**STAFF
RECOMMENDATION**

Staff recommends approval of this petition.

Plan Consistency

The petition is **inconsistent** with the 2040 Policy Map recommendation for Neighborhood 2.

Rationale for Recommendation

- The petition is appropriate and compatible because the N1-C district is more restrictive in regard to permitted uses.
- The Neighborhood 1 Place Type recommends neighborhoods with a variety of housing types, where single-family housing is still the predominant use.
- The N1-C district allows for the development of single-family, duplex, and triplex dwellings on all lots, as well as public infrastructure uses.
- The petition could facilitate the following 2040 Comprehensive Plan Goals:
 - 2: Neighborhood Diversity & Inclusion
 - 10: Fiscally Responsible

The approval of this petition will revise the recommended place type as specified by the *2040 Policy Map*, from Neighborhood 2 recommended Place Type to Neighborhood 1 for the site.
