SCOPE OF WORK:

This will be for the purpose of performing slab replacement projects and storm structure replacements across the airfield - Primarily the terminal ramp. This is a Task Order based on-call contract. Assignment of Work and execution of Task Orders shall follow the process set forth herein. The contractor shall furnish all supervision, labor, materials, machinery, tools, equipment and services, and perform and complete all work in an efficient and workmanlike manner and in accordance with the terms of the Contract.

TASK ORDER PROCESS. This is a Task Order based on-call contract. Assignment of Work and execution of Task Orders shall follow the process set forth in this contract and section.

- A. Standard Task Order Process. Task Orders will be assigned and executed using the Task Order Form set forth in Section IV. I. below. Upon receipt of a proposed Task Order, the Contractor shall provide the required information on the Task Order Form and DBE Form and return the form to CLT as quickly as reasonably possible. In the event that it will require more than seven (7) business days to return the forms, the Contractor shall notify the CLT Project Manager of that fact and the context of why.

Upon return of the forms with the required information from the Contractor, CLT will review and then notify and present the Contractor with the final Task Order form for execution and for the Work to begin at the appropriate time. If it becomes necessary to add or subtract work from the Task during the performance of the Work, the Task Order form shall be amended to document and reflect those changes in Work and costs.

- B. Emergency Task Order Process. Emergency Task Order will be initiated via a direct communication from CLT to the Contractor that will function as a Notice to Proceed. In such case the Contractor will mobilize and begin work immediately and in no event shall Work begin later than 24 hours after the Notice to Proceed.

The Task Order Form process shall be followed in tandem with the Work proceeding. In the event that the final costs and schedule cannot be reasonably agreed upon, payment will follow the Contract Force Account method utilizing Unit Prices established in the contract to the greatest extent possible.

Bidders may obtain the complete Project Manual, including all plans, drawings, specifications and addenda ("Bid Documents") beginning **August 19, 2026**, from the Bid Portal. Bidders may access the bid portal via the Bid Portal link shown above.

Title VI Solicitation Notice (A5.3.1): The Owner, in accordance with the provisions of Title VI of the Civil Rights Act of 1964 (78 Stat. 252, 42 USC §§ 2000d to 2000d-4), 28 CFR § 50.3, and 49 CFR Part 21, hereby notifies all bidders that it will affirmatively ensure that any contract entered into pursuant to this advertisement, all contractors will be afforded full opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of the owner's race, color, national origin, sex, creed, age, or disability in consideration for an award.

Attempts to Influence the Selection Process

Except for clarifying written questions sent to the ITB Manager, all Bidders, including all persons acting on their behalf, are strictly prohibited from contacting City staff on or regarding any matter relating to this ITB from the time the ITB is issued until the intent to award is communicated to Bidders. **CLT reserves the right to disqualify any Bidder who contacts a City staff concerning this ITB other than in accordance with this ITB.**
