WHAT WE HEARD

During community engagement sessions, stakeholders discussed needs for the corridor and existing/potential projects and programs that would best address them. Those ideas included:

- Complete the Urban Arboretum Trail (UAT) and other trails/greenways
- Activate Double Oaks Park
- Create signature open space experiences in North End
- Move utilities underground
- Invest in solar power and sustainability initiatives
- Expand parks, greenways, and tree canopy

TOP PROJECTS

A CREATE UNIQUE PARKS/GREEN SPACES
B CREATE GREEN CONNECTIONS BETWEEN COMMUNITIES
C CONTINUE INVESTMENT IN THE URBAN ARBORETUM TRAIL
D FUND GREENWAY IMPROVEMENTS WITHIN THE CORRIDOR
E PROMOTE BEAUTIFICATION GRANTS AND INCREASE FUNDING INSIDE CORRIDOR
F FUND SOLAR POWER FACILITIES IN PUBLIC SPACES
