Meeting is required and has been held. Report available online.  
Number of people attending the Community Meeting: 4.

Staff recommends approval of this petition.

The petition is **inconsistent** with the *2040 Policy Map* recommendation for Neighborhood 1 place type.

- The proposed single family attached dwellings would add to the variety of housing options in the area.
- The buildings fronting Ridge Road are mostly consistent with Neighborhood 1 place type with six of the seven buildings having three units each.
- The petition would improve multimodal mobility in the Ridge Road corridor by providing a 12' multi-use path.
- The petition could facilitate the following *2040 Comprehensive Plan* Goals:
  - 2: Neighborhood Diversity & Inclusion

The approval of this petition will revise the recommended place type as specified by the *2040 Policy Map*, from Neighborhood 1 Place Type to Neighborhood 2 Place Type for the site.

## PLANNING STAFF REVIEW

### • Proposed Request Details

The site plan accompanying this petition contains the following provisions:

- Proposes a community of up to 121 single family attached dwellings at a density of 8.59 units per acre.
- Illustrates two independent development areas (A and B) separated by a private driveway.
- Includes a 50' Class C buffer, which may be reduced to 37.5' with a fence, where abutting single family detached zoning.
- Includes a half 100' Class A buffer (50'), which may be reduced to 37.5' with a berm, where adjacent to industrial zoning.
- Commits to a 30' setback along Ridge Road.
- Limits the number of units to no more than five per building with no more than four per building facing Ridge Road.
- Commits to the widening of Ridge Road to accommodate a two-way left turn lane and right turn lanes into the site.
- Commits to implementing a minimum 8' planting strip and 12' multi-use path along the site's Ridge Road frontage.

### • Existing Zoning

- The site and many of the surrounding properties are zoned N1-A. Other adjacent and nearby properties are zoned I-1(CD), IC-1, and CC.

The site, marked by a red star, is currently occupied by six single family detached dwellings and is surrounded by other large lot single family dwellings and wooded properties. Many of the surrounding properties have been rezoned in recent years to allow single family attached residential, multifamily residential, and industrial uses.

Street view of the site as seen from Ridge Road.

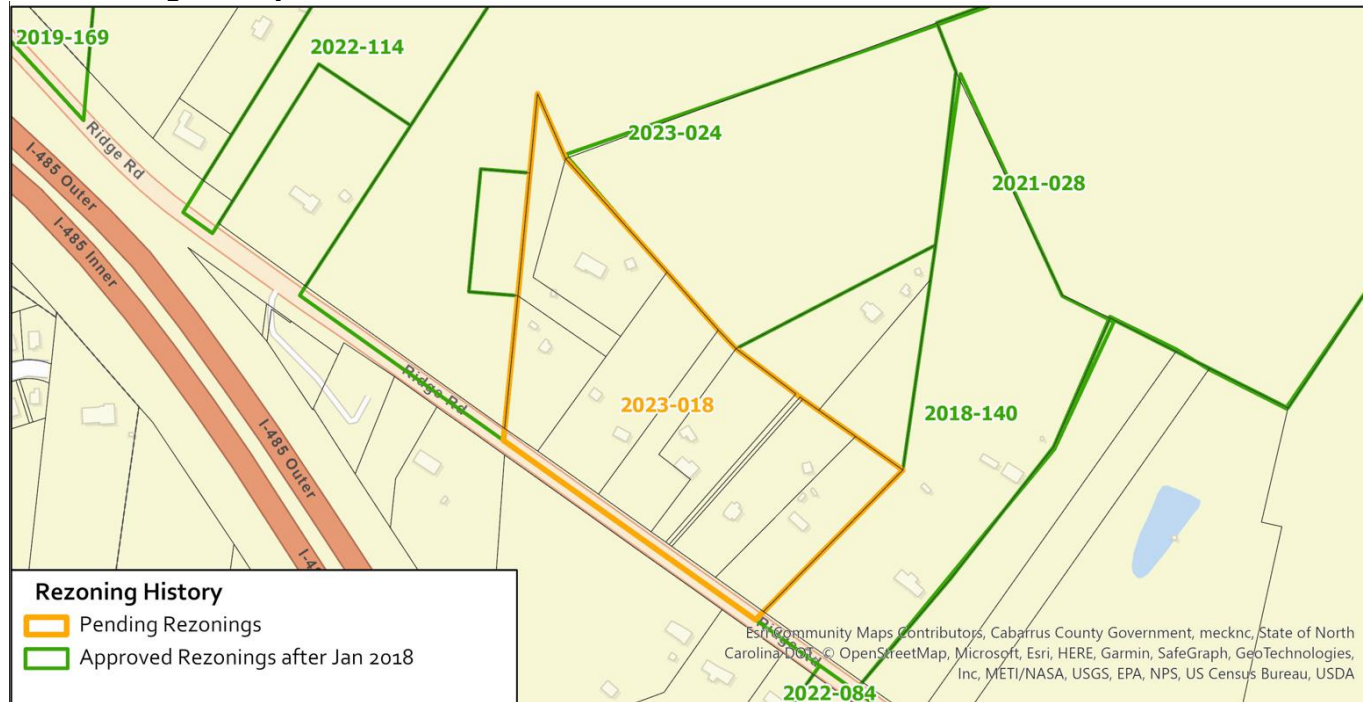

The properties to the north of the site, which is marked by a red star, are wooded but are entitled for industrial and single family detached residential uses.

