

Non-Motorist Connectivity Initiative

CDOT

AUGUST 15, 2023

Agenda

- ☐ **Non-Motorist Connectivity Criteria**
- ☐ **Projects Being Implemented**
- ☐ **Potential Future Locations**

Non-Motorist Connectivity Criteria

□ Equity

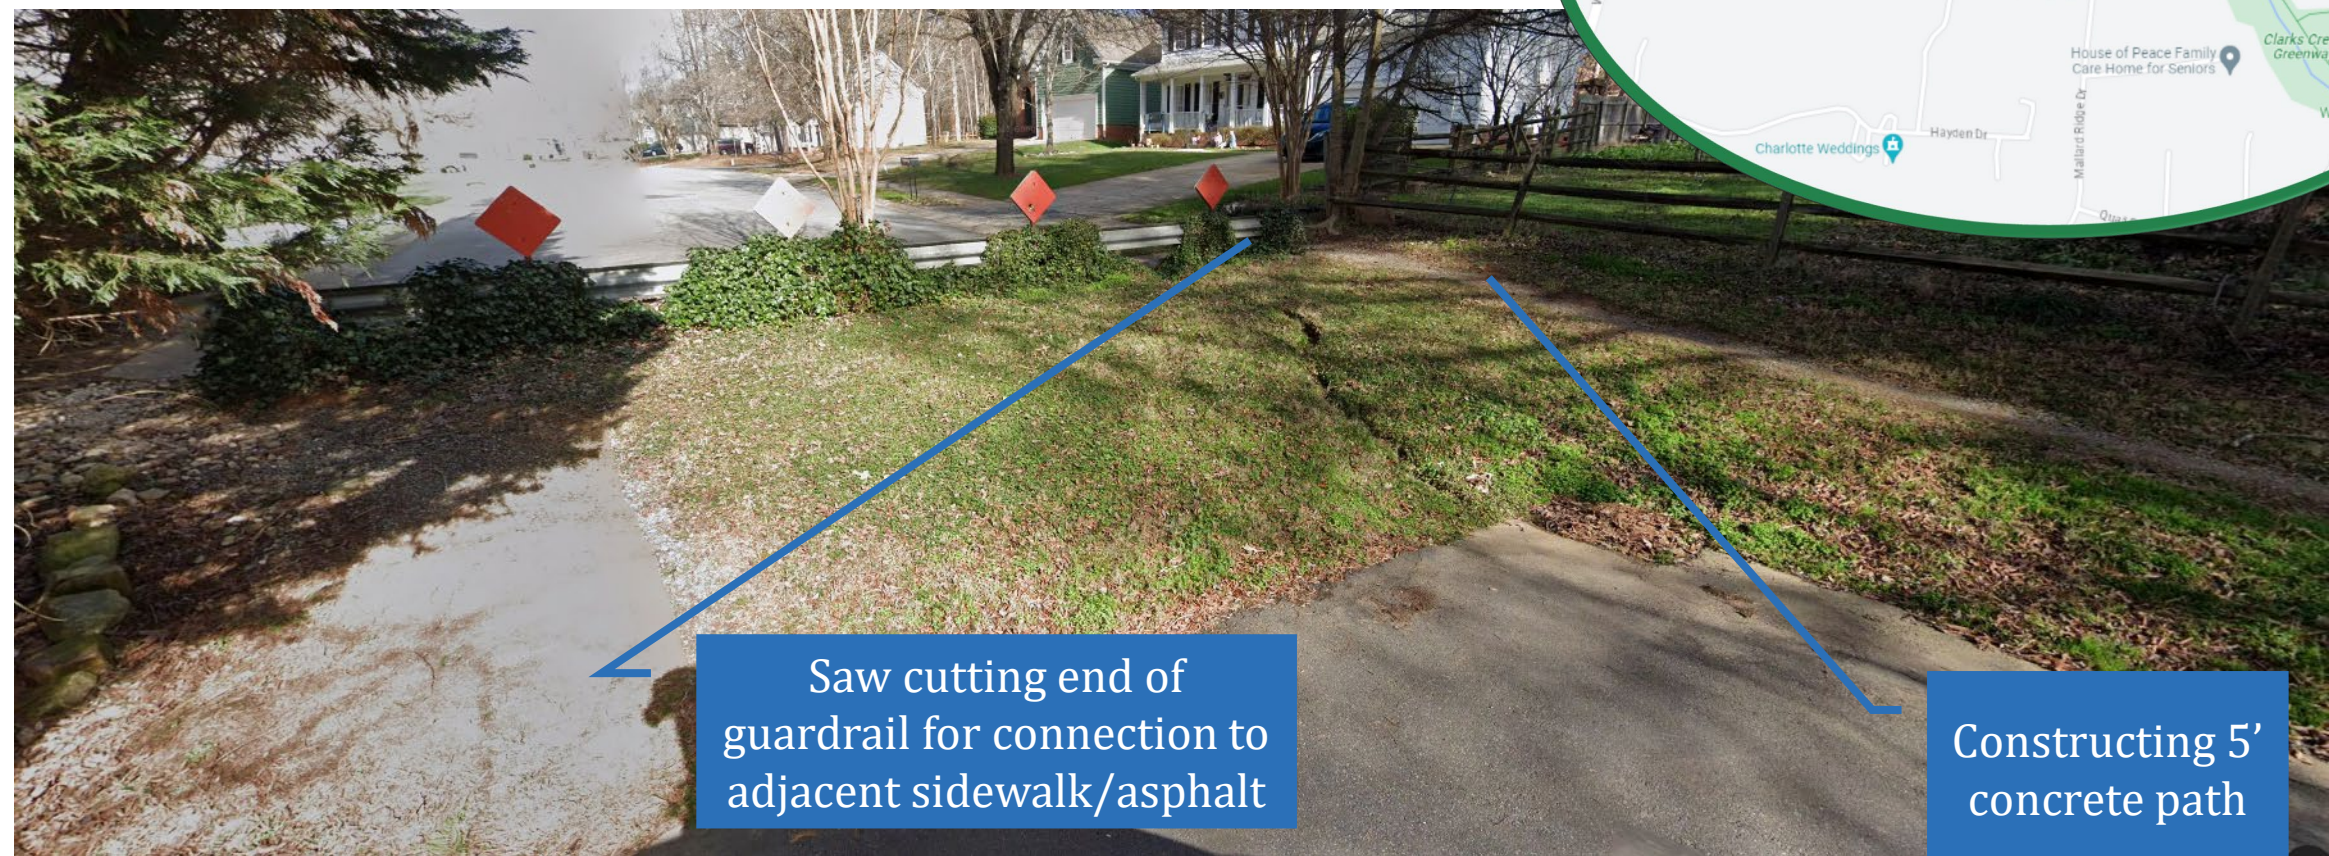

