**INVITATION TO BID
ITB AVIA 23-56: BASEMENT CONDENSER WATER LOOP EXTENSION
ADDENDUM #2
June 12, 2023**

This Addendum is hereby made a part of the specifications, as applicable, of the above referenced project. All other requirements of the original plans and specification shall remain in effect in their respective order. Acknowledge receipt of this addendum by inserting its number and date on Form B of your bid.

Q: Please confirm what the scope is for cutting and patching. Do we need to pick up demo of existing ceiling grid/tile and re-install in the basement?

A: The bidding contractor shall be responsible for all cutting and patching of ceilings, floors, and walls as needed to facilitate the installation of the piping. The existing ceiling grid in the basement shall be removed as needed in areas no larger than 4ft x 4ft to install the piping. The awarded contractor shall be responsible for replacing the removed ceiling grid and tiles to their original condition. Any additional ceiling grid/tile removal shall be coordinated with CLT staff at least 1 week prior to beginning work.

Charlotte Douglas International Airport (CLT), a City of Charlotte department does not discriminate on the basis of disability. We will provide auxiliary aids and services, written materials in alternative formats, and reasonable modifications in policies and procedures to persons with disabilities upon request.
