Plan Consistency

The petition is **consistent** with the *2040 Policy Map* recommendation for the Neighborhood Center Place Type.

Rationale for Recommendation

 - 4: Trail & Transit Oriented Development
 - 5: Safe & Equitable Mobility
 - 6: Healthy, Safe & Active Communities
 - 9: Retain Our Identity & Charm

- The site is located at the intersection of West Boulevard, a State-maintained major arterial, and Romare Bearden Drive, a City-maintained local street. A CTR will be required during permitting if the site generates site trips over ordinance thresholds. The site will be subject to transportation improvements in accordance with the UDO and the adopted CDOT Streets Map. CDOT will work with the petitioner during the permitting process to pursue all options to provide additional forms of connectivity that reflect the types of development associated with this place type and zoning district.
