The site is located at 9925 E W.T. Harris Blvd and is served by CATS bus routes #221, and #52X. According to Table 32-1.1 of the Unified Development Ordinance (UDO), the location and type of required bus amenities will be determined during the Land Development plan review process. CATS mandates that any necessary bus stop improvements must comply with ADA standards and adhere to CATS standard details. Final placement and specifications will be coordinated with the developer to ensure compliance with UDO requirements.
