ZONING COMMITTEE DISCUSSION

Staff provided a summary of the petition and noted that it is inconsistent with the *2040 Policy Map*.

Commissioner Russell asked if the entrance to the Kings Grant (rezoning 2021-028) property to the north would align with the main entrance of this proposed site. CDOT stated the entrances do not align with that development. Commissioner Russell asked how we were preventing trucks from parking on the side of the road in that location. CDOT responded that Ridge Road is an NCDOT road and that they post no parking signs, but recognized it is an enforcement issue.

There was no further discussion of this petition.

MINORITY OPINION

Commissioner Lansdell stated that due to transportation issues and the impact on the trips per day on Ridge Road he had concerns about the design for this parcel. Commissioner Russell stated that he had concerns with the isolated location of the site, transportation, and infrastructure concerns along with conflicts with heavy trucks on a two-lane road.
