaged Business Enterprise (DBE) Awardees, including material suppliers, Awardees at all levels (Awardee, Subconsultant or Awardee) shall provide the Contract Administrator with an accounting of said payments. The accounting shall be listed on the NCDOT’s Awardee Payment Information Form (Form DBE-IS). In the event the Awardee has no DBE participation, the Awardee shall indicate this on the Form DBE-IS by entering the word 'None' or the number 'zero' and the form shall be signed. Form DBE-IS may be accessed on the website at: https://apps.dot.state.nc.us/quickfind/forms/Default.aspx.

A responsible fiscal officer of the payee Awardee who can attest to the date and amounts of the payments shall certify that the accounting is correct. A copy of an acceptable report may be obtained from the NCDOT. This information shall be submitted as part of the requests for payments made to the Department.

I. G Incorporation of Federal Terms
Provisions of this Agreement include, in part, certain standard terms and conditions required by the U.S. DOT. All contractual provisions required by the U.S. DOT, as set forth in FTA Circular 4220.1, as amended, are incorporated by reference. Anything to the contrary herein notwithstanding, all Federal mandated terms shall be deemed to control in the event of a conflict with other provisions contained in this Agreement. The Awardee shall not perform any act, fail to perform any act, or refuse to comply with any CRTPO or NCDOT’s request, which would cause the CRTPO or NCDOT to be in violation of Federal terms and conditions shall prevail and be the instrument governing the receipt of Federal assistance.

m. H Energy Conservation
The Awardee agrees to comply with mandatory standards and policies relating to energy efficiency, which are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act.

n. I Debarment Suspension, Ineligibility and Voluntary Exclusion.
The Awardee shall comply and facilitate compliance with U.S. DOT regulations, "Non-procurement Suspension and Debarment," 2 CFR part 1200, which adopts and supplements the U.S. Office of Management and Budget (U.S. 0MB) "Guidelines to Agencies on Government-wide Debarment and Suspension (Non-procurement)," 2 CFR part 180. PLANNING PROJECT INFORMATION

Locally Administered Projects
By submitting a project for funding, the municipality (or municipalities) or local government entity (or entities) are committing funds to sponsor the said project. The applicants (if awarded) shall be responsible for all federal and state reporting requirements associated with federal funding. An inter-local agreement between the City of Charlotte, the lead agency for CRTPO, and the designated recipients will outline a reimbursement schedule; local sponsors will be required to pay all costs upfront, invoice CRTPO, and seek subsequent reimbursement for the federal percentage dedicated to the project.

The FHWA and NCDOT allocate Planning funds (PL) to MPOs in North Carolina each year based on a formula approved by NCDOT and FHWA with amounts based on MPO population.

Eligible planning projects include, but are not limited to:
- Corridor Studies
- Access and Mobility Analyses
- Traffic, Alignment Alternatives and Feasibility Studies
- Bicycle and Pedestrian Planning Initiatives

Some planning project requirements include:
- Public outreach efforts must meet Title VI requirements (https://www.crtpo.org/title-vi)
- If using consultant services, procurement of consultants must be chosen in compliance with state and federal regulations
- CRTPO requires that documentation of the planning initiative be provided as project deliverables.
- CRTPO staff participation is required on any technical team developed to guide the project
- Engineering, design, and construction projects are not eligible for these funds

Projects using PL funds are reimbursable at a fixed 80 percent rate for the amount requested for the transportation planning activities local match of 20 percent for that respective amount. For example, if a jurisdiction wants to move forward with a project for which the PL-funded transportation planning component will cost $60,000, it must provide $12,000 (or 20 percent) of that total budget cost. The federal reimbursable PL funds would cover the remaining $48,000.
PLANNING PROJECTS
Submittal Guide and Grant Application Package

Planning funds must be expended within one fiscal year. Projects awarded with planning funds will start July 1, 2022 with all reimbursable work completed by June 30, 2023. Any work that is performed prior to that date is not reimbursable.

The Project Sponsor must be prepared to fulfill all of the following requirements for using PL funds:

1. If hiring a consultant, submit a Request for Letter of Interest/Request for Qualifications (RFLOI/RFQ) for approval by NCDOT’s Transportation Planning Division.
2. Solicit consultants
3. Check consultant’s NCDOT pre-qualifications
4. Form a Selection Committee to select the most qualified company
5. The Selection Committee must include an NCDOT member
6. The project sponsor must form and facilitate a selection committee
7. Request NCDOT concurrence with fees and the contract terms
8. Finalize the consultant’s contract and issue a Notice to Proceed (after July 1, 2022)
9. Quarterly progress reports must be submitted that briefly describes the progress made on the project. Progress reports must include:
   • a rolling total of the project cost, reflecting quarterly reimbursement requests showing the drawdown of the total for each reimbursement request
   • total amount expended for the current quarter’s submission, and a breakdown of the amount being requested less the 20 percent local share applied to the total
   • a bulleted list of accomplishments during the quarter
   • invoices submitted by consultants
   • proof that the consultants’ invoices submitted for reimbursement have been paid (copy of the cashed check; report from your financial system showing payment)

Planning projects are reimbursement projects through CRTPQ, unlike capital projects where the sponsor organization is reimbursed through NCDOT. After you hire a consultant, your organization will receive the invoices. You will pay 100% of their invoice. Then your organization will request an 80% reimbursement from CRTPQ/City of Charlotte. Reimbursement is typically quarterly.

