**DEVELOPMENT STANDARDS**

June 13, 2022

**1. GENERAL PROVISIONS**

- A. These Development Standards form a part of the Rezoning Plan associated with the Rezoning Petition filed by McCraney Property Company (the "Petitioner") for an approximately 44.95 acre site located at the southwest quadrant of the I-85 and I-485 interchange, which site is more particularly depicted on the Rezoning Plan (hereinafter referred to as the "Site"). The Site is comprised of Tax Parcel No. 055-531-03.
- B. The development and use of the Site will be governed by the Rezoning Plan, these Development Standards and the applicable provisions of the City of Charlotte Zoning Ordinance (the "Ordinance").
- C. Unless the Rezoning Plan or these Development Standards establish more stringent standards, the regulations established under the Ordinance for the I-1 zoning district shall govern the development and use of the Site.
- D. The development and uses depicted on the Rezoning Plan are schematic in nature and are intended to depict the general arrangement of uses and improvements on the Site. Accordingly, the ultimate layout, locations and sizes of the development and site elements depicted on the Rezoning Plan are graphic representations of the proposed development and site elements, and they may be altered or modified in accordance with the setback, yard and buffer requirements set forth on this Rezoning Plan and the development standards, provided, however, that any such alterations and modifications shall not materially change the overall design intent depicted on the Rezoning Plan. Alterations and modifications shall be in accordance with Section 6.207 of the Ordinance.
- E. Future amendments to the Rezoning Plan and/or these Development Standards may be applied for by the then owner or owners of the Site in accordance with the provisions of Chapter 6 of the Ordinance. Alterations to the Rezoning Plan are subject to Section 6.207 of the Ordinance.