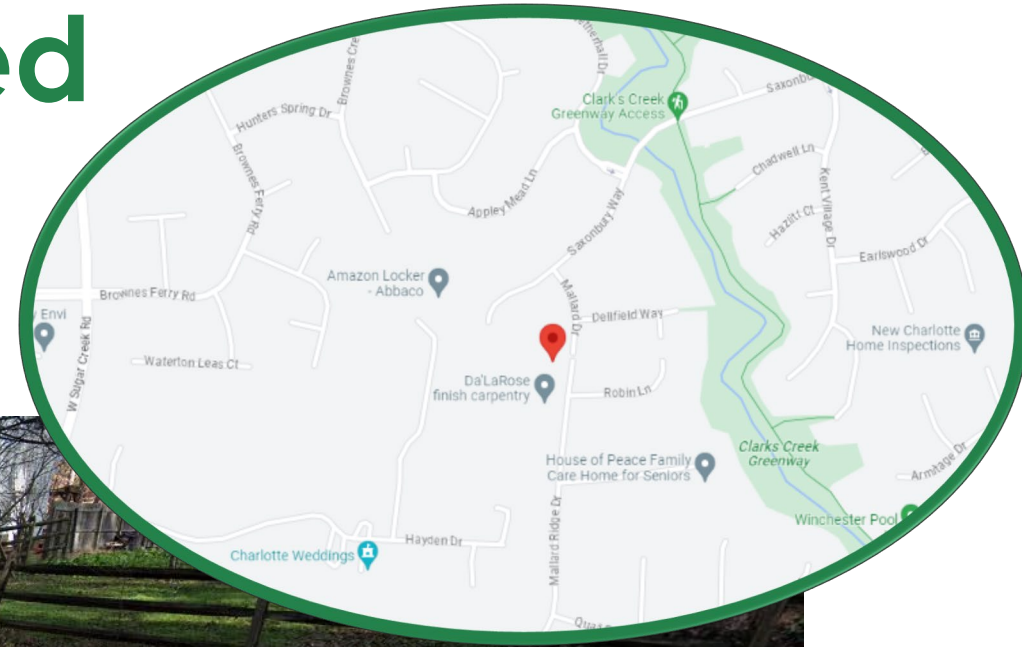

- Transportation Disadvantage Index (TDI) Score
- CATS bus stops

□ Connectivity

- LYNX Blue Line Stops
- Schools
- Greenway Entrances
- Existing bike facilities
- Community Activity Centers
- Neighborhood Activity Centers