PROJECT INFORMATION (continued)

| Project Name: Town of Huntersville Mobility Plan |

Describe how the project meets one or more CRTPO goals/objectives as listed in the MTP, which can be referenced at https://www.crtpo.org/PDFs/MTP/2045/2045_MTP_02.pdf:

1) Provide, manage, and maintain a safe, efficient, and sustainable transportation system for all modes, intended to serve all segments of the population.
   The Huntersville Mobility Plan will address all aspects of transportation in the Town.
2) Encourage walking, bicycling and transit options, integrated with motor vehicle transportation, by providing a transportation system that serves the public with mobility choices.
   The Mobility Plan will coordinate several systems in various stages of planning and implementation, including the Town’s Greenway Plan and Bike Plan. Coordination with Park & Ride facilities and the current North Corridor BRT study will also be part of the Plan.
3) Provide a sustainable transportation system that improves the quality of life for residents, promotes healthy living and is sensitive to significant features of the natural and human environments.
   The Plan will address multi-modal connectivity intended to reduce vehicle trips and provide environmentally beneficial options that promote healthy living. Sensitivity and access to environmental resources will very much be part of the Plan.
4) Promote equitable transportation options for low income and minority neighborhoods, as well as the aging population.
   Transportation options for all categories of the Town’s population will be considered. A robust public engagement process is envisioned that will reach out to people who might not normally participate in the planning process.
5) Encourage regional collaboration and linkages between transportation and land use planning.
   The Mobility Plan will reflect land use changes found in the recently adopted 2040 Community Plan. Consultation and coordination with NCDOT and neighboring communities will happen. An example is the NC 73 Corridor, which will require regional input.
6) Support economic competitiveness by making investment decisions for transportation modes that make the most efficient use of limited public resources and enhance system performance, as well as by pursuing sustainable funding possibilities.
   System capacity coordinated with land use will explore cost effectiveness.
7) Maximize transportation opportunities for the movement of goods.
   The Plan will address existing rail and freight mobility, including the Red Line Corridor.

d. Any cost ineligible for FTA/FHWA/CRTPO participation as provided by applicable Federal or State laws, regulations, or directives.
9.5 Final Allowability Determination.
The Awardee understands and agrees that payment to the Awardee on any Project cost does not constitute the CRTPO, Federal, State (NCDOT) Government's final decision about whether that cost is allowable and eligible for payment and does not constitute a waiver of any violation by the Awardee of the terms of this Agreement. The Awardee acknowledges that the CRTPO, Federal, or State (NCDOT) Government will not make a final determination about the allowability and eligibility of any cost until an audit of the Project has been completed. If the CRTPO, Federal or State (NCDOT) Government determines that the Awardee is not entitled to receive any portion of the CRTPO/Federal assistance the Awardee has requested or provided, the CRTPO will notify the Awardee in writing, stating its reasons. The Awardee agrees that Project closeout will not alter the Awardee's responsibility to return any funds due the CRTPO as a result of later refunds, corrections, or other transactions; nor will Project closeout alter the CRTPO, Federal or State (NCDOT) Government's right to disallow costs and recover funds on the basis of a later audit or other review. Unless prohibited by Federal or State law or regulation, the CRTPO, Federal or State (NCDOT) Government may recover any Federal or State assistance funds made available for the Project as necessary to satisfy any outstanding monetary claims that the CRTPO may have against the Awardee.

9.6 Excess Payments, Disallowed Costs, Including Interest.
a. Awardee's Responsibility to Pay. Upon notification to the Awardee that specific amounts are owed to the CRTPO, Federal or State Government, whether for excess payments of Federal or State assistance, disallowed costs, or funds recovered from third parties or elsewhere, the Awardee agrees to remit to the CRTPO promptly the amounts owed, including applicable interest and any penalties and administrative charges within 90 days of notification.

b. De-obligation of Grant Funds. The Awardee agrees that the CRTPO may de-obligate unexpended Grant Funds for the Project that are inactive for six months or more.

c. Project Closeout. Project closeout occurs when the CRTPO issues the final project reimbursement or acknowledges that the Awardee has remitted the proper refund. The Awardee agrees that Project closeout by the CRTPO does not invalidate any continuing requirements imposed by this Agreement.

9.7 Accounting Records
a. Establishment and Maintenance of Accounting Records. The Awardee shall establish and maintain separate accounts for the Project program, either independently or within the existing accounting system. All costs charged to the program shall be in accordance with the most current approved Project budget.
b. **Documentation of Project Costs.** All costs charged to the Project, including any approved services performed by the Awardee or others, shall be supported by properly executed payrolls, time records, invoices, contracts, or vouchers evidencing in detail the nature and propriety of the charges.

9.8 Reporting, Record Retention, and Access

a. **Progress Reports.** The Awardee shall advise the CRTPO regarding the progress of the Project at a minimum quarterly, and at such time and in such a manner as the CRTPO may require. Such reporting and documentation may include, but not be limited to operating statistics, meetings, progress reports, and monthly performance reports. The Awardee shall collect and submit to the CRTPO such financial statements, data, records, contracts, and other documents related to the Project as may be deemed necessary by the CRTPO. Reports shall include narrative and financial statements of sufficient substance to be in conformance with the reporting requirements of the CRTPO.

c. **Project Closeout.** The Awardee agrees that Project closeout does not alter the reporting and record retention requirements of this Agreement.

d. **State Auditor Oversight.** The Awardee agrees to audit oversight by the North Carolina Office of the State Auditor and/or the CRTPO, to provide auditors with access to accounting records, and to make available any audit work papers in the possession of any auditor of the Awardee.

e. **Third Party Loans.** Within 30 days of receipt, the Awardee shall disclose to the CRTPO any loans received from a local government entity or other entity not party to this Agreement.

f. **Audit Costs.** Unless prohibited by law, the costs of audits made in accordance with Title 2 CFR 200, Subpart F "Audit Requirements" are allowable charges to State and Federal awards. The charges may be considered a direct cost or an allocated indirect cost, as determined in accordance with cost principles outlined in Title 2 CFR 200, Subpart E "Cost Principles." The cost of any audit not conducted in accordance with Title 2 CFR 200 and NCGS§ 159 34 is unallowable and shall not be charged to State or Federal grants.
9.9 Compliance with Laws and Regulations
   a. No terms herein shall be construed in a manner that conflicts with the rules and regulations of the CRTPO or with state, specifically NCDOT, or federal law.

   b. The Awardee agrees to comply with all applicable state and federal laws and regulations.

9.10 Conflicts of Interest Policy
   The Awardee agrees to file with the CRTPO a copy of the Awardee's policy addressing conflicts of interest that may arise involving the Awardee's management employees and the members of its board of directors or other governing body. The Awardee's policy shall address situations in which any of these individuals may directly or indirectly benefit, except as the Awardee's employees or members of its board or other governing body, from the Awardee's disbursing of State funds, and shall include actions to be taken by the Awardee or the individual, or both, to avoid conflicts of interest and the appearance of impropriety. The conflicts of interest policy shall be filed with the CRTPO prior to the CRTPO disbursing Grant Funds to the Awardee.

