COMMUNITY MEETING

Meeting is required and has been held. Report available online.

Number of people attending the Community Meeting: 2

STAFF RECOMMENDATION

Staff recommends approval of this petition.

Plan Consistency

The petition is **inconsistent** with the 2040 Policy Map recommendation for Neighborhood 1.

Rationale for Recommendation

- Located along the eastern side of Catalina Avenue, this site is situated directly along a transitional boundary between single family detached development to the north and west and denser residential development aligned with the Neighborhood 2 Place Type just to the east and south.
- The building forms proposed along Catalina Avenue will be limited to no more than 4 units per building at a maximum height of 38 feet behind a 27-foot setback. This type of residential structure is compatible with the scale of development supported in the Neighborhood 1 Place Type, which is appropriate given the Neighborhood 1 designation and uses to the north and west of the site. The plan positions denser building forms to the rear

of the site against an area zoned UR-2(CD) that is developing with multi-family units and recommended for the Neighborhood 2 Place Type.

- The proposal commits to install a Class C buffer with a fence along the site's northern and southern boundaries, screening the site from the abutting single family homes.
- Located less than a mile from the site is Camp North End, one of multiple nodes of commercial development that would service potential future residents on these parcels.
- The application of the Neighborhood 2 Place Type is appropriate here given the adjacency to Neighborhood 1 and 2 Place Types. The site is also within a half-mile walk of areas within the Neighborhood Center Place Type along significant transportation corridors, North Tryon Street and North Graham Street.
- The petition could facilitate the following *2040 Comprehensive Plan* Goals:
 - 1: 10 Minute Neighborhoods
 - 2: Neighborhood Diversity & Inclusion
 - 5: Safe & Equitable Mobility
 - 6: Healthy, Safe & Active Communities

The approval of this petition will revise the recommended place type as specified by the *2040 Policy Map*, from Neighborhood 1 to Neighborhood 2 for the site.

