STAFF RECOMMENDATION

Staff recommends approval of this petition.

Plan Consistency

The petition is **consistent** with the *Charlotte Center City 2040 Vision Plan* (2021). While this plan does not make a specific land use recommendations for the site, it encourages future development and contributes to the overall viability and livability of Center City.

Rationale for Recommendation

- The petition is an optional request to increase the allowed exterior signage for an existing uptown building.
- The petition could facilitate Goal 8 of the *Charlotte Center City 2040 Vision Plan* specially contributing to make the Tryon Street corridor a distinctive destination by increasing visual interest along the street.

- Previous sign requests for skyline signs have been made in uptown through the same process, with the largest being the Truist sign at approximately 980 square feet.

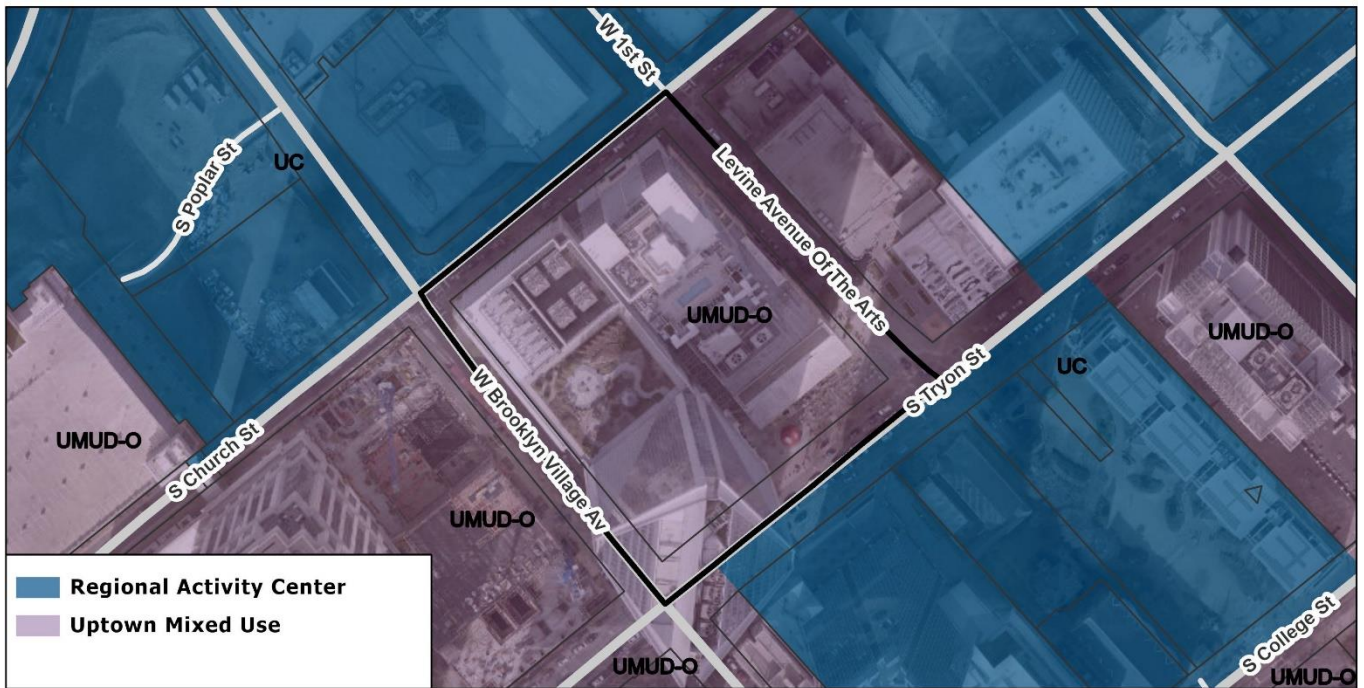

PLANNING STAFF REVIEW

- **Proposed Request Details**

The site plan amendment contains the following changes:

- Proposes to allow up to two skyline signs at a maximum of 1,880 square feet each for a maximum skyline signage area of 3,760 square feet.

- **Existing Zoning**

- The site is currently zoned UMUD-O SPA (uptown mixed-use development, optional, site plan amendment) and is adjacent to other sites zoned UMUD-O as well as UC (uptown core).