   The Awardee affirms that it has not paid and will not pay any bonus or commission to any party related to this Project.

9.11 Assignment
   a. Unless otherwise authorized in writing by the CRTPO, the Awardee shall not assign any portion of the work to be performed under this Agreement, or execute any contract, amendment, or change order thereto, or obligate itself in any manner with any third party with respect to its rights and responsibilities under this Agreement without the prior written concurrence of the CRTPO.

   b. The Awardee agrees to incorporate the terms of this Agreement and any applicable State or Federal requirements into written third-party contracts, sub-agreements, and leases, and to take the appropriate measures necessary to ensure that all Project participants comply with applicable Federal and State laws, regulations, and directives affecting their performance.

9.12 Hold Harmless
   Except as prohibited or otherwise limited by law, the Awardee agrees to indemnify, save, and hold harmless the CRTPO, the City, the State of North Carolina and the United States of America and its officers, agents, and employees acting within the scope of their official duties against any liability, including costs and expenses, resulting from any willful or intentional violation by the Awardee of proprietary rights, copyrights, or right of privacy, arising out of the publication, translation, reproduction, delivery, use, or disposition of any data furnished under the Project.
Real Property, Equipment, and Supplies.
Federal or State Interest. The Awardee understands and agrees that the Federal or State Government retains an interest in any real property, equipment, and supplies financed with Federal or State assistance (Project property) until, and to the extent, that the Federal or State Government relinquishes its Federal or State interest in that Project property. With respect to any Project property financed with Federal or State assistance under this Agreement, the Awardee agrees to comply with all Federal, State and CRTPO provisions. The Awardee agrees that it will not execute any transfer of title, lease, lien, pledge, mortgage, encumbrance, third party contract, subagreement, grant anticipation note, alienation, innovative finance arrangement (such as a lease), or any other obligation pertaining to Project property, that in any way would affect the continuing Federal and State interest in that Project property.

Termination
Either party may terminate the Agreement by providing 60 days written notice to the other party, or as otherwise permitted by law.

Should the Awardee terminate the Agreement without the concurrence of the CRTPO, the Awardee shall reimburse the CRTPO one hundred percent (100%) of all costs expended by the CRTPO and associated with the work.

Additional Repayment Requirements and Remedies

a. The repayment requirements and remedies addressed in this Paragraph are in addition to those repayment requirements and other remedies set forth elsewhere in this Agreement, including the requirements to repay unspent funds. No remedy conferred or reserved by or to the CRTPO is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy provided for in this Agreement, or now or hereinafter existing at law, in equity, or by statute, and any such right or power may be exercised from time to time and as often as may be deemed expedient.

b. If there is a breach of any of the requirements, covenants or agreements in this Agreement (including, without limitation, any reporting requirements), or if there are any representations or warranties which are untrue as to a material fact in this Agreement or in relation to the Project (including the performance thereof), the Awardee agrees that the CRTPO may require repayment from the Awardee of an amount of funds to be determined in the CRTPO’s sole discretion but not to exceed the amount of funds the Awardee has already received under this Agreement.

Civil Rights and Equal Opportunity
Under this Agreement, the Awardee shall at all times comply with the requirements included as part of this Agreement in the Federal Terms and Conditions.
12 **Choice of Law and Venue**

13 **Severability**
If any provision of this Agreement for the Project is determined invalid, the remainder of that Agreement shall not be affected if that remainder would continue to conform to the requirements of applicable Federal or State laws or regulations.

PLANNING PROJECT INFORMATION

Locally Administered Projects
By submitting a project for funding, the municipality (or municipalities) or local government entity (or entities) are committing funds to sponsor the said project. The applicants (if awarded) shall be responsible for all federal and state reporting requirements associated with federal funding. An inter-local agreement between the City of Charlotte, the lead agency for CRTPO, and the designated recipients will outline a reimbursement schedule; local sponsors will be required to pay all costs upfront, invoice CRTPO, and seek subsequent reimbursement for the federal percentage dedicated to the project.

The FHWA and NCDOT allocate Planning funds (PL) to MPOs in North Carolina each year based on a formula approved by NCDOT and FHWA with amounts based on MPO population.

Eligible planning projects include, but are not limited to:
- Corridor Studies
- Access and Mobility Analyses
- Traffic, Alignment Alternatives and Feasibility Studies
- Bicycle and Pedestrian Planning Initiatives

Some planning project requirements include:
- Public outreach efforts must meet Title VI requirements (https://www.crtpo.org/title-vi)
- If using consultant services, procurement of consultants must be chosen in compliance with state and federal regulations
- CRTPO requires that documentation of the planning initiative be provided as project deliverables.
- CRTPO staff participation is required on any technical team developed to guide the project
- Engineering, design, and construction projects are not eligible for these funds

Projects using PL funds are reimbursable at a fixed 80 percent rate for the amount requested for the transportation planning activities local match of 20 percent for that respective amount. For example, if a jurisdiction wants to move forward with a project for which the PL-funded transportation planning component will cost $60,000, it must provide $12,000 (or 20 percent) of that total budget cost. The federal reimbursable PL funds would cover the remaining $48,000.
Planning funds must be expended within one fiscal year. Projects awarded with planning funds will start July 1, 2022 with all reimbursable work completed by June 30, 2023. Any work that is performed prior to that date is not reimbursable.