Projects Being Implemented

12429 Mallard Ridge Dr

Saw cutting end of guardrail for connection to adjacent sidewalk/asphalt

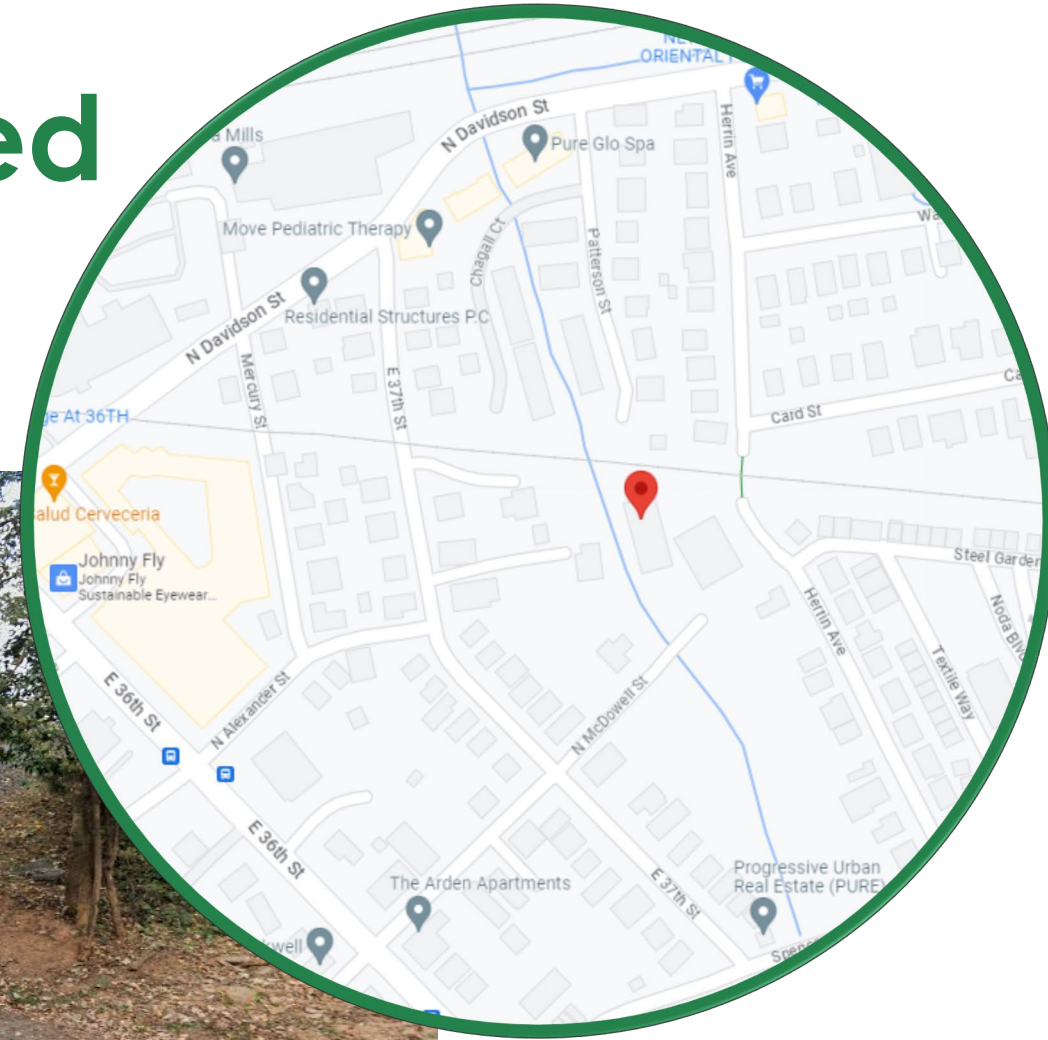

Constructing 5' concrete path

Projects Being Implemented

720 Herrin Ave

Splitting guardrail. Adding bollard into the center to prevent vehicular traffic and delineate two-way cyclist traffic

