**ZONING COMMITTEE  
ACTION/ STATEMENT  
OF CONSISTENCY**

The Zoning Committee voted 6-0 to recommend APPROVAL of this petition and adopt the consistency statement as follows:

**To Approve:**

This petition is found to be **inconsistent** with the *2040 Policy Map (2022)* based on the information from the staff analysis and the public hearing, and because:

- The *2040 Policy Map* recommends Neighborhood 1 place type for the site.

However, we find this petition to be reasonable and in the public interest, based on the information from the staff analysis and the public hearing, and because:

- The proposed single family attached dwellings would diversify the housing options along this segment of S Tryon Street.
- The petition will improve multimodal mobility in the S Tryon corridor by constructing a 12' multi-use path along the site's frontage.
- The petition commits to providing screening above ordinance requirements with a 15' Class C landscape yard where adjacent to single-family dwellings.
- The site is a remnant parcel with no street connection to the surrounding single-family neighborhood.
- The petition could facilitate the following *2040 Comprehensive Plan Goals*:
  - 1: 10-Minute Neighborhoods
  - 2: Neighborhood Diversity & Inclusion
  - 5: Safe & Equitable Mobility

The approval of this petition will revise the recommended place type as specified by the *2040 Policy Map*, from Neighborhood 1 place type to Neighborhood 2 place type for the site.