The Project Sponsor must be prepared to fulfill all of the following requirements for using PL funds:

1. If hiring a consultant, submit a Request for Letter of Interest/Request for Qualifications (RFLOI/RFQ) for approval by NCDOT’s Transportation Planning Division.
2. Solicit consultants
3. Check consultant’s NCDOT pre-qualifications
4. Form a Selection Committee to select the most qualified company
5. The Selection Committee must include an NCDOT member
6. The project sponsor must form and facilitate a selection committee
7. Request NCDOT concurrence with fees and the contract terms
8. Finalize the consultant’s contract and issue a Notice to Proceed (after July 1, 2022)
9. Quarterly progress reports must be submitted that briefly describes the progress made on the project. Progress reports must include:
   • a rolling total of the project cost, reflecting quarterly reimbursement requests showing the drawdown of the total for each reimbursement request
   • total amount expended for the current quarter’s submission, and a breakdown of the amount being requested less the 20 percent local share applied to the total
   • a bulleted list of accomplishments during the quarter
   • invoices submitted by consultants
   • proof that the consultants’ invoices submitted for reimbursement have been paid (copy of the cashed check; report from your financial system showing payment)

Planning projects are reimbursement projects through CRTPO, unlike capital projects where the sponsor organization is reimbursed through NCDOT. After you hire a consultant, your organization will receive the invoices. You will pay 100% of their invoice. Then your organization will request an 80% reimbursement from CRTPO/City of Charlotte. Reimbursement is typically quarterly.

PROJECT INFORMATION

Project Name: Town of Mint Hill Traffic Data Collection and Analysis

Provide a summary of the project, including the location, purpose and need:

The majority of the development that is occurring in the Town of Mint Hill is typically on a smaller scale that does not trigger traffic impact studies. While they are smaller in size, the compounding effect of several of these smaller developments can have a major impact on the roadway network. Therefore, the Town is exploring several options on how to address this problem. One is to reduce the thresholds for a traffic impact study but this still may not address all of the issues, especially with small developments. Another option is to determine and analyze the major intersections in the Town to determine their current level of service and identify deficiencies at these locations, basically establishing a baseline condition. Then this could be used with the smaller developments to help determine contributing impacts.

The project includes traffic data collection during peak hours (6 am to 9 am and 4 pm to 7 pm) at approximately 35 major intersections within the Town limits. This information will then be used for analysis in determining the existing Level of Service and deficiencies at these intersections. Pedestrian and bicycle traffic will also be collected to determine existing usage and future needs.
### PROJECT INFORMATION (continued)

**Project Name:** Town of Mint Hill Data Collection and Analysis

Describe how the project meets one or more CRTPO goals/objectives as listed in the MTP, which can be referenced at [https://www.crtpo.org/PDFs/MTP/2045/2045_MTP_02.pdf](https://www.crtpo.org/PDFs/MTP/2045/2045_MTP_02.pdf):

This project meets several of the goals/objectives in the MTP.

**Goal 1:** Provide, manage, and maintain a safe, efficient, and sustainable transportation system for all modes, intended to serve all segments of the population

This project will help to identify intersection deficiencies and provide a plan for managing and eliminating congestion. This project will also identify existing pedestrian and bicycle usage and identify future needs for improvements to accommodate a variety of modes of transportation.

**Goal 3:** Provide a sustainable transportation system that improves the quality of life for residents, promotes healthy living and is sensitive to significant features of the natural and human environments

This project will identify issues at intersections where projects can be developed to help improve the efficiency of the system which will reduce congestion and improve air quality.

**Goal 6:** Support economic competitiveness by making investment decisions for transportation modes that make the most efficient use of limited public resources and enhance system performance, as well as by pursuing sustainable funding possibilities.

This project will ultimately help improve the overall system performance and provide a path to determine the best use of public and private dollars.
Provide details of anticipated deliverables and final products:

*The project has three main components:*

1. Data Collection (AM and PM peak hour intersection counts) at approximately 35 intersections within the Town limits of Mint Hill.
2. Capacity Analysis at each intersection using Synchro.
3. Identification/list of deficiencies at any of the intersections that are analyzed.
4. GIS map of analyzed intersections, "heat map" of intersections based on level of service.

*The final product will be a report with with all three items that can be used for identification/development of future projects.*

d. Any cost ineligible for FTA/FHWA/CRTPO participation as provided by applicable Federal or State laws, regulations, or directives.
9.5 Final Allowability Determination.
The Awardee understands and agrees that payment to the Awardee on any Project cost does not constitute the CRTPO, Federal, State (NCDOT) Government's final decision about whether that cost is allowable and eligible for payment and does not constitute a waiver of any violation by the Awardee of the terms of this Agreement. The Awardee acknowledges that the CRTPO, Federal, or State (NCDOT) Government will not make a final determination about the allowability and eligibility of any cost until an audit of the Project has been completed. If the CRTPO, Federal or State (NCDOT) Government determines that the Awardee is not entitled to receive any portion of the CRTPO/Federal assistance the Awardee has requested or provided, the CRTPO will notify the Awardee in writing, stating its reasons. The Awardee agrees that Project closeout will not alter the Awardee's responsibility to return any funds due the CRTPO as a result of later refunds, corrections, or other transactions; nor will Project closeout alter the CRTPO, Federal or State (NCDOT) Government's right to disallow costs and recover funds on the basis of a later audit or other review. Unless prohibited by Federal or State law or regulation, the CRTPO, Federal or State (NCDOT) Government may recover any Federal or State assistance funds made available for the Project as necessary to satisfy any outstanding monetary claims that the CRTPO may have against the Awardee.

9.6 Excess Payments, Disallowed Costs, Including Interest.
   a. Awardee's Responsibility to Pay. Upon notification to the Awardee that specific amounts are owed to the CRTPO, Federal or State Government, whether for excess payments of Federal or State assistance, disallowed costs, or funds recovered from third parties or elsewhere, the Awardee agrees to remit to the CRTPO promptly the amounts owed, including applicable interest and any penalties and administrative charges within 90 days of notification.

   b. De-obligation of Grant Funds. The Awardee agrees that the CRTPO may de-obligate unexpended Grant Funds for the Project that are inactive for six months or more.

   c. Project Closeout. Project closeout occurs when the CRTPO issues the final project reimbursement or acknowledges that the Awardee has remitted the proper refund. The Awardee agrees that Project closeout by the CRTPO does not invalidate any continuing requirements imposed by this Agreement.

