STAFF RECOMMENDATION

Staff recommends approval of this petition.

Plan Consistency

The petition is **consistent** with the *2040 Policy Map* recommendation for the Neighborhood 1 Place Type.

Rationale for Recommendation

- The proposed petition is consistent and aligned with the recommendation of the *2040 Policy Map* and the surrounding area.
- This petition has the potential to add to the variety of housing in the area.
- The proposed site would be well served by transit with access to CATS stops less than ½ mile from the site.

- The proposed site would also be well served with access to amenities, goods, and services by adjacent Commercial and Community Activity Center sites.
- The petition could facilitate the following *2040 Comprehensive Plan* Goals:
 - 1: 10 Minute Neighborhoods
 - 2: Neighborhood Diversity & Inclusion
 - 4: Trail & Transit Oriented Development

PLANNING STAFF REVIEW

- **Proposed Request Details**
This is a conventional rezoning petition with no associated site plan.
- **Existing Zoning**

- The site is currently zoned MHP (manufactured home park). The surrounding land uses include single family homes, manufactured homes, commercial and industrial uses.

The subject property is denoted with a red star.

The property to the west along Henderson Circle is developed with a single family home.

The property to the east along Henderson Circle is developed with single family homes.

The property to the south is under construction with a single family subdivision.

The property to the north along Old Statesville Road is developed with a mobile home park.

• **Rezoning History in Area**

There have been no recent rezonings in the area.

• **Public Plans and Policies**

- The 2040 Policy Map (2022) recommends the Neighborhood 1 Place Type for this site.

• **TRANSPORTATION SUMMARY**

- The site is located adjacent to Henderson Circle, a City-maintained local street, west of Old Statesville Road, a State-maintained major arterial. A Comprehensive Transportation Review (CTR) is not necessary for the complete review of this petition due to the conventional rezoning. A CTR will be required during permitting if the site generates site trips over ordinance thresholds. The site will be subject to transportation improvements in accordance with the UDO and the adopted CDOT Streets Map. CDOT will work with the petitioner during the permitting process to pursue all options to provide additional forms of connectivity that reflect the types of development associated with this place type and zoning district.
