

## REQUEST

Current Zoning: I-1(CD) (Light Industrial, Conditional)  
Proposed Zoning: ML-1(CD) (Manufacturing & Logistics-1, Conditional)

## LOCATION

Approximately 1.16 acres located east of Rozzelles Ferry Road, north of Honeywood Avenue, and west of Brookshire Boulevard.

## SUMMARY OF PETITION

The petition proposes to allow most uses permitted by-right and under prescribed conditions in the ML-1 zoning district while prohibiting serval uses on a parcel that is currently developed with a commercial building.

## STAFF RECOMMENDATION

Staff recommends approval of this petition.

### Plan Consistency

The petition is **inconsistent** with the 2040 *Policy Map* recommendation for the Innovation Mixed-Use Place Type.

### Rationale for Recommendation

- The petition site is currently light industrial, a zoning district from the legacy ordinance. A rezoning to ML-1 would bring the site up to date with the current UDO without increasing intensity.
- The UDO prescribes automatic triggers for landscape yards that could provide buffering to the adjacent Neighborhood 1 uses.
- The ML-1 zoning district accommodates light industrial uses, including warehousing, distribution, and logistics. These uses are compatible with the site's proximity to ML-2 and ML-2(CD) districts, allowing for a consistent pattern of development.

- The ML-1 zoning district is designed for light industrial uses and can allow for a transition between more intense industrial uses, such as those allowed in ML-2 zoning district and the surrounding General Commercial zoning district.
- The site is in close proximity to Interstate-85 allowing efficient access of large trucks typical of M&L uses.
- The subject property is not within the Uptown or City Center and the site is served by an arterial and abuts an existing rail corridor.

The approval of this petition will revise the recommended place type as specified by the *2040 Policy Map*, from the Innovation Mixed-Use Place Type to the Manufacturing & Logistics Place Type for the site.