9.7 Accounting Records
   a. Establishment and Maintenance of Accounting Records. The Awardee shall establish and maintain separate accounts for the Project program, either independently or within the existing accounting system. All costs charged to the program shall be in accordance with the most current approved Project budget.

a. **Progress Reports.** The Awardee shall advise the CRTPO regarding the progress of the Project at a minimum quarterly, and at such time and in such a manner as the CRTPO may require. f. **Audit Costs.** Unless prohibited by law, the costs of audits made in accordance with Title 2 CFR 200, Subpart F "Audit Requirements" are allowable charges to State and Federal awards. The charges may be considered a direct cost or an allocated indirect cost, as determined in accordance with cost principles outlined in Title 2 CFR 200, Subpart E "Cost Principles." The cost of any audit not conducted in accordance with Title 2 CFR 200 and NCGS§ 159 34 is unallowable and shall not be charged to State or Federal grants.
9.9 Compliance with Laws and Regulations
   a. No terms herein shall be construed in a manner that conflicts with the rules and regulations of the CRTPO or with state, specifically NCDOT, or federal law.
   b. The Awardee agrees to comply with all applicable state and federal laws and regulations.

9.10 Conflicts of Interest Policy
The Awardee agrees to file with the CRTPO a copy of the Awardee's policy addressing conflicts of interest that may arise involving the Awardee's management employees and the members of its board of directors or other governing body. The Awardee's policy shall address situations in which any of these individuals may directly or indirectly benefit, except as the Awardee's employees or members of its board or other governing body, from the Awardee's disbursing of State funds, and shall include actions to be taken by the Awardee or the individual, or both, to avoid conflicts of interest and the appearance of impropriety. The conflicts of interest policy shall be filed with the CRTPO prior to the CRTPO disbursing Grant Funds to the Awardee.

The Awardee affirms that it has not paid and will not pay any bonus or commission to any party related to this Project.

9.11 Assignment
   a. Unless otherwise authorized in writing by the CRTPO, the Awardee shall not assign any portion of the work to be performed under this Agreement, or execute any contract, amendment, or change order thereto, or obligate itself in any manner with any third party with respect to its rights and responsibilities under this Agreement without the prior written concurrence of the CRTPO.
   b. The Awardee agrees to incorporate the terms of this Agreement and any applicable State or Federal requirements into written third-party contracts, sub-agreements, and leases, and to take the appropriate measures necessary to ensure that all Project participants comply with applicable Federal and State laws, regulations, and directives affecting their performance.

9.12 Hold Harmless
Except as prohibited or otherwise limited by law, the Awardee agrees to indemnify, save, and hold harmless the CRTPO, the City, the State of North Carolina and the United States of America and its officers, agents, and employees acting within the scope of their official duties against any liability, including costs and expenses, resulting from any willful or intentional violation by the Awardee of proprietary rights, copyrights, or right of privacy, arising out of the publication, translation, reproduction, delivery, use, or disposition of any data furnished under the Project.
Federal or State Interest. The Awardee understands and agrees that the Federal or State Government retains an interest in any real property, equipment, and supplies financed with Federal or State assistance (Project property) until, and to the extent, that the Federal or State Government relinquishes its Federal or State interest in that Project property. With respect to any Project property financed with Federal or State assistance under this Agreement, the Awardee agrees to comply with all Federal, State and CRTPO provisions. The Awardee agrees that it will not execute any transfer of title, lease, lien, pledge, mortgage, encumbrance, third party contract, subagreement, grant anticipation note, alienation, innovative finance arrangement (such as a lease), or any other obligation pertaining to Project property, that in any way would affect the continuing Federal and State interest in that Project property.

10 Termination
Either party may terminate the Agreement by providing 60 days written notice to the other party, or as otherwise permitted by law.

Should the Awardee terminate the Agreement without the concurrence of the CRTPO, the Awardee shall reimburse the CRTPO one hundred percent (100%) of all costs expended by the CRTPO and associated with the work.

10.1 Additional Repayment Requirements and Remedies
a. The repayment requirements and remedies addressed in this Paragraph are in addition to those repayment requirements and other remedies set forth elsewhere in this Agreement, including the requirements to repay unspent funds. No remedy conferred or reserved by or to the CRTPO is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy provided for in this Agreement, or now or hereinafter existing at law, in equity, or by statute, and any such right or power may be exercised from time to time and as often as may be deemed expedient.

b. If there is a breach of any of the requirements, covenants or agreements in this Agreement (including, without limitation, any reporting requirements), or if there are any representations or warranties which are untrue as to a material fact in this Agreement or in relation to the Project (including the performance thereof), the Awardee agrees that the CRTPO may require repayment from the Awardee of an amount of funds to be determined in the CRTPO's sole discretion but not to exceed the amount of funds the Awardee has already received under this Agreement.

11 Civil Rights and Equal Opportunity
Under this Agreement, the Awardee shall at all times comply with the requirements included as part of this Agreement in the Federal Terms and Conditions.
12 **Choice of Law and Venue**
This Agreement is to be interpreted according to the laws of the State of North Carolina. The Parties hereby agree that the proper venue for any claims filed as a result of this Agreement shall be the Superior Court of Mecklenburg County, North Carolina.

13 **Severability**
If any provision of this Agreement for the Project is determined invalid, the remainder of that Agreement shall not be affected if that remainder would continue to conform to the requirements of applicable Federal or State laws or regulations.

14 **Incorporated Terms and Conditions**
In addition to the Terms and Conditions contained in this Agreement, additional terms and conditions incorporated by reference into this Agreement are checked below.