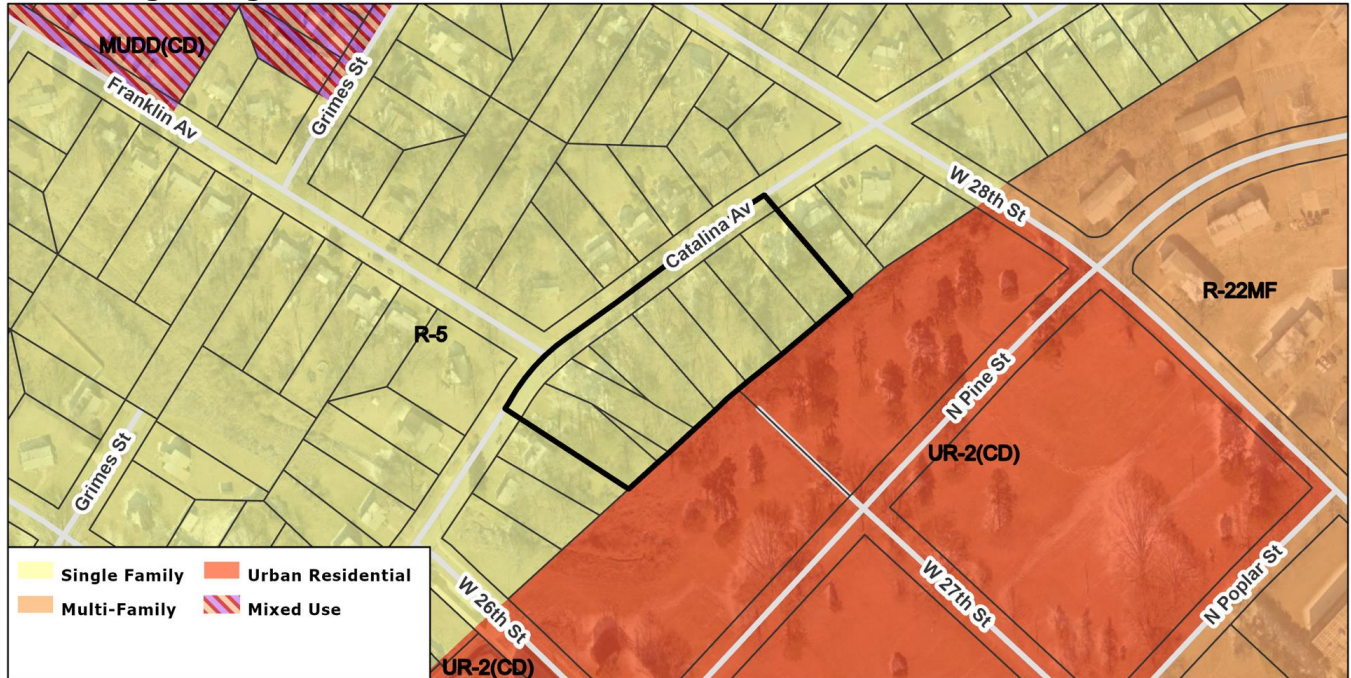

PLANNING STAFF REVIEW

• Proposed Request Details

The site plan accompanying this petition contains the following provisions:

- Proposes up to 26 single family attached units.
- Buildings with frontage along Catalina Avenue may have no more than 4 units per building at a maximum height of 38'. Buildings to the rear of the site may be no more than 150' in length and 46' in height with a maximum of 7 units per building.
- Commits to install a 12' Class C buffer with a 6' screening fence on the northern and southern property boundaries.
- Provides a minimum of 8 internally located visitor spaces and 10 on-street parking spaces on Catalina Avenue.
- Access to the site will be provided via two driveways along Catalina Avenue.
- Commits to provide an 8' planting strip and 8' sidewalk along Catalina Avenue. A 5' sidewalk will also be provided along the internal private alley.
- Provides a 27'33' setback and 10' rear yard.
- Commits to capping and shielding all new lighting and limiting freestanding fixtures to 15'.
- Proposes a minimum of 400 square feet of private open space for each unit.
- Provides architectural standards related to garages for each unit, pitched roofs, usable porches, blank wall expanse limitations, primary building materials, screened HVAC units, and screened solid waste facilities.

- Existing Zoning**

- The site is currently zoned R-5 and is in an area with R-5, UR-2, R-22MF, and MUDD zoning.

Existing Zoning	Translated Zoning	Recommended Place Type
R-5 (single family residential)	N1-C (neighborhood 1, C)	Neighborhood 1

- The subject site is denoted with a red star and is in an area with single family residential, multi-family residential, industrial, commercial, and office uses.

- North and west of this site are single family homes.