The site (indicated by red star above) is located at the east side of the intersection of South Church Street and West Brooklyn Village Avenue, along the northwest side of South Tryon Street.

View of the base of the tower from the intersection of South Tryon Street and East Brooklyn Village Avenue.

View of the tower looking east from I-277 on the inner loop of John Belk Freeway. The skyline sign is proposed to be mounted on the white upper horizontal portion of the building.

View of the tower looking southwest from the intersection of East Martin Luther King Jr. Boulevard and South Brevard Street. The skyline sign is proposed to be mounted on the white upper horizontal portion of the building.

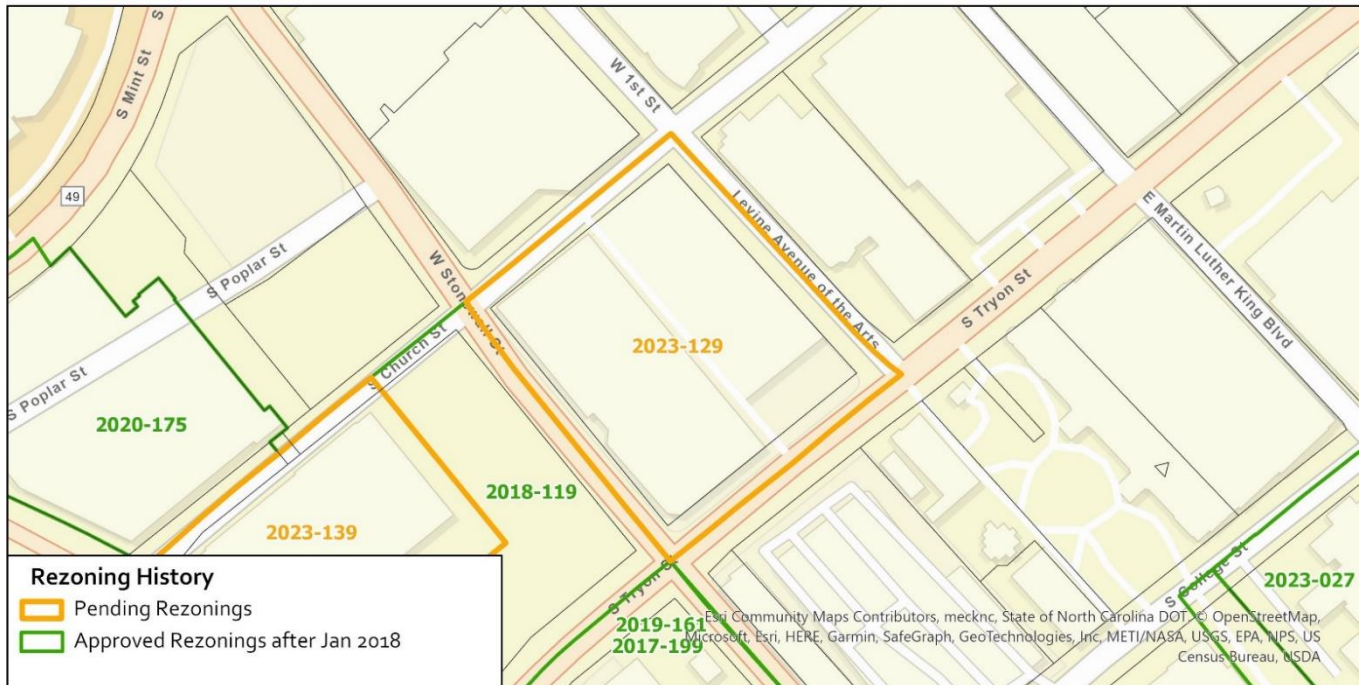

View of the Truist building skyline signs looking east from the intersection of West 6th Street and North Church Street. The rectangular "Truist" sign is approximately 980 square feet. The square Truist logo sign located on the left side of the building in the image is approximately 558 square feet. The skyline signage was approved by rezoning petition 2020-064.

View of the Honeywell building skyline sign looking north from I-277 on the inner loop of John Belk Freeway. The "Honeywell" sign is approximately 350 square feet and was approved by rezoning petition 2020-175.