The Awardee also acknowledges that if it makes, or causes to be made, a false, fictitious, or fraudulent claim, statement, submission, or certification to the Federal Government under a contract connected with a project that is financed in whole or in part with Federal assistance originally awarded by the CRFTA under the authority of NCDOT, reserves the right to impose the penalties of 18 USC§ 1001 and 49 USC § 5323(1) on the Awardee, to the extent the Federal Government deems appropriate.

e. **D Federal Changes.**
The Awardee agrees to comply with all applicable federal requirements and federal guidance. All the standards or limits included in this Agreement are minimum requirements. The federal requirements and guidance that applied at the time of the award this Agreement may be modified from time to time, and the modifications will apply to the Awardee.

f. **E Civil Rights and Equal Opportunity.**
Under this Agreement, the Awardee shall at all times comply with the following requirements and shall include these requirements in each subcontract entered into as part thereof.

g. **Nondiscrimination.** In accordance with Federal transit law at 49 USC § 5332, the Awardee agrees that it will not discriminate against any employee or applicant for employment because of race, color, religion, national origin, sex, disability, or age. In addition, the Awardee agrees to comply with applicable Federal implementing regulations and other implementing requirements.

h. **Race. Color, Religion, National Origin, Sex.** In accordance with Title VII of the Civil Rights Act, as amended, 42 USC§ 2000e et seq., and Federal transit laws at

The Awardee agrees to take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, color, religion, national origin, or sex (including sexual orientation and gender identity). Such action shall include, but not be limited to, the following: employment, promotion, demotion or transfer, recruitment or recruitment advertising, layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. In addition, the Awardee agrees to comply with any implementing requirements FTA or FHWA may issue.

k. **Disadvantaged Business Enterprises.**
It is the policy of the North Carolina Department of Transportation that Disadvantaged Business Enterprises (DBEs) as defined in 49 CFR Part 26 shall have the equal opportunity to compete fairly for and to participate in the performance of contracts financed in whole or in part by Grant Funds. The Awardee is also encouraged to give every opportunity to allow DBE participation in contracts. The Awardee, subconsultant, and subcontractor shall not discriminate on the basis of race, religion, color, national origin, age, disability or sex in the performance of this contract. The Awardee shall comply with applicable requirements of 49 CFR Part 26 in the award and administration of federally assisted contracts. Failure by the Awardee to comply with these requirements is a material breach of this contract, which will result in the termination of this contract or such other remedy, as the CRTPO deems necessary.
When payments are made to Disadvantaged Business Enterprise (DBE) Awardees, including material suppliers, Awardees at all levels (Awardee, Subconsultant or Awardee) shall provide the Contract Administrator with an accounting of said payments. The accounting shall be listed on the NCDOT's Awardee Payment Information Form (Form DBE-IS). In the event the Awardee has no DBE participation, the Awardee shall indicate this on the Form DBE-IS by entering the word 'None' or the number 'zero' and the form shall be signed. Form DBE-IS may be accessed on the website at: https://apps.dot.state.nc.us/quickfind/forms/Default.aspx.

A responsible fiscal officer of the payee Awardee who can attest to the date and amounts of the payments shall certify that the accounting is correct. All contractual provisions required by the U.S. DOT, as set forth in FTA Circular 4220.1, as amended, are incorporated by reference. Anything to the contrary herein notwithstanding, all Federal mandated terms shall be deemed to control in the event of a conflict with other provisions contained in this Agreement. The Awardee shall not perform any act, fail to perform any act, or refuse to comply with any CRTPO or NCDOT’s request, which would cause the CRTPO or NCDOT to be in violation of Federal terms and conditions shall prevail and be the instrument governing the receipt of Federal assistance.

m. **H Energy Conservation**
The Awardee agrees to comply with mandatory standards and policies relating to energy efficiency, which are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act.

n. **I Debarment Suspension, Ineligibility and Voluntary Exclusion.**
The Awardee shall comply and facilitate compliance with U.S. DOT regulations, "Non-procurement Suspension and Debarment," 2 CFR part 1200, which adopts and supplements the U.S. Office of Management and Budget (U.S. 0MB) "Guidelines to Agencies on Government-wide Debarment and Suspension (Non-procurement)," 2 CFR part 180. PLANNING PROJECT INFORMATION

Locally Administered Projects
By submitting a project for funding, the municipality (or municipalities) or local government entity (or entities) are committing funds to sponsor the said project. The applicants (if awarded) shall be responsible for all federal and state reporting requirements associated with federal funding. An inter-local agreement between the City of Charlotte, the lead agency for CRTPO, and the designated recipients will outline a reimbursement schedule; local sponsors will be required to pay all costs upfront, invoice CRTPO, and seek subsequent reimbursement for the federal percentage dedicated to the project.

The FHWA and NCDOT allocate Planning funds (PL) to MPOs in North Carolina each year based on a formula approved by NCDOT and FHWA with amounts based on MPO population.

Eligible planning projects include, but are not limited to:
- Corridor Studies
- Access and Mobility Analyses
- Traffic, Alignment Alternatives and Feasibility Studies
- Bicycle and Pedestrian Planning Initiatives

Some planning project requirements include:
- Public outreach efforts must meet Title VI requirements (https://www.crtpo.org/title-vi)
- If using consultant services, procurement of consultants must be chosen in compliance with state and federal regulations
- CRTPO requires that documentation of the planning initiative be provided as project deliverables.
- CRTPO staff participation is required on any technical team developed to guide the project
- Engineering, design, and construction projects are not eligible for these funds

Projects using PL funds are reimbursable at a fixed 80 percent rate for the amount requested for the transportation planning activities local match of 20 percent for that respective amount. For example, if a jurisdiction wants to move forward with a project for which the PL-funded transportation planning component will cost $60,000, it must provide $12,000 (or 20 percent) of that total budget cost. The federal reimbursable PL funds would cover the remaining $48,000.
Planning Project Application

PLANNING PROJECTS
Submittal Guide and Grant Application Package

Planning funds must be expended within one fiscal year. Projects awarded with planning funds will start July 1, 2022 with all reimbursable work completed by June 30, 2023. Any work that is performed prior to that date is not reimbursable.

The Project Sponsor must be prepared to fulfill all of the following requirements for using PL funds:

1. If hiring a consultant, submit a Request for Letter of Interest/Request for Qualifications (RFLOI/RFQ) for approval by NCDOT’s Transportation Planning Division.
2. Solicit consultants
3. Check consultant’s NCDOT pre-qualifications
4. Form a Selection Committee to select the most qualified company
5. The Selection Committee must include an NCDOT member
6. The project sponsor must form and facilitate a selection committee
7. Request NCDOT concurrence with fees and the contract terms
8. Finalize the consultant’s contract and issue a Notice to Proceed (after July 1, 2022)
9. Quarterly progress reports must be submitted that briefly describes the progress made on the project. Progress reports must include:
   - a rolling total of the project cost, reflecting quarterly reimbursement requests showing the drawdown of the total for each reimbursement request
   - total amount expended for the current quarter’s submission, and a breakdown of the amount being requested less the 20 percent local share applied to the total
   - a bulleted list of accomplishments during the quarter
   - invoices submitted by consultants
   - proof that the consultants’ invoices submitted for reimbursement have been paid (copy of the cashed check; report from your financial system showing payment)

Planning projects are reimbursement projects through CRTPO, unlike capital projects where the sponsor organization is reimbursed through NCDOT. After you hire a consultant, your organization will receive the invoices. You will pay 100% of their invoice. Then your organization will request an 80% reimbursement from CRTPO/City of Charlotte. Reimbursement is typically quarterly.

