**ZONING COMMITTEE
ACTION/ STATEMENT
OF CONSISTENCY**

The Zoning Committee voted 7:0 recommend APPROVAL of this petition and adopt the consistency statement as follows:

To Approve:
This petition is found to be **consistent** with the *2040 Policy Map (2022)* based on the information from the staff analysis and the public hearing, and because:

- The *2040 Policy Map (2022)* calls for Neighborhood 1 place type.

Therefore, we find this petition to be reasonable and in the public interest, based on the information from the staff analysis and the public hearing, and because:

- The Neighborhood 1 place type can be compatible and appropriate as an infill development transitioning with the adjacent single-family homes.
- The petition is appropriate and compatible because the N1-D district is more restrictive in regard to permitted uses.
- The Neighborhood 1 Place Type recommends neighborhoods with a variety of housing types, where single-family housing is still the predominant use.
- The petition is located next to Neighborhood 1 place type making it consistent.
- The petition could facilitate the following 2040 Comprehensive Plan Goals:
 - 1: 10 minute neighborhood
 - 2: Neighborhood Diversity & Inclusion
