**STAFF  
RECOMMENDATION**

Staff recommends approval of this petition upon resolution of outstanding issues related to site and building design.

Plan Consistency

The petition is **inconsistent** with the 2040 Policy Map recommendation for Neighborhood 1 place type.

Rationale for Recommendation

- The petition is within ½ mile of a Community Activity Center, providing services within a 10 minute walk or bicycle ride.
- The proposed single family attached dwellings are compatible with the adjacent single family attached dwellings to the south and approved cottage court neighborhood to the north of the site.
- The proposed single family attached dwellings would provide an additional housing option in close proximity to a Community Activity Center.
- The petition commits to dedicating 3.5 acres to Mecklenburg County for future park development.

- The petition commits to improving the pedestrian and bicycle infrastructure on the site's public street frontage by implementing a 12' multi-use path along both Steele Creek Road and Parkside Crossing Drive.
- The petition could facilitate the following *2040 Comprehensive Plan* Goals:
  - 1: 10 Minute Neighborhoods
  - 2: Neighborhood Diversity & Inclusion
  - 5: Safe & Equitable Mobility
  - 6: Healthy, Safe & Active Communities

The approval of this petition will revise the recommended place type as specified by the *2040 Policy Map*, from Neighborhood 1 Place Type to Neighborhood 2 Place Type for the site.