*The MTP itself utilizes the word 'safe' 43 times aligning with the broad goal of Vision Zero. Goal 1 specifically aims to provide safe transportation systems for multiple modes. Goal 2 is also applicable in its multimodal focus. While VZ aims to eliminate all traffic deaths and fatalities, bicyclists and pedestrians are the most vulnerable road users. Goal 4 stresses the need to provide equitable transportation choices to low income, minority, and aging populations. VZ recognizes that people in these categories are more likely to be injured or killed in traffic; thus, VZ is in alignment with this goal.*

d. Any cost ineligible for FTA/FHWA/CRTPO participation as provided by applicable Federal or State laws, regulations, or directives.

9.5 Final Allowability Determination.
The Awardee understands and agrees that payment to the Awardee on any
Project cost does not constitute the CRTPO, Federal, State (NCDOT) Government's final decision about whether that cost is allowable and eligible for payment and does not constitute a waiver of any violation by the Awardee of the terms of this Agreement. The Awardee acknowledges that the CRTPO, Federal, or State (NCDOT) Government will not make a final determination about the allowability and eligibility of any cost until an audit of the Project has been completed. If the CRTPO, Federal or State (NCDOT) Government determines that the Awardee is not entitled to receive any portion of the CRTPO/Federal assistance the Awardee has requested or provided, the CRTPO will notify the Awardee in writing, stating its reasons. The Awardee agrees that Project closeout will not alter the Awardee's responsibility to return any funds due the CRTPO as a result of later refunds, corrections, or other transactions; nor will Project closeout alter the CRTPO, Federal or State (NCDOT) Government's right to disallow costs and recover funds on the basis of a later audit or other review. Unless prohibited by Federal or State law or regulation, the CRTPO, Federal or State (NCDOT) Government may recover any Federal or State assistance funds made available for the Project as necessary to satisfy any outstanding monetary claims that the CRTPO may have against the Awardee.

9.6 Excess Payments, Disallowed Costs, Including Interest.
   a. Awardee's Responsibility to Pay. Upon notification to the Awardee that specific amounts are owed to the CRTPO, Federal or State Government, whether for excess payments of Federal or State assistance, disallowed costs, or funds recovered from third parties or elsewhere, the Awardee agrees to remit to the CRTPO promptly the amounts owed, including applicable interest and any penalties and administrative charges within 90 days of notification.
   
   b. De-obligation of Grant Funds. The Awardee agrees that the CRTPO may de-obligate unexpended Grant Funds for the Project that are inactive for six months or more.
   
   c. Project Closeout. Project closeout occurs when the CRTPO issues the final project reimbursement or acknowledges that the Awardee has remitted the proper refund. The Awardee agrees that Project closeout by the CRTPO does not invalidate any continuing requirements imposed by this Agreement.

9.7 Accounting Records
   a. Establishment and Maintenance of Accounting Records. The Awardee shall establish and maintain separate accounts for the Project program, either independently or within the existing accounting system. All costs charged to the program shall be in accordance with the most current approved Project budget.
   
   b. Documentation of Project Costs. All costs charged to the Project, including any approved services performed by the Awardee or others, shall be supported by
properly executed payrolls, time records, invoices, contracts, or vouchers evidencing in detail the nature and propriety of the charges.

9.8 Reporting, Record Retention, and Access

a. *Progress Reports.* The Awardee shall advise the CRTPO regarding the progress of the Project at a minimum quarterly, and at such time and in such a manner as the CRTPO may require. Such reporting and documentation may include, but not be limited to operating statistics, meetings, progress reports, and monthly performance reports. The Awardee shall collect and submit to the CRTPO such financial statements, data, records, contracts, and other documents related to the Project as may be deemed necessary by the CRTPO. Reports shall include narrative and financial statements of sufficient substance to be in conformance with the reporting requirements of the CRTPO.

b. *Record Retention.* The Awardee and its third-party Awardees shall retain all records pertaining to this Project for a period of five (5) years from the date of final payment to the Awardee, or until all audit exceptions have been resolved, whichever is longer.

c. *Project Closeout.* The Awardee agrees that Project closeout does not alter the reporting and record retention requirements of this Agreement.

d. *State Auditor Oversight.* The Awardee agrees to audit oversight by the North Carolina Office of the State Auditor and/or the CRTPO, to provide auditors with access to accounting records, and to make available any audit work papers in the possession of any auditor of the Awardee.

e. *Third Party Loans.* Within 30 days of receipt, the Awardee shall disclose to the CRTPO any loans received from a local government entity or other entity not party to this Agreement.

f. *Audit Costs.* Unless prohibited by law, the costs of audits made in accordance with Title 2 CFR 200, Subpart F "Audit Requirements" are allowable charges to State and Federal awards. The charges may be considered a direct cost or an allocated indirect cost, as determined in accordance with cost principles outlined in Title 2 CFR 200, Subpart E "Cost Principles." The cost of any audit not conducted in accordance with Title 2 CFR 200 and NCGS§ 159 34 is unallowable and shall not be charged to State or Federal grants.

9.9 Compliance with Laws and Regulations

a. No terms herein shall be construed in a manner that conflicts with the rules and regulations of the CRTPO or with state, specifically NCDOT, or federal
law.

b. The Awardee agrees to comply with all applicable state and federal laws and regulations.

