**RE:** Rezoning Petition #2022-048  
PID# 02911102

This is the first communication concerning this petition. We encourage staff and the Planning Commission to consider Mecklenburg County Park and Recreation Department's (MCPR) comments. We suggest that these comments be incorporated into the staff review notes and written into the Pre-Hearing Staff Analysis to the fullest extent possible.

The plans show a 16 acre publicly accessible park. Please confirm if the park is intended to be dedicated and conveyed to Mecklenburg County. If not, MCPR requests a minimum of 9 acres to be dedicated and conveyed to Mecklenburg County for a future neighborhood park. This requested park land shall be adjacent to a public right-of-way for access and is conducive for the development of the typical amenities found in a neighborhood park and cannot include tree save parcels or stormwater BMP's.
