**STAFF
RECOMMENDATION**

Staff recommends approval of this petition.

Plan Consistency

The petition is **inconsistent** with the *2040 Policy Map* recommendation for the Regional Activity Center Place Type.

Rationale for Recommendation

- This petition proposes to add to the variety of housing options in the area.
- Though inconsistent with the *2040 Policy Map*, the proposed uses align with the multi-family and mixed-use sites in the area.
- The proposed site is within a ¼ mile walk, bike or transit of a Regional Activity Center that would support the proposed residential uses.
- The petition proposes streetscape improvements along its frontage on Point Woods Drive including an 8-foot sidewalk and 8-foot planting strip.

- The proposed site would be well supported by bus transit with a CATS bus stop less than ¼ mile from the site.
- The petition could facilitate the following *2040 Comprehensive Plan* Goals:
 - 1: 10 Minute Neighborhoods
 - 2: Neighborhood Diversity & Inclusion
 - 5: Safe & Equitable Mobility

The approval of this petition will revise the recommended place type as specified by the *2040 Policy Map*, from the Regional Activity Center Place Type to Neighborhood 2 Place Type for the site.

- Rezoning History in Area**

Petition Number	Summary of Petition	Status

- Public Plans and Policies**

- The 2040 Policy Map (2022) recommends the Regional Activity Center Place Type for this site.

- **TRANSPORTATION SUMMARY**

- The site is located adjacent to Point O'Woods Drive, a City-maintained local street, west of Northlake Centre Parkway, a City-maintained minor arterial. A Traffic Impact Study (TIS) is not required for the site due to the development generating site trips under ordinance thresholds and not meeting additional TIS triggers. Site plan and/or conditional notes commit to dedicating right of way, constructing an 8 foot planting strip and 8 foot sidewalk per Article 33 in UDO, and adding conditional notes. There are no further outstanding issues.
