**ZONING COMMITTEE DISCUSSION**

Staff provided a summary of the petition and noted that it is consistent with the *2040 Policy Map*.

Commissioner Lansdell stated he had design concerns about allowing on-street parallel parking on Liberty Crossing Drive Extension and 90-degree parking on the private street. He did not elaborate on his concerns.

Commissioner Russell inquired about the two gated access points. The petitioner’s agent stated the gated access points are for the multi-family portion of the mixed-use site.

There was no further discussion of this petition.

**MINORITY OPINION**

Commissioner Lansdell stated that due to parking design and increase in population and traffic flow on Liberty Crossing Drive he does not support the petition. Commissioner Russell added that the petition’s design and form does not fit into the surrounding area.