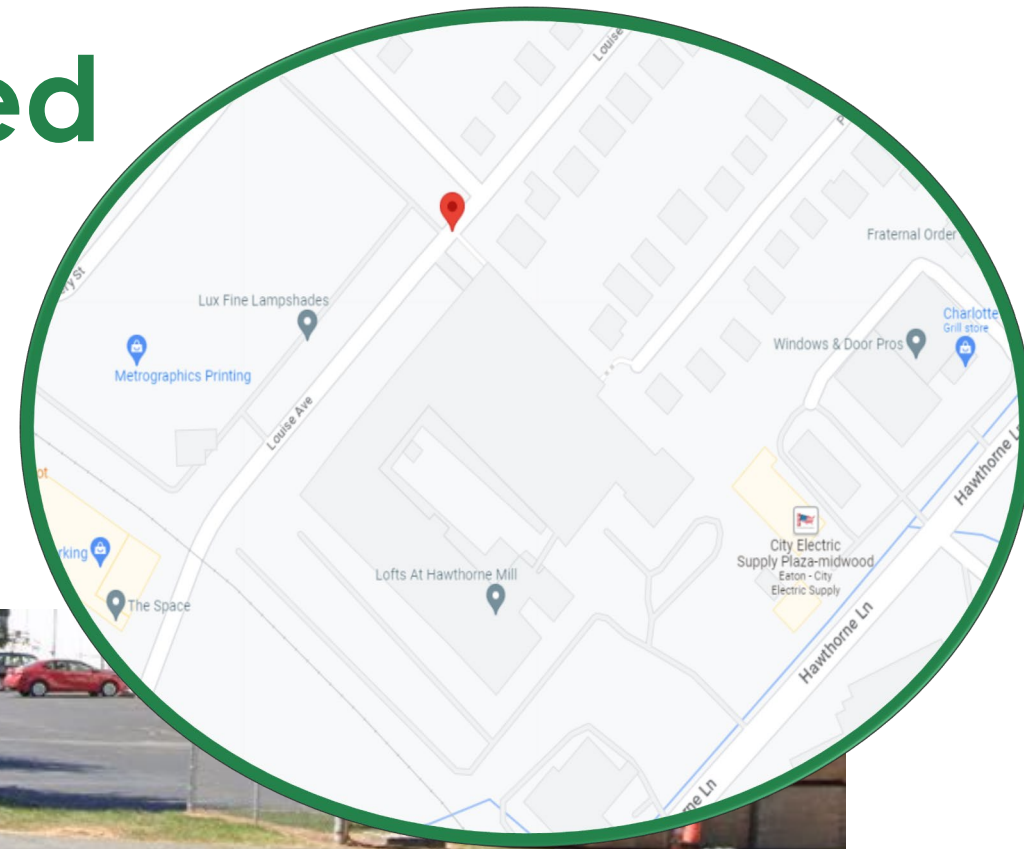

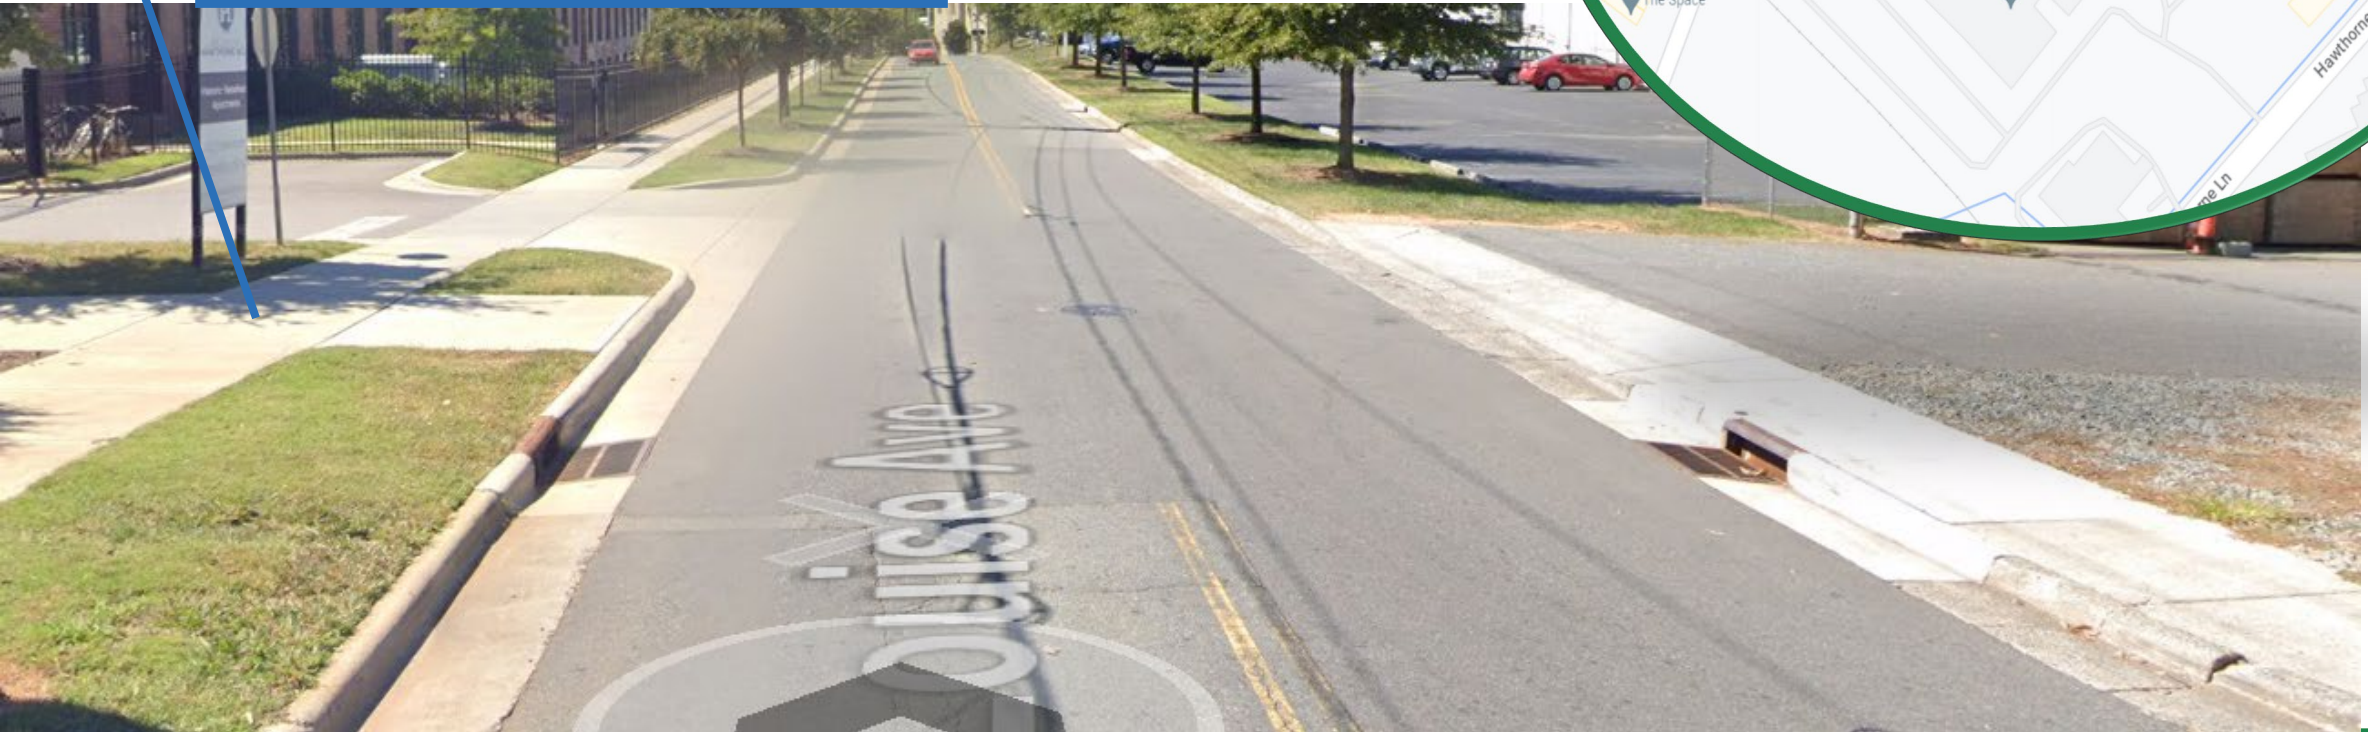

Removing red signs

Projects Being Implemented

1096 Louise Ave

Construct bike ramp from the existing SUP (Segment on Hawthorne tabled for later date)

Potential Locations

(To begin Feasibility in FY 2024)

**This list is subject to change and prioritization will reoccur every year