## PLANNING STAFF REVIEW

### • Background

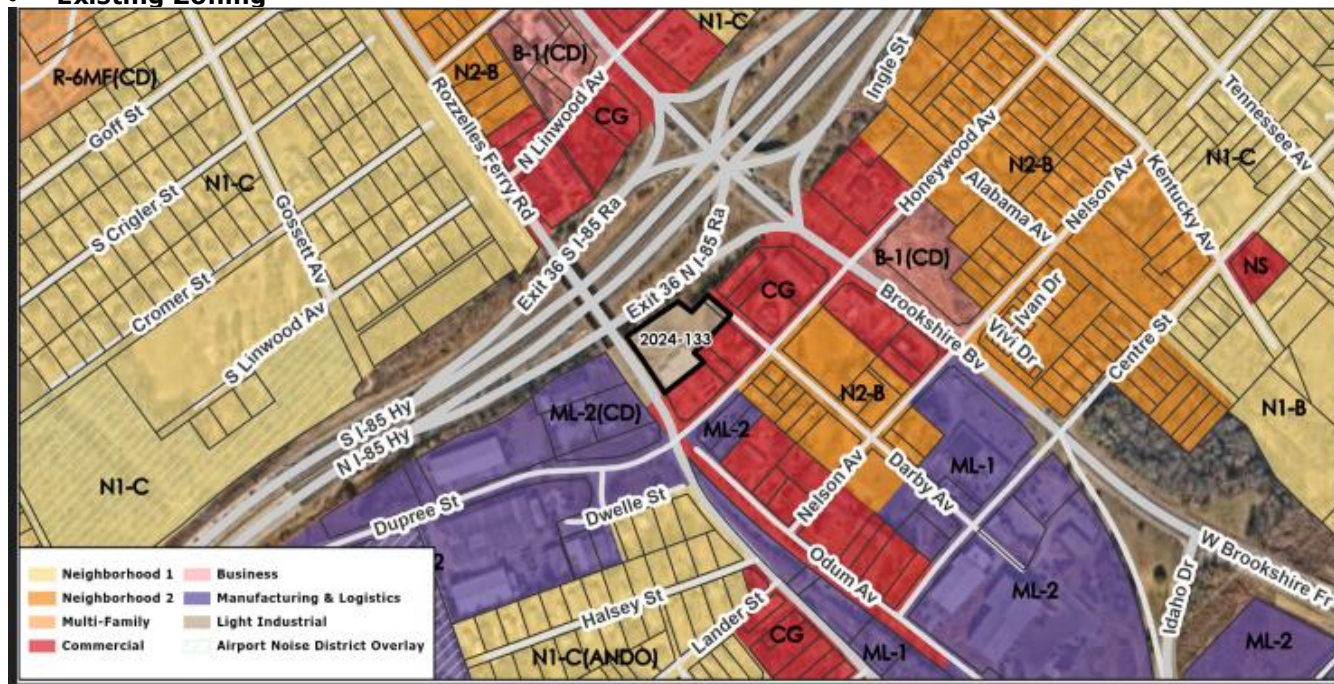

- The site was rezoned in 1988 from B-2 to I-1 (CD) to allow for all uses permitted by-right in the I-1 zoning district except for billboard advertising.

### • Proposed Request Details

The development standards accompanying this petition contain the following provisions:

- The petition proposes to allow all uses permitted by-right and under prescribed conditions in the ML-1 zoning district except for Adult Electronic Gaming Establishments; Adult uses; Amusement Facility – Outdoor; Employment/Labor Service Agency; Kennel; Vehicle Auction Facility; Recycling Collection Center; Truck Stop; Vehicle Operations Facility, and temporary uses – Mobile Car Wash.

### • Existing Zoning

- The site is currently zoned I-1(CD) and the surrounding area is zoned CG (General Commercial), ML-2(CD) (Manufacturing & Logistics-2, Conditional), and N2-B (Neighborhood 2-B).

- The site (denoted by a red star) and its immediate vicinity is comprised of industrial uses to the south, commercial uses to the north, and residential uses to the east.

- The petition site is currently used as a pet crematory.

- North of the site is a funeral home and hotel.

- East of the site are single-family homes.

- South of the site are industrial uses.

- West of the site is I-85.

- **Rezoning History in Area**

Petition Number	Summary of Petition	Status
2018-102	Rezoned 0.53 acres from B-2 to I-2 to allow all uses in the I-2 zoning district.	Approved
2018-157	Rezoned 9.05 acres from I-1, I-2, I-2(CD), and B-2 to I-2 to allow all uses in the I-2 zoning district.	Approved
2021-162	Rezoned 0.73 acres from R-22MF to B-2 to allow for all uses allowed in the B-2 zoning district.	Approved
2023-136	Rezoned 2.26 acres from ML-2 to ML-2(CD) to allow for a vehicle repair facility.	Approved

- **Public Plans and Policies**

- The 2040 Policy Map (2022) recommends the Innovation Mixed-Use Place Type.

- **TRANSPORTATION SUMMARY**

- The petition is located adjacent to Rozzelles Ferry Road, a city-maintained minor arterial and Darby Avenue, a city-maintained local street. A Comprehensive Transportation Review (CTR) is not necessary for the complete review of this petition due to the minor conditional rezoning. A CTR will be required during permitting if the site generates site trips over ordinance thresholds. The site will be subject to transportation improvements in accordance with the UDO and the adopted CDOT Streets Map. CDOT will work with the petitioner during the permitting process to pursue all options to provide additional forms of connectivity that reflect the types of development associated with this place type and zoning district.

- **Active Projects:**

- TIP - I-85 & Brookshire Blvd. (NC 16) Interchange
  - Project Limits: Interchange
  - TIP Number: I-6020
  - Advanced Project Description: Conversion of existing interchange to diverging diamond interchange.
  - ROW Year: Undetermined
  - Construction Year: Undetermined

- **Transportation Considerations**

- No outstanding issues.

- **Vehicle Trip Generation:**

Current Zoning:

Existing Use: 199 trips per day (based on pet crematory land use).

Entitlement: 53 trips per day (based on warehouse land use).

Proposed Zoning: Trip generation will be calculated during permitting based on the specific square footage of uses proposed
