|      | on this rezoning plan and  | d the development standards, provided, however that any such alterations and modifications   | 2.              | Decorative                    |  |  |
|      | snall not materially chang   | ge the overall design intent depicted on the rezoning plan.  |                 |                               |  |  |

5. This rezoning plan illustrates schematic depictions of the uses, parking areas, sidewalks, structures and buildings, access driveways, open space, streetscape and other development matters and site elements (collectively the "development/site elements") set forth on the rezoning plan should be reviewed in conjunction with the provisions of these development standards. The layout, locations, sizes and formulations of the development/site elements depicted on the rezoning plan are graphic representations of the development/site elements proposed may be altered or modified within the limits prescribed by the zoning ordinance. Future amendments to the rezoning plan and/or these development standards may be applied for in accordance with the provisions of Chapter 6 of the ordinance. alterations are subject to section 6.207 of the ordinance.

Optional Provisions

- 1. The existing building shall remain, and may be renovated, improved, expanded and replaced in the manner generally depicted on the rezoning plan. The destruction or substantial impairment of the building alone shall not require rezoning and the building may replaced in a materially similar form in the manner generally depicted on the rezoning plan. In the event the building is permanently removed for redevelopment then the parcel shall be rezoned.
- 2. The parking requirements of the zoning ordinance shall be reduced to zero, and no parking shall be required for use of the existing building, building expansion and outdoor patio area.
- 3. To facilitate the retention of the existing building, the petitioner may preserve or remove the existing non-compliant parking in the manner generally depicted on the rezoning plan.
- 4. Petitioner shall not be required to meet the parking screening requirements of 12.303 and all other parking screening requirements for the existing parking as generally shown on the site plan.
- 5. In order to facilitate the rehabilitation and use of the existing building, the building and outdoor areas may be renovated, improved and expanded into the areas generally marked on the site plan as "Outdoor Seating Area" on the rezoning plan
- 6. The existing sidewalks on E. 35th/ St shall remain and be maintained and petitioner shall not be required to include planting strips or modify the existing curbs.
- 7. No sidewalk or planting strip shall be required on N. McDowell St.
- 8. The existing building is exempt from the MUDD setback requirements only to the extent necessary to allow the retention of the existing building and to allow reasonable minor changes required for repairs to the building and its fixtures, however, new building shall comply with the applicable setbacks as set forth in the ordinance.

9. In order to facilitate the retention of the existing building the petitioner shall have a setback of 10ft from the back of the existing curbs on both 35th St. and N. McDowell St. 

1. The site may be devoted to the following uses as permitted by right or under prescribed conditions in the MUDD zoning district together with any incidental or accessory uses associated therewith: a. EDEE type I and EDEE type II;

- b. Office;
- c. Professional business and general office;
- d. Retail sales as allowed in the b-1 district;
- e. Single family residential;
- f. Buildings for dramatic musical or cultural activities;
- g. Outdoor produce markets; h. Services such as beauty shops and barber shops;
- i. Artist studios and/or galleries;
- Bicycle services;
- k. Bicycle sharing stations;
- I. Small-scale class learning businesses;
- m.Food establishements; and
- n. Ymcas, buildings for social, fraternal, social service, union and civic organizations, and comparable organizations. 2. Restriction on use:
  - a. The site uses shall be subject to the following limitations
  - b. The total area of combined indoor and outdoor use shall be limited to a maximum of 6,000 square feet of allowable uses.
  - c. A maximum height of forty feet (40') shall be permissible and shall be measured as defined within the zoning ordinance.

d. Outdoor uses shall be restricted to the hours of 7:00 am to 10:00 pm. e. Outdoor music and entertainment shall be limited to the hours of

- 1. Sunday though Thursday: 8:00 am 8:30 pm and
- 2. Friday and Saturday 8:00 am 9:30 pm.

3. Live amplified outdoor performances shall be further limited to the hours of 12:00 pm (noon) until 8:30 pm and shall only be allowed on Friday - Sunday and weekdays that are designated as federal or state holidays.

f. If onsite alcohol consumption is provided, then the use must also include food service. g. Petitioner shall not install tents or tent-like canopies or other non-permanent structures in the rear-yard for more than 72 hours at a time or more than once a month, provided that sun-shades and shade umbrellas shall still be allowed, subject to applicable ordinance. <u>/3</u> Transportation

1. The final placement and configuration of the vehicular access points shown on the rezoning plan are subject to minor modifications required to accommodate final site and construction plans and designs and to any adjustments required by CDOT for final approval.

2. Parking shall not be required but petitioner may retain existing parking as set forth in the optional provisions. 3. All public related transportation improvements shall be approved and constructed at the time that the building or site is

permitted for an expansion of greater than 25% of the building area and shall be completed before the issuance of a certificate of occupancy for the expansion project. The transportation improvements will not be triggered by minor permits or permitting necessary to repair or replace the building or premises, nor shall it be required by expansion of outdoor seating areas.

4. When required per these conditional notes, petitioner shall: a. Provide a 6 ft wide sidewalk on the back of the curb on E. 35th St. as generally shown on the site plan when required by expansion of the building by more than 25% as set forth above. Provide a 6 ft wide sidewalk on the back of the curb on N. McDowell St. As generally shown on the site plan when required by expansion of the building by more than 25% as set forth above.

- In order to preserve the existing building, the area between the building and sidewalk on N. McDowell shall not be required to have a planting strip, however this area shall not be exempt from perimeter tree calculations.
