STAFF RECOMMENDATION

Staff recommends approval of this petition.

Plan Consistency

The petition is **consistent** with the *2040 Policy Map* recommendation for the Neighborhood 2 Place Type.

Rationale for Recommendation

- This petition is appropriate and compatible as the site is within an area designated by the 2040 Policy Map for the Neighborhood 2 Place Type.
- The site is in an area with a range of uses including single-family, multifamily, institutional, and manufacturing and logistics. The proposed zoning would help to increase the housing availability and diversity in the area.
- The site is located along two major thoroughfares.
- The site is located directly across East WT Harris Blvd from the future Back Creek Greenway.

- The site is located along the route of the number 23 and 29 CATS local buses providing access to the Charlotte Transportation Center on the 23 and between the Independence Blvd Walmart and the JW Clay Park & Ride on the 29.
- The petition could facilitate the following 2040 Comprehensive Plan Goals:
 - o 2: Neighborhood Diversity & Inclusion
 - 5: Safe & Equitable Mobility

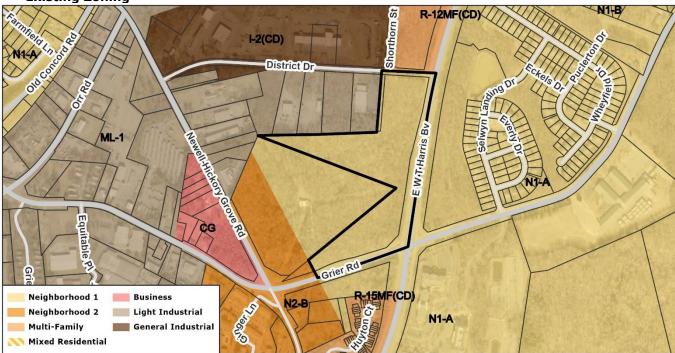

PLANNING STAFF REVIEW

Proposed Request Details

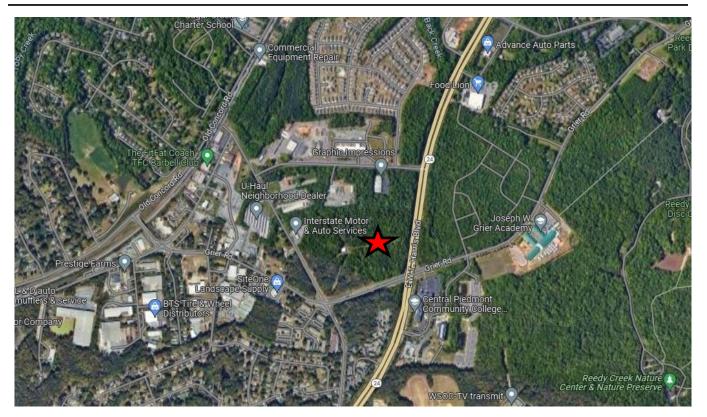

This is a conventional rezoning petition with no associated site plan.

Allows all uses in the N2-B (neighborhood 2) zoning district.

Existing Zoning

• The property is currently zoned N1-A (neighborhood 1). The site is adjacent to other N1-A zoned parcels to the south across Grier Road, to the east across East WT Harris Boulevard, and abutting to the west. Abutting N2-B zoning to the west and adjacent to the south across Grier Road. The site is abutting ML-1 (manufacturing & Logistics) zoning to the north along District Drive and adjacent to R-12MF(CD) (multi-family) across District Drive. As well as adjacent to CG (general commercial) to the west across Newell-Hickory Grove Road.

The site (indicated by red star above) located on the north side of Grier Road, west side of East W.T. Harris Boulevard, and south side of District Drive, east of Newell-Hickory Grove Road. The site is adjacent to a mix of uses ranging from single-family and multi-family to institutional and manufacturing and logistics.

View of the site looking southwest from the intersection of East WT Harris Blvd and District Drive. The site is currently undeveloped and wooded.

View of the Selwyn Landing subdivision located to the east of the site across East WT Harris Blvd.

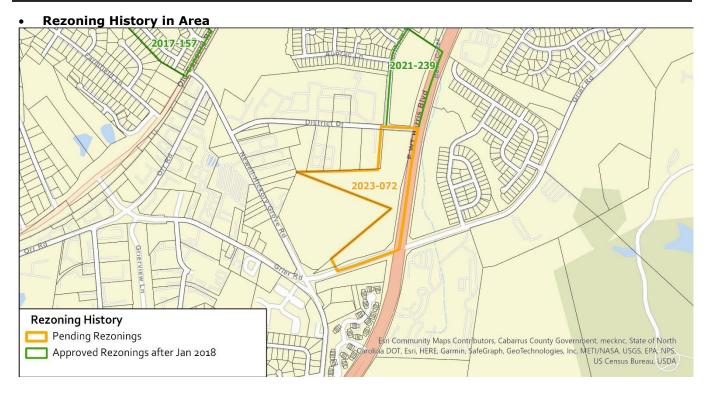

View of the Central Piedmont Community College (CPCC) Cato campus located southeast of the site at the intersection of East WT Harris Blvd. and Grier Road.

View of the NCDOT facilities located to the north of the site along District Drive, typical of the manufacturing and logistics developments on District Drive.

View of the Meadowbrook Apartments entrance located southwest of the site at the corner of Grier Road and Newell-Hickory Grove Road. One of the two apartment developments to the south of the site.

TRANSPORTATION SUMMARY

The site is located at the intersection of WT Harris Boulevard, a State-maintained expressway, and Grier Road, a State-maintained major arterial. A Comprehensive Transportation Review (CTR) is not necessary for the complete review of this petition due to the conventional rezoning. A CTR will be required during permitting if the site generates site trips over ordinance thresholds. The site will be subject to transportation improvements in accordance with the UDO and the adopted CDOT Streets Map. CDOT will work with the petitioner during the permitting process to pursue all options to provide additional forms of connectivity that reflect the types of development associated with this place type and zoning district.
