Addendum #1	All-Electric Class 8 Day Cab Tractor ITB# 269-2023-054
--------------------	-------------------------------------------------------------------

To: All Prospective Bidders

Date: June 13, 2023

Subject: **Addendum # 1 – ITB# 269-2023-054 – All-Electric Class 8 Day Cab Tractor**

Please note the specification changes/modifications below for the ITB.

Clarification 1:

Section 2.5 Prices are Firm. The following language has been removed from the ITB in its entirety:

Each Bidder warrants the Bid price(s), terms and conditions quoted in its Bid shall be firm for acceptance by the City for a period of one hundred twenty (120) calendar days from the date of the Bid opening. Once award is made and a Contract is in place, prices shall remain firm and fixed for the entire Contract period, unless otherwise allowed in the Special Conditions and stated in the Bid.

Clarification 2:

Section 2.5 Prices are Firm. The following language replaces Section 2.5 of the ITB:

Each Bidder warrants that the Bid price(s), terms, and conditions quoted in its Bid shall be firm from Bid opening through contract order placement. Once an award is made and a Contract is in place, prices shall remain firm and fixed for the entire Contract period. To take exception, refer to section 1.4 of the ITB.

Item #	Page #	Section #	Specification	Mandatory Pre-Bid Conference Questions
1	16	3	Delivery	<p>Question: What would be the timeline for delivery on this bidding?</p> <p>Answer: Refer to Attachment A – All-Electric Class 8 Day Cab Tractor Specifications. All Products provided under this contract must be delivered to F.O.B. Destination prior to March 1, 2025.</p>
2	1		Attachment A – All-Electric Class * Day Cab Tractor Specifications	<p>Question: What type of truck are you looking for? Straight Truck or Tractor 4x2, 6x2, 6x4</p> <p>Answer: Refer to the “Requirements” Section, Attachment A, page 1. This is an All-Electric Class 8 Day Cab Tandem Axle Tractor, 6x4</p>
3	1			<p>Question: A route simulation is required. Please provide the starting point address and the address of every stop the unit throughout the route.</p>

Item #	Page #	Section #	Specification	Mandatory Pre-Bid Conference Questions
			Attachment A – All-Electric Class * Day Cab Tractor Specifications	Answer: This truck will not have a fixed route. Please refer to the “General Service Description” section, Attachment A, page 1, for usage information.
4	1		Attachment A – All-Electric Class * Day Cab Tractor Specifications	Question: Need to know the payload weight. Answer: Please refer to the “General Service Description” section, Attachment A, page 1. Truck must meet minimum weight requirements per this section. If these minimums cannot be met, bidders should list this as an exception.
5	4		Attachment A – All-Electric Class * Day Cab Tractor Specifications	Question: Could you please clarify the following specifications: 7.3 E-Mobility Forward Cross Member, 7.5 Front Closing Member Cross member Answer: Items 7.3 and 7.5 will be removed from the specifications.