9.10 Conflicts of Interest Policy
The Awardee agrees to file with the CRTPO a copy of the Awardee's policy addressing conflicts of interest that may arise involving the Awardee's management employees and the members of its board of directors or other governing body. The Awardee's policy shall address situations in which any of these individuals may directly or indirectly benefit, except as the Awardee's employees or members of its board or other governing body, from the Awardee's disbursing of State funds, and shall include actions to be taken by the Awardee or the individual, or both, to avoid conflicts of interest and the appearance of impropriety. The conflicts of interest policy shall be filed with the CRTPO prior to the CRTPO disbursing Grant Funds to the Awardee.

The Awardee affirms that it has not paid and will not pay any bonus or commission to any party related to this Project.

9.11 Assignment
a. Unless otherwise authorized in writing by the CRTPO, the Awardee shall not assign any portion of the work to be performed under this Agreement, or execute any contract, amendment, or change order thereto, or obligate itself in any manner with any third party with respect to its rights and responsibilities under this Agreement without the prior written concurrence of the CRTPO.

b. The Awardee agrees to incorporate the terms of this Agreement and any applicable State or Federal requirements into written third-party contracts, sub-agreements, and leases, and to take the appropriate measures necessary to ensure that all Project participants comply with applicable Federal and State laws, regulations, and directives affecting their performance.

9.12 Hold Harmless
Except as prohibited or otherwise limited by law, the Awardee agrees to indemnify, save, and hold harmless the CRTPO, the City, the State of North Carolina and the United States of America and its officers, agents, and employees acting within the scope of their official duties against any liability, including costs and expenses, resulting from any willful or intentional violation by the Awardee of proprietary rights, copyrights, or right of privacy, arising out of the publication, translation, reproduction, delivery, use, or disposition of any data furnished under the Project.

Federal or State Interest. The Awardee understands and agrees that the Federal or State Government retains an interest in any real property, equipment, and supplies financed with Federal or State assistance (Project property) until, and to the extent,
that the Federal or State Government relinquishes its Federal or State interest in that Project property. With respect to any Project property financed with Federal or State assistance under this Agreement, the Awardee agrees to comply with all Federal, State and CRTPO provisions. The Awardee agrees that it will not execute any transfer of title, lease, lien, pledge, mortgage, encumbrance, third party contract, subagreement, grant anticipation note, alienation, innovative finance arrangement (such as a lease), or any other obligation pertaining to Project property, that in any way would affect the continuing Federal and State interest in that Project property.

10 Termination
Either party may terminate the Agreement by providing 60 days written notice to the other party, or as otherwise permitted by law.

Should the Awardee terminate the Agreement without the concurrence of the CRTPO, the Awardee shall reimburse the CRTPO one hundred percent (100%) of all costs expended by the CRTPO and associated with the work.

10.1 Additional Repayment Requirements and Remedies
a. The repayment requirements and remedies addressed in this Paragraph are in addition to those repayment requirements and other remedies set forth elsewhere in this Agreement, including the requirements to repay unspent funds. No remedy conferred or reserved by or to the CRTPO is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy provided for in this Agreement, or now or hereinafter existing at law, in equity, or by statute, and any such right or power may be exercised from time to time and as often as may be deemed expedient.

b. If there is a breach of any of the requirements, covenants or agreements in this Agreement (including, without limitation, any reporting requirements), or if there are any representations or warranties which are untrue as to a material fact in this Agreement or in relation to the Project (including the performance thereof), the Awardee agrees that the CRTPO may require repayment from the Awardee of an amount of funds to be determined in the CRTPO’s sole discretion but not to exceed the amount of funds the Awardee has already received under this Agreement.

11 Civil Rights and Equal Opportunity
Under this Agreement, the Awardee shall at all times comply with the requirements included as part of this Agreement in the Federal Terms and Conditions.

12 Choice of Law and Venue
This Agreement is to be interpreted according to the laws of the State of North Carolina. The Parties hereby agree that the proper venue for any claims filed as a result of this Agreement shall be the Superior Court of Mecklenburg County, North Carolina.
13 Severability
If any provision of this Agreement for the Project is determined invalid, the remainder of that Agreement shall not be affected if that remainder would continue to conform to the requirements of applicable Federal or State laws or regulations.

In addition to the Terms and Conditions contained in this Agreement, additional terms and conditions incorporated by reference into this Agreement are checked below.

Upon execution of the underlying Agreement, the Awardee certifies or affirms the truthfulness and accuracy of any statement it has made, it makes, it may make, or causes
to be made, pertaining to the underlying Agreement or the CRTPO assisted project for which this Agreement work is being performed. In addition to other penalties that may be applicable, the Awardee further acknowledges that if it makes, or causes to be made, a false, fictitious, or fraudulent claim, statement, submission, or certification, the Federal Government reserves the right to impose the penalties of the Program Fraud Civil Remedies Act of 1986 on the Awardee to the extent the Federal Government deems appropriate.

The Awardee also acknowledges that if it makes, or causes to be made, a false, fictitious, or fraudulent claim, statement, submission, or certification to the Federal Government under a contract connected with a project that is financed in whole or in part with Federal assistance originally awarded by the CRFTA under the authority of NCDOT, reserves the right to impose the penalties of 18 USC§ 1001 and 49 USC § 5323(1) on the Awardee, to the extent the Federal Government deems appropriate.

e. D Federal Changes.
The Awardee agrees to comply with all applicable federal requirements and federal guidance. All the standards or limits included in this Agreement are minimum requirements. The federal requirements and guidance that applied at the time of the award this Agreement may be modified from time to time, and the modifications will apply to the Awardee.

Under this Agreement, the Awardee shall at all times comply with the following requirements and shall include these requirements in each subcontract entered into as part thereof.

g. Nondiscrimination. In accordance with Federal transit law at 49 USC § 5332, the Awardee agrees that it will not discriminate against any employee or applicant for employment because of race, color, religion, national origin, sex, disability, or age. The Awardee is also encouraged to give every opportunity to allow DBE participation in contracts. The Awardee, subconsultant, and subcontractor shall not discriminate on the basis of race, religion, color, national origin, age, disability or sex in the performance of this contract. The Awardee shall comply with applicable requirements of 49 CFR Part 26 in the award and administration of federally assisted contracts.
