**General Note:**

- Pursuant to NC Statute Chapter 87, Article 1, this project will require a General Contractor's license.
- Please pay attention to the asbestos testing report in the specifications manual, as all regulatory requirements must be followed for abatement and removal.
- Please be advised that information found in the ITB related to working at the Airport terminal, Airplane Operating Area (AOA), etc. (i.e. badging criteria, security guards, etc.) will not apply as this project location is not within any secure areas at the Airport.

**Questions received are answered as follows:**

*Q: Has the roof been cored? Do you know what is on there now?*

**A: See specification section 01100/1.3**

*Q: [Question submitted prior to site visit] Will there be access to the roof available or any other site visits opportunities if we can't make it on the 25<sup>th</sup>?*

**A: At this time, we can only guarantee a site visit as scheduled in the ITB. We will make roof access available.**