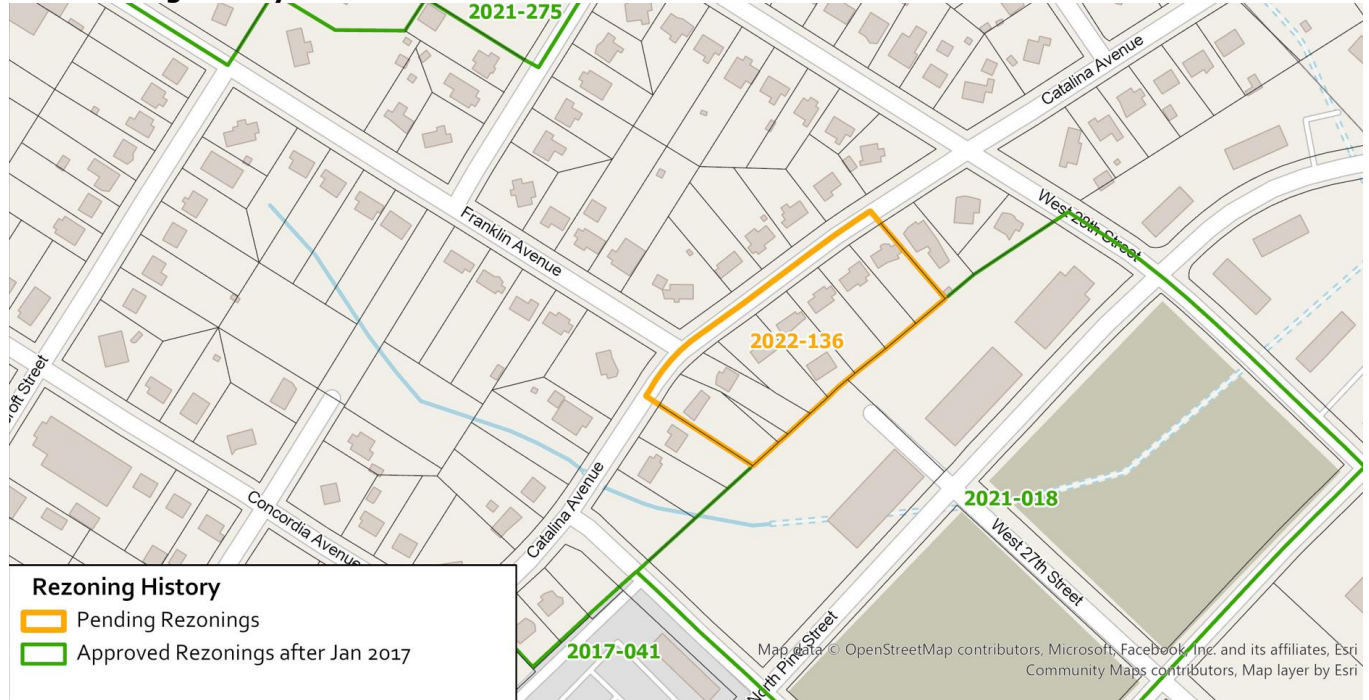

- East of the site is a multi-family development currently under construction (rezoning petition 2021-018).

- South of the site are single family homes as well as the multi-family development currently under construction (rezoning petition 2021-018).

- Rezoning History in Area**

Petition Number	Summary of Petition	Status
2017-041	Rezoned 12.67 acres from R-5, R-22MF, and I-1 to UR-2(CD).	Approved
2021-018	Rezoned 10.81 acres from R-22MF to UR-2(CD).	Approved
2021-275	Rezoned 7.54 acres from I-2 and R-5 to MUDD(CD).	Approved

- Public Plans and Policies**

- The 2040 Policy Map (2022) calls for Neighborhood 1.

TRANSPORTATION SUMMARY

- The site is located on the east side of Catalina Avenue, a City-maintained local street south of West 28th Street, a City-maintained major collector. A Traffic Impact Study (TIS) is not required for this site due to the site generating less than 2500 daily trips. The petitioner is committing to constructing 8 foot planting strip and 8 foot sidewalks along Catalina Avenue. All outstanding CDOT comments have been addressed.
- **Active Projects:**
 - There are no active projects near the site.
- **Transportation Considerations**
 - No outstanding issues.
- **Vehicle Trip Generation:**
 - Current Zoning:
 - Existing Use: 0 trips per day (the site is vacant).
 - Entitlement: 100 trips per day (based on 8 single family dwelling units).
 - Proposed Zoning: 150 trips per day (based on 26 single family attached units).

DEPARTMENT COMMENTS

- **Charlotte Area Transit System:** No comments submitted.
- **Charlotte Department of Housing and Neighborhood Services:** No comments submitted.
- **Charlotte Department of Solid Waste Services:** See advisory comments at www.rezoning.org
- **Charlotte Fire Department:** No outstanding issues.
- **Charlotte-Mecklenburg Schools:** Development allowed with the existing zoning could generate 4 students, while development allowed with the proposed zoning may produce 2 students.
 - The proposed development is not projected to increase the school utilization over existing conditions (without mobile classroom units) as follows:
 - Druid Hills Pre-K through 8th at 74%.
 - West Charlotte High at 98%.
- **Charlotte Water:** Charlotte Water has accessible water system infrastructure for the rezoning boundary via an existing 6-inch water distribution main located along Catalina Avenue. Charlotte Water has accessible sanitary sewer system infrastructure for the rezoning boundary via an existing 8-inch gravity sewer main located along Catalina Avenue. No outstanding issues.
- **Erosion Control:** No comments submitted.
- **Mecklenburg County Land Use and Environmental Services Agency:** See advisory comments at www.rezoning.org
- **Mecklenburg County Parks and Recreation Department:** No comments submitted.
- **Stormwater Services Land Development Engineering:** See advisory comments at www.rezoning.org
- **Storm Water Services:** No comments submitted.
- **Urban Forestry / City Arborist:** See advisory comments at www.rezoning.org

OUTSTANDING ISSUESSite and Building Design

- ~~1. Revise the site plan so that no structures are located in the setback.~~ **Addressed**
 - ~~2. Relocate the proposed screened solid waste and recycling area so that it is not within the rear yard or 5' of the property to the rear.~~ **Addressed**
-
