### Plan Consistency

The petition is **consistent** with the 2040 Policy Map recommendation for Regional Activity Center.

### Rationale for Recommendation

- The TOD-UC district may be applied to parcels within ½ mile walking distance of a rapid transit station.
  - The East/West Station is 0.3 miles walking distance from the site with sidewalk present and 0.4 miles driving distance from the site.
- The site is currently zoned for transit-oriented uses.
- TOD standards include requirements for appropriate streetscape treatment, building setbacks, street-facing building walls, entrances, and screening.
- The site is in an area surrounded by other transit-oriented zoning.

- TOD uses are compatible with both Regional Activity Center and Community Activity Center.
- The petition could facilitate the following *2040 Comprehensive Plan* Goals:
  - 1: 10 Minute Neighborhoods
  - 4: Trail & Transit Oriented Development
  - 5: Safe & Equitable Mobility
  - 6: Healthy, Safe & Active Communities

## PLANNING STAFF REVIEW

### • Proposed Request Details

This is a conventional rezoning petition with no associated site plan.

- Allows all uses in the TOD-UC zoning district.

### • Existing Zoning

- The site is currently zoned TOD-M (O) and is in an area surrounded by other Transit-Oriented Development zoning. There is CG (General Commercial) and N2-B zoning located to the east of the site with the Dilworth historic district also located east of the site. To the west of the site and across South Boulevard, there is UC (Uptown Core) zoning which is intended to accommodate intense mixed-use development.

- The subject site is denoted with a red star. The site is surrounded by a mixed-use environment that is focused on supporting a vibrant, pedestrian-oriented area with many restaurants, residential neighborhoods (with historic district overlays), office spaces, grocery stores, and shopping/retail areas.

- The site is located on the north side of East Tremont Avenue, southeast of South Boulevard, and west of East Worthington Avenue. The site is currently a real estate developer and a Make-A-Wish Foundation of Central and Western North Carolina, Inc. office.

- North of the site is a parking lot for surrounding commercial businesses.

- East of the site are commercial businesses (salon, renovations office, accountant, and graphics designer), a restaurant, and townhomes.

- To the south of the site is the parking lot for businesses in the area..

- West of the site is Atherton Mill with commercial retail, coffee shop, restaurants, and a flower shop within the space.
