

PLAN REVIEW SHEET

Date: May 24, 2023

Petition #: RZP 2023-015

Address: 2501 Wilkinson Blvd.

Request: TOD-CC

Staff Contact: John Howard

The site is located at the proposed LYNX Silver Line light rail transit corridor and Remount Road station. The minimum required right of way for the light rail corridor is 70 feet (35 feet measured from the centerline of the tracks). However, additional area will be needed for the corridor and the station platform. CATS is requesting a conditional rezoning petition to include the reservation of the light rail corridor and station area as shown on image 1.