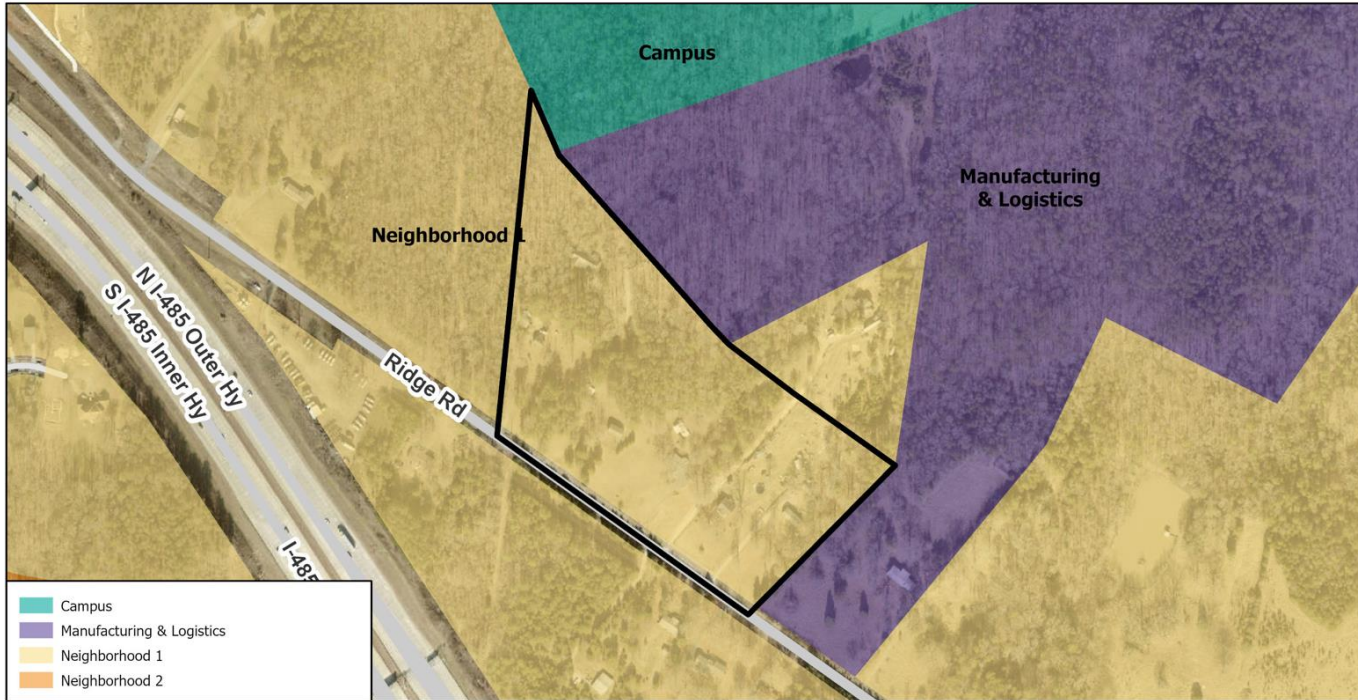

Streetview of large lot single family detached residential uses to the south of the site across Ridge Road and characteristic of the uses to the east and west of the site along Ridge Road.

- **Public Plans and Policies**

- The 2040 Policy Map (2022) recommends Neighborhood 1 place type for the site.

- **TRANSPORTATION SUMMARY**

- The site is located on Ridge Road a State-maintained, major thoroughfare. A Traffic Impact Study (TIS) is not required for this site due to the site generating less than 2500 daily trips. CDOT has coordinated with the petitioner to commit to widening Ridge Road to provide a two way left turn, installing a 12-foot SUP. All outstanding CDOT comments have been addressed.

- **Active Projects:**

- N/A

- **Transportation Considerations**

- No outstanding issues.

- **Vehicle Trip Generation:**

Current Zoning:

Existing Use: 60 trips per day (based on 6 single family detached dwellings).

Entitlement: 455 trips per day (based on 42 single family detached dwellings).

Proposed Zoning: 875 trips per day (based on 121 single family attached dwellings).
