STAFF RECOMMENDATION

Staff recommends approval of this petition.

Plan Consistency

The petition is **consistent** with the 2040 Policy Map recommendation for Manufacturing & Logistics place type.

Rationale for Recommendation

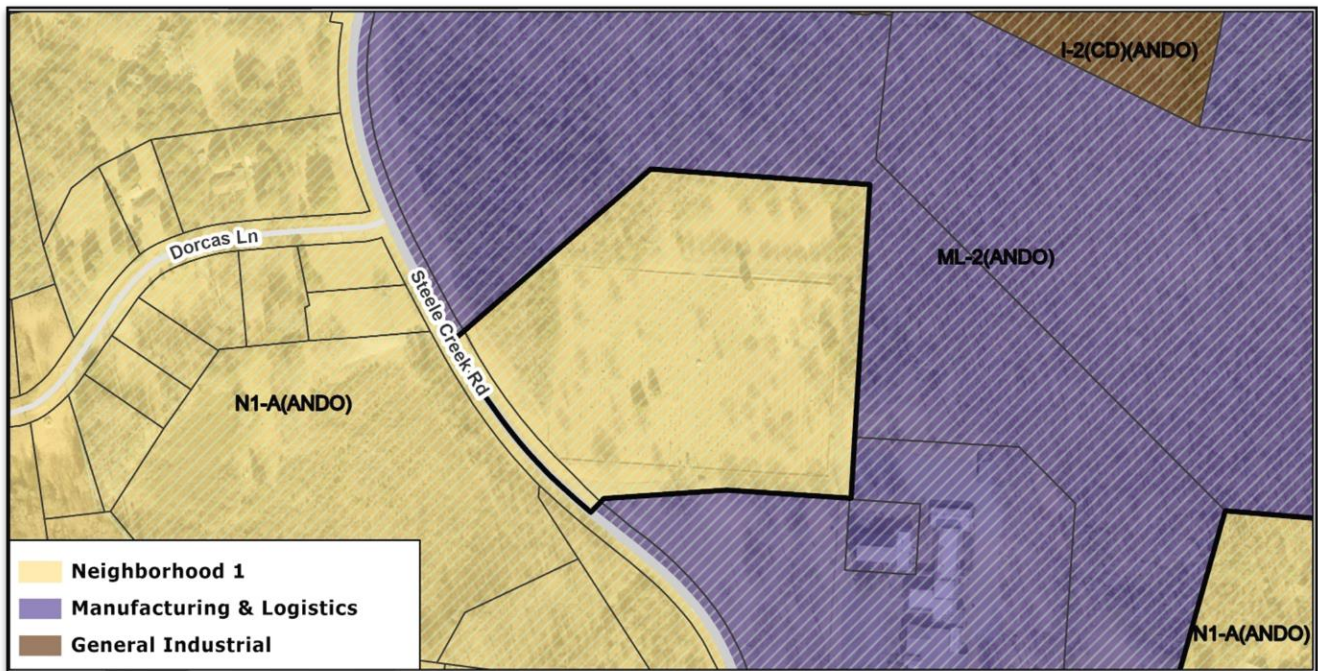

- The petition is consistent with the 2040 Policy Map recommendation for Manufacturing & Logistics place type and is surrounded primarily by other parcels both recommended for Manufacturing & Logistics place type and zoned ML-2.
- The site is less than one mile from Charlotte Douglas International Airport and is within the Airport Noise Disclosure Overlay, making it less attractive for development under the current zoning of N1-A ANDO.

- The petition could facilitate the following *2040 Comprehensive Plan* Goals:
 - 8: Diverse & Resilient Economic Opportunity
