STAFF RECOMMENDATION

Staff recommends approval of this petition.

Plan Consistency

The petition is **consistent** with the *2040 Policy Map* recommendation for Regional Activity Center.

Rationale for Recommendation

- The application of the Uptown Edge district is appropriate for this area which transitions from the high-intensity environment of the Uptown-core into the less dense mixed-use areas along Morehead Street and the Dilworth neighborhood just to the southwest.
- The Uptown Edge district maintains high standards for quality of design and pedestrian oriented development.
- This parcel is adjacent to projects that have been entitled for developments that are at a similar scale to what is allowed in the Uptown Edge district.

- Though not the most intense zoning district, the UE district does allow for relatively large-scale developments, which is compatible with the Regional Activity Center Place Type that is recommended for this corridor.
- The petition could facilitate the following 2040 Comprehensive Plan Goals:
 - o 1: 10 Minute Neighborhoods
 - o 5: Safe & Equitable Mobility
 - o 6: Healthy, Safe & Active Communities

PLANNING STAFF REVIEW

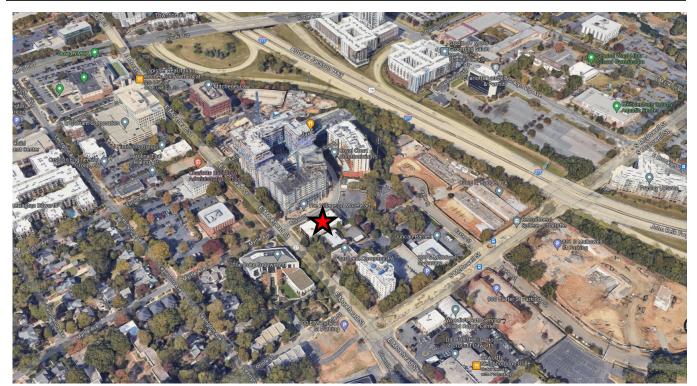

• Proposed Request Details

This is a conventional rezoning petition with no associated site plan.

• Proposes to allow all uses permitted by-right and under prescribed conditions in the UE zoning district.

 The parcel is currently zoned NC as a result of the zoning translating from B-1 PED and B-2 PED on June 1, 2023. Surrounding parcels are zoned NC, MUDD-O, MUDD(CD), and UC.

• The subject site is denoted with a red star and is in an area with office, commercial, multi-family residential, single family residential, and mixed-use developments.

• North of the site is a condominium development.

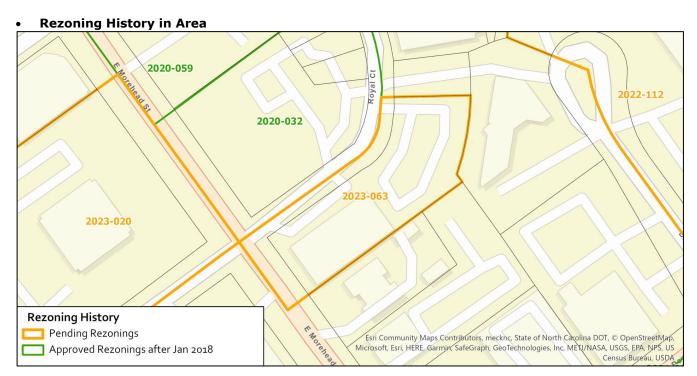

• East of the site is a condominium building as well as office uses.

• South of the site is the Duke Endowment office building.

• West of the site is a mixed-use development that was rezoned as petition 2020-032.

Petition Number	Summary of Petition	Status
2020-032	Rezoned 1.39 acres from MUDD-O to MUDD-O SPA.	Approved
2020-059	Rezoned 1.474 acres from B-1 and MUDD to MUDD-O.	Approved
2022-112	Rezoning 4.53 acres from NC to UD.	Pending
2023-020	Rezoning 3.13 acres from NC to MUDD-O.	Pending

Public Plans and Policies

The 2040 Policy Map (2022) calls for Regional Activity Center for the site.

TRANSPORTATION SUMMARY

The site is located at the intersection of Morehead Street, a State-maintained major arterial, and Royal Court, a City-maintained local street. A Comprehensive Transportation Review (CTR) is not necessary for the complete review of this petition due to the conventional rezoning. A CTR will be required during permitting if the site generates site trips over ordinance thresholds. The site will be subject to transportation improvements in accordance with the UDO and the adopted CDOT Streets Map. CDOT will work with the petitioner during the permitting process to pursue all options to provide additional forms of connectivity that reflect the types of development associated with this place type and zoning district.

Active Projects:

- The Pearl
 - The project is to construct grading and roadway infrastructure. The project is located at 801 South McDowell Street.
 - Infrastructure Phase 1A is under construction.

• Transportation Considerations

o No outstanding issues.

• Vehicle Trip Generation:

Current Zoning:

Existing Use: 445 trips per day (based on existing office building).

Entitlement: 655 trips per day (based on 9,980 square feet of retail uses).

Proposed Zoning: Too many uses to determine trip generation.
